The Student Council President's Office

There's a bit of time left before the students arrive at school...

Well then...

Mmh...
I'm getting sleepy...!

That's about it for today.

Student Council President: Tsukimizato Rin

Since there's so much time left, let's do *that* for a bit...

It's only 6.30 right now.

It's not calming down...

Ha ahh...

Good morning to you too!

Good morning, Student Council President!

Don't look.

Arriving at school

I'm sleepy... Just a little more... can't I?

But then again, this is my little brother's fault... for looking so cute this morning...!

I can't believe I have to masturbate this early in the morning as the Student Council President...

But that... can't happen!

Let's... work hard today too.

Good morning, president...

I look forward to your guidance.

Okay... like this...

What are you trying to convey by not wearing a bra in class? In an artistic sense!

Would she have seduced Ren-kun if she knew he was actually a boy...?

Unforgivable!

Haruka-sensei looks like an airhead, but everything was an act all along...

Thanks for the help, Tsukimizato-san.

Phew, that's about it.

What should I use for the third years' lesson?

So cute. Okay.

I can deal with the rest, Tsukimizato-san.

I really enjoy Sensei's lessons.

Class is about to begin, you should return to your classroom.

For your third year class, instead of using a statue, why don't you use a real person as a model instead?

May I give you some suggestions?

You're very passionate about your internship!

Pr-President?

A real model!? I can't find one all of a sudden!

What are you talking about?

...We have the perfect model right here.

Hoo...

I'm just too fat to be a model.

Don't even think about running away...

That's not it.

What are you saying!?

Looks like asking you to be nude is too much even for a passionate teacher like you.

Hyi... Hyuh!

Ahhh... Why does this have to happen...?

What kind of attitude do you want to reflect? Did you not think about that?

Did you perhaps not consider the first thing they would do is look at you?

So, are you going to be a model!?

I'll make you regret trying to seduce Ren-kun.

Is this okay...?

Mnh

Fufufu, look at her tremble...

I'll humiliate you lots...

have you not used them before?

What a pretty colour,

Mmnh...

Now that I look at her naked, they're pretty huge...

Tokai-sensei...
I won't forgive you, but you have quite a great figure.
