Akai Mato

I wanna put someone under my control, control, control!

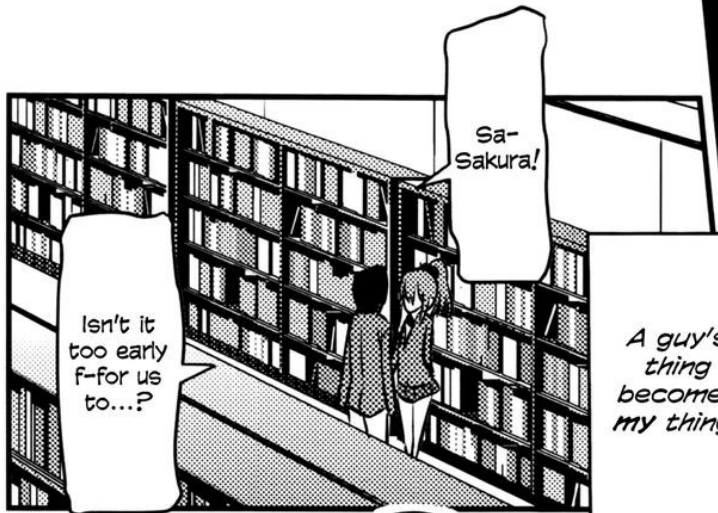

Haa...

New school, same old stuff... Are you ready for more years of monotony?

Actually, there's something new I wanna try out...

It's a secret! I've never told this to anyone else!

Isn't it too early f-for us to...?

Sa-Sakura!

A guy's thing becomes my thing!

