
I've been in this sort of relationship with my beloved upperclassman, Sakura, for several months now...
Long story short, she's a very sadistic girl who loves orgasm control. Being on the receiving end of that particular fetish is really tough, but...
Whenever she teases me, her eyes start to shine and she's so beautiful while watching me...
I'll be honest... I'll do anything to see more of that.

"You won't be able to cum", she said, so I thought it'd be the usual... I had no idea things would take this turn...
WHA-!?
Are you enjoying yourself, you sadistic gorilla?

Looks Like I'm Being Controlled by Sakura, my Teacher and the Student Council President

He's been writing this orgasm control series for three and a half years already. His stories are packed with love, resilience, stubbornness, a pinch of ingenuity and lots of desire to control. Get hyped for his very first solo tankobon

AVAILABLE IN SUMMER 2016!!

Find all details at the end.

So, teach... Can you explain why can't he cum?

His body will be changed permanently if he doesn't ejaculate within 12 hours.

It numbs the nervous system among other things, and that's why he can't ejaculate. It's a real emergency!

It was made by mixing porcine DNA with a powerful substance and was meant solely to revitalize very old pigs.

He accidentally drank an energy drink for pigs I created.

You stupid dying pig! What would you do without me?

(Sorry.)

Oink...

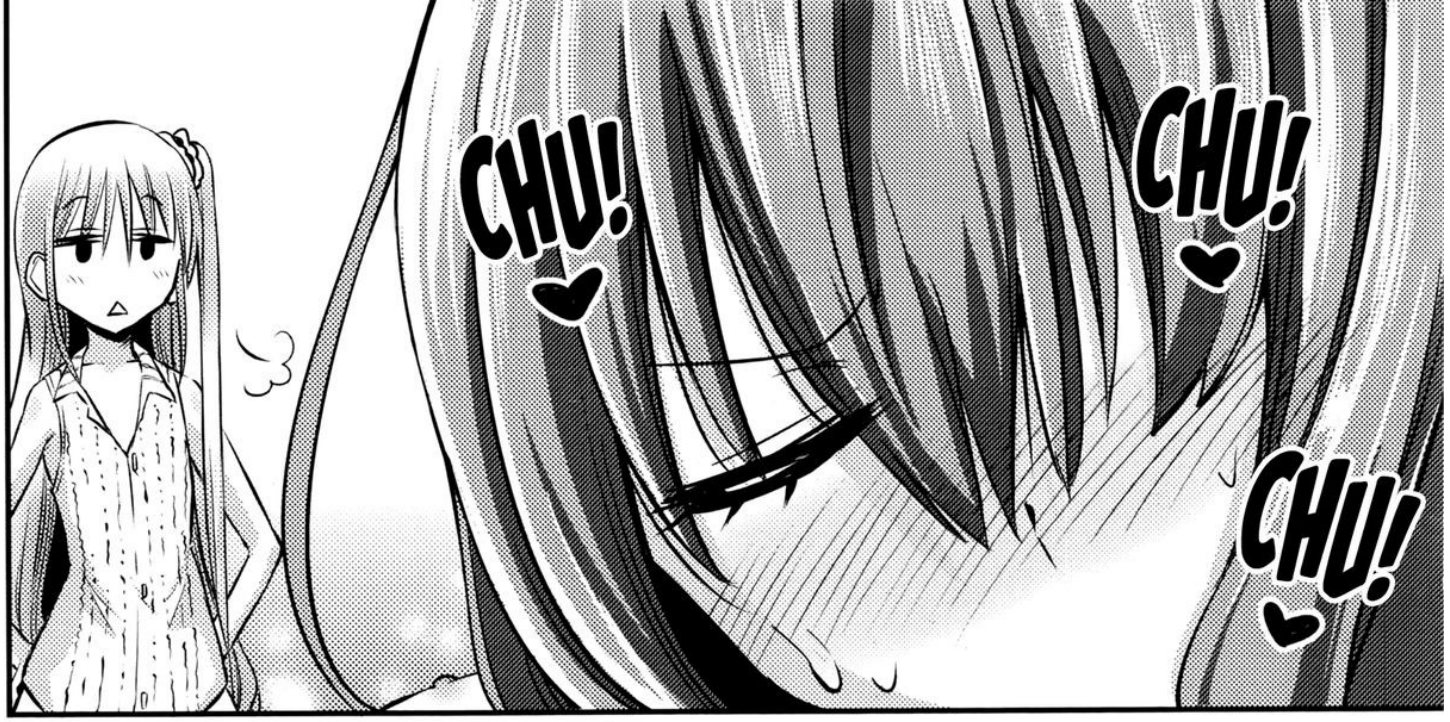

Gulp Gulp!

