

They couldn't tell from where, but suddenly they heard it...

In the childrens' room of the house they moved into, a whispering voice could be heard.

opened like BAM!

Inside, there was a severed head dripping blood.

The drawer

He was waiting in the vacant room we always do it in, and yet he says something like "Ah, Tomomi-chan"

So transparent.

...You were staring at my boobs the whole time.

Ah, Tomomi-chan.

When we're alone, you can just call me Tomo...

You're going to do it today as well... right?

Shut

Hmmm...

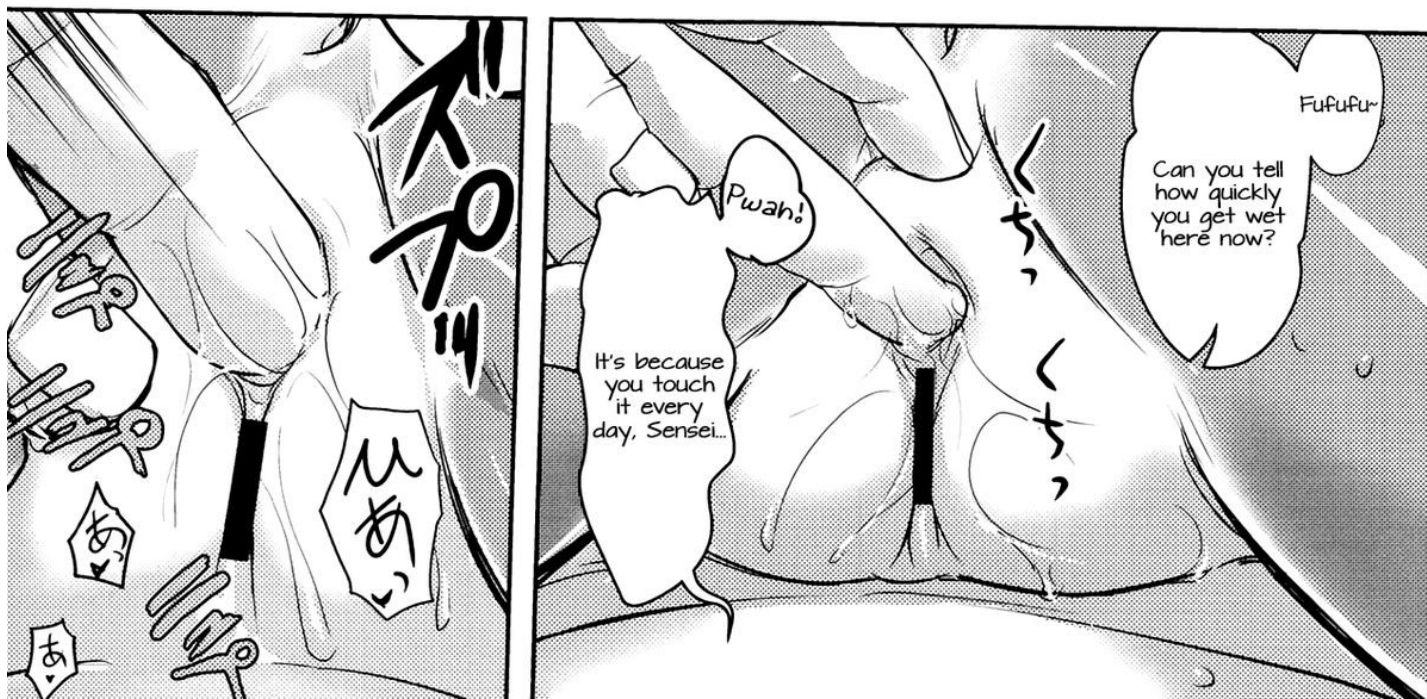

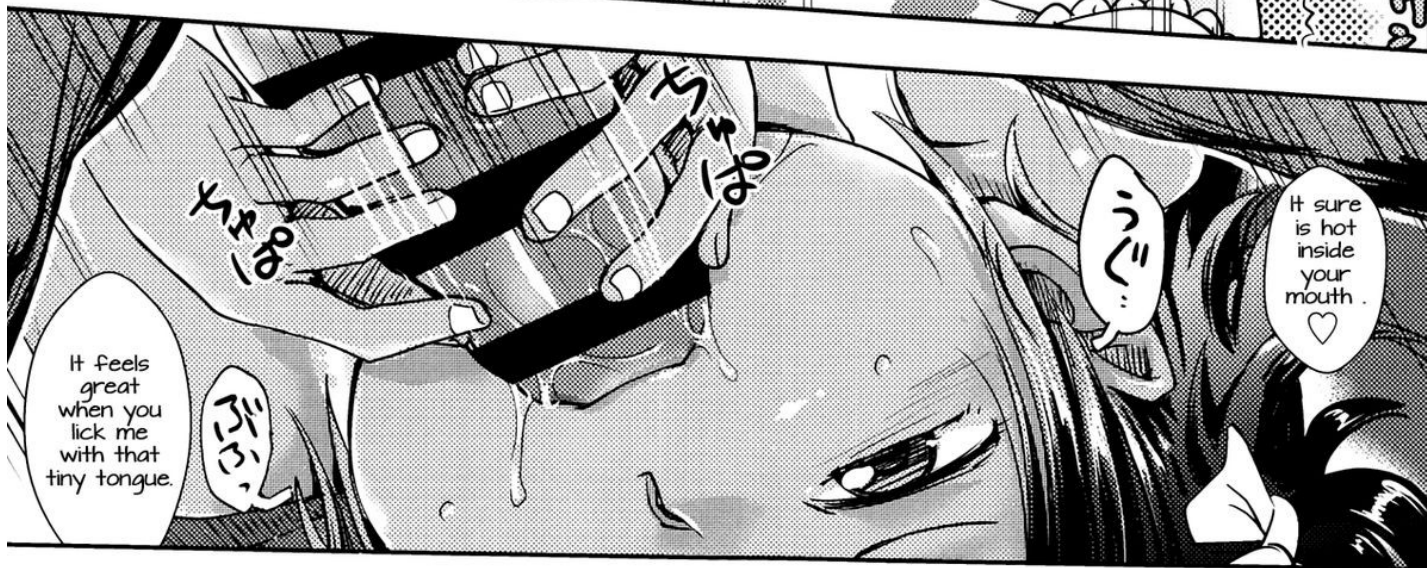

I was foolish enough to fall in love and let him have sex with me because he was kind and tutored me, but...

