I told you...

You still
haven't
finished?

You have been
working on
the anthology
all this time.

青春が火照ったままで...

So I can't stay
calm when I'm
not writing.

第40回文化祭
文芸部!!

I still feel
fired up.

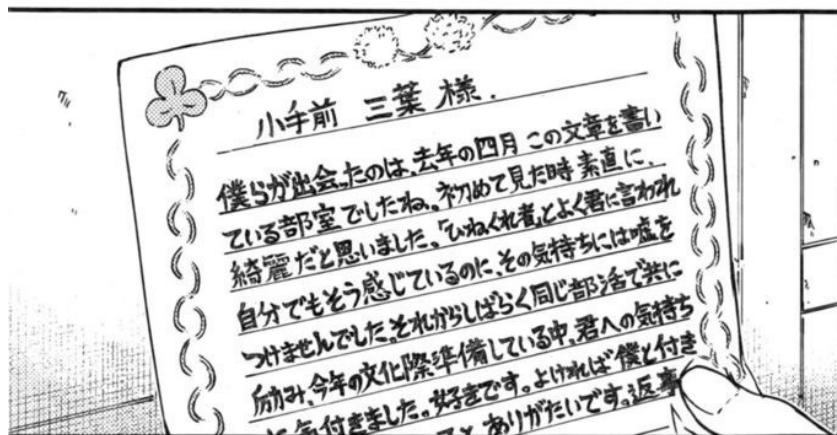

We were just preparing for the school festival.

Sorry... The student council meeting got dragged on.

But it's good that Kaito-kun helped you out, right?

小寺前 三葉様

僕が出会ったのは、去年の四月この文章を書いている部室でした。初めて見た時素直に、綺麗だと思いました。ひねくれ者によく君に言われ自分でもそう感じているのに、その気持ちには嘘をつけませんでした。それがしばらく同じ部活で共に所かみ、今年の文化祭準備している中、君への気持ちに気付きました。好きです。よろければ僕と付き合ってください。返事もお願いします。よろしくです。返事

No...! It's just Kaito messing around!

What's this?! A love letter?!

好きです。

*I love you.

Looks like a love letter.

...tell you..
in person...

Because...
That...
matter...
I need to...

...Why not
just call
me?

You even
judge a love
letter that
you've
received?

Couldn't you
have written
something
concrete?!

I haven't
gotten a clue
what do you
like for in
this letter!

As for
something
concrete,
well...

But...

...Yes.

I feel
the same.

...And
your
answer?

For starters,
why don't you
come in?

Wh..?!
Hundred
?!
I'm from the
literary club,
so I expect
you to
describe
them!

Tell me a
hundred
things that
you like
about me!

...I thought what I like about you. Many things came to mind.

ぽんぽん。

I didn't answer you that I love you. I'm sorry...

What happened?!
Gloomy

Coming in.

.....

Kotemae?

ズ

But I also like how troublesome you are.

Don't say "troublesome".

23	24	25	26
30	1	2	3

I don't like how you look at it with scrutiny...

No... It's just looks prettier than I thought.

...What do I compare it with?

For example, in porn, pubic hairs look thick.

Uh-huh.. M!

Can I stick a finger in?

I'm kind of a gloomy person.

So, even Kaito watches it.

So much is coming out...

...Well, guys keep it for occasions like this.

Why do you have a condom?

Ah

Kaito...?

.....

..Mh?

Um, sorry...

What's so funny?

But isn't this embarrassing?

.....

Why not try one more time? ♡

Ha
Yes...
I also...
want it. ♡

Can we...
do it
one more
time?
