

Okay

Sensei!  
I'm done

Calligraphy Class

No wait,  
candy  
instead,  
Sayuri-san,  
candy

I'd like  
some  
chocolate  
too...

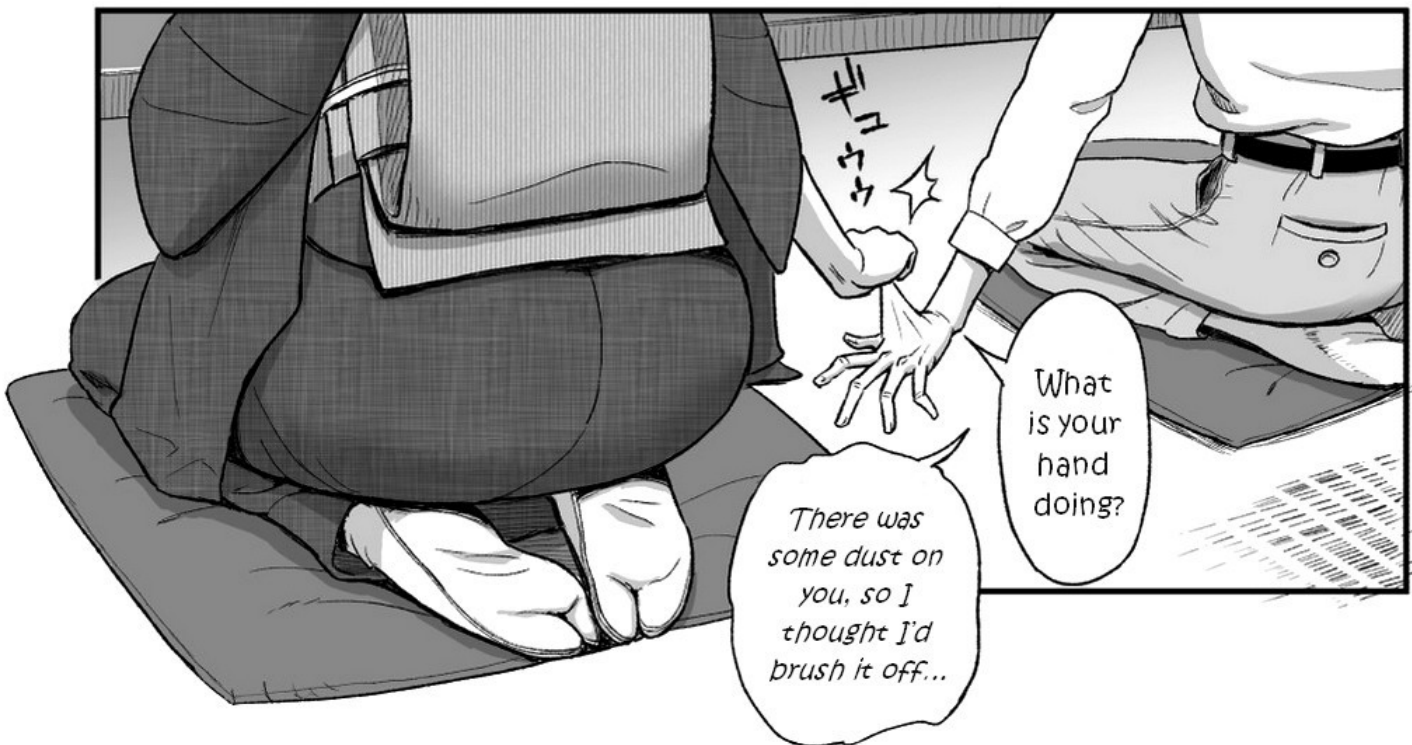

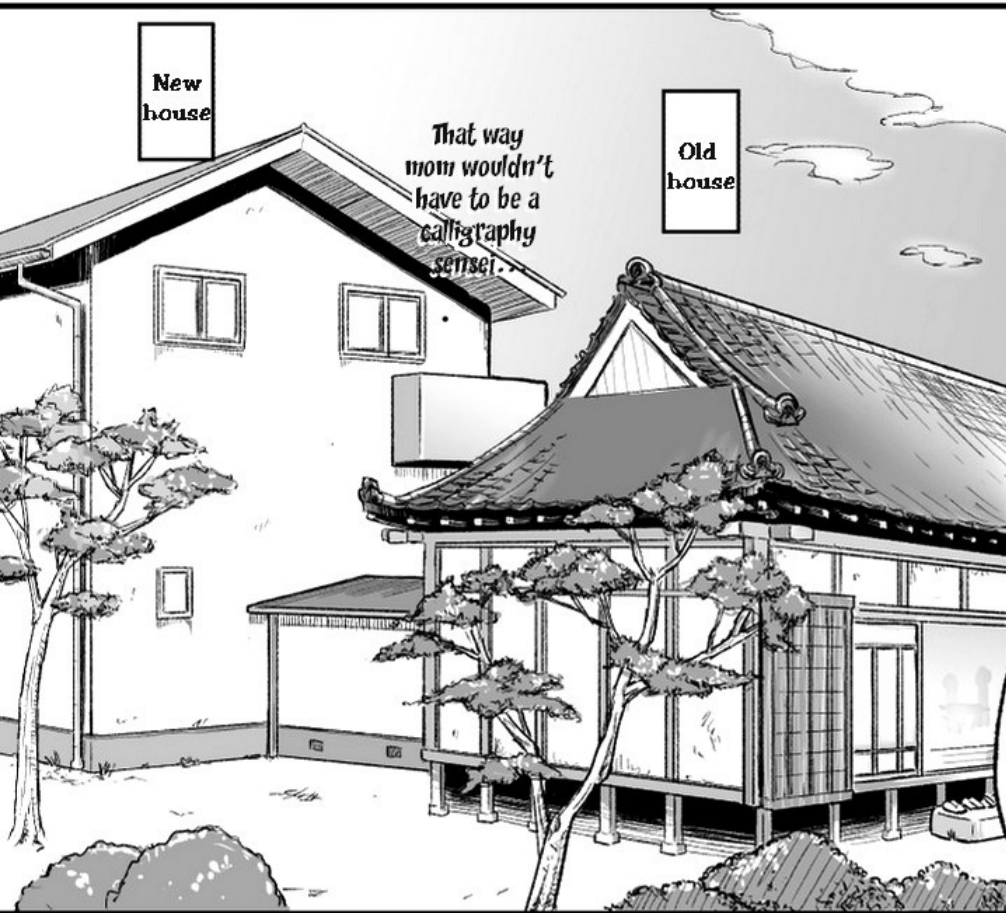

Kenmochi-  
san, if you'd  
like some candy  
the nearby  
supermarket  
sells plenty  
of it