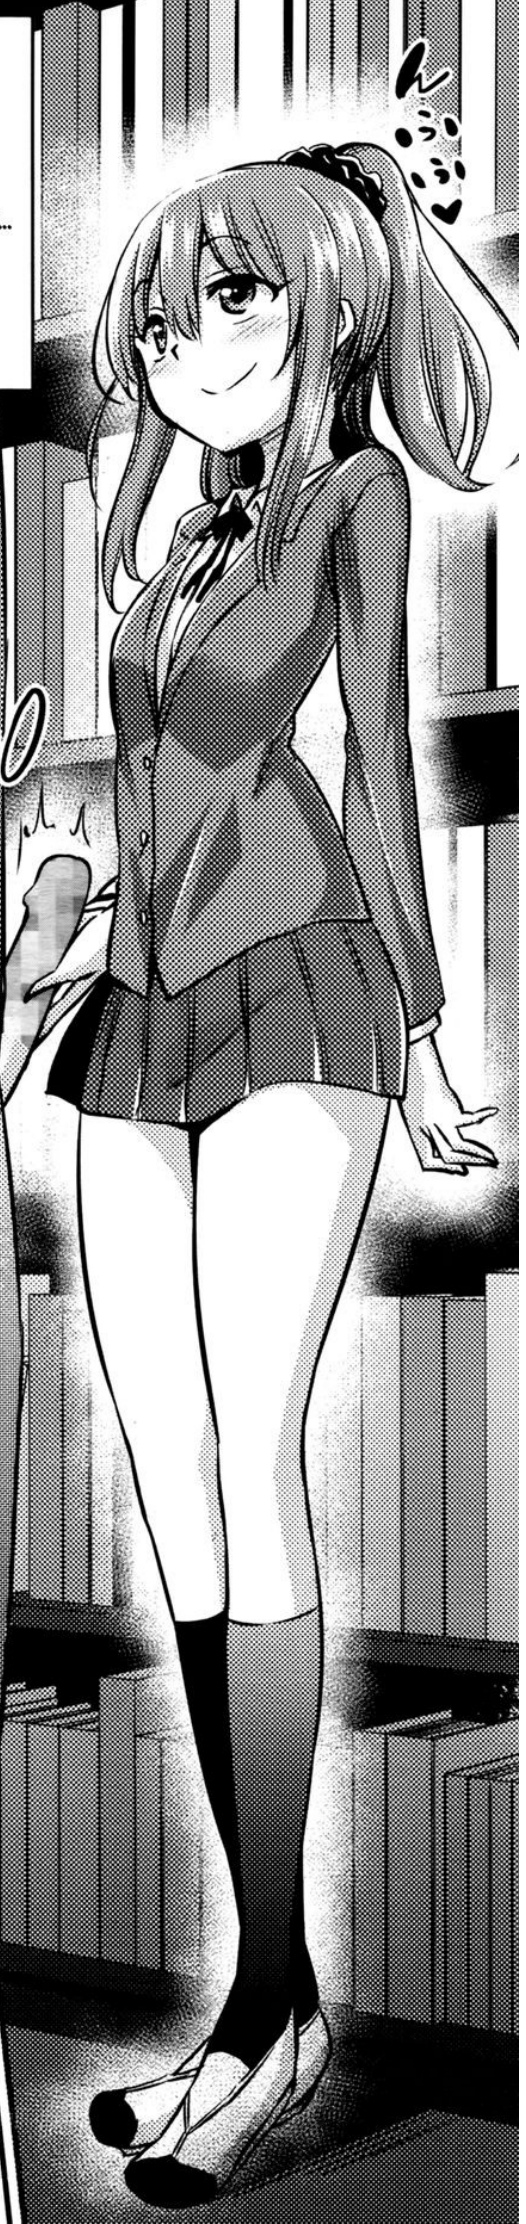

Orgasm control basically means that... Huhuhu!

Maybe, but...

You wanted this to happen, right?

You gave yourself away with that bulge in your pants after looking at me!

So can you do me just one little favor?

Let's meet in secret after class.

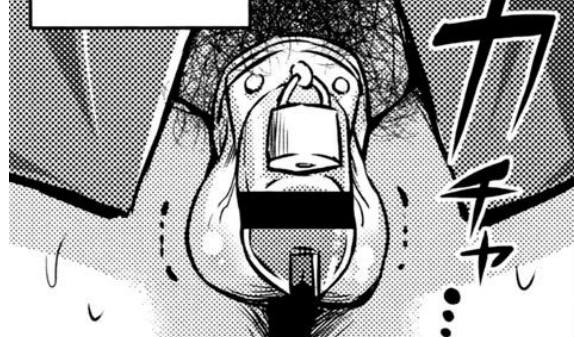

I'm gonna do this everyday for you.

I want you to wear this!

It's got a lock so you can't take it off on your own, but I'll remove it when it's time!

He won't be able to get it hard or even touch it.

Sakura, please!
At least when I go home!

It's hard to use the toilet, and... well...

Keep it up!

That part of him is mine 24/7!
♡

Are you sure? After sticking with it for days?

Not a chance!
♡

I won't do these things for you anymore if I let you out, you know?

I haven't done anything at all and it's already leaking!

Whoa! Look at how hard it is!

Should I join the cheer-leading or the track and field club...?

Maybe I'll be a cheerleader since it'll be easier to get in touch with other clubs!

You haven't taken it off in two weeks...!

Looks like even the softest touch

can make you feel good!

Good boys get sweet kisses... ♡

So, here...

You've been really good, enduring it for so long!

I wanna kiss you as a reward, but... It'd be too embarrassing on your lips.

He's gonna get so turned on that he'll want to do it like crazy... but I'll have absolute power over his ejaculations! ♡

I just told you I'd make it worth your while if you did! ♡

You're the one who dressed like this and went out.

Ejaculating on the train could get someone in trouble!

You're willing to do anything at all just to squirt it out... even cross-dressing.

It must be really tough, never being able to ejaculate.

You can't stop staring at girls at all, right? ♡

I noticed your stares during class and club activities... Your eyes were so hungry...

It's been almost a month since you've been forbidden to ejaculate! ♡

Your whole body is excited

and super sensitive! ♡

I bet you'd start masturbating the moment I let you out of the chastity belt! ♡

I'm worried you'll lose it and start raping me! ♡

Maybe I'd better leave it on...

I'll make them want it so much, for so long...

• My balls are gonna explode!
• My dick will catch on fire!
• I'm gonna go mad!!

• Please! Let me cum already!

I beg you!

I'll build it up all I can, until...

Gonna cum!!

Will I be able to find one in 3 years? It'd be really nice to have such a...
