Being in my thirties, I am reluctant to rummage through porn magazines in front of women.

Ah, I see her ass!

Did I just saw her ass...?

Huh? What kind of a woman goes through a bookshelf and totally exposes her crack, which is so unladylike?

Is...
that
so?

I've changed.
Like,
ages ago.

I told you,
I'm not a
high-school
girl anymore.

Hm?
Let's see...

That reminds me,
we haven't talked
in years,
have we?

Every morning
I see you
going out.

Mumble...

?

She really
became
an adult,
didn't she...?

Recently
I came to
appreciate
a taste
of beer

But you
know...

Hey,
let's
drink
together.

W-W-
WHY
DID
YOU
GO IN?!

You
little...

And I
prefer
drinking
with
somebody.

I prefer
drinking
alone.

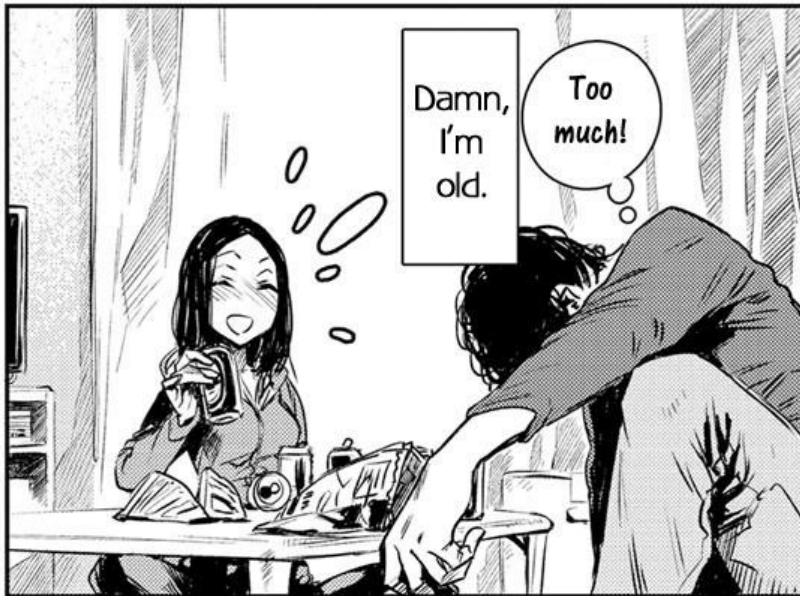

Oh

Looks
crappy,
you
don't
clean
it?

You can't just
barge into
a man's
apartment...

Mumble...
Mumble...

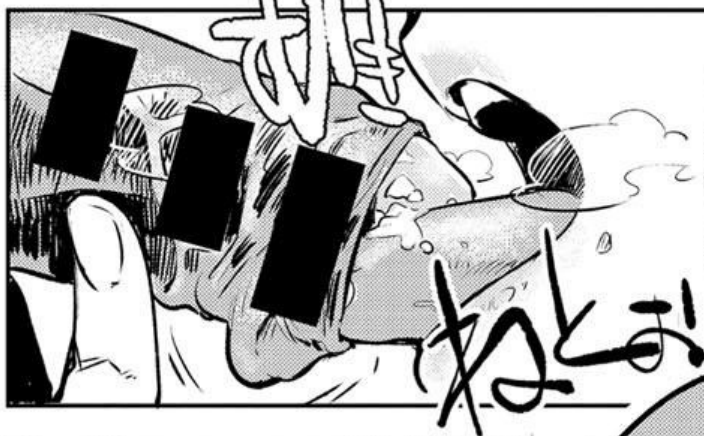

Get a clue,
you're not
a kid
anymore.