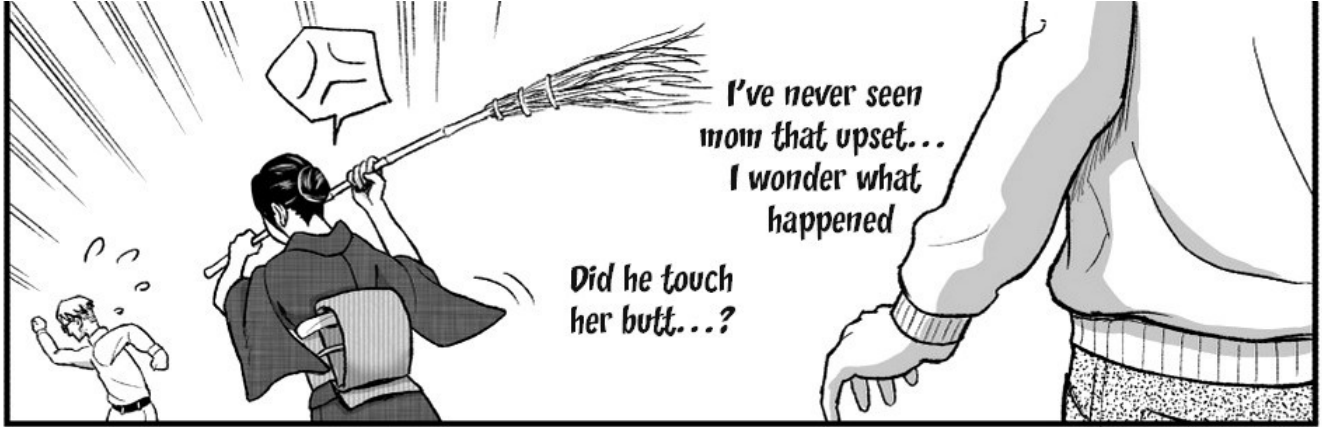

Would  
you like  
chocolate  
or candy?

Excellent  
written.  
Well done.

I...I'd  
like  
chocolate

I've never seen  
mom that upset...  
I wonder what  
happened

Did he touch  
her butt...?

Did  
Kenmochi-  
san do  
something  
to you?

I'm not  
doing this  
for the  
money...

I just  
want to  
be with  
mom...

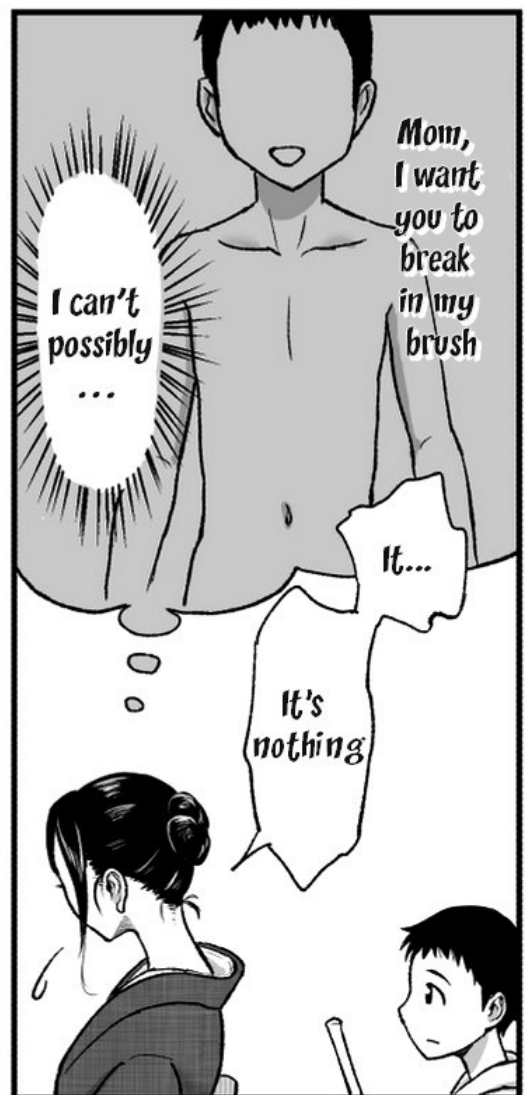

Anyway,

did you  
run out of  
allowance?

No,  
I still  
have  
some  
...

Really?  
Well,  
okay.  
I'll give  
you some  
extra  
allowance  
later, as a  
reward

