

Oh.

You should show her your face once in a while.

Mother.

Hmm.

Well, never mind I guess.

I'll do it when I get back home.

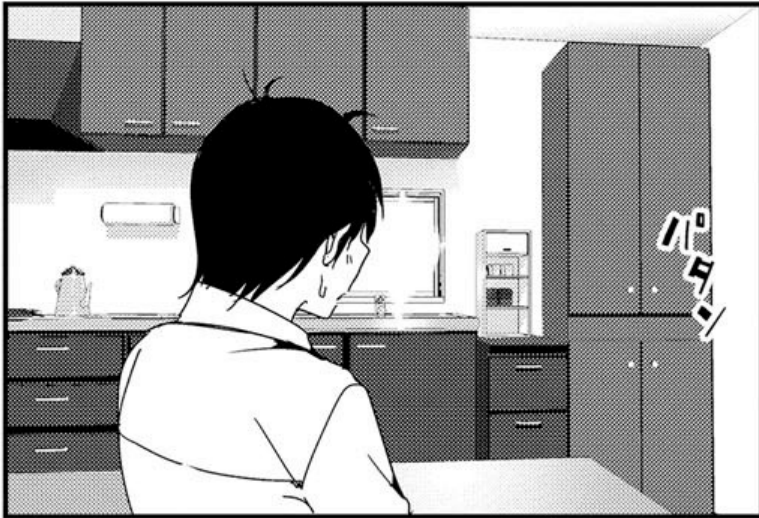

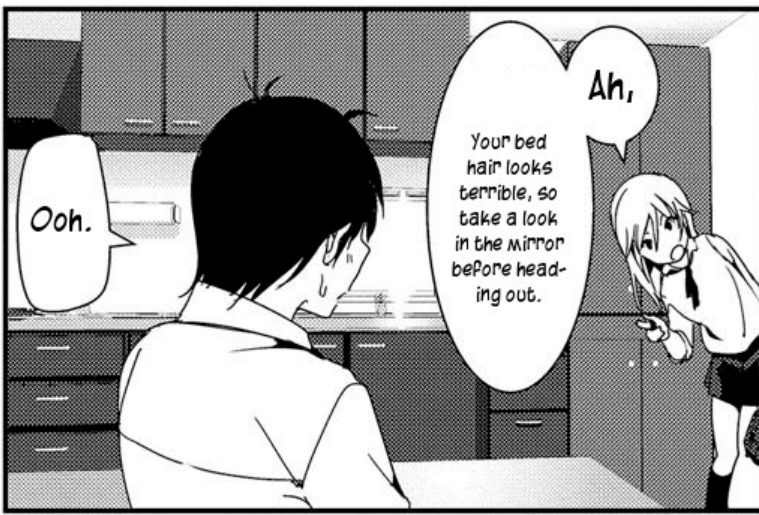

Well, if I can take a day off...

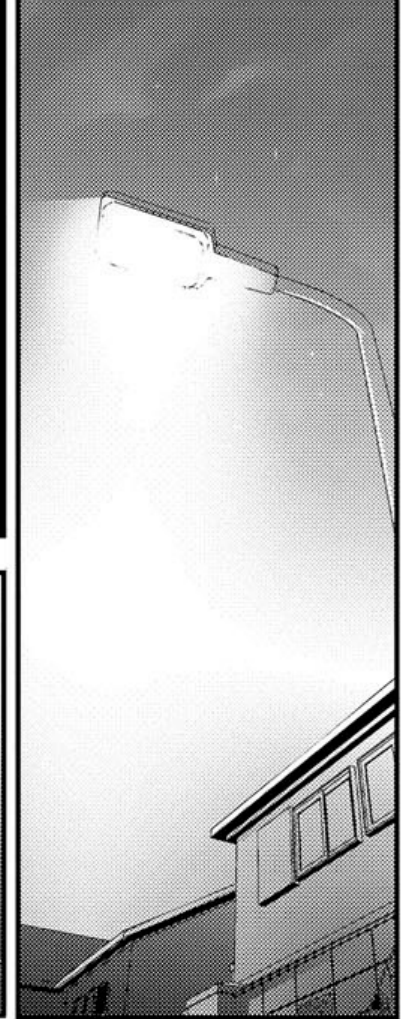

At the least call her.

