So like I was saying...
ドーン
So...
Sorry...
たたっ…
Nn... That was my bad.
Come to think of it, that was the first time I've heard it in a while... Shinomiya-san's voice, that is.

Every day, she does her duties with her eyes to the floor; she seems really distant...
Shinomiya Kanami--- A girl in my grade.
She's quiet and doesn't seem to want to socialize. In class, she's always alone; quietly reading by the window giving off an air of being unapproachable to everyone around her.
However... Only I know Shinomiya-san's other side.

Hello, Murata speaking.
ガチャッ
Eh!? Shuu!?
That's right- It happened around a month ago---
Your pops is at the neighborhood pub, he drank too much at our little party and passed out.
Not again...
So could you please come pick him up like before?
Fine, fine, I got it. I'm coming.
ガラガラ
Good evening....
I'm here to pick up my idiot father.

Welcome, sir! This is a little something for the road, please wait just a...
.....
Eh...
Ah!!
What???? You... You're not... Shinomiya???
Awa wa wa.

Yeah, yeah, just come outside with me for a second.
I was really shocked
I never thought I'd see Shinomiya from school working in a place like this.
ガたっ…
ズイッ

Wah!!
Kanami-chan... I didn't expect this from you...
Ahh~ Youth sure is wonderful!

I'm begging you!!
Hah...
That's... Well...
You absolutely have to keep my work a secret!!
Really!?
Hah...
It's not a BIG deal.
At any rate, I'm sure Shinomiya has her own circumstances and motivations. I'm not really the gossipy type either, so don't worry about it...

Thank you!!
Murata-kun!!
Uh... Yeah...
From that point on.... I was already...

ガラガラ
Ah
Shuu-kun, you're working hard, huh?
Honestly... All for this old man who just drinks until he passes out every time he comes here.
はぁ〜…
Ahaha... Can't be helped, I guess.
Where's the manager?
I can help with cleaning too. Is there anything you need me to do?
Nah, nah, it's fine.
After this, I just need to wipe the tables and I'm done. Just sit and relax!
The manager left early, he had some work.

Hey... Shinomiya...
About that question from earlier... So, why do you work in a place like this?
ピクッ……

……
Well... Ever since I was little, I had a difficult time interacting with other people and making friends.
I wanted to talk to other people, to be able to make eye contact, but whenever I tried, I'd get this gut feeling that they'd hate me or be disgusted by my advances...
So I asked this shop's manager to give me a shot at working here, to practice basic interactions...
But once I'm at school and I try to talk to someone, I still get those intense feelings and in the end, no words ever end up leaving my mouth...

Ahaha... You'll definitely laugh at me for that...
I'm still not where I want to be when it comes to talking to people.
There's nothing wrong with the way you talk at all---
Huh...?
Ah...
The Shinomiya at school and the Shinomiya here, I like them both...
.....

Wait a sec, Shino-miya...
What!?
ガッ
J-jeez.... You're always kidding around, Shuu-kun...
I... I should go change.

Well, after this, are you a little bit more confident about talking at school?
No... I think I'm fine with the way things are right now...
Huh? Why?
Well, that's because--
------From that day on, her school life didn't change at all...
...But
ガニガニ
only I know---
Ah!!

Welcome, sir!!
Shinomiya-san's smiling face.