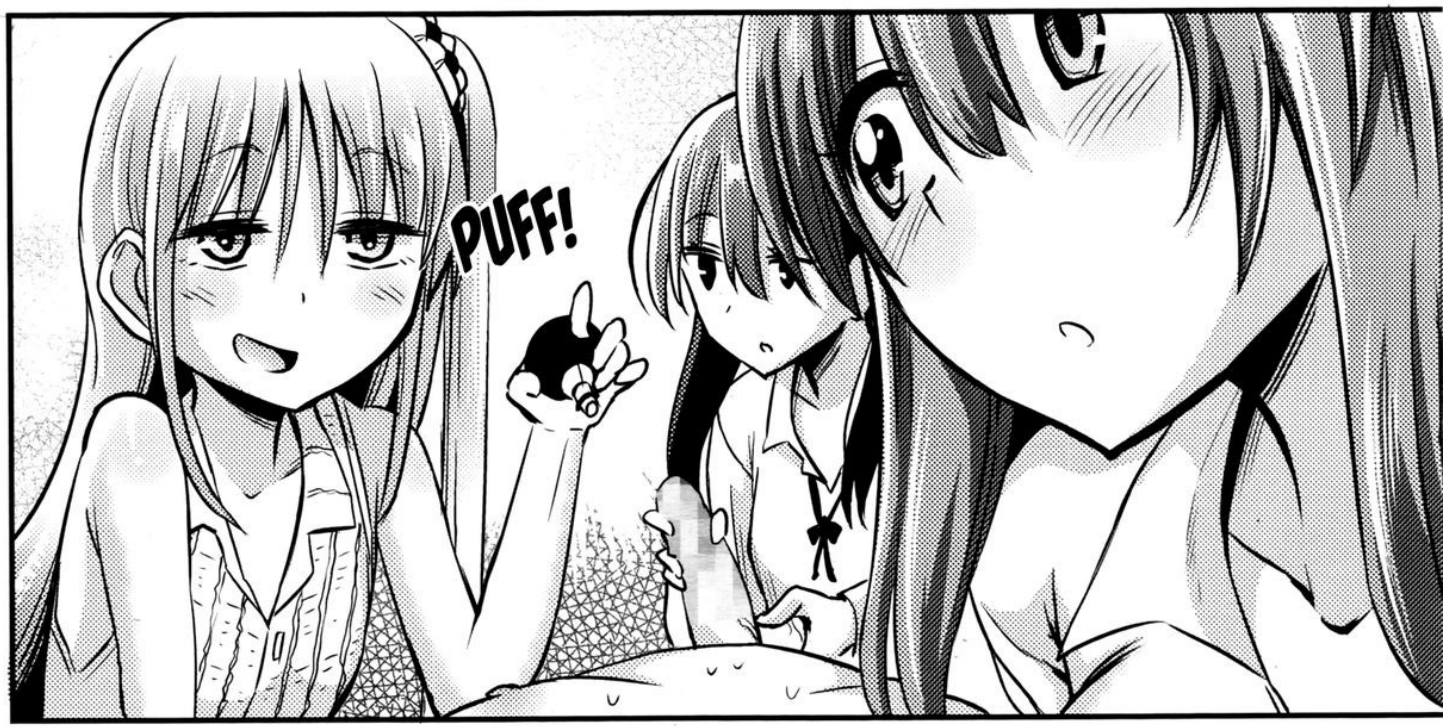

I just told you, you chimp! Listen this time!!

THIS GUY WILL BE PERMANENTLY CASTRATED!
HIS TESTICLES WILL LOSE ALL FUNCTIONALITY AND HE'LL BE UNABLE TO EJACULATE!
Ooh... So he won't be able to ejaculate...
That will come in handy with the teasing sessions!
GRIN
...are you sure about that, Sakura?
His semen will be lost forever. Do you get all the implications?
Um...
Ah, well... Like...! That would be a problem... Or not... I guess?

I'd like to prevent this from happening to you two, so I'll give him a hand... if you don't mind, that is.
I feel partly responsible, so I guess I'll have to help you out as well!
Eh?! Really?! But he's my... Hm, no, I see...
If there's no other way, I guess...