...

When you get back home, she'll be past asleep, won't she?

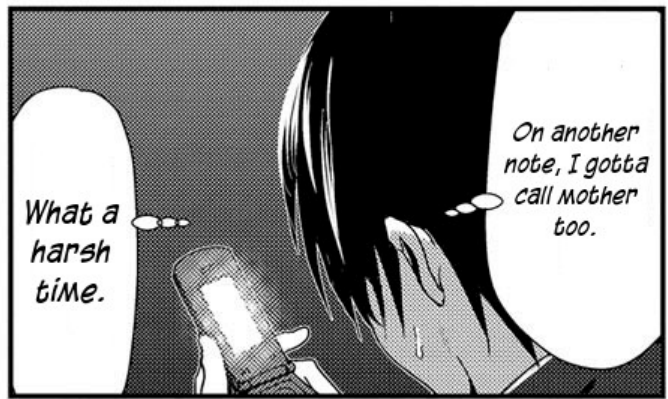

Next week's briefing session's data needs to be prepared.

I gotta head out early tomorrow.

These days we can't even have proper conversations.

She told me to take good care of sis.

What a harsh time.

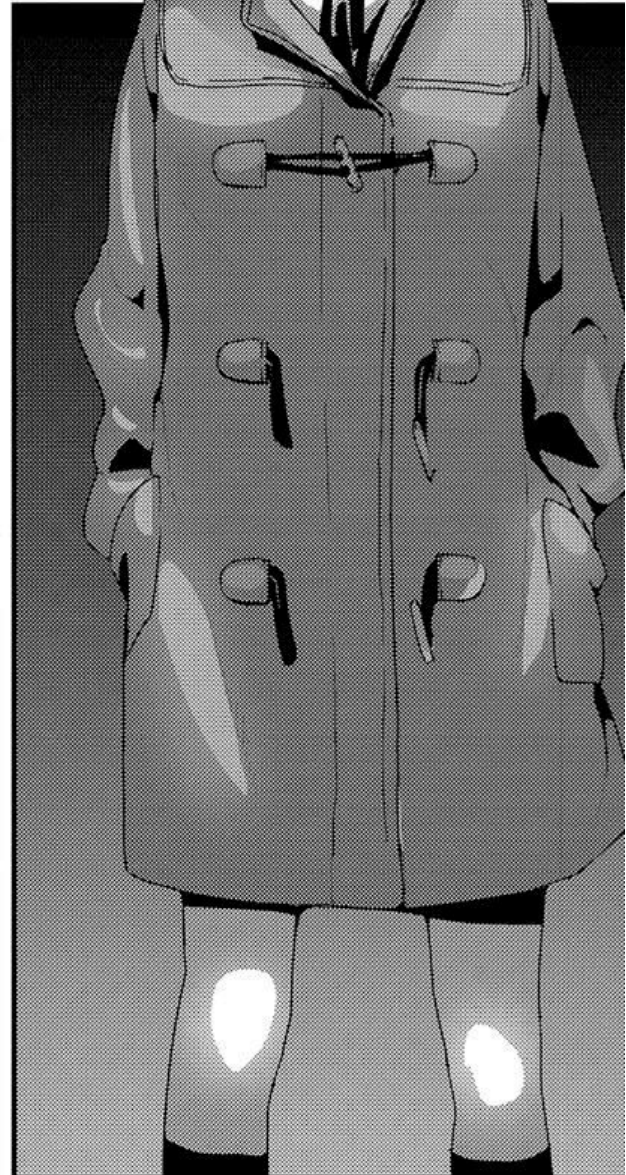

On another note, I gotta call mother too.

