

It's dangerous for someone as cute as you to be out this late.

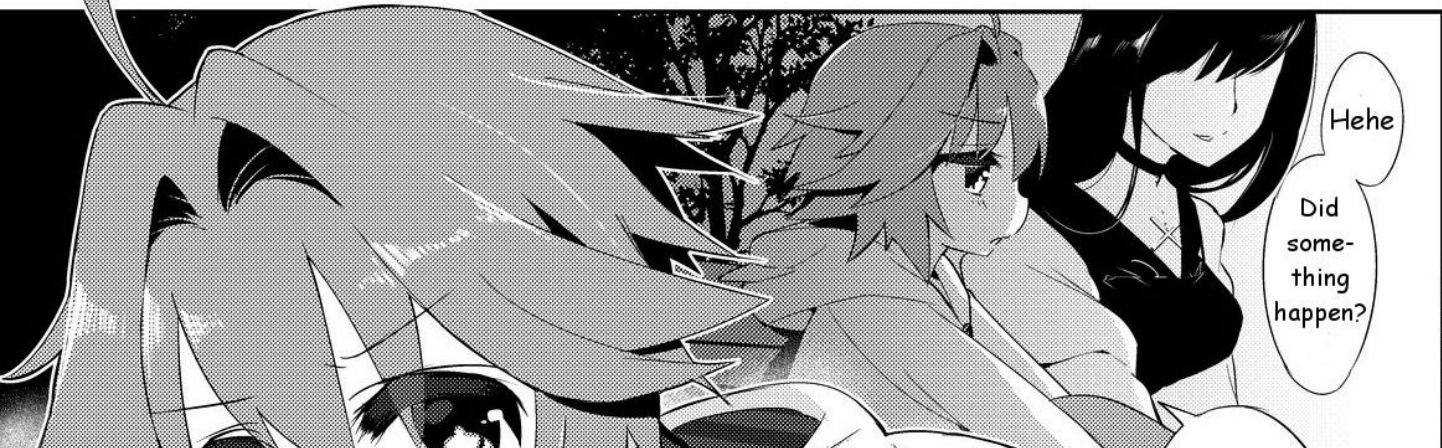

You there, are you all alone?

I'm a boy after all...

Please don't call me cute

Hehe

Did something happen?

I don't want to go home....

All I have waiting for me at home are Nii's lectures about how I should be studying more. I've had enough.

Well...
He's been getting really good grades at the top high school in the prefecture and all...

Oh my...
Is your Onii-san an upstanding student of sorts?

Then why don't you steal it all away from him?

If that's the case

Try wearing this around your neck later.

Here, I'll give this to you.

Um, miss? What are you saying?

I have a way to do that

It's so... hot...!

M-my body...

You are Ryouji... right? What in the world is that you're wearing?

Ryouji, you home now?
Where were you fooling around this late at night? C'mon, open up.

Did this brat really become a girl?

I don't have any idea what happened either...

Even so...

Those horns and that tail...

I wonder what this could mean.

My head... I feel so dizzy all of a sudden...

And what's with this scent in the room?

Do you have any ideas how to turn me back to normal?

Hey... Nii-san what do I do about this?

Hold on... Nii-san what's the matter?

Hey... Answer me would you?

What do you think you're doing?!

Nii-san...?

CUT IT OUT!!!

Hey-! OUCH!!!

What a dream that was...

You mean that girlish form of yours wasn't a dream...?

On top of that you seem bigger...

It can't be... Ryouji?!

!?

Ah, Nii-san are you awake now?

What the-?! Why do I look like a little brat now?

Huh...?

I didn't just get bigger either. Take a look yourself.

The mirror...

Just what are you...

All I did was absorb some of Nii-san's energy.

It's thanks to your power that I was able to become like this.

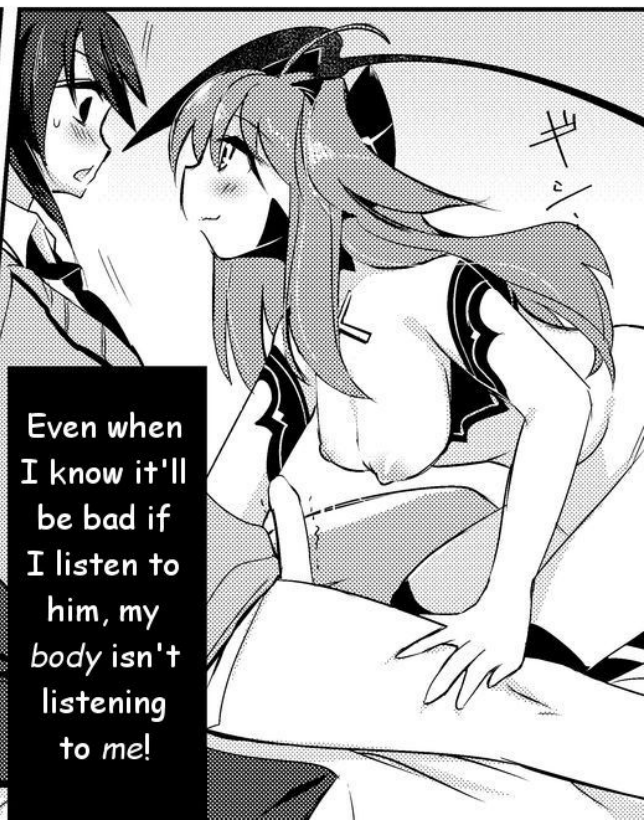

Look me in the eyes.