Sakura... Always so jealous when it comes to me, she's so cute, energetic, and has curves in all the right places... she's the one.
My teacher... She keeps everyone at a distance, a solitary beauty from Russia.
The president... Beautiful and mysteriously charming, a girl known by the whole school.
Are they all gonna control my orgasm...?!

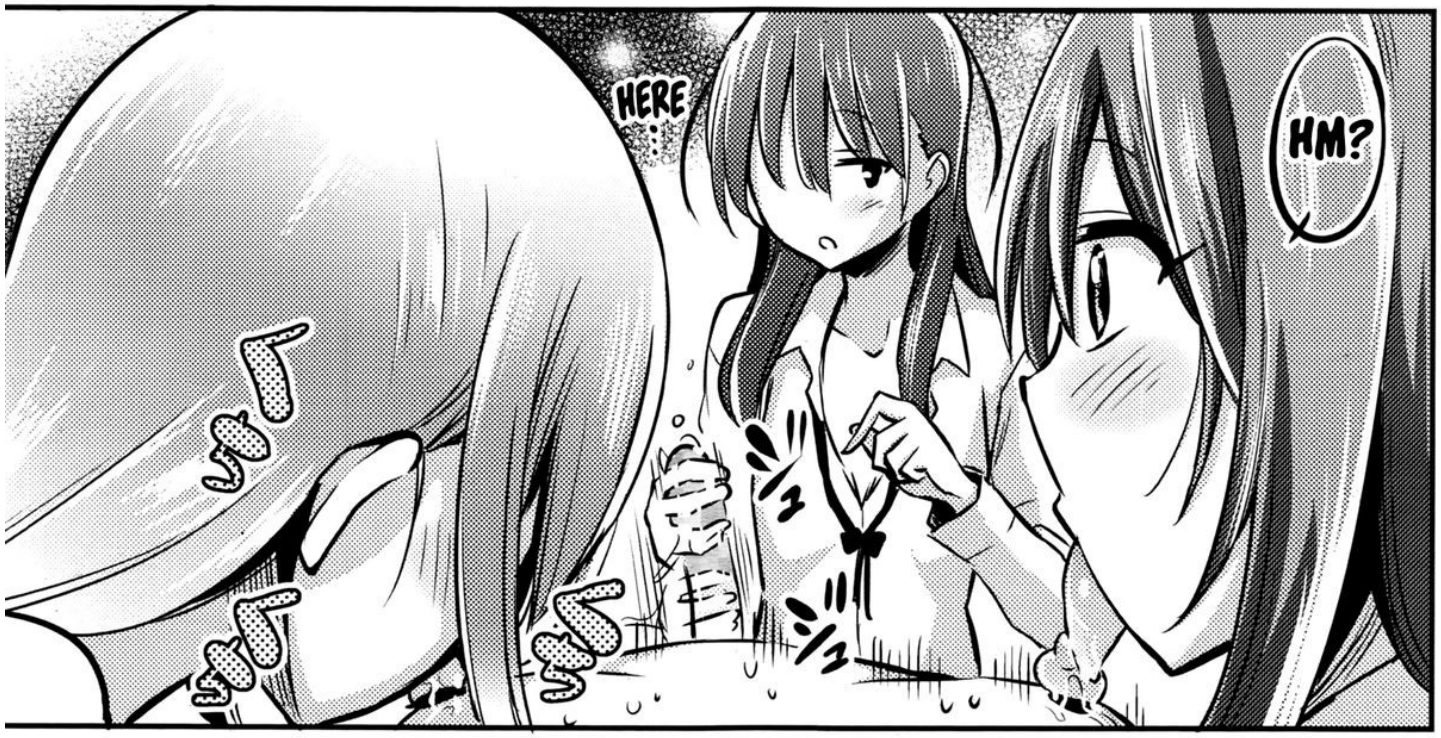

Alright, the goal is to arouse him and make him ejaculate!
We'll stimulate all his senses: sight, hearing, touch.
Just don't use your vaginas because there's a risk of damaging the womb.
What?
Eh?
Uhm... Well...
Ah...
Lips and skin are safe to use though.
C'mon girls, let's start pushing his buttons.
HMM
Ah!

The frustration that comes from the inability to cum will just keep increasing.
His body will drown in pleasure and pain until he finally releases...

What's going on? He's not ejaculating.

...I knew you were a soulless monster! C'mon, let's keep going.

