キャラクター紹介

■ This is a sequel to "Secret Yuri Salon", but it's okay to read it as a standalone story.

Kamiya Kurumi

Main Character, college student. She's worried about her lack of feminine charm, but ever since her friend introduced her to the salon, she's changed...

Machida Tsukino

The beautiful esthetician. Manages a private salon in an alley within the more fashionable parts of the city. Helping girls become more beautiful is her passion. However, her "methods" are quite... unorthodox.

Kayama Moeka

Kurumi's college friend and the one who introduced her to Tsukino's salon. She's with Tsukino right now, but she's starting to show interest in Kurumi...

■ Foreword

This is Yuri Salon 2. I planned on just one, but the story got too long, so I split it into two. This one will wrap things up.

The plot was just "getting sexy service from a bewitching woman in a salon", so don't worry if you haven't read the first book beforehand.

"Salon yuri's such an obvious thing, but I've never drawn it before. Let's do it!" That's how this story came about. Last time, I was wondering whether this could be considered yuri. "Isn't this a crime?" (Yes, it is). I was scared about what reactions it'd get, but surprisingly nobody made a fuss, so I was able to write a sequel without worry. Thanks for your support.

Now, I hope you enjoy reading it.

Her first massage was like a dream, but she didn't know it had lit the embers of passion within her...
What will you do, Kurumi?! (Perv face)

Before entering college, I was gloomy and unfashionable. I just hated myself.

I went around trying to become stylish, but was too nervous to go into the stores.
