Lilim's
Sweetheart,
men give
women romance.
That's biological destiny.

Fufu, that's great ...

According to Black Cat's report, everything is going well.

What about my daughter and my son-in-law?

So..?

But why won't you do it yourself? It's a good chance to visit her.

Of course, in order to suppress her instincts, I shall send her some mythril accessories...

It was fine when she didn't have a boyfriend... But this year everything will be different.

The fact is, it's like being in heat for us.

Although, the day of the summer half-moon is already close. I'm really worried about him.

I just hope she won't kill her hubby...

Oh, by the way, did you say that they're going to the pool together?

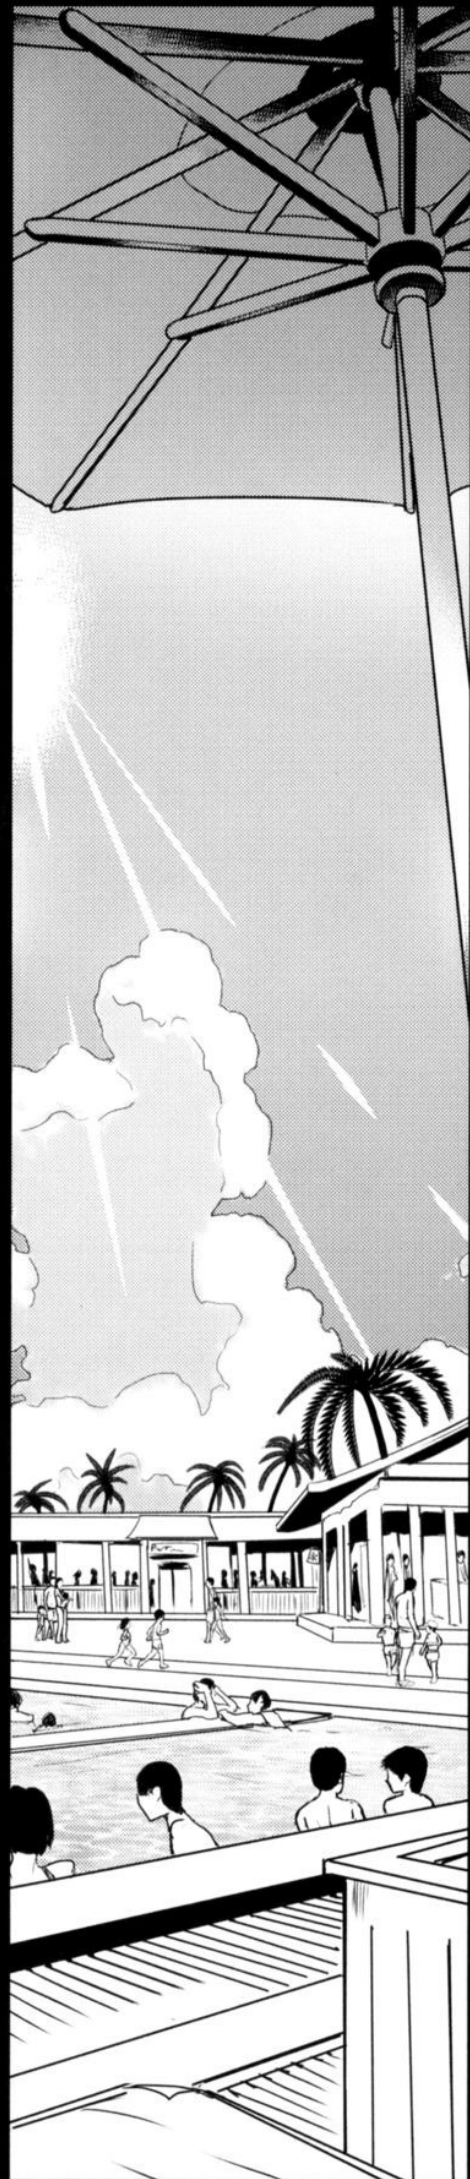

What are you talking about?

What? Don't you know..?

I want them to spend it together. Let them deepen their relationship.