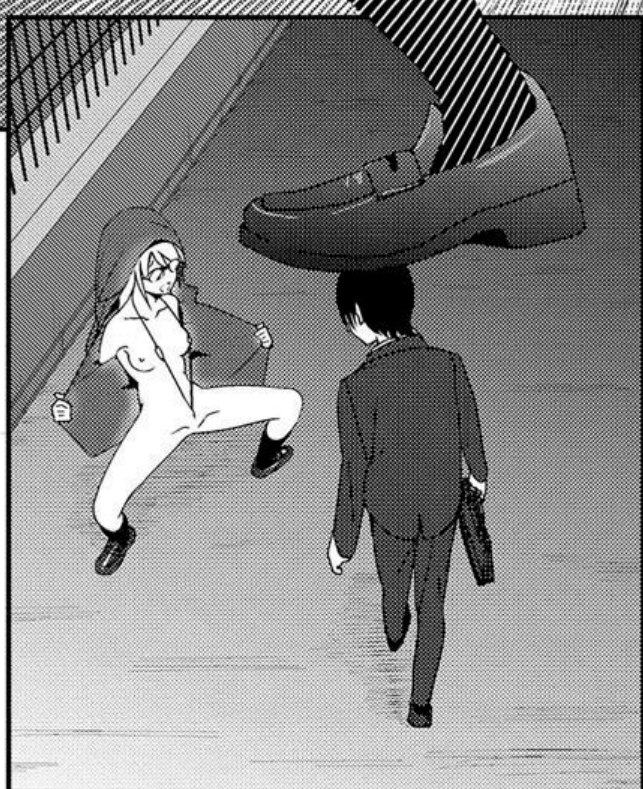

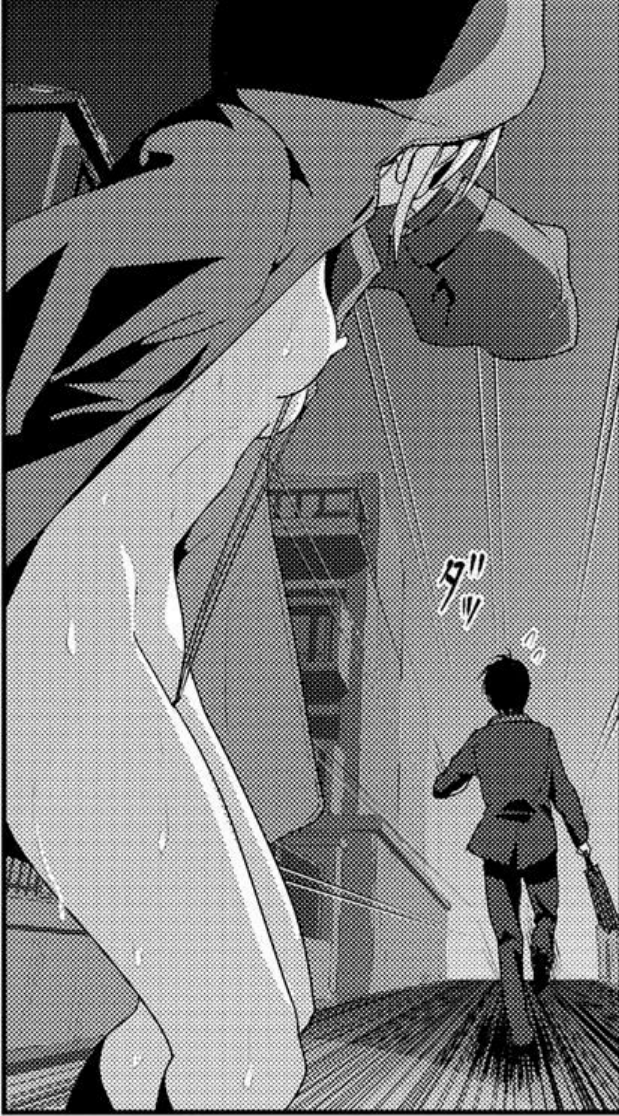

So bothersome.

...

