you were just a cheating slut who couldn't contain her lust.

Is to punish you on the live stream

Because you were always coming home late.

THAT DOESN'T GIVE YOU THE RIGHT TO HOOKUP WITH THE DELIVERY MAN, OKAY!?

So,
does that
mean you
don't hate it

your boobs
like this, eh?

No way,
did you

think she
was a virgin?

Ah

Tak-kun was really fantastic back then.

Hey... I feel so ashamed... that I want to die...

Could you stop replaying that video...?

No way!

...Thank you...

And I don't have any pocket money left.

You're right~

I can't rely on my ad revenues anymore-

How can I live on after exposing Anna to that many people...

...I'm really sorry about killing off your hobby and net income...

Sure enough, after that stream her account was suspended and her fans vanished on their own.

However, someone among the audience recorded the entire sex video of us and spread it around.

I wonder if AV would be fine...

too?

I may have gotten the fetish of having sex while being watched thanks to that.

But,

Actually, a lot of offers are rolling in.

After getting reuploaded on a porns site, it seems the video is still gaining an absurd amount of views.

Unfortunately I'll
have to slow down
the releases because
I'm busy with Uni,
but if anyone would
be willing to help
with the translation,
that would be a
great help.