Hey~ Nii-san

Even though I came so much earlier my dick is already hard again...

Oh~ It looks so delicious!~ ♡

Even when I know it'll be bad if I listen to him, my body isn't listening to me!

Just what do you think you're...?

You see, it appears that I became a *succubus*, an erotic witch of sorts.

All of Nii-san's energy~

Give me more~

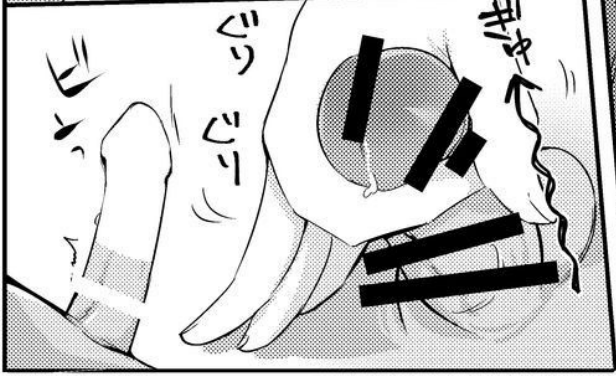

This can't be...

It's become a little bit smaller because you're younger now huh?

But y'know? It still looks oh so delicious!

Time to dig in~!

Like I said you're wrong!

No! You're wro-!

Jeez, Shu-kun. Where do you think you're looking?

SHIT

Something is shooting out of my penis!!!!

Ugh

Ugh

Uugh

Stop

Stop

Damn it!

It looks like I won't grow any more than this

Aw, too bad.

Turn me back to normal right now!

I don't wanna be cute!

Ehhh? But Shu-kun is cute like this.

Shu-kun is a little boy now.

That's right huh?

I'm not a little kid, I'm your Onii-chan damnit!

I think I can return about 3 years worth of growth in fact.

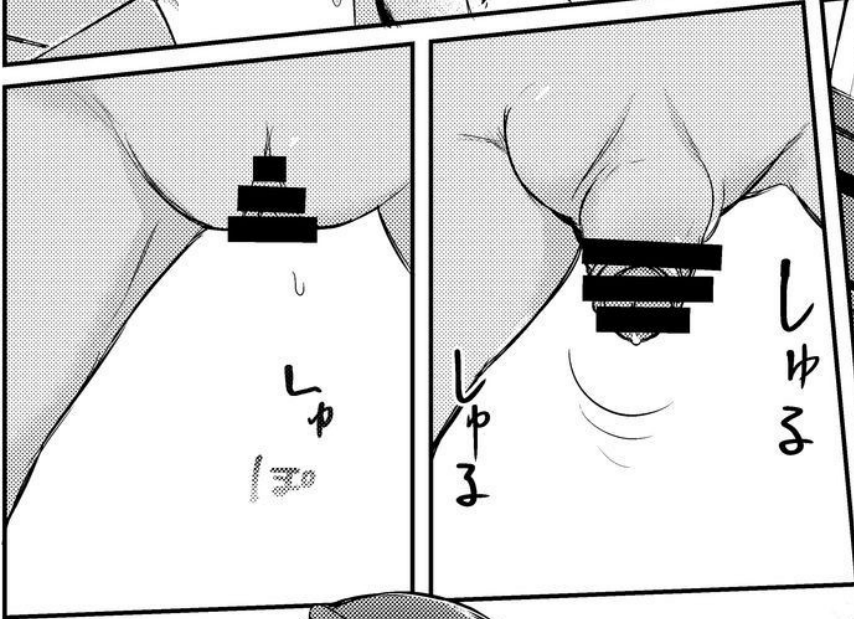

That's right

Eh? Really?

En-ner-jii...?

Buuut, I can give you back some of the energy I took from you.

And the kin of a succubus should also be a succubus right?

That's because I'm a **female succubus** of course.

Why did I turn into a girl now?!

That's right. I've already decided on Shu-kun's new name. How does Lili-chan sound?

Now that's certainly not a very cute way of talking now is it?.

Turn me back to a man this instant!

D-Don't screw with me!

Dammit! I'm even starting to speak like a girl and I can't stop!

Stop it Onee-chan! Lily's name isn't Lily! It's Lily and you know it!

Huh? Why did I call myself Lily?

I wouldn't mind nurturing a little girl from the very beginning.

If you keep acting so selfishly I'll turn you back into a baby

I won't let you say such selfish things

Lili-chan.

♪

Nooooo!!!
Turn
Lili back
to
normal!!!

From now on I'm the Onee-chan and Lili-chan in my little sister. Let's get along together as sisters ok?

Gender bender is one of my favorite genres so it pains me inside to see so many good ones left untranslated. The Japanese in this manga was pretty simple so I decided to give scanlating a shot. This was my first time doing so so go easy on me?

I'd love to do some of Labui's works since his stories are pretty entertaining but the Japanese in them is much more complicated. If I found someone to either do the translation or typesetting for a story then I'd be willing to try to pick up the other end.

Hope you enjoyed the manga!