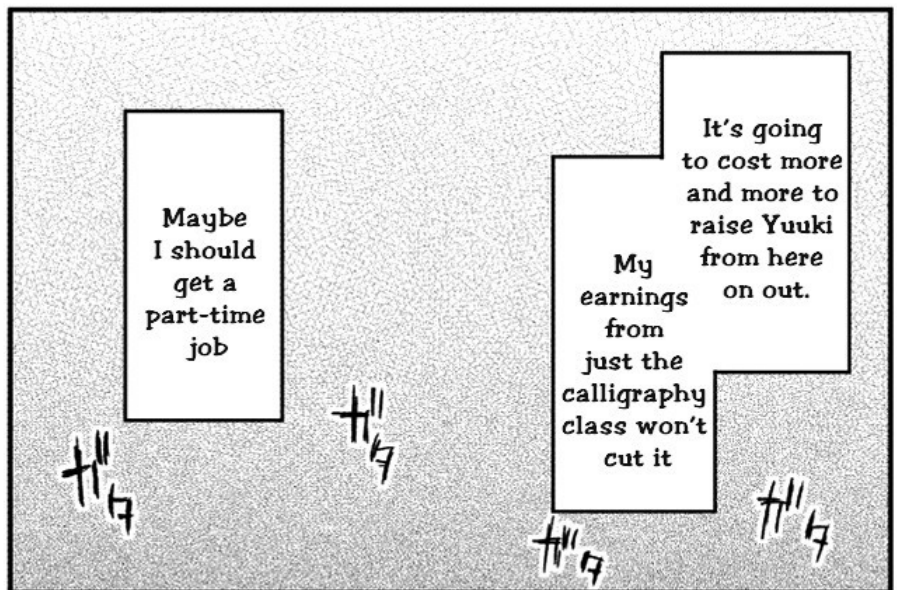

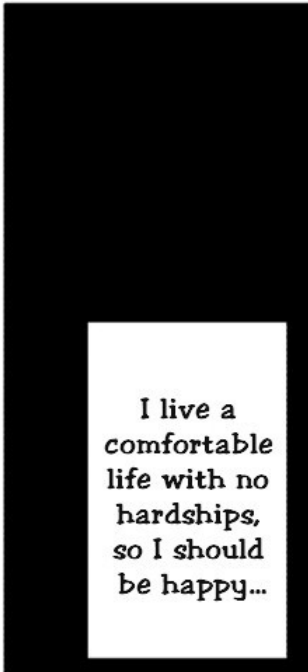

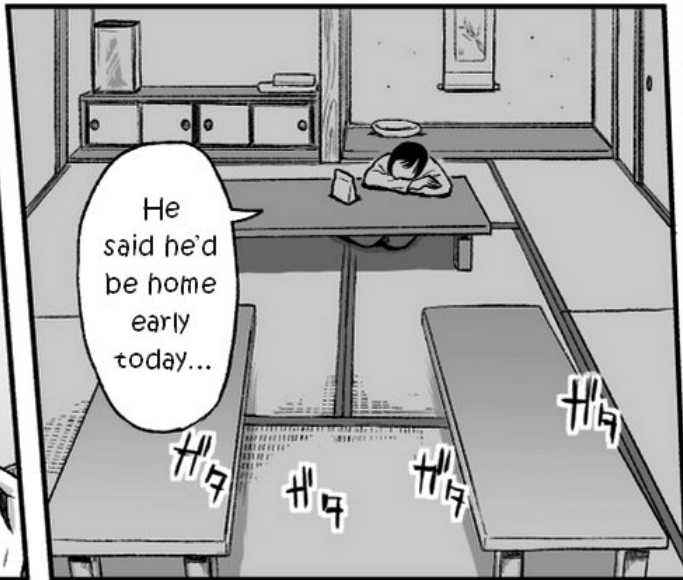

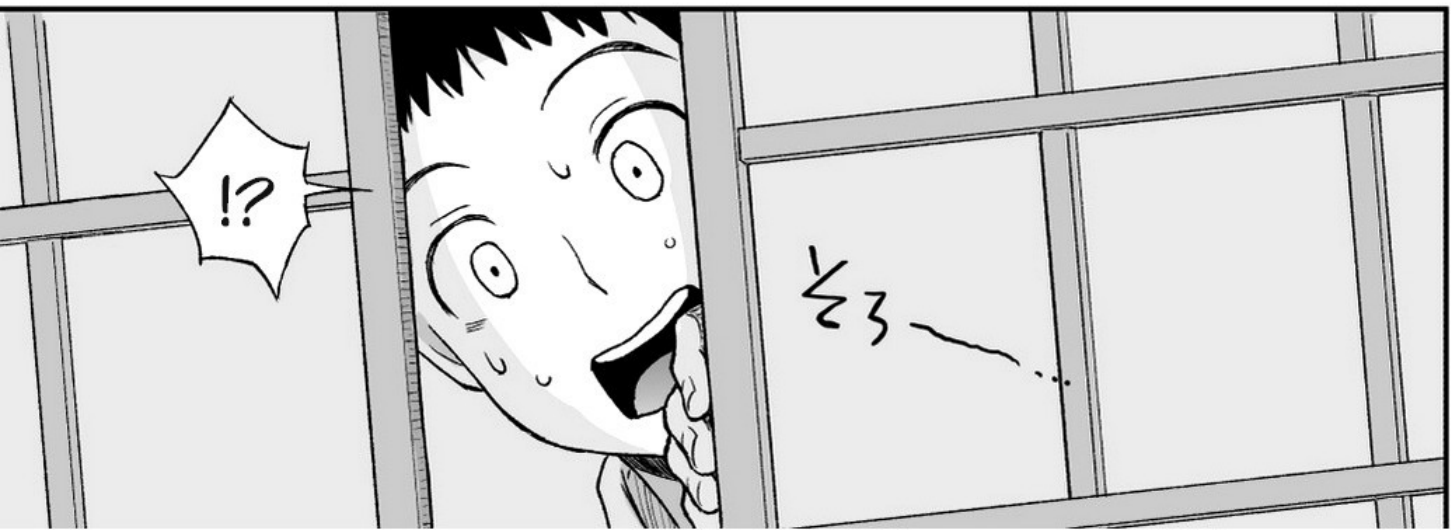

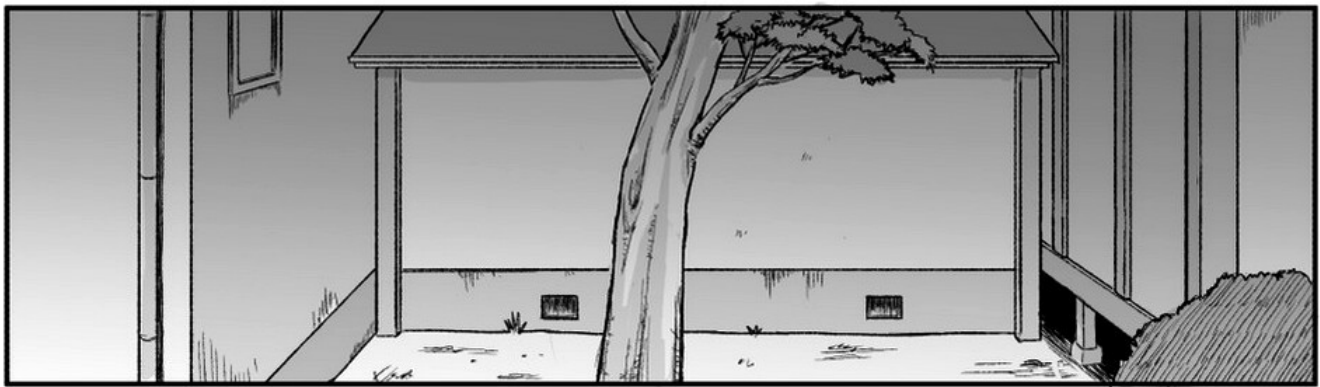

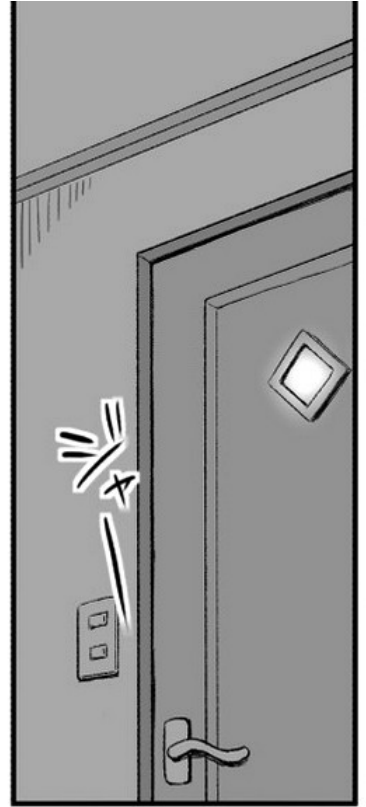

I can't  
possibly  
...

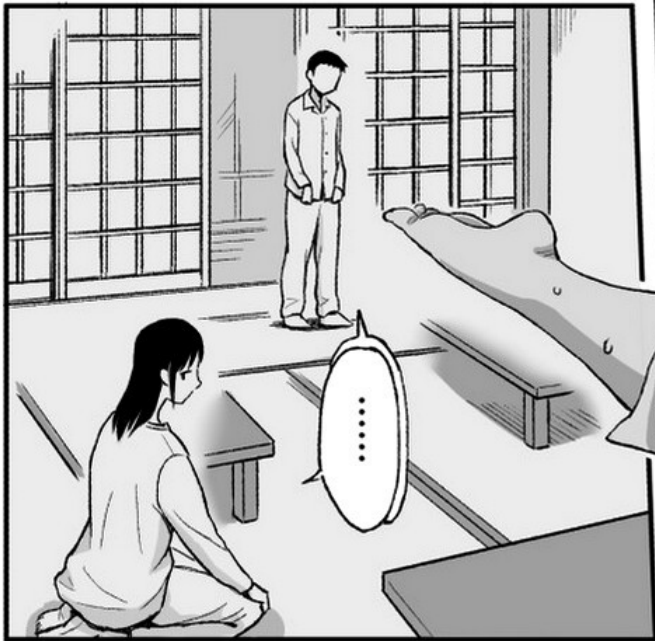

Mom,  
I want  
you to  
break  
in my  
brush

It...

