

"IF A LIE IS NOT TOLD, IT CANNOT BECOME YURI"
OMAKE MANGA.

This is a story from before I confessed to Saika for real.

To prepare for the time when I got a boyfriend, it was decided that Saika would teach me the trick of having vaginal orgasms.

I was made to cum again and again, but...

Ahh!

It's no good!

I'm cumming!

Haa

Ha

Fuahhhh!

Crunch
Crunch
Crunch

It seemed like Saika didn't have any special feelings for me.

Wew..

Haa

Haa

You can have confidence in yourself.

Now you'll be fine whenever you get a new boyfriend.

You've really gotten the hang of it, huh?

And whose fault do you think it was that all those fluids came out?

And just whose fluids do you think they're swollen with?

Eh, really? Let me see.

Wow...

Your fingers look like an old woman's!

いぢぢ
いぢぢ

My fingers are all swollen and wrinkly.

Aah

But from the start I've liked boys

Surely tomorrow I'll be able to forget about her.

'K.

Hey, our time is gonna be up soon.
So let's get ready to head back.

You look cute.
That ponytail suits you.

Let's shower together.
I'll wash you.

I wear my hair in a ponytail during gym class.

I know.

しゅー

Goodbye breasts...

Uhn

Aaa, this is the last time I'll suck on a girl's breasts, huh?

After this I won't ever try to make you have sex with me again.

Setting boundaries is important in this kind of relationship. Once we leave this hotel, we'll go back to being just classmates...

Wait a minute!

Ah!

Well then, shall we go?

No, it's OK.

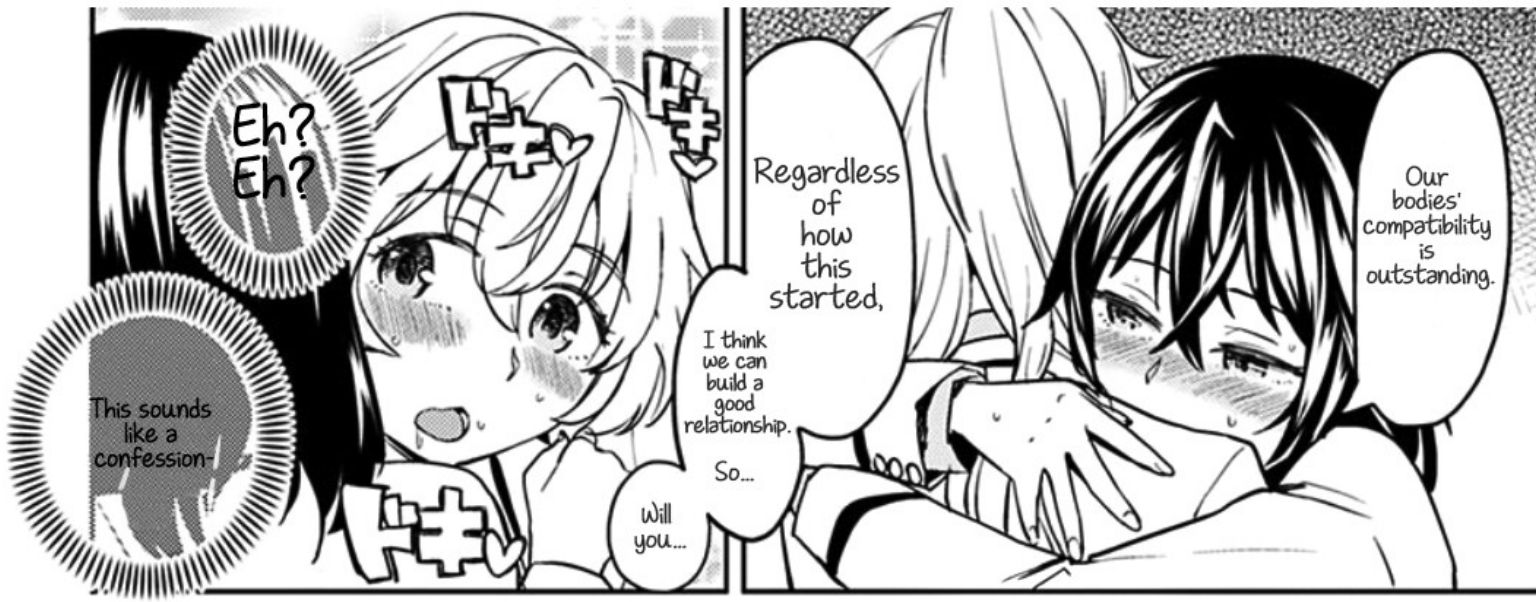

Did you forget anything?

I did forget something!

Eh?
Eh?

Regardless
of
how
this
started,

Our
bodies'
compatibility
is
outstanding.

I think
we can
build a
good
relationship.

So...

Will
you...

This sounds
like a
confession-

become
fuck
buddies
with
m-

NO WAY

ABSOL-
-UTELY
NOT!!!

Better
than
becoming
fuck
buddies.

