We went ahead and compiled the original MangErotica comic books in a book format. If you have missed any of these titles, this your chance to catch up on some of the finest erotic reading from Japan available in America today... and in a handsome bookshelf-friendly format, and at a cheaper price than when they were first offered, to boot!

Silky Whip Extreme

An epic tale of taboo love and sex between a sweet young girl and a gigantic cyborg that is the earthly equivalent of the doomsayer known only as... "The Grim Reaper." This volume binds all 7 of the original issues into one volume, complete with the full color covers.

Co-ed Sexxtasy Vol. 2

Nagi is a college student who just can't say no to her perverted new boyfriend. Watch as this gorgeous girl goes from shy reticent virgin to insatiable sex maniac. Volume 2 binds issues #8-14 of the original series into one volume, along with full color covers.

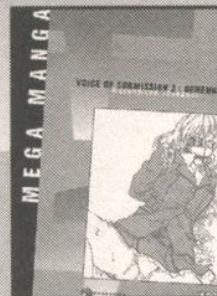

220 pages — \$16.95 + \$2.00 postage.

Were-Slut

What is about these titles with the word SLUT in them? A touching story of a homely girl who is given a "magic beauty pill" and turns into the legendary "were-slut." Along with her insatiable sexual appetite, she can actually help people with their personal sex problems. A must read! Binds all 8 issues into one volume (including the sold-out #3!), along with the original full-color covers.

As it turns out he, too, has his own lusts and sexual depravities to deal with, but in the end... it is up to him to save the world!