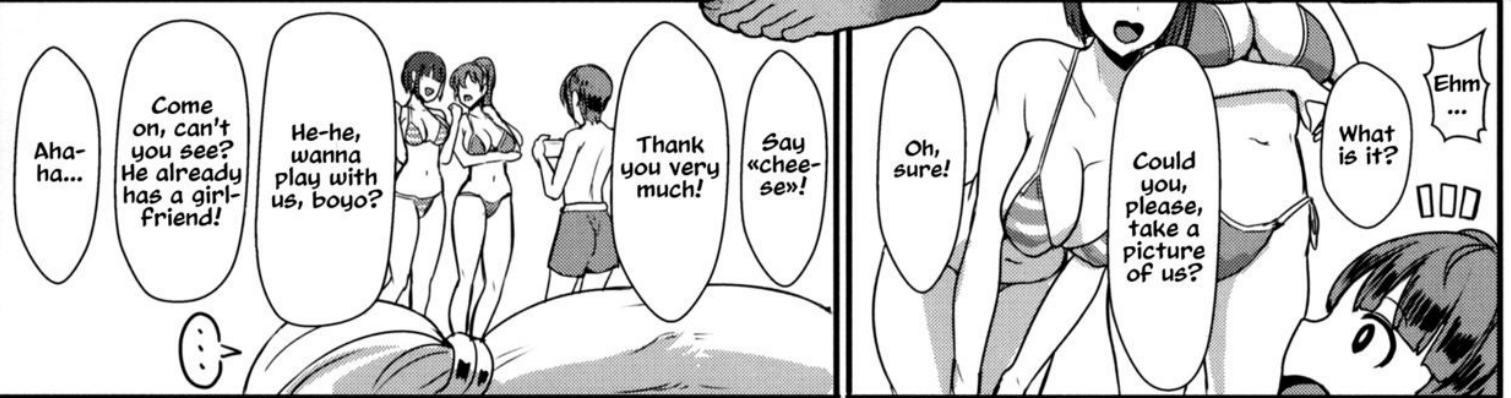

Well, considering that it will be their first summer together...

Sweetheart,
men give,
women receive
That's biological destiny.

But I'm glad. I found out about another side of her...

But now she's... squeezing too much... I can't...

HAA...

AAH...

I'm... passing out...

Nat-suki?!

Nat-suki..?

She's tightening up relentlessly...

MMH

NNH

I had no idea that Ririko was so jealous ...

Oh yeah...
Right, I'm
sorry for
worrying
you.

It's
because
I had you
«donate»
too
much...

It's the
pool's in-
firmary.

Ririko
..?

Doctor
said you
got a
little
anemic
...

Where
are..?

Ha?!

I'm so
sorry,
Natsuki...

Ehm...
Ririko?!

No, It's
my...

You
haven't
swum
today,
right?
Is it
just
that...
you
can't
swim,
right?

Eh...

Today
I've learned
about
so many
sides of
Ririko.

By the
way, so-
metimes
Ririko is
such a
crybaby.

After
that we
made up.

It's a
spe-
cial
ser-
vice.

And today
we had a
lot of fun
in the pool.

So we both decided we should not live together.

Nat-suki...

We're still in school, after all.

This is proposal ...

For three, no, even two days...

Can we? Please ...

I could not say «no» to ...

Let's live together.

Alright, Ririko, see you tomorrow.

Um...

Today was really fun, but we still have to do our homework.

Um...

Even though we're next door neighbors, we still live separately.

No, it's fine.

Is the water too hot?

お風呂

My flat is cheap, so it doesn't have much space. Even in the bathroom

Ririko and I are taking a bath together. Of course, it's only a bath...

So, we have no choice but to press our bodies against each other.

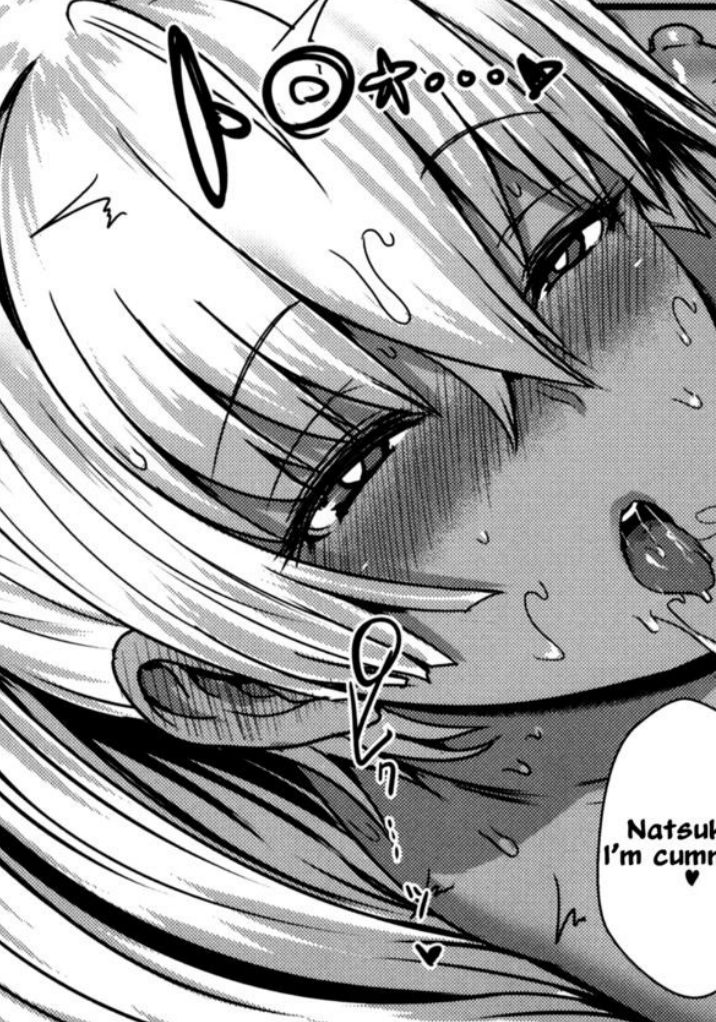

Much bolder than usual ...