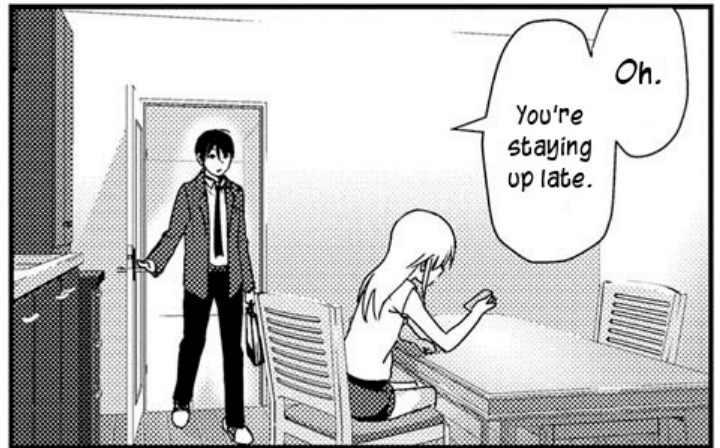

Doing that sort of stuff... I really don't get it.

It was really dark, so I couldn't get a good look...

Oh.
You're staying up late.

It's all right. I'll take a shower and go to sleep.

What about the meal?

I see.
Thanks.

There's milk in the refrigerator now.

I'm going to sleep.

It's all right,
I used to play
all the time
with her in
the past.

It's
probably
some club
activity
thing...

I gotta
listen care-
fully.

Is this
about
some
errand?

What's
wrong?

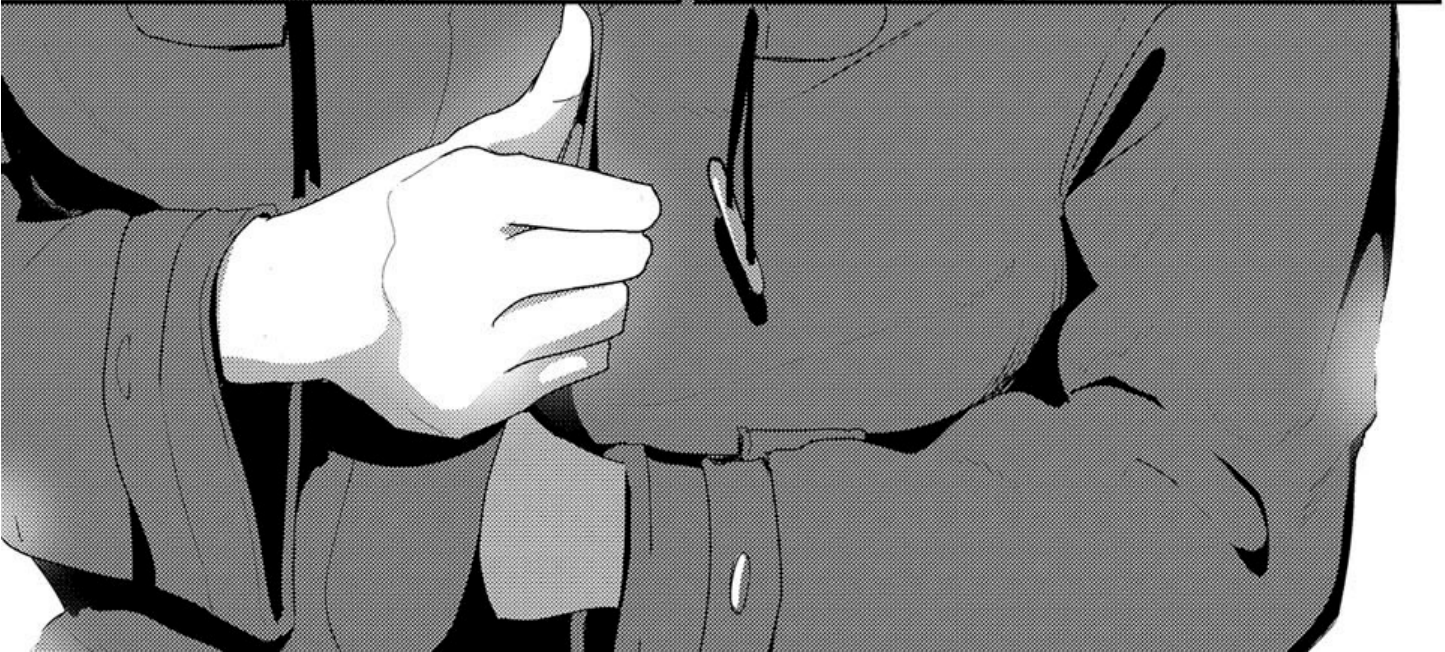

What's
wrong?
Sit down.