It's  
nothing

It smells nice...  
Is that shampoo?

フニ...  
フニ...

You already asked me that this afternoon

I don't really need any.

How much more allowance do you need?

I'm all alone with mom right now...

Mom ...

フニ

フニ

Here, sit up straight

Your posture reflects your mental state

What?  
Ah...  
Right...

If the tip  
is split you  
won't be able  
to write  
properly,  
right?

Yeah... What  
am I... What I  
am expecting  
her to do?  
There's no way  
anything like  
that would ever  
happen

ア  
ア...

Huh?  
Wow...  
He's so  
big...

But his  
foreskin  
is still  
covering  
the head

Aha~

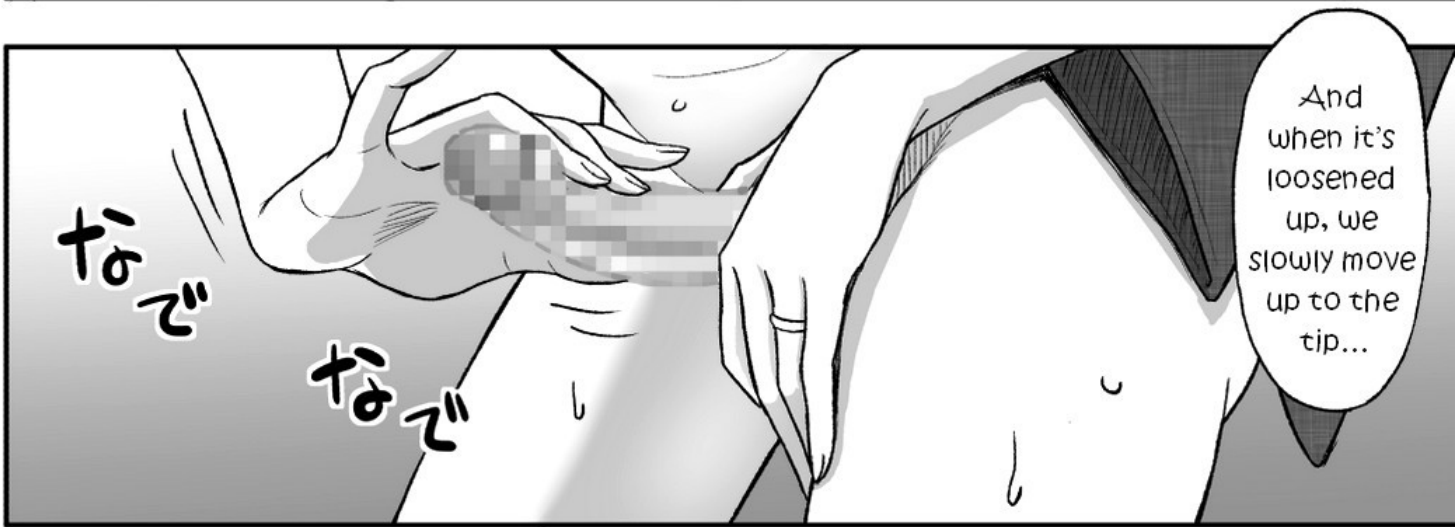

HYA!

Ahh  
...

Why is mom  
doing this...  
I... I don't  
understand

Ahh  
...

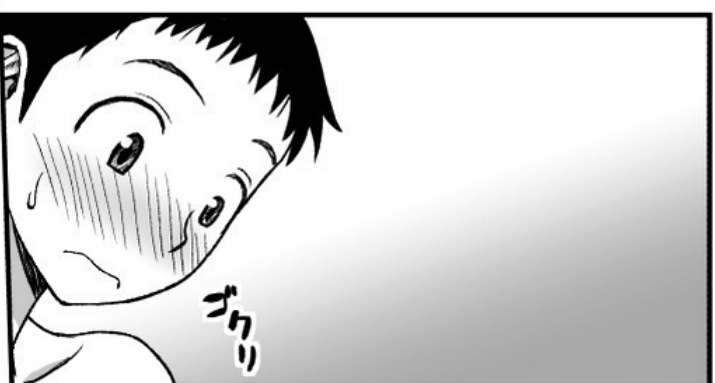

Mom!?  
What are  
you...

When the  
starch is too  
stiff and the  
brush won't  
quite loosen  
up... dip it in  
water and it'll  
loosen up  
right away

I'm sucking  
it... What am  
I doing... I'm  
sucking on it...

I'm sucking  
on my son's  
penis...

I'm just  
breaking  
in your  
brush...

This time we'll go slowly from the tip of the brush to the base

Are you not calm and relaxed?

But... I can't ...

Stand up straight

AAAAHHHH!

うわー  
うわー  
うわー

I wonder if I can fit the entire thing in my mouth ...

And now we'll stroke the brush from the base to the tip

U-UUH

I want her... to keep sucking it

But ...

I have to hurry and pull it out

At this rate, I'm gonna cum in mom's mouth...