Nat-suki ...

Today Ririko is kinda ...

I want you to wash me too. ♡

SHLICK ♡

I'll do it gently, I don't wanna scratch her insides.

My fingers! She's tightening so much...

Uh... Aah! I'm... gon-na cum...

She's throbbing... she's cumming.

Natsuki... I'm cumming!

So good
...♡

It's
coming
out!
♡

AAH...
♡

But
even
so, we
were in
heat.

Since
it's
summer
outside,
I tried
to make
the
water
colder.

We're
in a
narrow
bath.

There's
no boun-
daries
between
us.

Don't
pull
out!
♡

It's
so big
and
soft.

You like
my butt,
Natsuki?

I couldn't
control
myself.

Ririko
is so
seduc-
tive...

Yeah...

Like
a nice
pillow.

W...
Well!

Do
you...
wanna
try..?

Listen,
Natsu-
ki...

That
it's
also...

A good
way to
take «do-
nations»...

Ehm...
Well...
I...

My
mom
told
me...

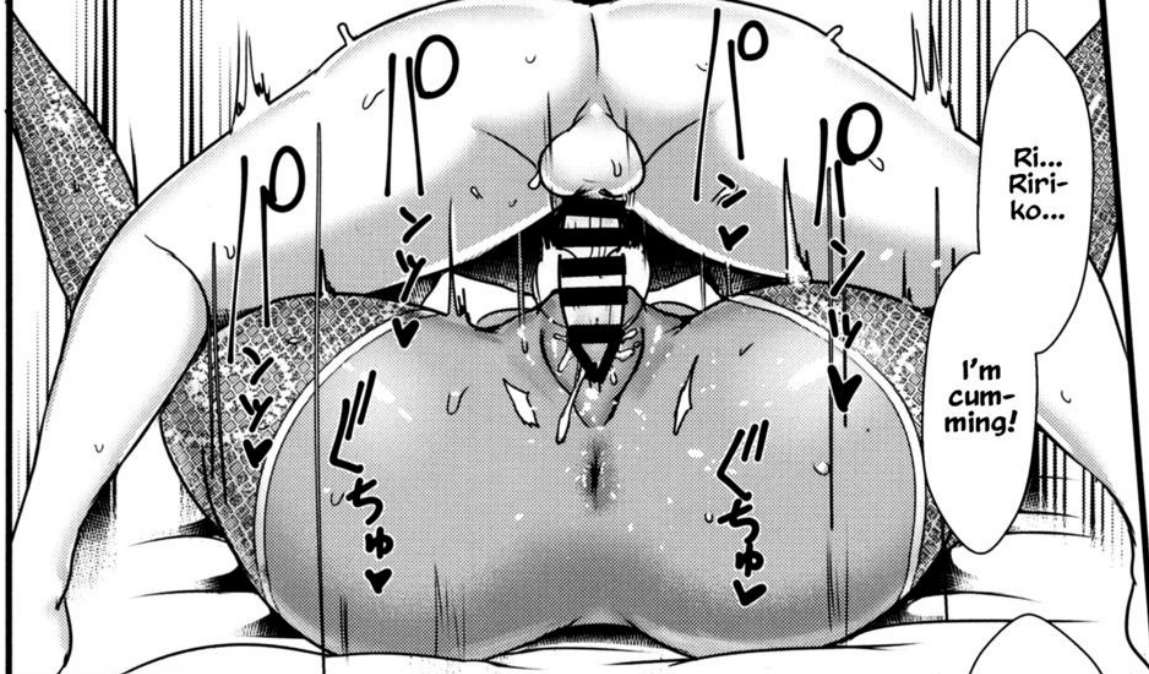

She doesn't let my dick or even my testicles go, even when I go limp.

Right now Ririko is deep-throating me...

And now, swallowing my penis entirely, she took my hand and with this kind glare said «cum».

Ri...
Riri-
ko...

I'm
cum-
ming!

After
some
time, I
com-
pletely
realized,
the stran-
geness
of situa-
tion...

...Ririko
has been
embracing
me for
entire
days...

And now,
it may
be too
late.

Aah!
Cum
inside
me!

AAH
~

AAH
~

It feels like a French kiss.

It feels like her womb is sucking my tip...

And even though I was constantly cumming inside her...

Ririko's womb was always ready for a new «donation».

It feels like...

Ririko's trying to devour me whole...

...Down to my soul...

Oh, I get
it now.
Ririko
once told
me about
it...

Sometimes
lilims can suck
their partner
to death.

Well,
since it's
Ririko,
I don't
think it
would be
so bad...

The end
