Kids only  
today . . .

When the weather  
is good, I take a  
few books to a park  
and enjoy watching  
nice looking old  
men all day long.

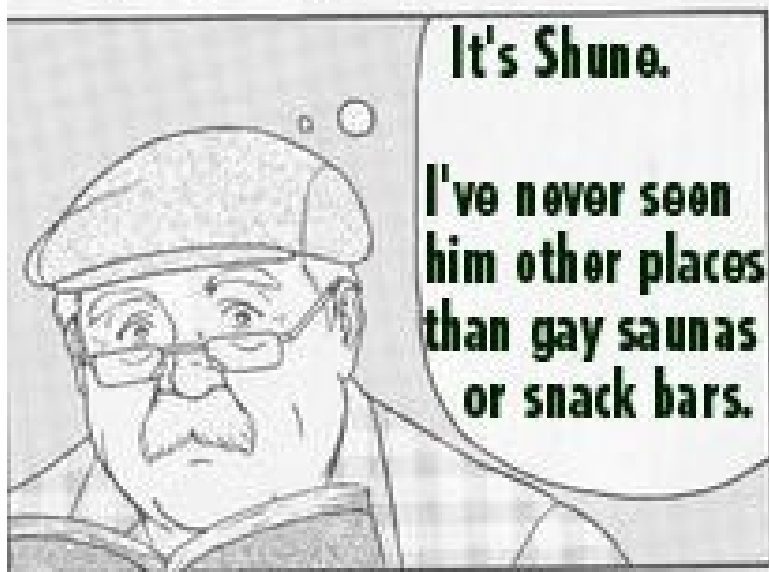

**What!**

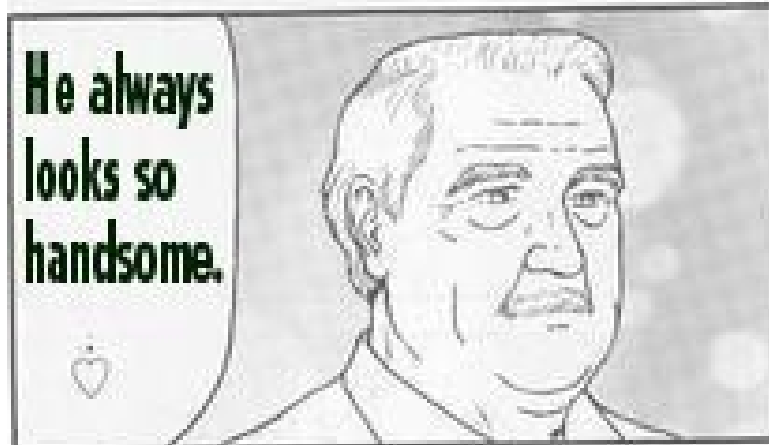

**It's Shuno.**

**I've never seen him other places than gay saunas or snack bars.**

**He always looks so handsome.