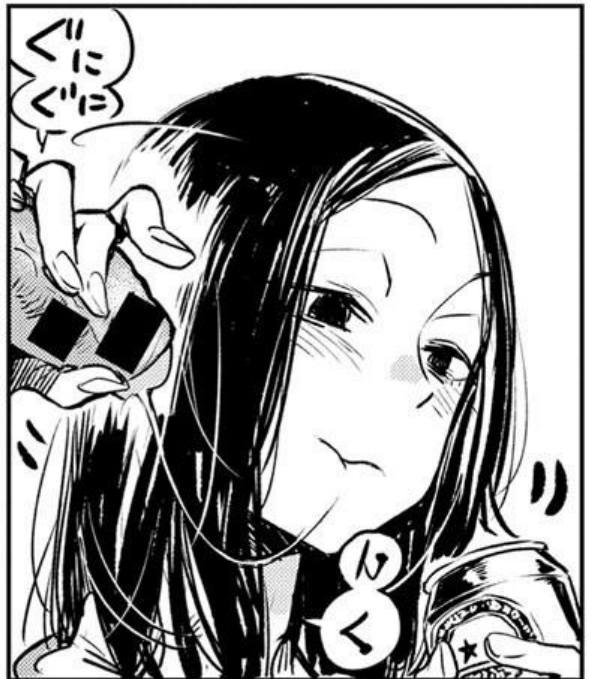

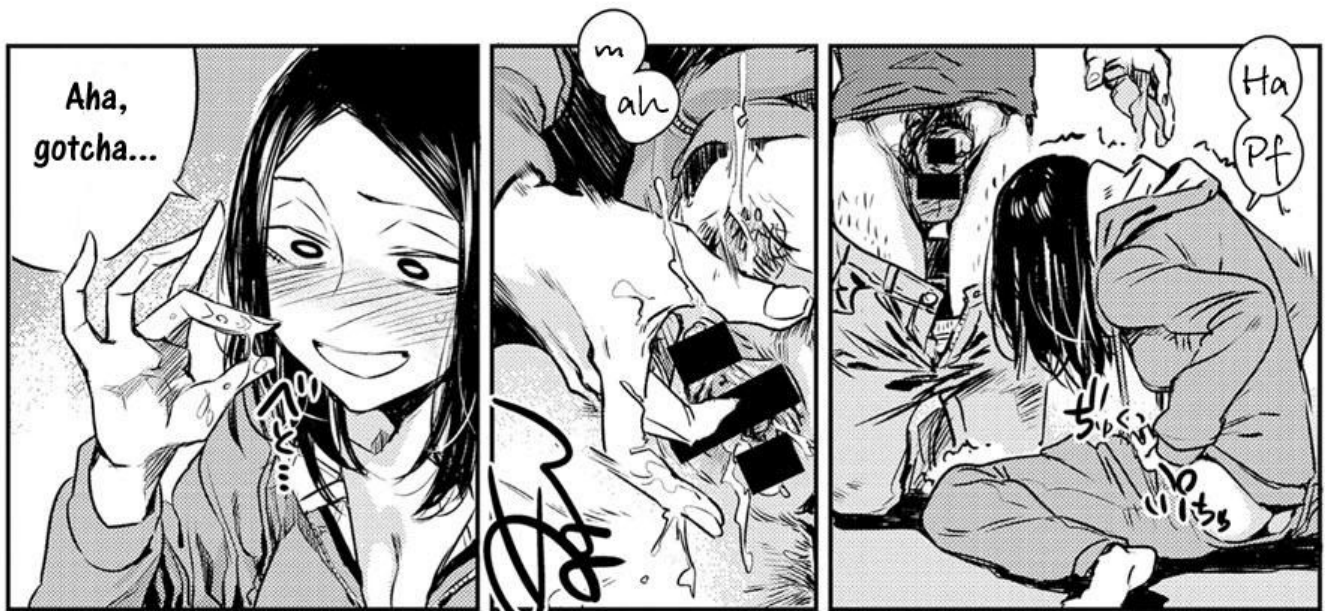

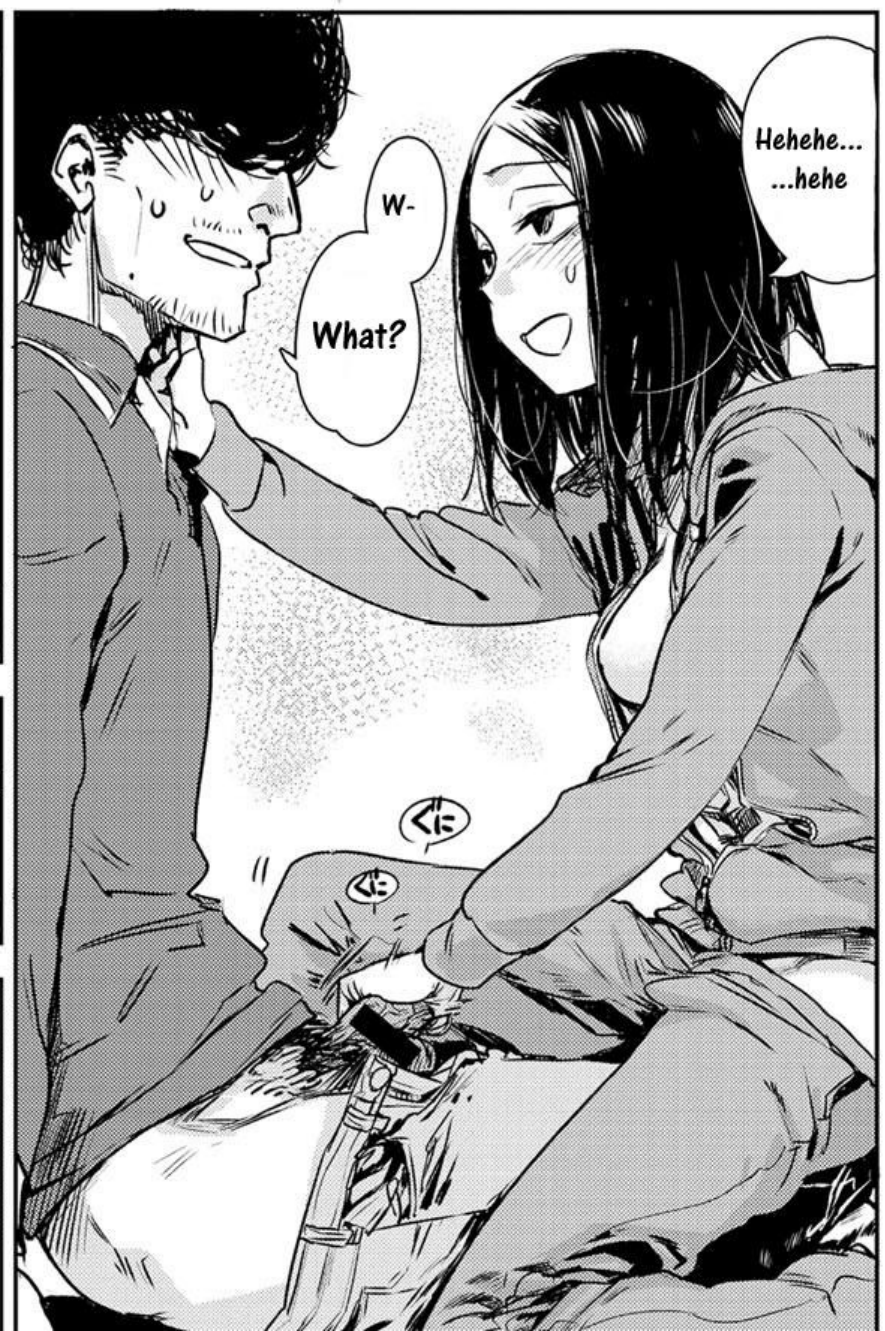

