you've been eyeballing my chest this whole time!

Like you can talk,

You think I didn't notice?

Jeez,

Don't make me repeat myself!

I suddenly became a girl, like I said!

Watch your attitude!

I'm trying to have a serious conversation here!

You-!!

Fucking... little...

No wonder your wife gave up on you...

What now?

You got some-thi—

so I'll see you...

Sit the fuck down.

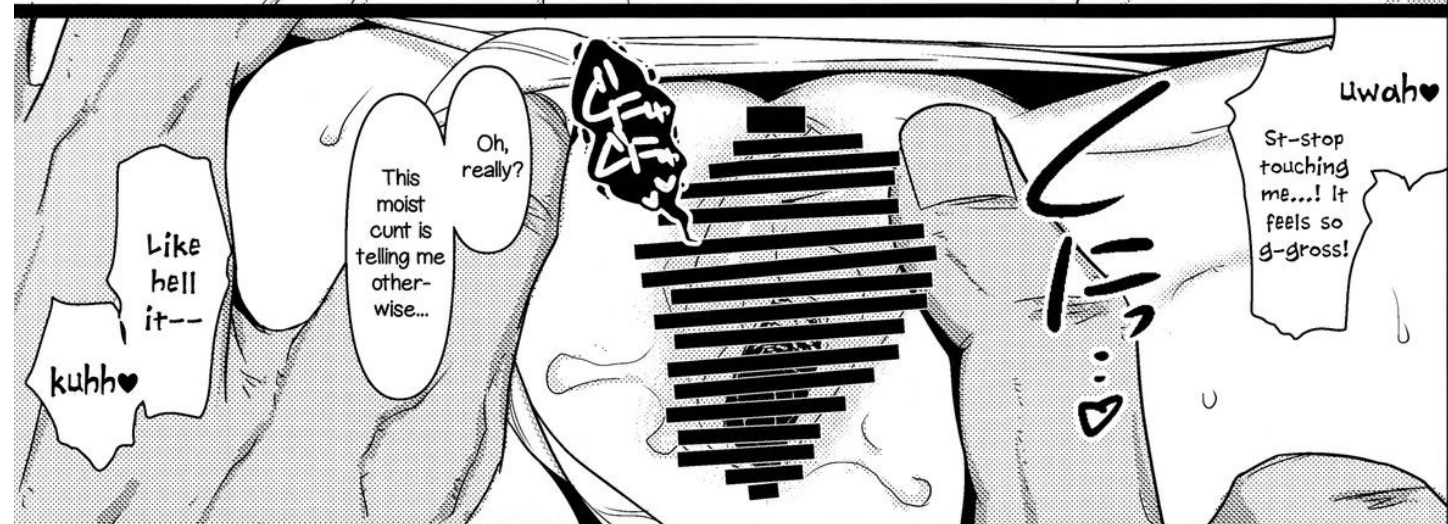

We're done here, yeah?

I'll try to behave from now on,

Ah, my bad,

Was that a touchy subject?

Ohh~
it's like
my dick is
buried in
marshmallow

Out
standing...

Hu-
hey!!

Don't go
rubbing that
filthy thing
on me!!

Ohohohh!
It feels
great
Kitakata!!

How
nice for
you...

Shit...!

shitty
gorilla's
getting
full of
himself!

Man, I
could cum
all day like
this! It's
the best!!

never
even
seen
this

semen...

So

...He's
still
going?

How
much is
this guy
gonna
spray
on me
until he's
satisfied...

If I keep
getting
drenched
with this

gonna
seep into
my brain...

You're
nothing

It

If he
pours
this
much
inside
me, I
might
really...♥

But I soon realised those symptoms were not normal.

I thought he was having a heart attack or something...

Suddenly, after about half a day of fucking, it happened.

Urgh!

Oh!

Guah!

...Ah... So that's what happened...

ugh...
agh...

haah

this...?

What is...