**

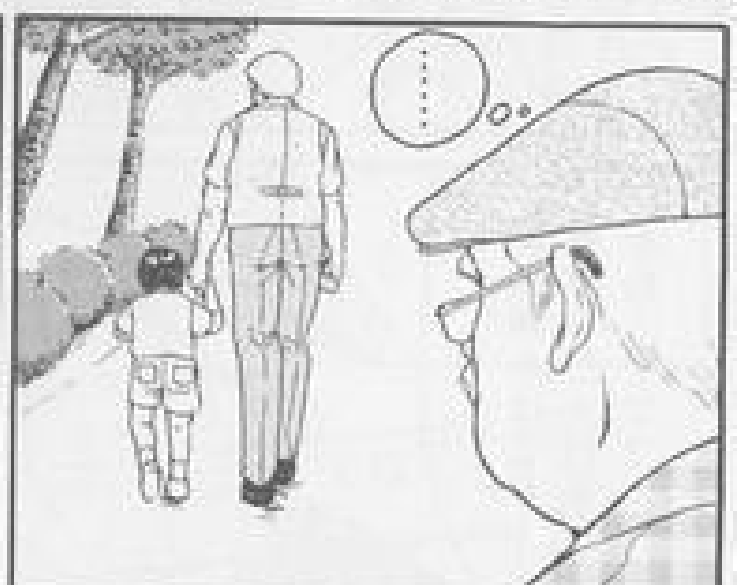

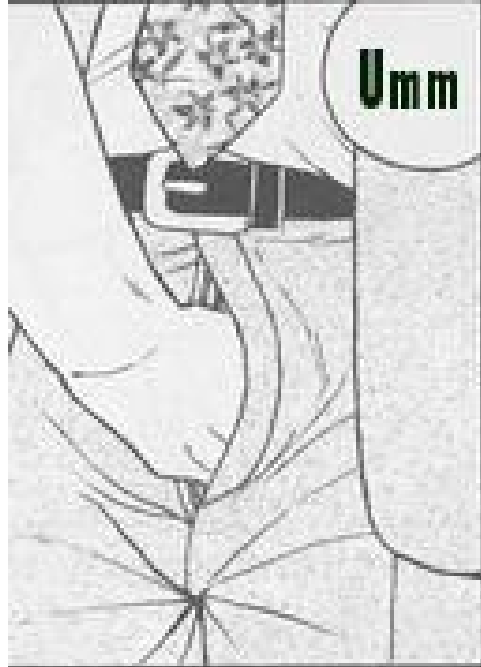

**Should I call and surprise him?**

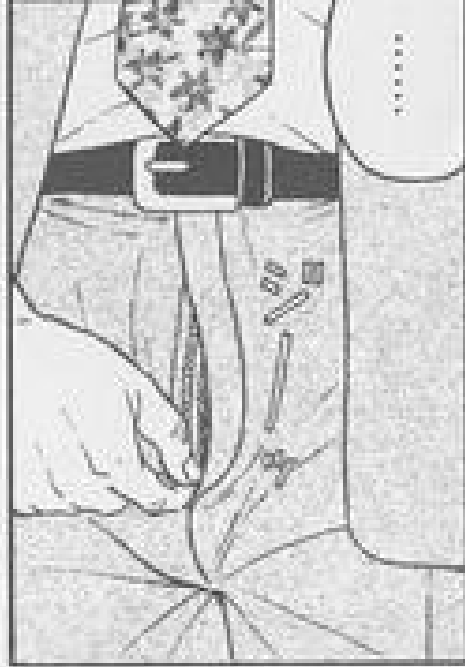

# Gandpa !

Several days later.

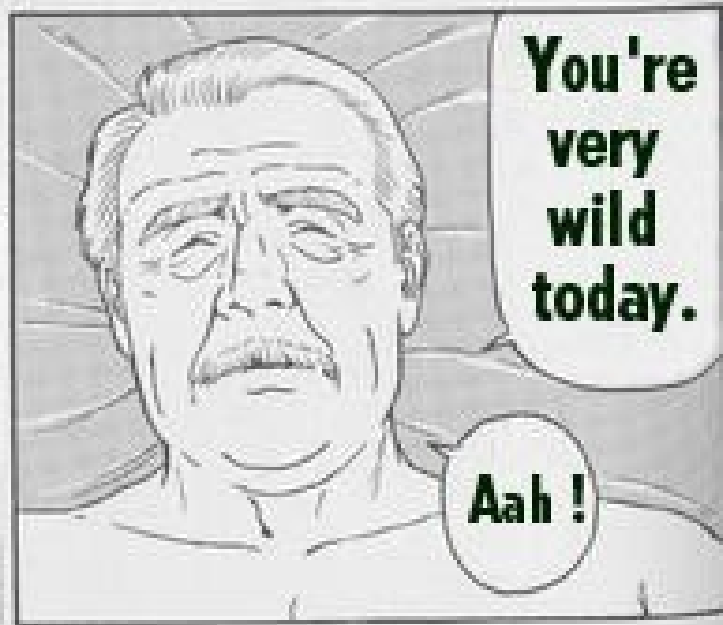

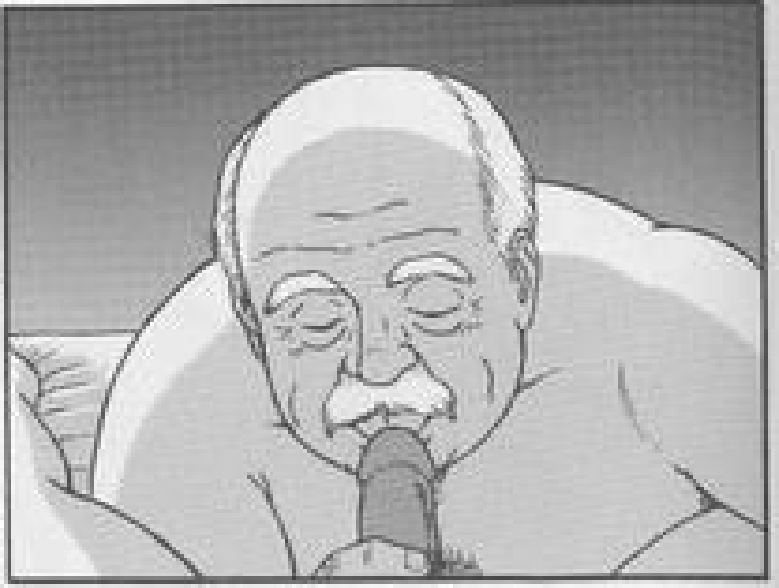

You know, it has been a long time since . . .

