Last Time Summary:

Kuga was busy taking perverted peep photos of girls and submitting them to SNS. Out of all those girls, one of them stood out from the others, Yamanouchi Hisako... but it was after he took a picture of her that his ordinary life ended up changing.

On that day, the girl who was most ignored and treated like furniture, Tachibana Sanae, invited him over to her apartment. It turned out to be a fuck spot where guys would have sex with girls who had become sex slaves.

While being barely able to follow along with the situation, Kuga helplessly watch as the guys in the room kept fucking Sanae over and over in front of him.

Apparently, Sanae was having problems at home and didn't want to go back, instead choosing to only go to school and this apartment. And it was at this place where guys would gather in one of the rooms to come fuck the sex slaves that showed up.

You've never thought about really wanting to fuck her?

Are you satisfied with just pictures?

To these guys, the most popular girl they had so far was Yamanouchi Hisako. She was granted a special big room where she's able to film live sex events. And the guys decided to have Kuga help in there plan.

"Your school is actually popular for having lots of good women around. If you cooperate with us, we'll let you play with these toys(girls). How about it?"

...To think she'd actually be connected to those people.

...Stop doing that here.

FUFU

But you know... I'm just so interested in what you guys have been up to.

I wonder if we should start with... her first?

That's why I've been cooperating so much.

Mikake Alia.

Her mother is half French and half Japanese. Due to her appearance, that could make a model jealous. And her great style has given her lots of popularity among the guys.

...But it's rumored she's a virgin.

You know I can't help looking at this picture.

Yama-nouchi-san.

ALIA!

Please wait!
Let's talk this through ...

Mama ...

I'm going to stay here and live with papa.

We're going to my parent's house!

HMPH.

Well do what you want. After seeing what your father did, nothing surprises me now.

MAMA!

...Are you serious?

annoyed

After all, you saw that, didn't you?

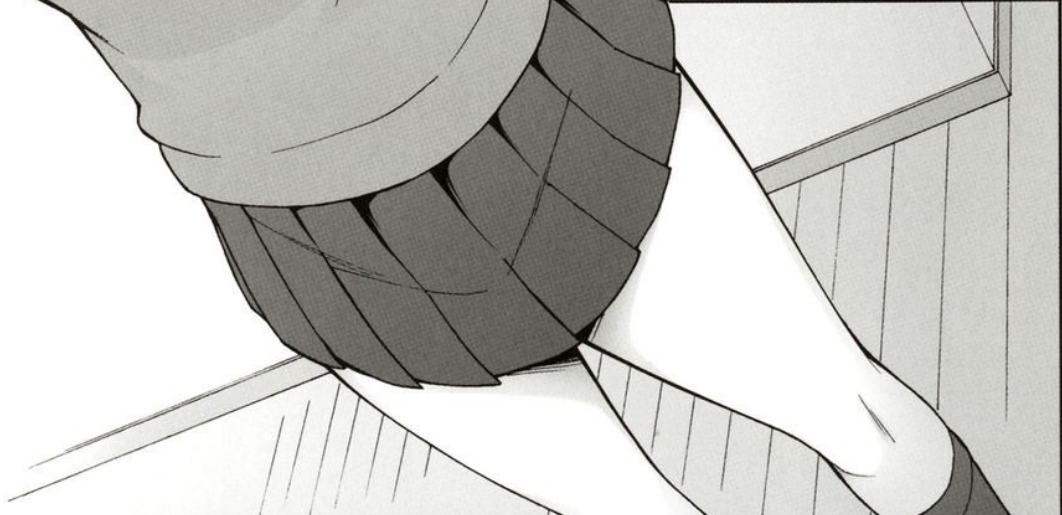

Don't look so sad, papa.

I don't hate you at all.

It's fine.

Maria-chan...

XMonth XDay. I spread photographic proof that the father of the family had been doing compensated dating with girls.

With this, her home is in ruins.

Soon the panic should set in and it would be easier to bring her to our side.

Or so I thought.

And then,

you know what I said next ...?

Yeah.

Let's all hang out together today.

Aria.

Hmm... But today I had plans with my dad...

She doesn't seem worried at all. Why?

...This is strange.

Really?

**AHA

Hey... Just what are you thinking? You know Aria wouldn't do something like that.

But she's always been so...