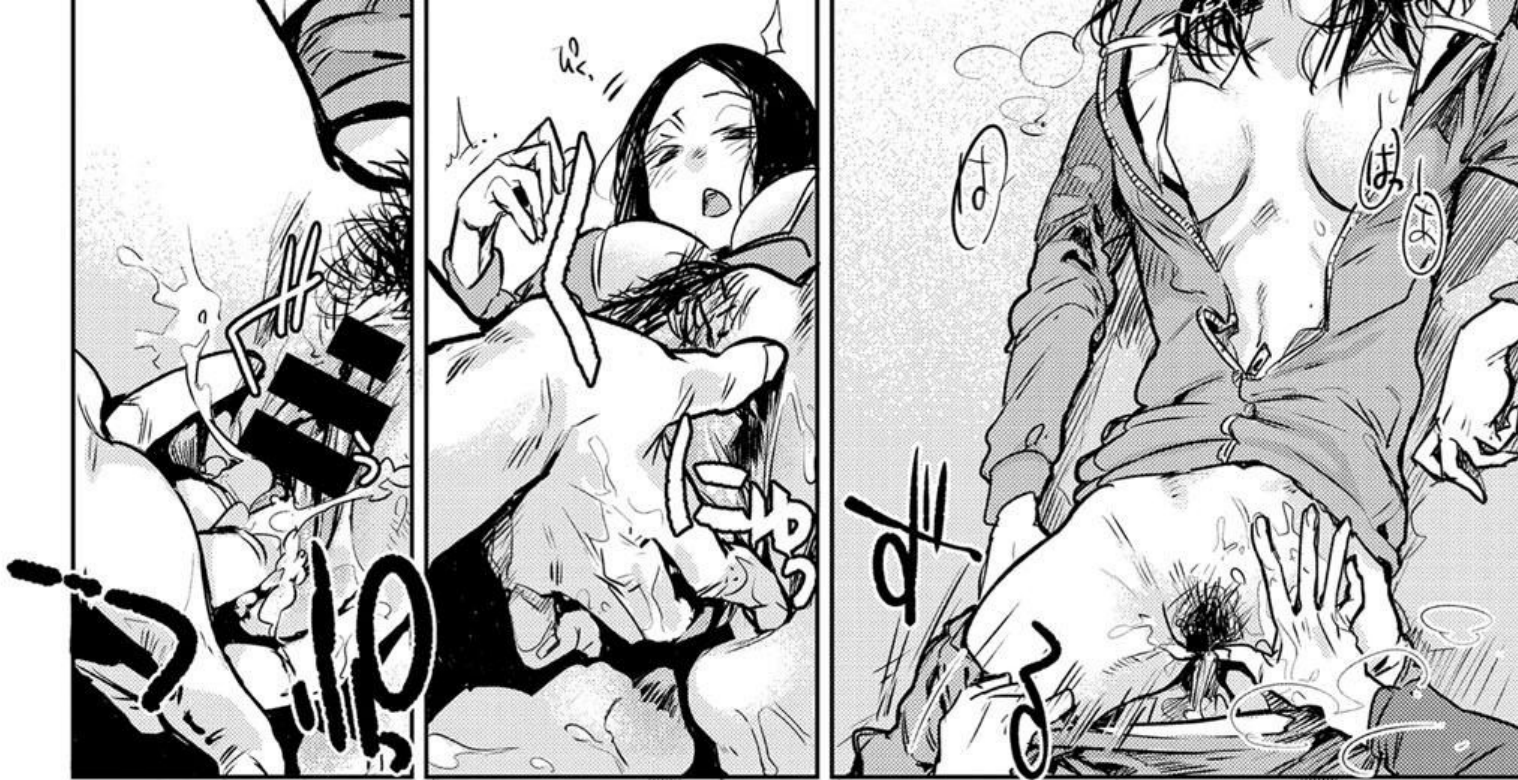

You're
soaking,
right?!
You want it,
dammit!

Yeah?!

You
really did,
that's
expected.

No way...

Ha...

Ha...

A!

You're making a very nice face!

You were

the start!