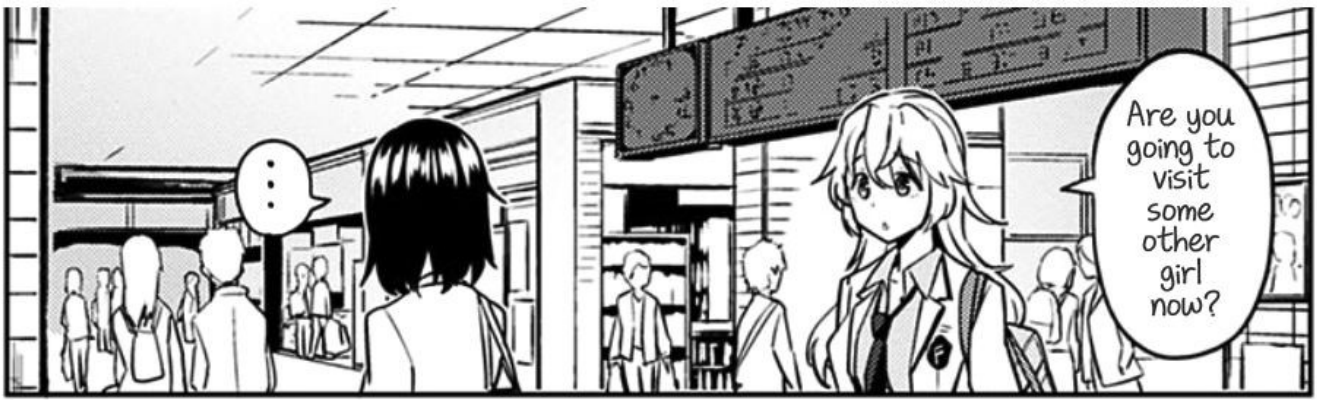

With that,
we walked
out the
door and
returned
to being
just
classmates.

We're
leaving!

It's not
like I'm
a lesbian
or anything!

It's fine,
it's fine.

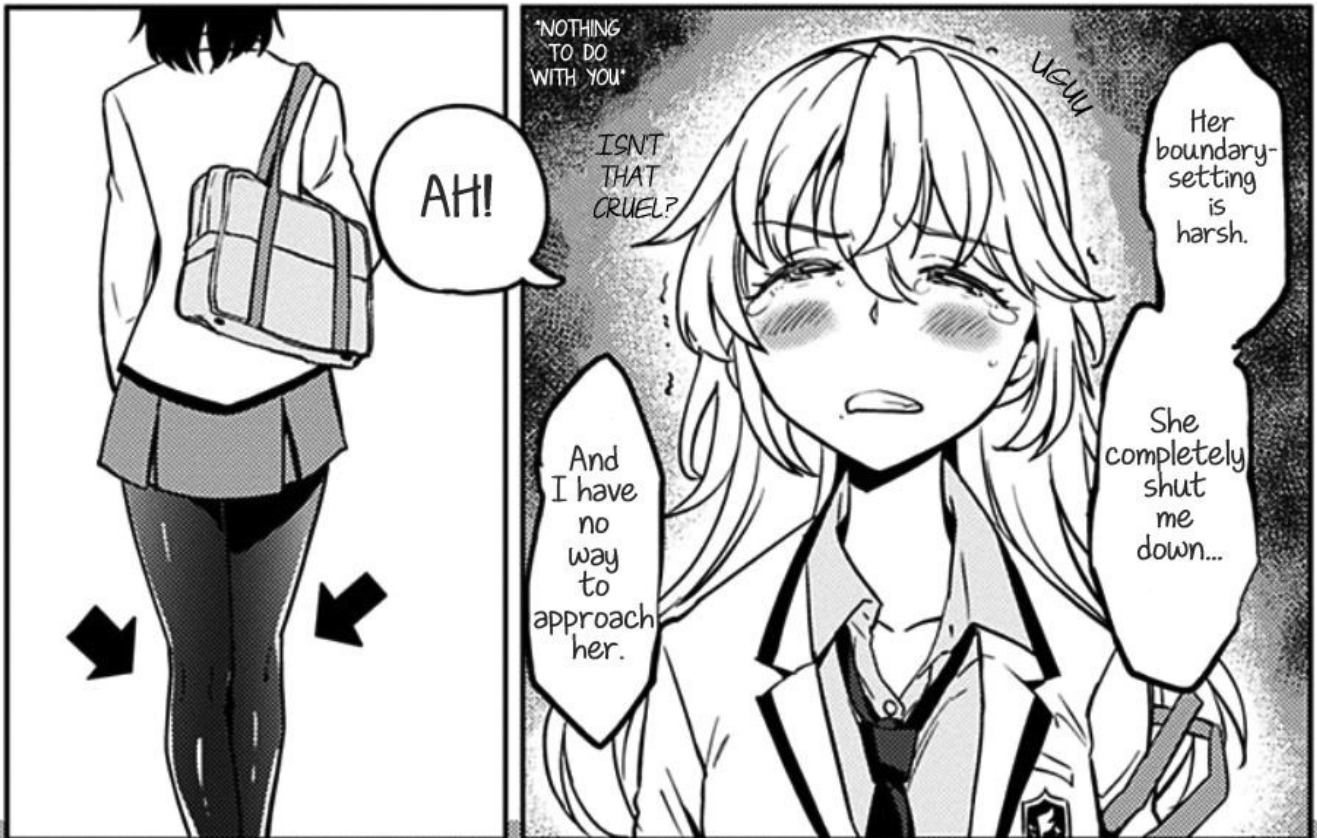

Are you going to visit some other girl now?

Goodbye.

That kind of thing doesn't have anything to do with you anymore.

AH!

NOTHING TO DO WITH YOU!

ISNT THAT CRUEL?

And I have no way to approach her.

Ugh!

Her boundary-setting is harsh.

She completely shut me down...

Uhehe!!!

What should I do?

Once we're there...

THE END!

Then, I'll summon her behind the gymnasium.

Using that as an excuse, I'll start a conversation.

That's right! I didn't pay her back for the stockings!