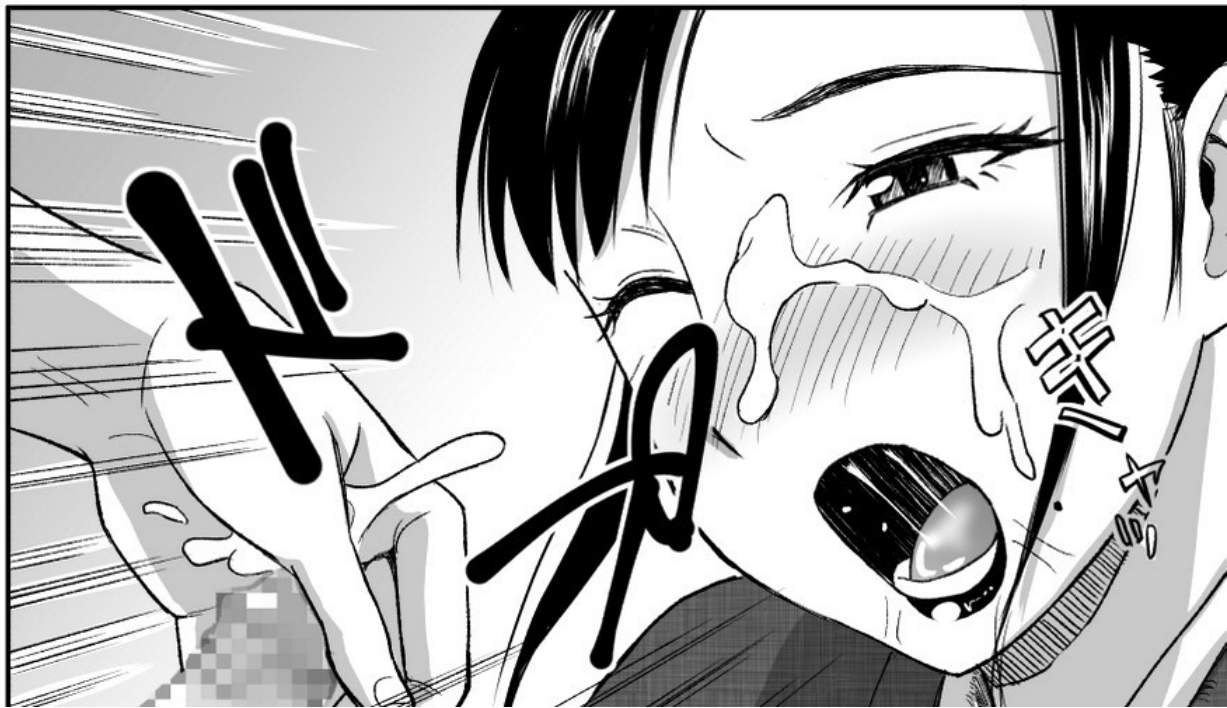

UNH!

ΦΦΦ

What do I do ...

Oh no... I'm sorry... mom...

クッ

Here, look... It's soaking wet

If we use this, I think we should be able to break in your hard brush

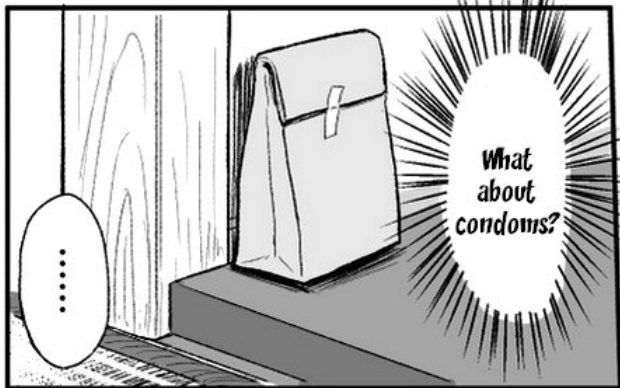

Huh?  
AAAAAAAA  
...

Let's stick your brush in here and really massage and loosen it up

!?