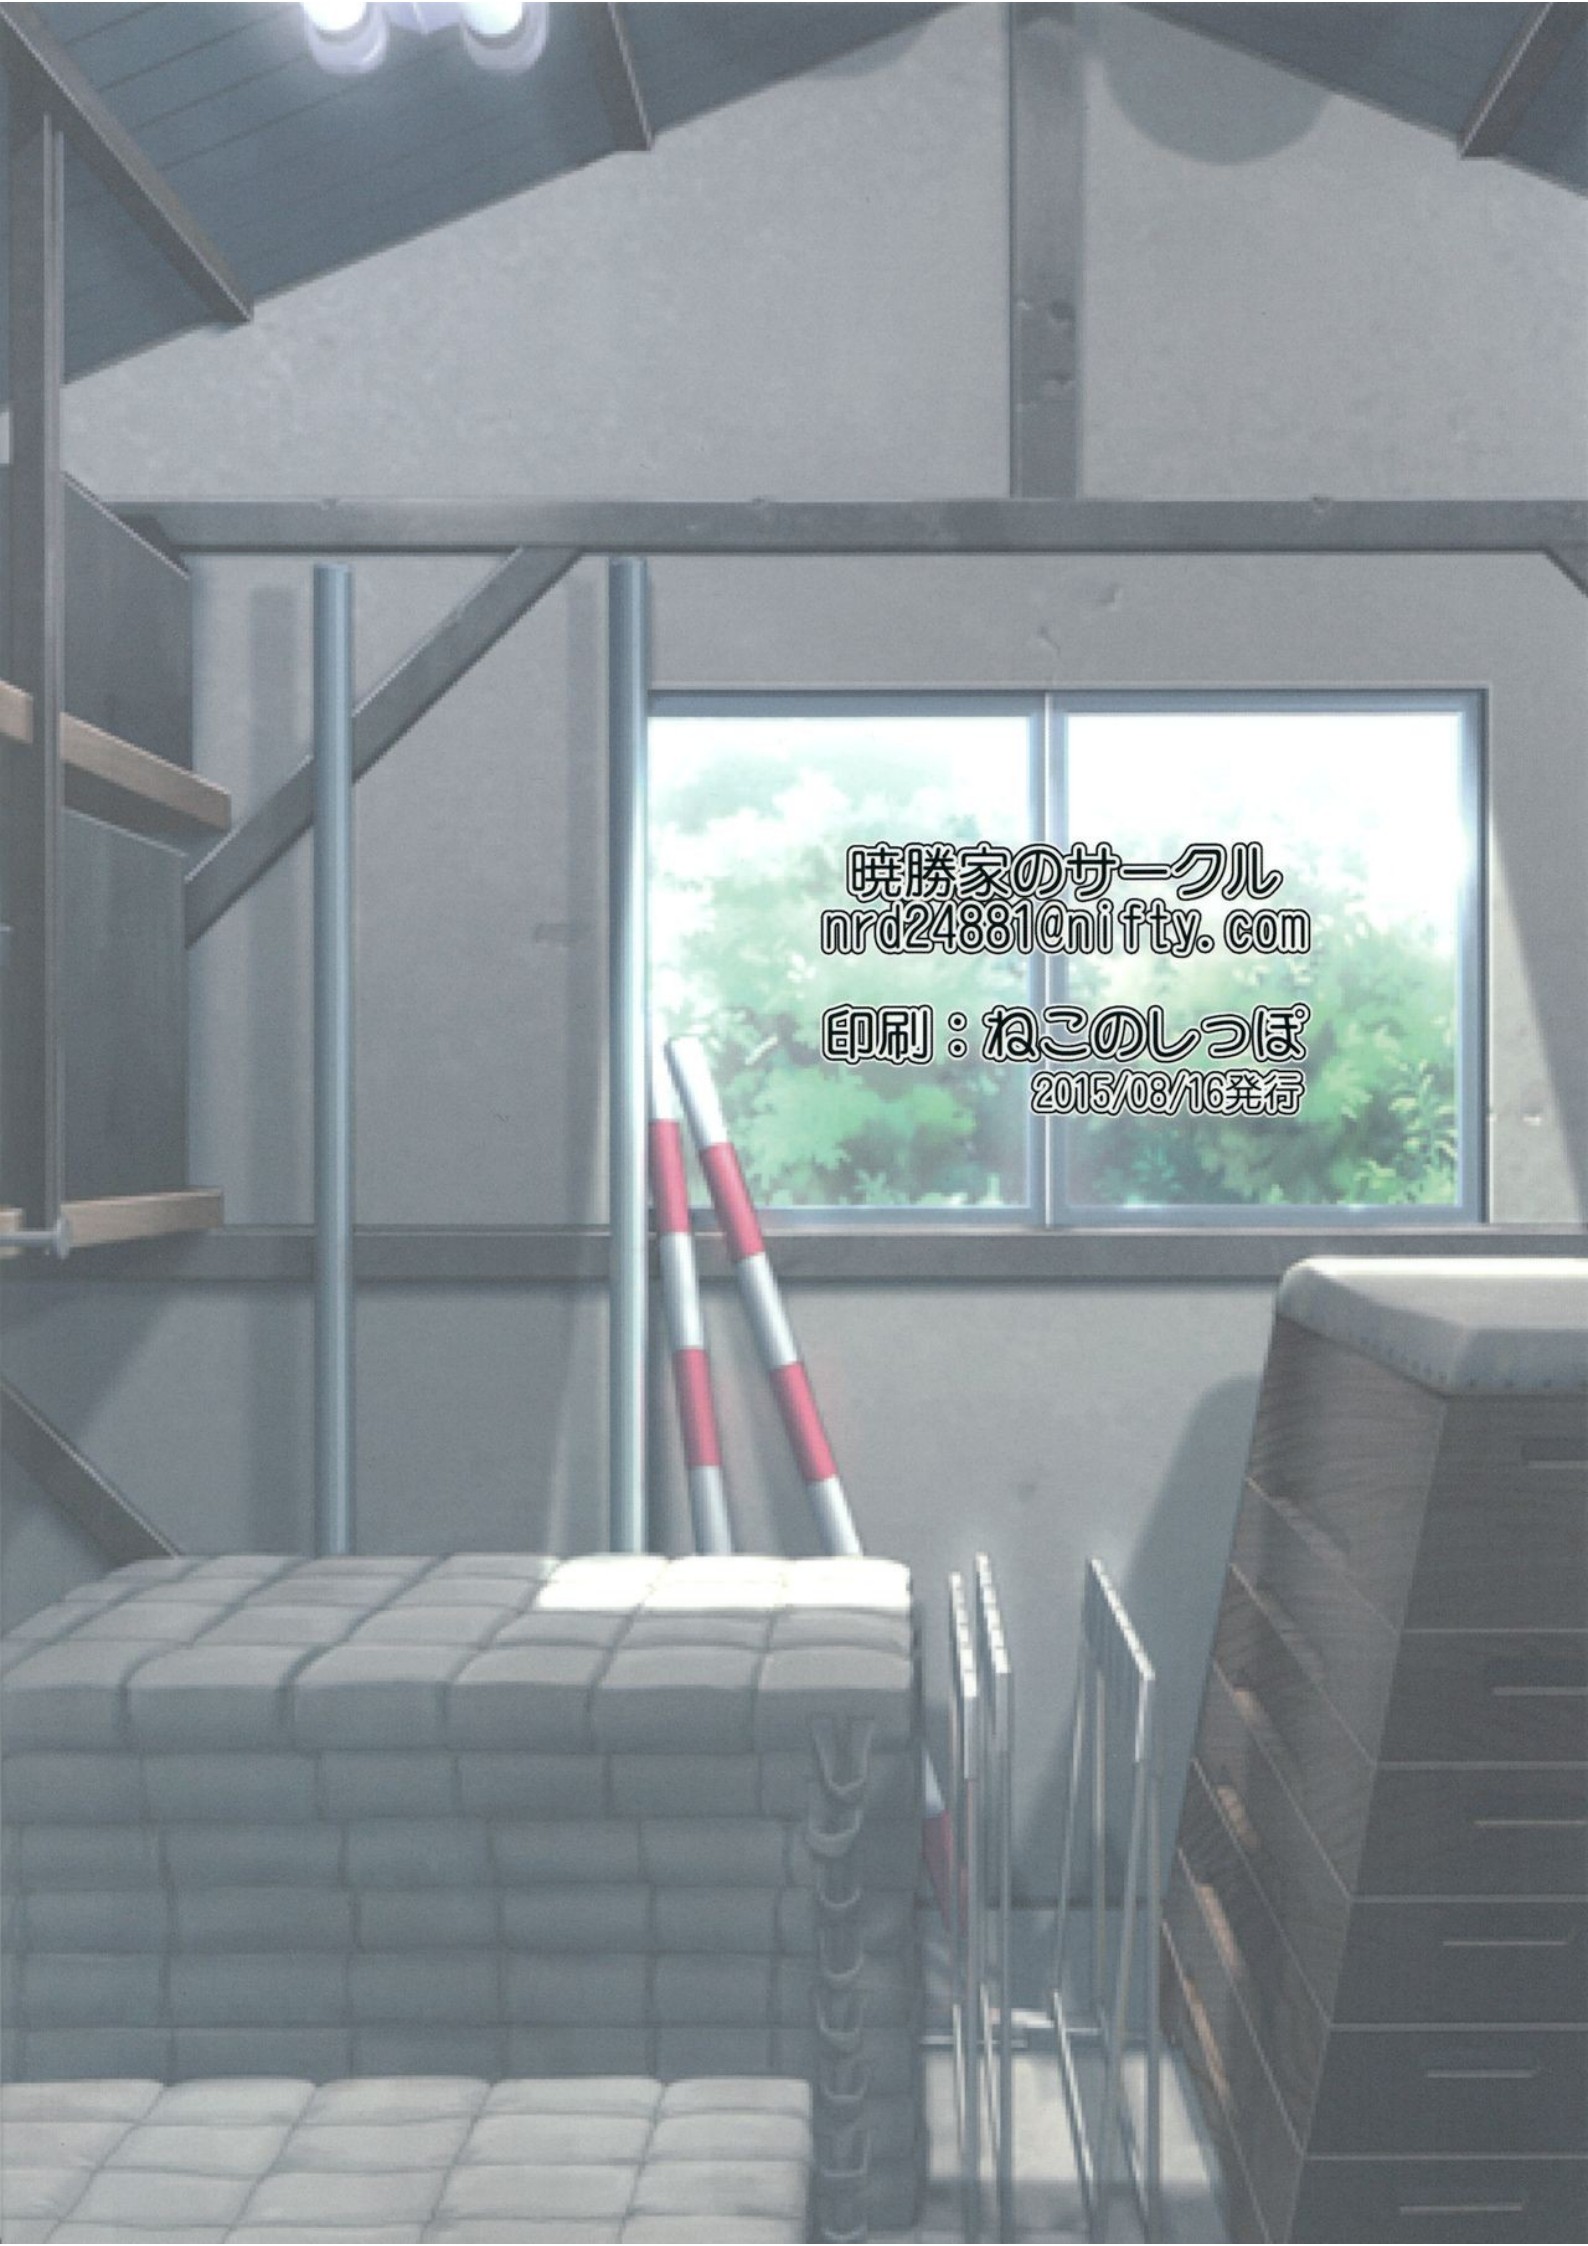

haah

Finally, I began to unravel the fate that had befallen us.

All that remained was the unfamiliar figure of a young girl.

The strong, muscular man that had raped me was nowhere to be found.

The image is a 3D-rendered illustration of a room's interior. In the foreground, there is a desk with a grey, quilted mat on it. To the right of the desk is a dark wooden cabinet with multiple drawers. In the background, a large window looks out onto a green, leafy landscape. To the left of the window, a staircase with wooden steps and a metal railing is visible. Two red and white striped poles lean against the wall near the window. The room has a modern, industrial feel with grey walls and a dark ceiling.
