Kaede

She is a former Operational Agency angel. She is experienced and has a great variety of angelic powers. She used to be an instructor for angels who descended to Earth, but after she met Ikeyama Takami, all her angelic powers were stolen by Casablanca, an angel who came from the future. After that, Ikeyama became the only person she could think about.

Her angelic koujutsu has recovered a little bit, letting her restore the membrane inside her body.

She's a masochist who likes bad guys.

B-But ...!

You got really excited.

Huh? But after I whispered that we should let that guy drink your juice ♡

Of course! You let a complete stranger drink my m-milk!

And why would you punish me ...? Are you still angry about that ?

Shut up ... Ah!

Sh...

Even your womb is lower now ♡

Your pussy is coiling around me when you think about that.

The moment I said that, you squeezed my cock really hard ♪

...I didn't tell Takami all the details about the gate.

Are you about to cum already ?

No! Ah! You just Ah! put it in! ♡

Both Snowbow and Kaede-san are huge perverts ♡

This is a snow sculpture of Takami's cock.

I used my pussy to make sure it's accurate ♡

... What's with the smug face?

And didn't even show up.

I wonder why Miyamoto called us here ...

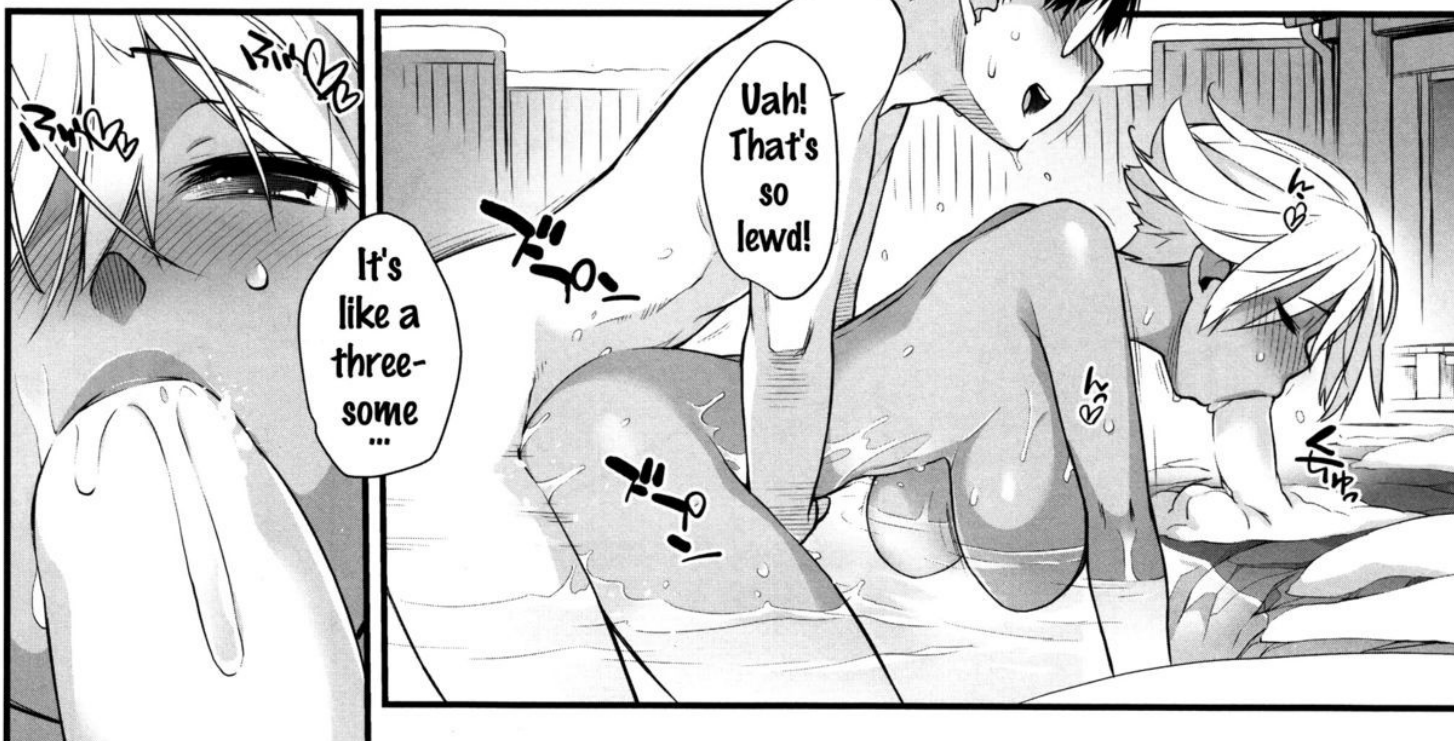

Kaede-san, what are you doing?

Look ... If I do this ...

Uah! That's so lewd!

Hello, this is fat guy Yokoshima.

It's been three years since Full Blossom #01b. I'm so sorry. Please forgive me, Casapii.

Sex in the open air bath is probably really cold... And it's hard to move too...
But I still want to try it at least once...

That's what I thought when I drew this book. Even shallow places should have some hot springs.
Forgive me if I made them look better than they actually are.

I borrowed the idea to make another guy drink Kaede-san's milk from circle Tentai--Kansoku's book
"Chaotic Gourmet Stew" because I really liked it! Pick it up if you're interested.

I want to thank Aji-san for helping me. I am truly grateful.

And I want to thank you for your patience and for buying this book. You picked it up, even though
it's not well known.

Both my tankoubons are on sale via Kindle and DMM! You might even get a half-off discount on
DMM and Kindle Unlimited members can read them for free, so go ahead and enjoy!

I'll try to continue the story next time. I wonder how many years it's going to take...

Don't give up your cocks!
