Hello, Shimaji here.

Ayune-chan is actually a girl I made based on my type. I thought it would be nice to continue her story a bit more, and farewells are sad anyway, thus we have this sequel. I was pondering what I should do next, but I got a lot of responses that made me feel wanting to draw more of this girl! Motivation's up! I was really happy. (^ ^)

Well then, I hope we can meet again.