You're really impatient. We've just come in and

already naked, too.

Did you?  
Why didn't  
you stop me  
to say hallo.

I saw you  
walking with  
your grandson  
in the park  
the other day.

Really  
?

Slurp!

You may think  
I'm silly, but I  
was jealous of  
your grandson.

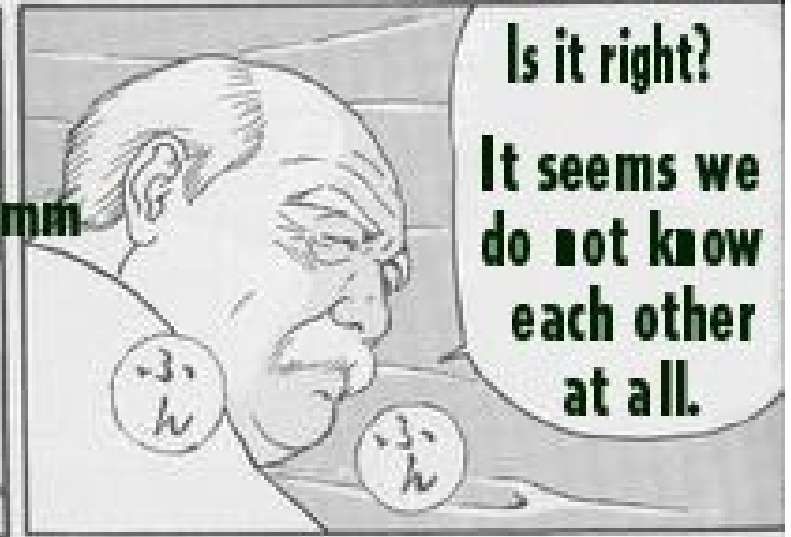

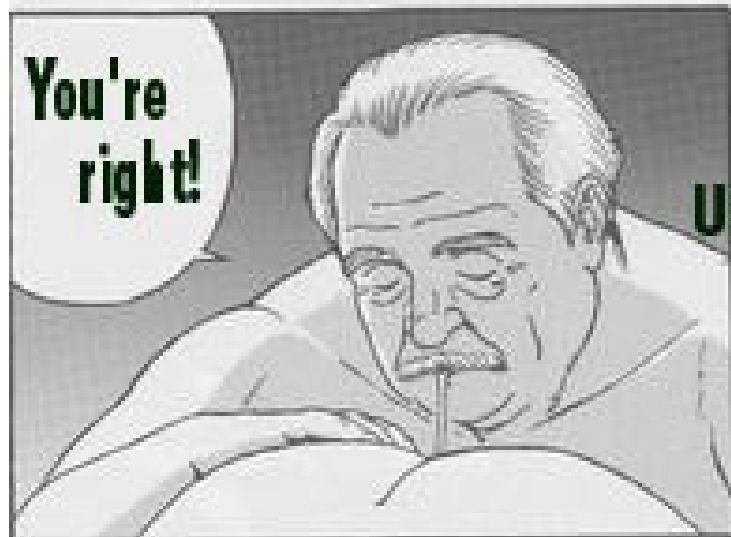

You looked  
picture perfect  
grandpa and  
grandson.

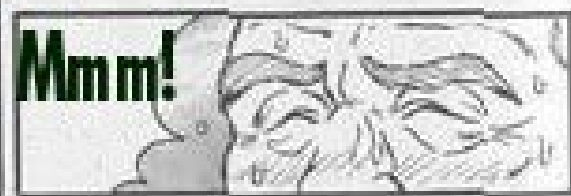

Eh ?

He is a  
neighbor's  
kid.