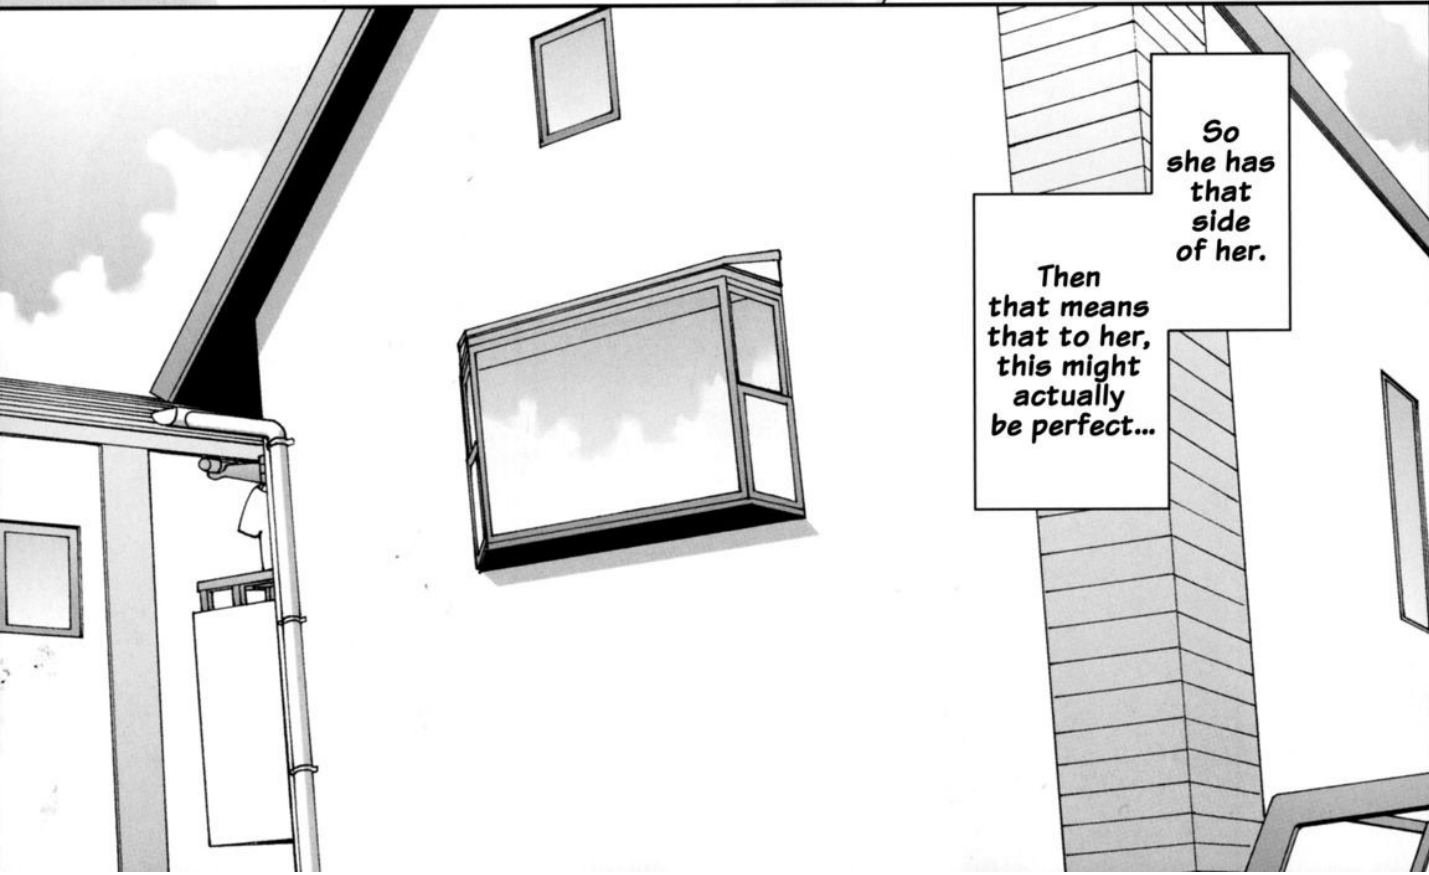

Huh? With your dad? Don't tell me...

I don't think I can make it!

HMM...?

So she has that side of her.
Then that means that to her, this might actually be perfect...

Geez ...

I can't hold back anymore.

Aria-chan that was really delicious.

Yeah, It's because I used to cook everyday with mama.

Are you sure you wouldn't rather spend time with your friends or studying for your tests?

...Are you sure you don't want to rethink this?

I'm getting worried about you.

If you want, we could call your mother.

Besides, I think--

Aria-chan ...

...I see. With your mom, huh?

Cheer up papa.

When it comes to mama's cooking, I know how to make everything.

I remember Mama used to scold me for that back in elementary, and I'd end up crying.

...I'm not a kid anymore you know.

I'd like you to look at me.

I...I see... Well I'm glad then.

It's all thanks... to you raising me over the years.

You know ...

I love you, Papa.

I tried going out with different guys so I could quit you, but...

It seems that everyone else... just isn't good enough ...

(But only for her father.)

Ever since she was a small child, Aria has held a special affection for her father. Among the girls at her school, she's a known father-con. She tried her best to date guys who looked like her father, but in the end, her feelings just weren't the same. She decides to use her parent's separation as a chance to approach her father. When up against her well-developed body, her father couldn't resist, and so the two began to make love that night.

Afterward:

It's been a while.

I'm glad I was able to finish this on time for Comiket like I'd planned! Up until now, I had just been completing doujins as soon as I could get around to it, but I wasn't very good at keeping schedule. This year I've made it a point to keep a schedule though, and I've stuck to it. I wonder why I never tried this before...

Now then, this is the second doujin in the series, and I have to say, it's very rare that I write about consensual sex. It's actually a lovey-dovey relationship about a father and daughter. A daughter who loves her father so much, that she ends up wanting to have sex with him is great, huh? Ah, but of course I'm only referring to the 2D world.

Although, if a dad's inexperienced daughter came up to him and confessed like that, I think it has the potential to work. But if they actually ended up sleeping together, I think it would just end up feeling very hard to look at your daughter as being only your daughter...

Well anyway, next time Aria ends up being forced to do some pretty perverted things so please look forward to it. Later!

ADVANCED NOTICE:

The Mikage household is transformed into a fuck room for all the guys. Aria ends up getting gang-raped in the bedroom, living room, and the bathroom. Meanwhile, what is the relationship between the father and Hisako? Find out in the next issue, with a release date planned for November!
