And the second ...

Ah, hey Yuta!

She's often busy doing most of the work around the house

And she looks after our little brother while acting like a parent.

Would be my older sister Mutsumi.

No bugging Kotaro while he's busy.

I'm going to go to the park then!

... But ...

Come on, stop messing with me!

Maybe I should take a break too?

But we almost got caught last time!

Hmm ?

Whenever she's around me, she doesn't hide her lust.

Let's take a bath together

In front of our parents and brother she's a good sister but ...