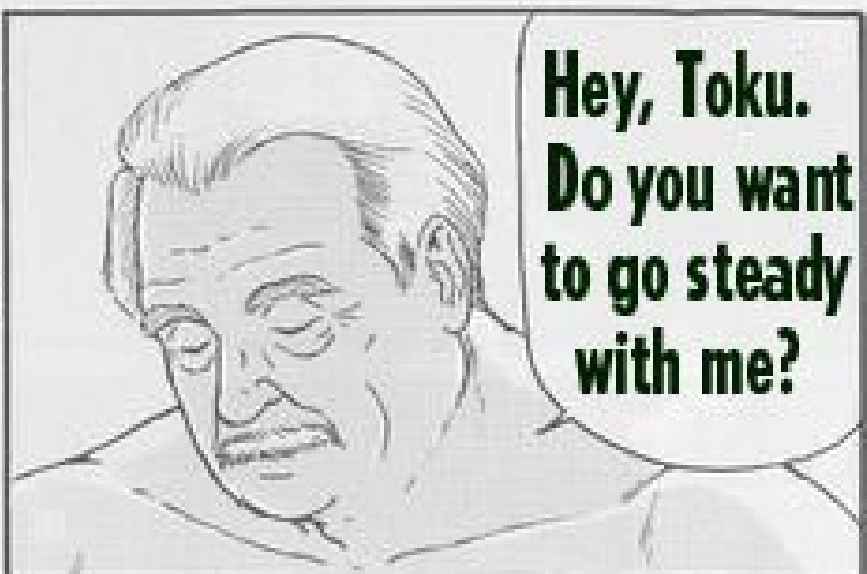

I shot my load on bed, too.

**Don't say "Thank you" I'm madly in love with you.**

**Thank you, Shune! Gladly.**

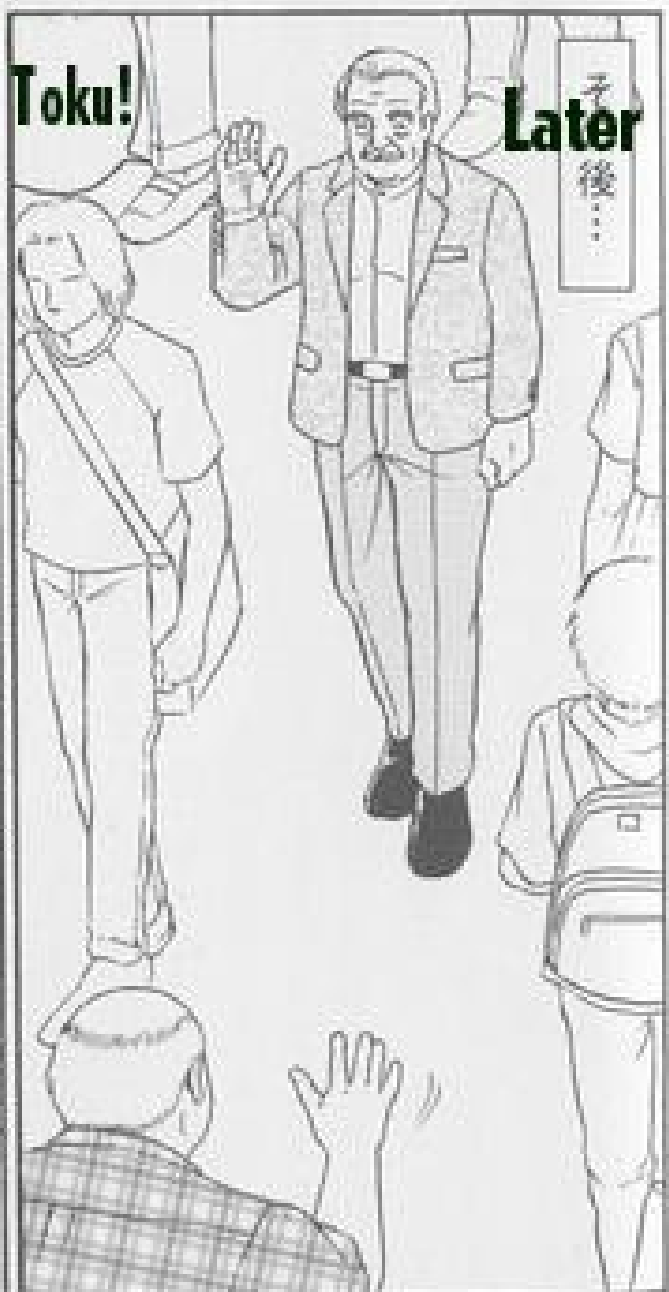

**I'm happy now.**

**You may laugh at us for not acting our age.**

**Go to a movie, and eat Italian for lunch and . . .**

**Where are we going today?**

**Toku!**

**Later**