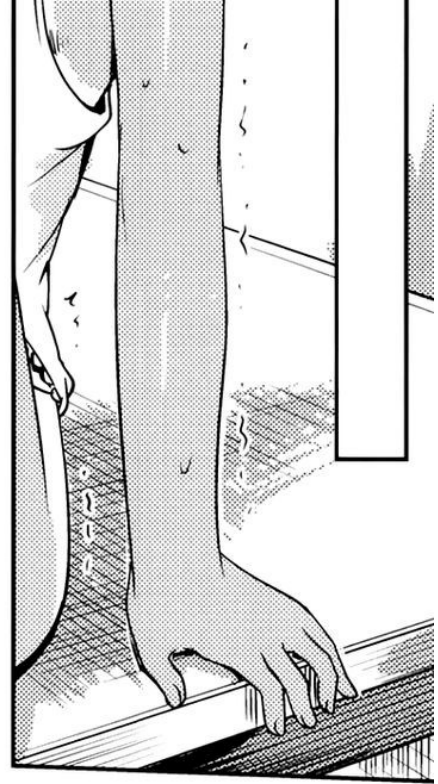

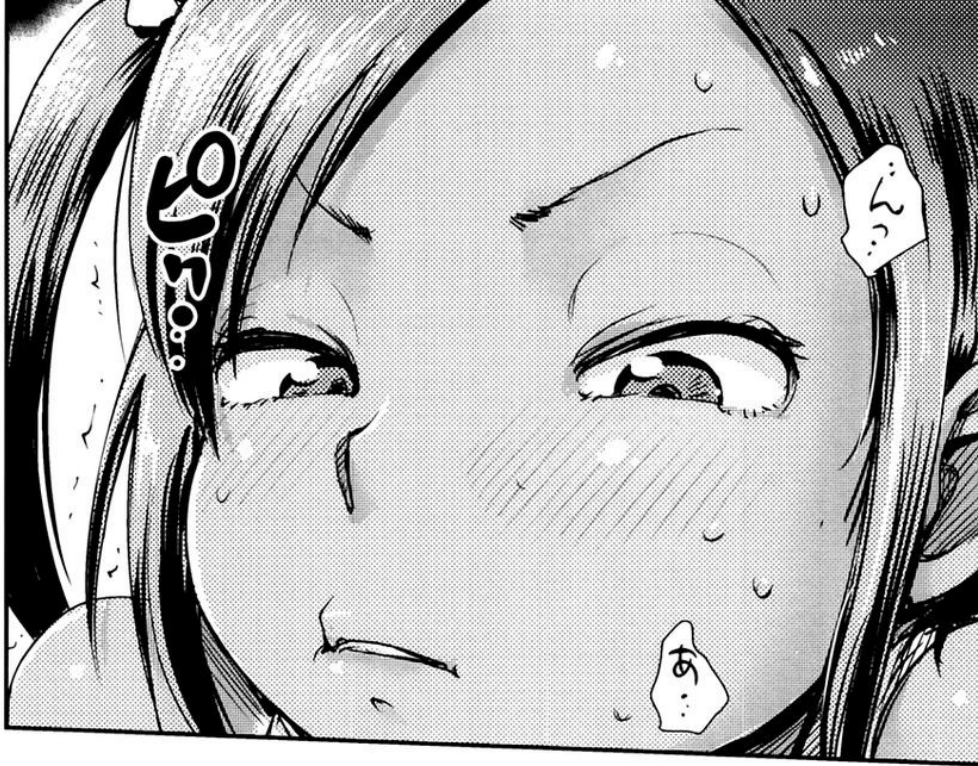

Maybe it was a little too soon for sex~

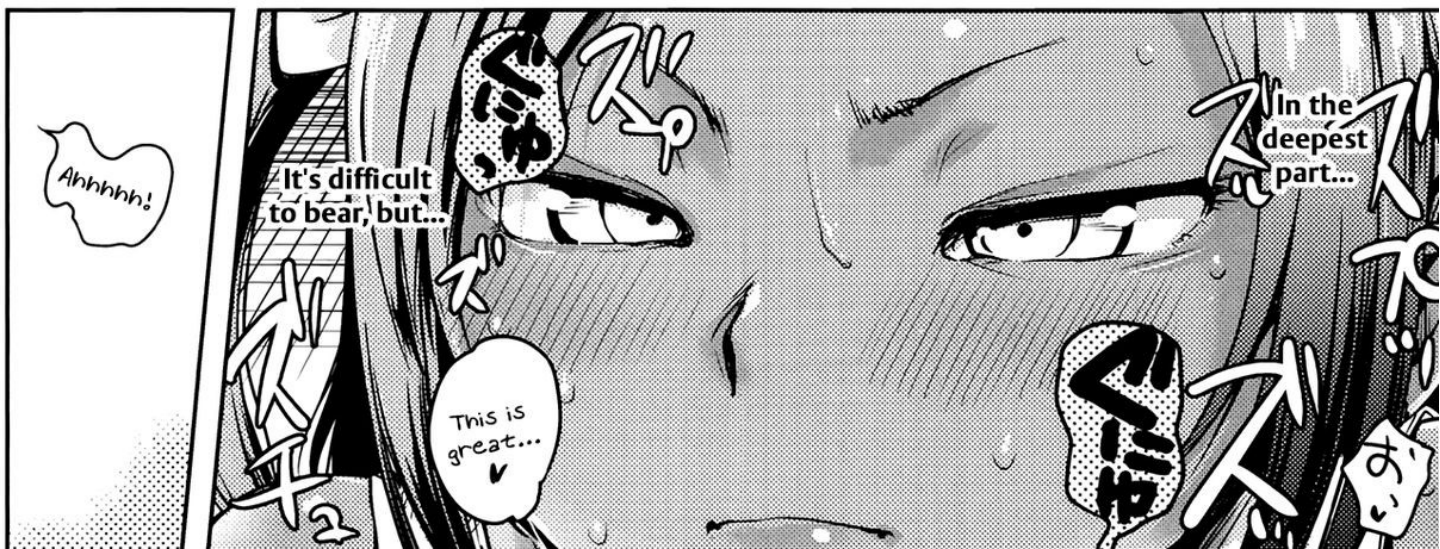

What's more, he's a little perverted.
