Yoshida Inuhito

Ye~s
!!

Since it's
going to be
summer
break

I just
wanted
to say,
don't get
too wild
out there!

Hey~!!
Himawari~
let's walk
home
together~!!

You should
at least
take a little
interest in
those kinds
of things!!

Geez~
You're still
such a kid
Hima

Huh?
Do I really
need a
boyfriend
?

Let's both
find ourselves some
boyfriends
this summer.
We can finally lose
our virginities
!?

Sure,
see ya~

Anyway,
I'll call you
later~

The truth is, I was pretty surprised when he told me he was actually a developer of the game itself.

Shyuji-san here is a guy who was always really nice to me on an online game I liked to play.

So for today... How much time can we spend together?

Really? I'm glad.

It'd be no problem.

So even if you wanted to stay over ...

My parents are going to be working late at the college ...

Even though I know this isn't a good thing ...

In my heart, Shyuji-san has become someone very important.

Even in private, the two of us have gotten so close that we can speak about anything.

In no time at all, the two of us ended up in this kind of a relationship.

When he first said he wanted to meet up I was a bit worried but

Up until now, I've only seen you in your school uniform but ...
I've always thought school uniforms are really cute.

Ehehe I'm glad.

You're already getting wet, aren't you?

This... Isn't sweat is it?

If that's
what makes
him happy
then I'll be
glad to wear
one.

Just as
I thought,
school uniforms
really do
suit you!

Wait...

At first, I just wanted you for your body... but now... I'm really in love with you!!

I used my position as an admin to get closer to you.

Shyuji ... san?

Himawari-chan, I've been a bad adult ...

But even still, I...

At this point, I wouldn't be surprised if I ended up getting sued for this ...

When I first met you and we ended up having sex ...

You see, I've been a bad girl myself.

Huh ...?

I knew all about it. After all, men are always like that.

I'd found myself a really nice cock ♡

I thought to myself that this time ...

Well ...

H-How many guys have you been with until now ...

The truth is...

I love having sex ♡

Even though everyone around me usually treats me like a kid ...

That's ... A secret. ♡

But
even still...!!
I'm still in
love with
you!!

To think that
...
You were
actually a
girl like this.
I'm quite
shocked!!