*I'm sure of it*

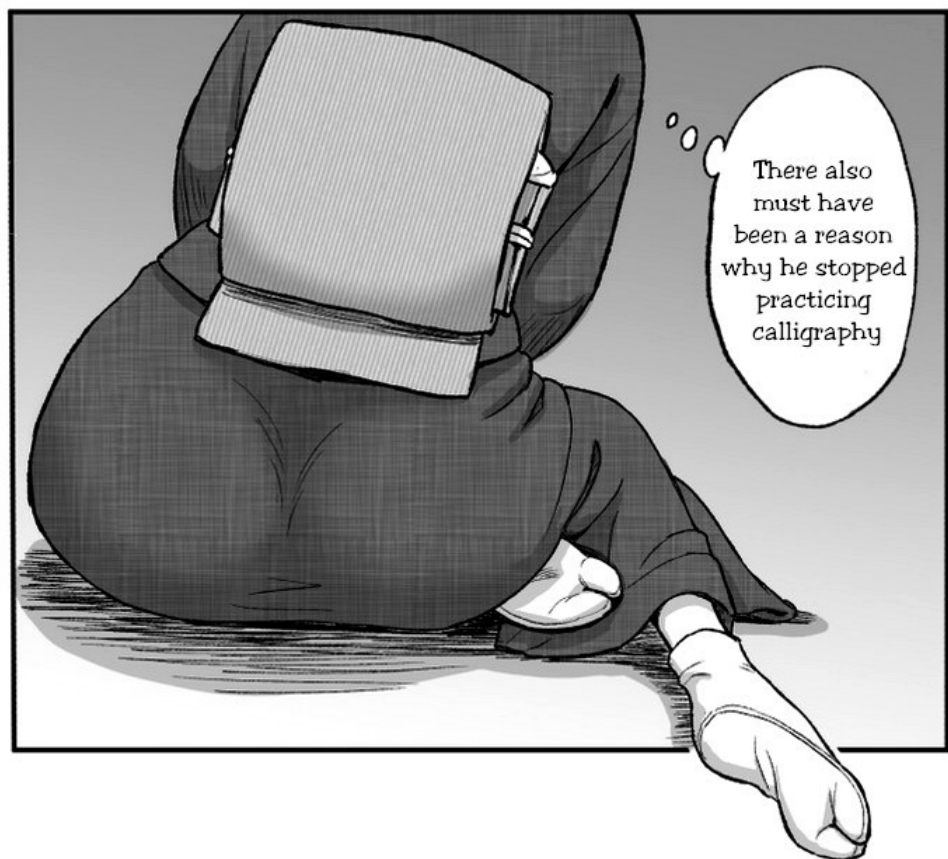

*Yuuki probably lied about still having his allowance this afternoon*

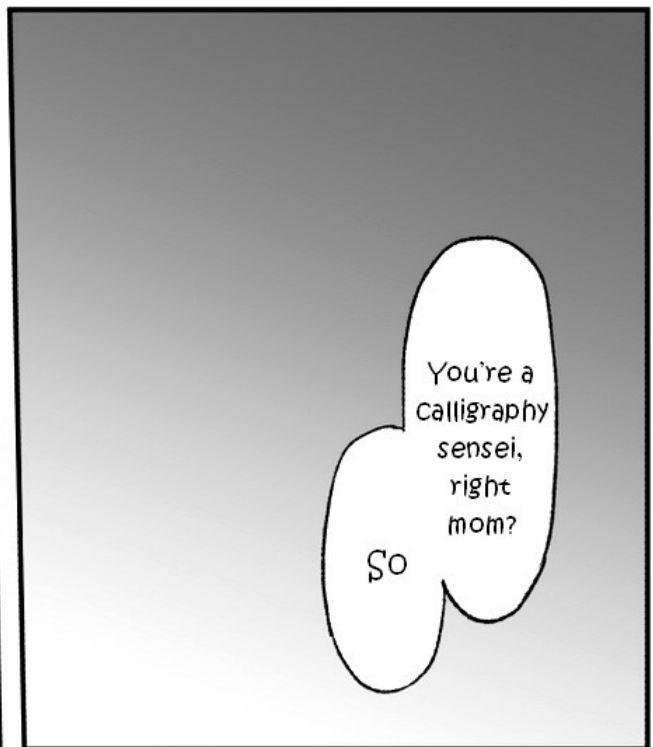

*He's worried about our finances*

*There's no way we can go any further than this*

*We're mother and son*

*What ... am I doing ...?*

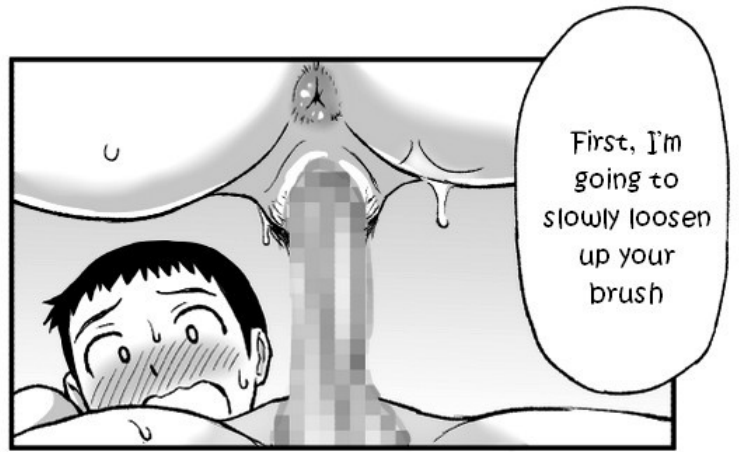