What's with the school swimsuits, anyway? We're gonna get naked right away.
These always arouse men. I've prepared other clothes for later as well.
I've also reserved several of the school facilities for this.
DRAG!
JUST SHUT UP AND GET NASTY, DAMMIT!!
I'M DOING THIS FOR YOU, YOU BUNCH OF INGRATES!!
Haa... Haa...! Where did you f-find mine?
Please take it off, it's embarrassing...

Crap... Well, let's get to it then.
Waaah...
Aaawaa...
I think it's working, you know?
Although I don't think this will be very arousing.
His skin is hot and he's shaking all over... Nice reaction.
Already?

Such an exaggerated reaction... Could this be the first time he's seeing a naked girl?
Yeah, sure! He probably can't handle the sight after only seeing the gorilla.

Uwa Aah!
Uwa aaa Aah!
Sliide...
SNAP!!
Don't look at me!!
Definitely the first time. A day of firsts...
...anyway, we're gonna cover your whoole body in this stuff now.
It's pretty nice, isn't it? It's making it stand so happily!
Hey, S&Monkey! Come and join us!
I think you can manage that embarrassing stuff by yourselves!
Is your substandard brain unable to process memories? You've done plenty of embarrassing things today...

The deadline's fixed, c'mon!
Didn't you say you'd do whatever it takes?
Or is your sense of shame more important?
Fine!
I'm doing it, ok?!
Ha...! Ha...!! I can feel her breasts on m-my back...!!
This is too embar-rassing, so...
Please, come quick...!
I can feel the hard spots inside two seas of softness... Oh god!!

An gh!!
Cum-

It really looked like it, but...
Agh...
Ah...
He didn't ejaculate. Another failure.
Nah...
This didn't work either... There's no end to this...!

NIGHT DUTY

You made such a powerful drink...
HO HO HO...
Hey!! What the hell have you been doing to your underclass-man?!
It's bizarre. It's almost like his body is extremely used to holding it back.
...Oh m-man! I have no idea! What are you talking about?
I can't believe he was unable to ejaculate despite all we did...

You're impossible! Look, I'm even willing to do this!
You should be cumming in seconds!

I've never seen your balls get so swollen... You really want to cum, don't you?
I was always thinking of new ways to prevent you from cumming...
And then this happens...
Ah!
Ah!
I don't even know how to better pleasure you...!
Oh, we've been pleasuring him all day long. A normal man would've literally emptied his balls from all this.
But this won't work! He's way too used to holding back ejaculations! And we don't have time to undo his conditioning...
Holding back, huh...
So it's my fault, after all...

Oh no! He still hasn't shot and it's almost time...!
He keeps shaking... It's like he's cumming nonstop now!
Have I underesti-mated the secondary effects of the drink?!
TIME'S UP!!
This is it... He'll never be able to have kids.

HAA AA...!
HAA AA...!
HAA AA...!
...
Huff.
...it's huge!
RUSTLE!
RUSTLE!
Ah! Hey!
Hm?
Oh
Yeah, I know.
It's no use anymore.
He won't cum even if you fuck him with that...

He's unable to cum, and he'll always be...
I just can't help myself...
He can't shoot to save his life no matter what I do to him...
I can push his libido to the extreme and he won't squirt a single drop of semen!
Doesn't his body just beg and scream to be teased?!
Ou gh!?
Ahn!
ボゴォ
Uu ngh!

But if that's the case, I wanna tease you even harder!
You won't ejaculate ever again!
Hey! Do you get it? You've been castrated!
Then I'll make you feel reeeeally good until it's time to sleep! More pleasure with no release!
We'll have dinner together, take a bath together, go to bed together...!
Then, when I'm back from work, you'll greet me at the door by stroking your useless dick really hard!
You'll stay put at home and wait for me to get back while doing the housework!
We're gonna live together and I'll take care of you! No other woman would ever want a broken man, right?!
We'll do that over and over again every single day, y'know? And every month and every year! I'm gonna make you go mad, are you ok with that? It'll be forever... Can we?
Kiss...
Yes... That would be perfect, Sakura...

...Thank you for all you did for me yesterday!
I'm sorry, though... I can't remember a thing.
All's well that ends well!
Make sure you also thank the other two when you see them.
Um... Sakura? Can I ask you just...
...one thing?
Hm?
"We're gonna live together."
TUTUM...!!
Did you really mean it...?
D-did you r-remember?
TUM!
TUM!
TUM!
Just that, s-somehow...
And stuff like "you'll wait home while doing housework",
カーッ
or "we'll take baths and go to bed together"...
FORGET IIIIIIIT!!
AA AAA ARGH !!
CRUNCH!!!
