Yue-chan is a little under the weather:

SO SHE NEEDS A SHOT OF SENSEI'S DICK MEDICINE.

Since I was feeling a little under the weather,
I got a shot from sensei.

If I didn't help sensei get
off, the medicine wouldn't
come out.

Uhh

Uhh

Uhh

Sensei got very hard, we stared
at each other, kissed, swapped
saliva, and fondled each other.
And then I gently licked the tip of
his cock. So that I didn't surprise
him, I gently wrapped it in my hands
and started kissing again.

I took his dick inside my mouth, and
then sucked on it as hard as I could, but
it was so big I had a hard time not biting
it accidentally. Soon a lot of the medicine
went shooting into my mouth.

We kept at it for more than
30 minutes, until he started
thrusting on his own, and he kept
pouring medicine down my throat.

It was a bitter and sticky
medicine, but I tried hard to
swallow it all. It oozed all over
my boobs: it was so sticky!

I'm sorry, Sensei. Next time I'll
make sure to only use my mouth.

The twins, Mitsuba-chan and Yotsuba-chan, and

A DOUBLE SHOT OF SENSEI'S DICK MEDICINE.

Medicine!

We've been practicing on our recorders, so we should be good at this. Right, Mitsuba-chan?

Sensei, give us some medicine too!

Shoot it out.

suck *suck*
suck *suck*

Yup, we're very good at this. We're gonna make you feel good and you'll shoot us full of your medicine.

suck *suck*
suck *suck*

Hwaaaah...
Henhei... Hmmm...

Mmm... Mgh...
It's all sticky...

Henhei... Mgh... Mgh...

Break Time, the spoiled Kon-chan and Pochi-chan,
NURSE FROM MARINA NEE-CHAN'S BOOBS.

Good girls.
Kon-chan, Pochi-chan, it's time to nurse.

Take your time, drink as
much as you want.

even bigger than me. No way.

You still want to keep
kissing? You're hope-
less... *kiss* *kiss*

Here's today's semen
victory shower!

Afterword:

Hello, this is Ohigetan.
Thanks for buying my book!
How did you like it? This time,
I was making a number of
books at the same time,
so it took longer than
normal, so it had
the same kind of
concept as summer's
work, "Classmate-chan,"
so this book ended up as
kind of a hodgepodge. Along the
way, I couldn't change much,
and in the end it was all about
bloomers. Not the white kind,
but the kind that look like swim-
suits. Previously, I drew a book
where they were all sleeping, but
decided to go somewhere dif-
ferent with this. Out with
the old, in with the new!
Somehow, this seems like
the dirtier book, though.
That was my impression.

I'm a total bloomer nut,
and the white ones are the
best! They totally rock.
They have such an air of
innocence about them.

As for me, I moved to a new place recently,
and man is it tough. But even while I've
been in "moving mode" I managed to make
three pages! But afterwards it took me
five days to do two pages, so that was the
price I paid for draining myself.

So I've been prattling on, sorry
for making this afterword so long,
thanks for reading it! Until next time.