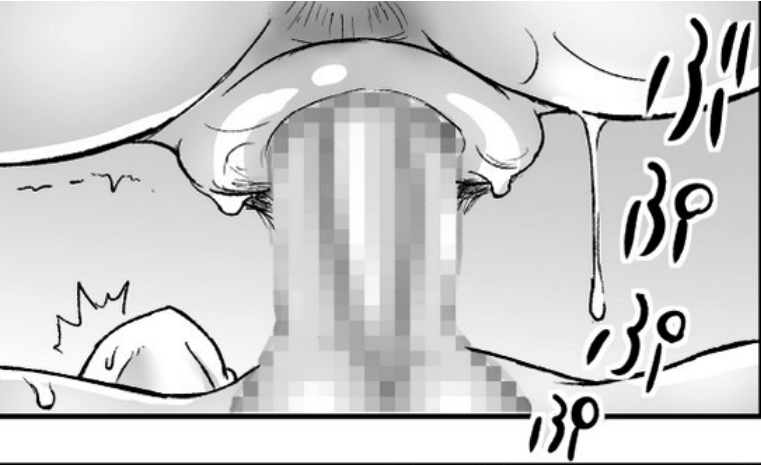

Okay then  
.....let's...  
break in  
your brush

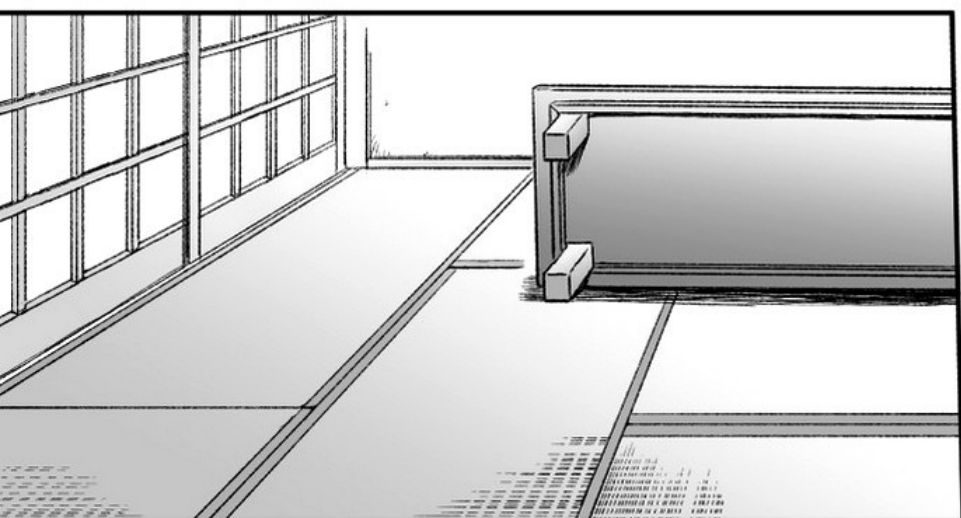

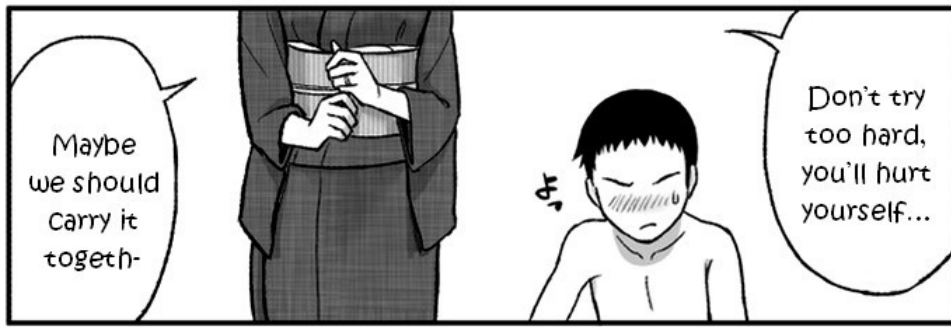

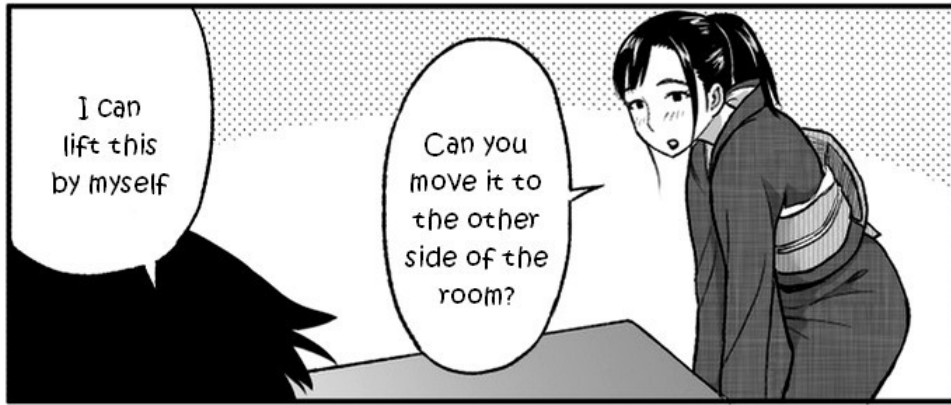

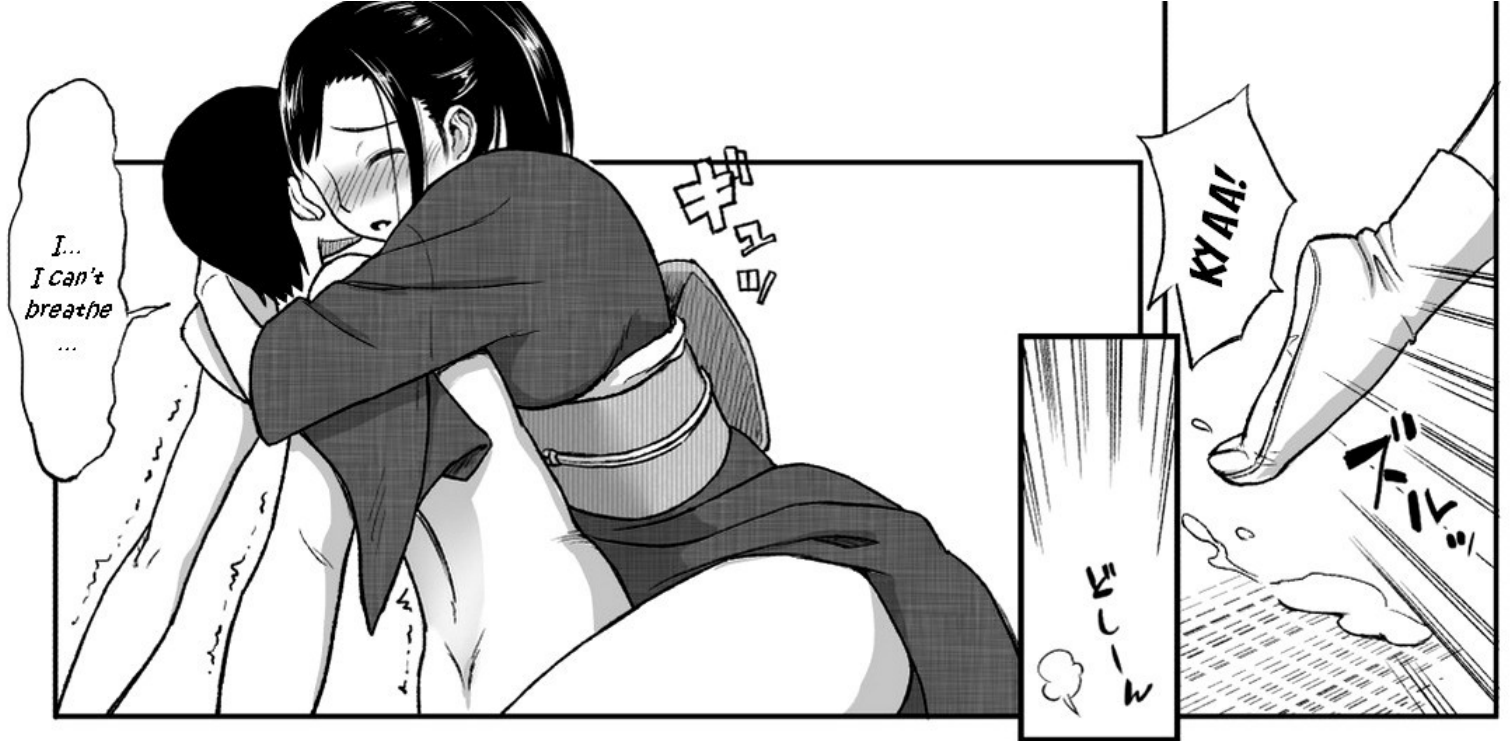

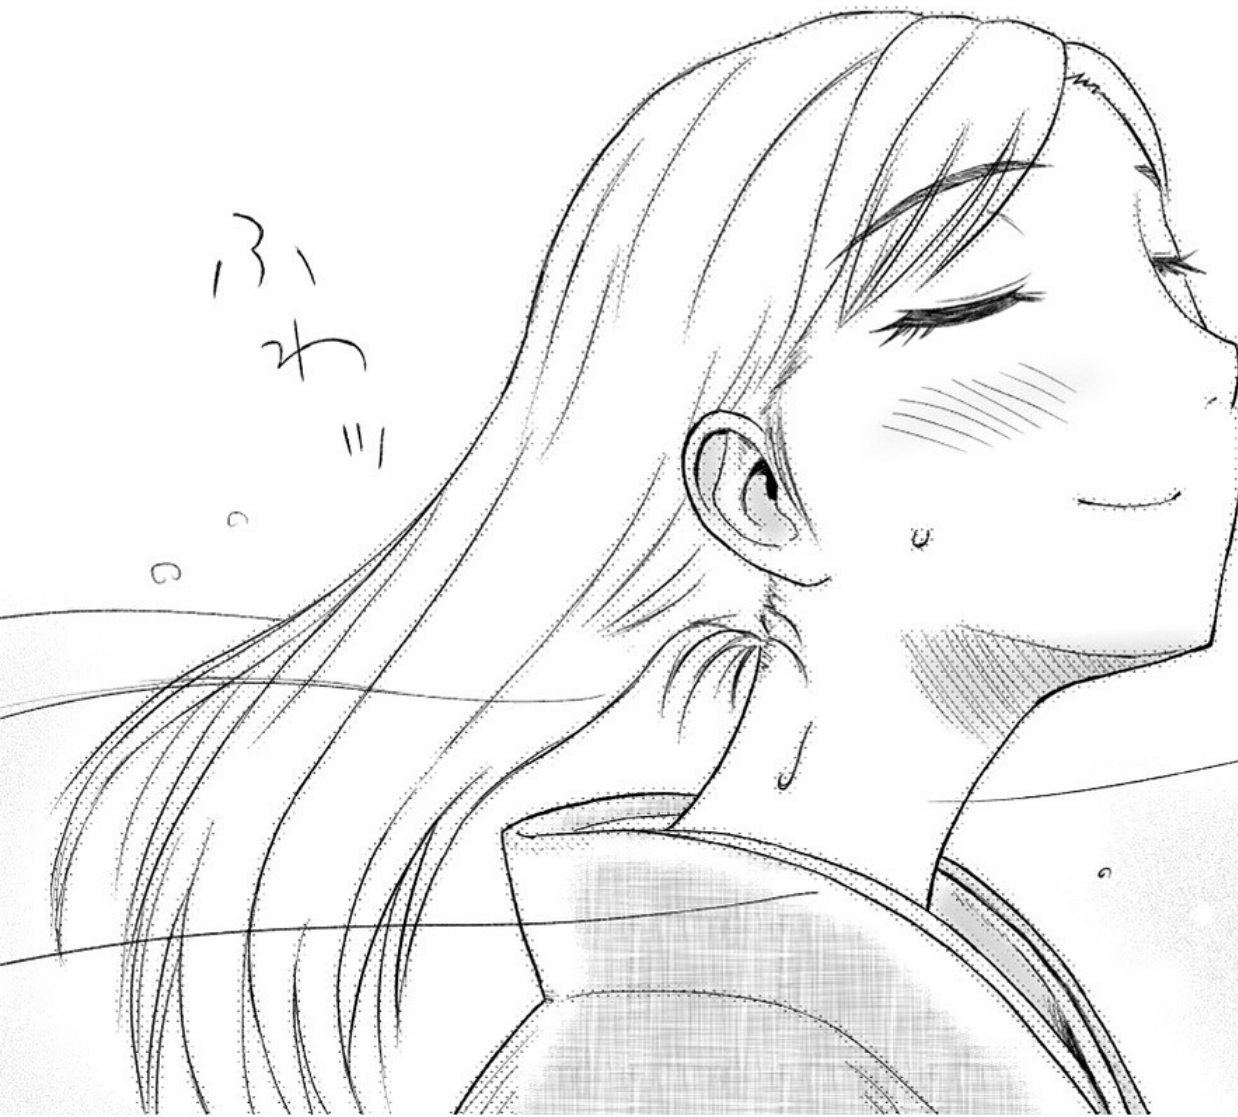

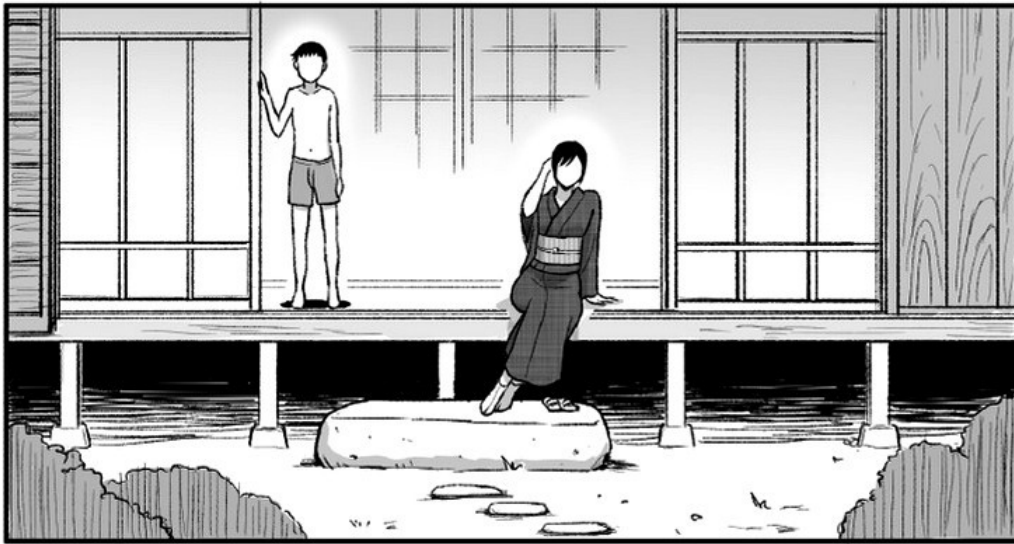

It's  
...  
inside  
me  
...

You don't  
