■ The girls of the Blooming Flowers

■ Era

The end of the Edo Era.

■ Location

The outskirts of one of Edo's red light districts.

■ Setting

The Blooming Flowers is at the outskirts of the red light district. From the outside, there's nothing special about this place, but it's an invitation-only brothel where you can have sex with young, high-class prostitutes, so it's really popular with people who are into this. Since it's invitation-only, not many people know about the truth. Unlike a normal red light district shop, you can have sex with a little girl immediately.
(Of course, you can play with them, too.)

■ The Prostitutes

One of the basic rules is that girls who have reached puberty have to retire (around the age of 12-13). Generally, girls over the age of 8 can take customers. There are 9 prostitutes now, ranging from 6-12 years old (2 out of the 9 have yet to take customers.) The customers are mostly merchants.

Most of the prostitutes get bought out before they retire.

The word is that a 17 years old girl is the mistress of the brothel.

※ All of the ages in the explanation are written in the East Asian age reckoning system. Basically, it's +1-2 years compared to the Western system. (For example: Western system 10 years old -> East Asian system 11 years old.)

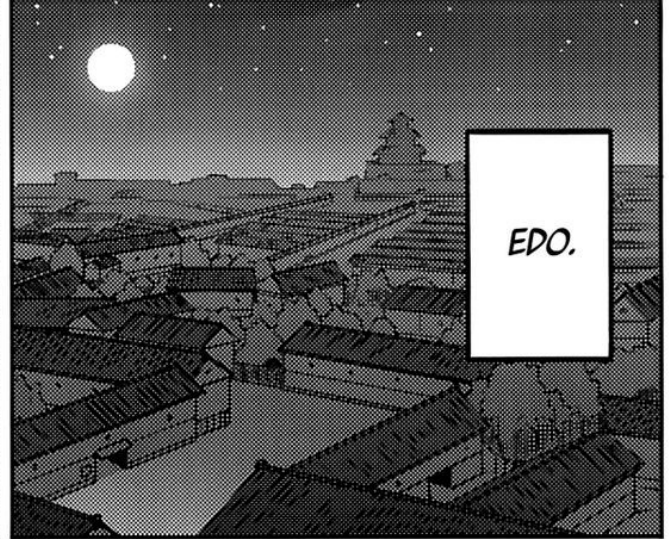

※ I used modern Japanese throughout the doujin.

■ Sakura 8 years old
Born on the 24th of April, Blood type O

■ Character Setting

The youngest prostitute at the Blooming Flowers. She turned 8, so she can accept customers. She's pure, honest, friendly, she loves sitting on other's laps, hugging people, and getting hugged. She's a virgin, so the other girls taught her the bare minimum.

■ Prostitute Setting

She's still small, and it takes time to put it in. Her pussy is still prepubescent, so she can only take in about 4 cms. Blow jobs are her specialty, she stuffs her small mouth, sucks it, and licks the tip and the glans. It's pretty addictive because of her high body temperature. She can take it in her ass too.

Also, there are a lot of guests who come to have a completely sex-free therapy session with her. She sits on their laps, and they pat her while they're talking. They also play catch together, take a baths together, she gives them a lap pillow, etc...

Children back then wore their hair like this, right?
I drew her from that idea. I'm not really comfortable with drawing short hair, so it was pretty difficult. I can't really keep the balance...
I kind of want to draw a story of her without penetration. But I didn't draw anal either, so I want to do that too!

■Plum Belly

It's pretty difficult to draw the bulging stomach kids have. I can't draw it that well, but I wanted a younger than usual body type, so I tried drawing it. Good.

SAKURA-CHAN,
YOU REALLY
LOVE BLOW-
JOBS, HUH?

■Kid's Blow job

A kid giving a blow job is so good, because it's so wrong...The bigger the dick, the better!

はじめましての方は、はじめまして
それ以外の方は毎度お世話になっております。
小路あゆむです。

さて、今回はいつもの感じとちょっと変わった
お話を描いてみました。
以前から描きたかった「童女遊女物」です！
着物でのエッチとか始めて描いたような気がする…
ホントは豪華な着物でエッチしたかったんですけど
模様合わせたりするのすごく大変なので諦めました…
最初は言葉使いとかもいろいろ調べていたのですが
上手く表現できないうえに可愛くなかったので
今の言葉でまとめてみました。

お話に関してですが
結構いい感じで描けたのではないかなーと思ってます！
さくら編は誰でも楽しめる感じのらぶらぶエッチにしました
あたまでなでとかイイですね…
この子は裸でくぱあとかポーズ取ってもらうとか
エッチしないお話もいいかなーと思ってます。
でもやっぱり遊女物だったら可哀想な女の子も
描きたいなーと思ってます。実際そういうものでしょうし…

刊行ペースは遅いと思いますが
これからもこのシリーズやっていきたいと思ってますので
お気に召した方はよろしくお願いします！

ではでは今回はこの辺りで！
それではまた！
