Just what kind of
"present" did Sensei
put inside
Maki-chan?"

Besides, from
the perspective
of sperm it's an
entrance, you
can't argue
with that!

If it's
a place
I can put
something in,
then entrance
is fine!

Uuh...
well-

But isn't it
more like an
exit when you
think about it?

Hang on-
you call it an
'entrance'...

THIS IS
A LITTLE
EXPERIMENT
TO SEE WHAT
HAPPENS WHEN
I PUT THE
TUBE IN ALL
THE WAY.

AREN'T YOU
DOING THE
ENEM-..
AAAAH!

OH, YOU
THOUGHT
THIS WAS
JUST TO
GET YOU
CLEAN?

MMH...
IT'S...
BIGGER
THAN LAST
TIME...

UFUFU...
I'M JUST
ABOUT TO
PASS YOUR
COLON
NOW~

SEE....
IT'S ALREADY
ALL THE WAY
UP HERE... HMN,
THIS MIGHT BE A
LITTLE....

IT'S CONNECTED
DIRECTLY TO
THE SHOWER,
YOU SEE.

SO THE
WATER
PRESSURE IS
MUCH HIGHER
THAN USUAL!

U..
UUUUH...!

POWERFUL,
ISN'T IT?
CAN YOU FEEL
IT HERE MAKI,
JUST BELOW
YOUR RIBS?

IT'S THE
FIRST TIME
YOU'VE HAD
IT IN SO
DEEP HMM?

Aah
Uah!
UG
!! ah!

UH...WAAH!
AH! WHAT
WAS THAT?

Wonderful!
A
full 60cm
tube all
the way
up in your
belly!

Ah sorry,
that was
a bit hard...
But it's
already
past your
colon now!

Aa... It
feels like
it's t.-
trembling
below my
chest..!

AH AH

...yanno,
when you
see it in
the video...

It doesn't
look like my
tummy's
shaking half
as much as it
felt like.

True, but you
were all full up
with water last
night, so it's
hard to tell...

Normally, even from
the outside you can
tell what's reaching
where, right?

Not-
at-
all~!

Mmm

Don't you
think we
overdid it
a bit last
night?

Bear with
it, it's still
flowing into
you!

Maybe
we should
test that
theory of
mine?

Oook,
the tip's
already up
to here!

It's a special lesson just for you, Maki-chan.

Things like this just aren't possible at the school infirmary.

If you weren't 'hospitalised' at my place there's no way I could let you do this.

Take a seat? You can do whatever you like with me.

Eheh... It's actually a little embarrassing to spread my legs again.

This way, you can find out for yourself what's going on inside.

It's really soft and... it's squeezing me..

Uuh... It's kinda dark and hard to see, but...

...How is it?

Can you see inside?

is the inside of my bladder.

Eheh... what your fingertip is touching there,

Ehehe... you know...

So yesterday... What was in here came squirting into my bladder, right?

This is like..

...a special kind of sex only we can have!

That's right!

I'll tell
so go ahead
and put
your arm
in all the
way!

I never
saw it this
close up
before...

oneechan's...
bottom, her
POOP hole.

Mnn...

It's actually
kinda cute...

Can you
feel there..
where it's
squeezed
tight...?

Just twist
your hand
a little...
push up a
bit....

Woah...

Wo...

T...
there!
Go on,
push up
into my
colon!

FuFu.... it's important to be knowledgeable.

Sex education is like preparatory learning about your own self.

Uu... oh, yeah...

I pretty much already knew everything though.

You had sex education lessons at school this year, right?

H...here? Um... your uterus, I think.

It's the entrance to the place where babies are made.

So... what's that you're touching right now?

It's the entrance to.. ?

Besides, from the perspective of sperm it's an entrance, you can't argue with that!

If it's a place I can put something in, then entrance is fine!

She's got a point there

Uuh... well-

But isn't it more like an exit when you think about it?

Hang on- you call it an 'entrance'...

Hmn?
No no no!
I'll use this
to get your
uterus in the
right position.

'Ta-da'?

... That's
what you
put in my
pee-hole
before...

POUR~

...It goes in
the womb
too?

So if we inflate
your bladder
from below, it'll
push the womb
up nice and
straight.

WAAH!—

—SHOVE

What do
you mean?

Normally,
the womb lies
forwards over
the bladder,
you see.

Oooh...

きゅん...
00003333~!!

Kyaa!

Wait a sec!
Since we did it so
much yesterday...
my pee hole...

it really kinda
stings still!
If you do that
now~

Well she and her little sister Aya-chan...

You know Yuina-chan in the 4th grade, yes?

They're both just the same as each other.

Ultra-sensitive and erogenous in the uterus.

But Maki, you're just the same as they are.

That's the face of a girl whose whole body is tingling with pleasure!

In honesty, it's not a place that's meant to be played with.

Even for grown-ups, teasing it is normally pretty painful.

It's so far inside me!

My tummy... it's tingling...

Mnnh...?

Mh!

Eh?

What's in your mou-

Mm~?

Mm-

It's an Indonesian music ball. Also known as a musical ball or a harmony ball.

If you rock it gently or turn it over it makes a sound.

What is this thing?

RING-A-LING

You've had
these balls
inside you
too before,
right?

Yes?

Hey...
sensei...?

Ohoho...

Made especially to go inside my uterus.

Those balls are a one-off item, you know.

Compared to you, Maki-chan,

The first time I had them put inside me... well...

I was much, much younger.

You'd like to know?

Thank you very much for buying this wacky book

To the newcomers and to my regular readers both,
hello, my name is Ogu.

After somehow dragging on for half a year, I've finally got this out.

In previous works in the series, little by little, questions have been asked of Sensei of why she loves (most especially) urethral play, why she only ever wears glasses during sex, and so on. In the upcoming volume covering Sensei's past, all will become clear.

In honesty, I haven't thought about it much myself yet either.

The only thing planned so far is that the young Sensei is an elegant,
rich girl.

I was really going with the flow when I drew it, so just who is that at
the end?

To all the good children of Japan: Don't try to copy the things in this
book or anything! You'll die!

(The characters in this book are receiving specialised guidance from an
expert in the field)