need to stare  
so much, it's  
not like my  
pussy is really  
anything  
special!

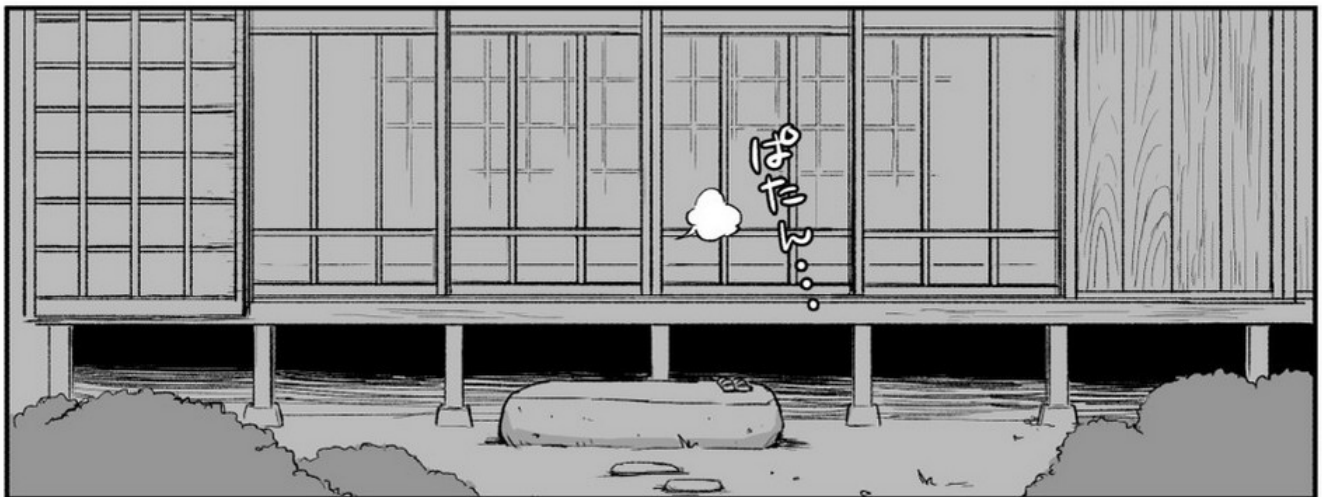

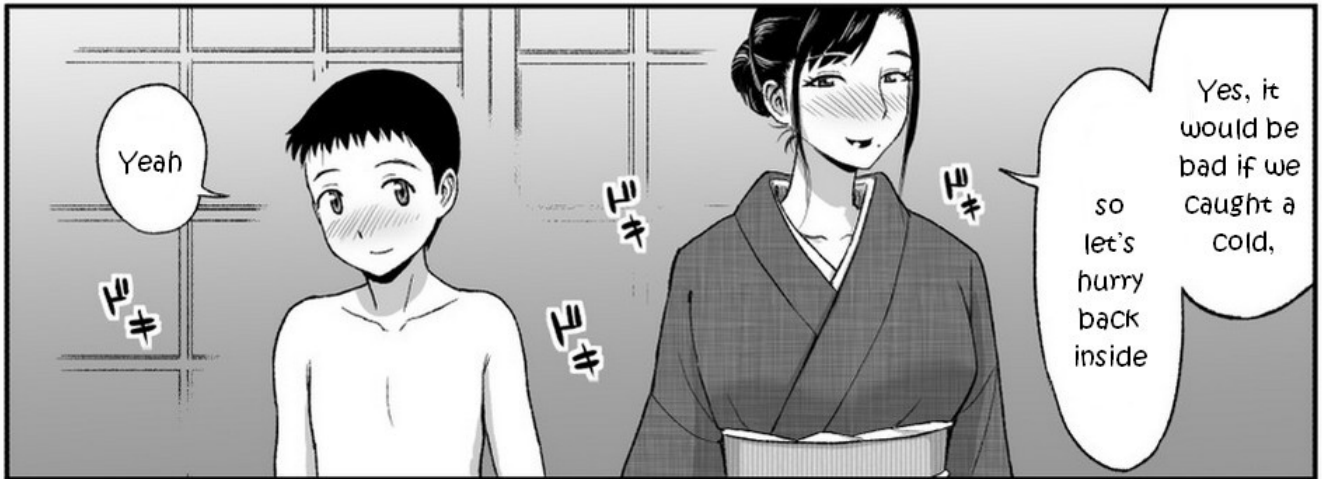

I...  
I did it...  
I'm...  
having sex  
with my  
son

The  
wind  
feels so  
nice

Don...  
Don't...  
be so  
rough

Ahh...  
this is the  
first time  
I've felt  
something  
like this