...

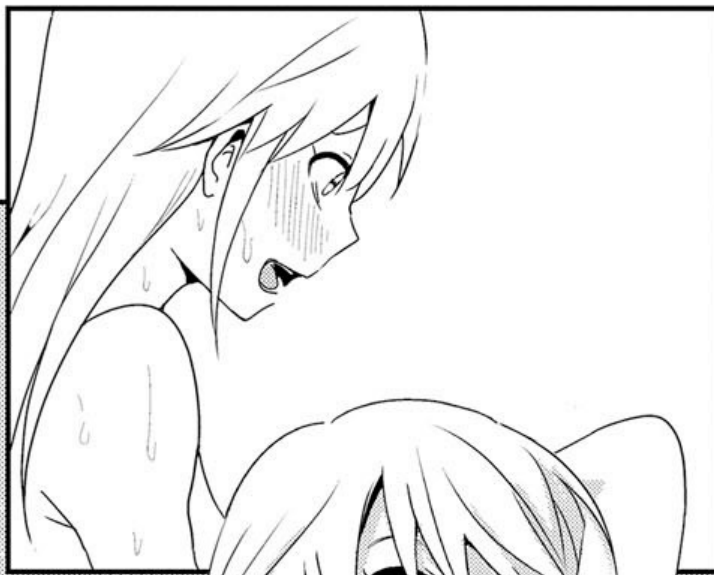

A coat?

Is it
that cold
in here?

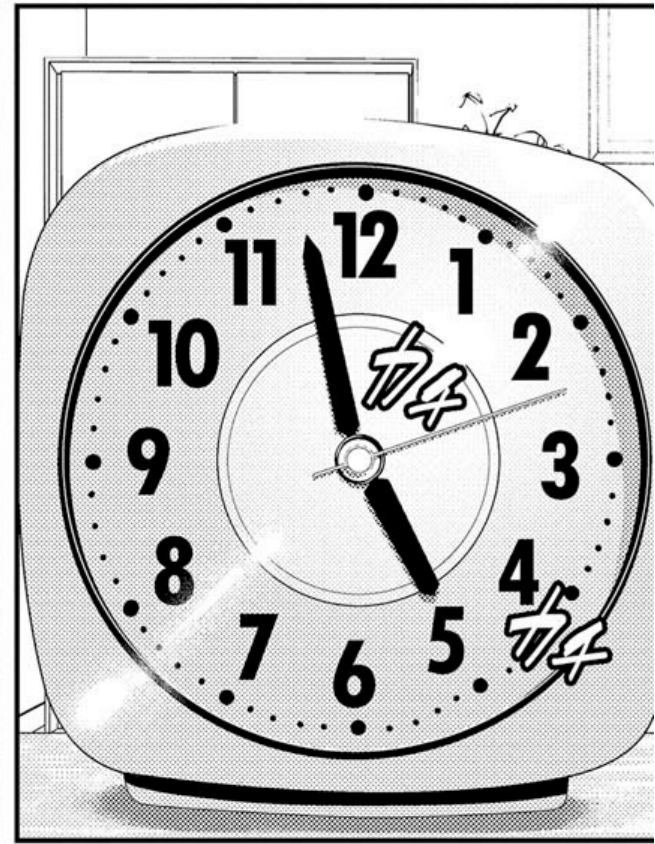

**DID YOU
EVER SHOW
THAT TO
ANYONE!?**

**ANY-
ONE
...**
