BUDI'S TALE IN CABULMESUM JR. HIGH

EXPOSURE 02

PREVIOUSLY ON RCV3.3:

At school, Ms. Febi demonstrated a device that could transport dirty clothes to their cleaning area.

However, Budi used it to strip others naked instead.

It made Ms. Febi mad and Budi ran away with the device.

Unfortunately, when Budi was attempting to use it at Desi, an accident happened...

Everyone at school was stripped naked and madness ensues!

AAA AARGH!

KYAA

Due to a single mistake

a tool that was created to be useful, now became a disaster

KYAA KYAA

Cabulmesum Jr. High was meant to be a place for education,

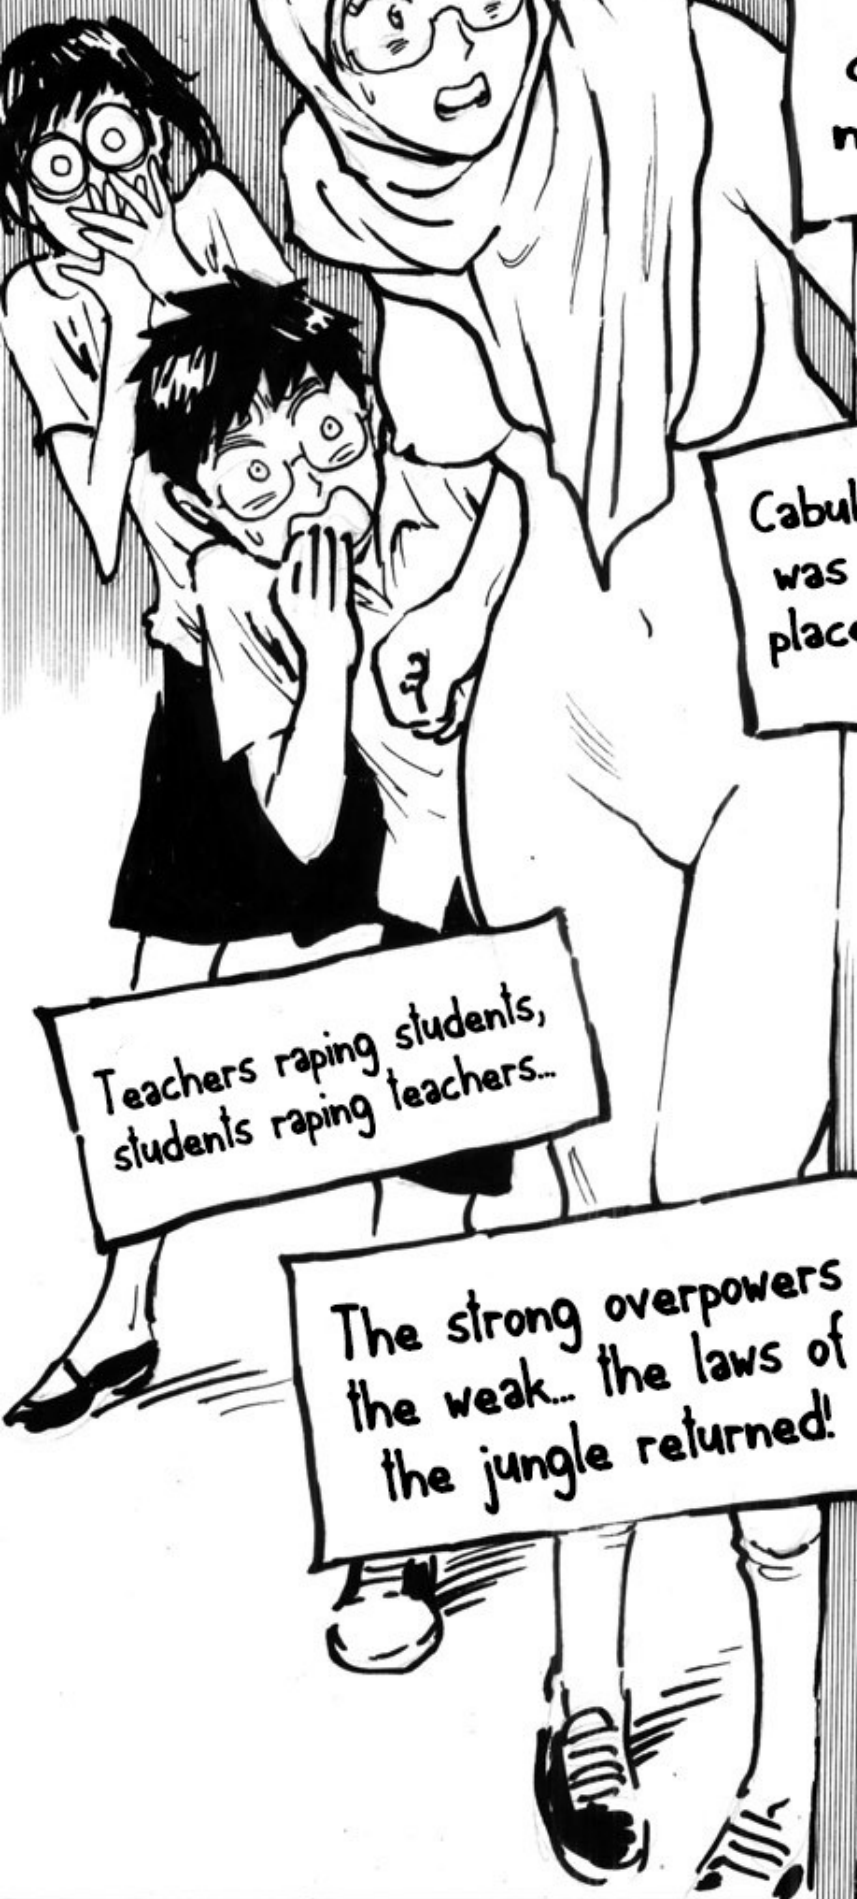

but it turned into an animal farm in a blink of eye...

Teachers raping students, students raping teachers...

The strong overpowers the weak... the laws of the jungle returned!

Teeeaacherrr, why are you nakeeed!!?

AAAH! AAH!

Ooh...
That's how it is?

You wanted to look at me naked, Bud?

...

And then what?! Were you planning to rape me or just to have a look?

Please, now it's not the time for that...

We have a worse problem out there!

We're safe from this predicament but...

KYAAA!!!

look what's happening outside!

Those kids are acting like animals...

because all the while, they've been treated like animals!

Their capacity to learn to act like humans is no longer there

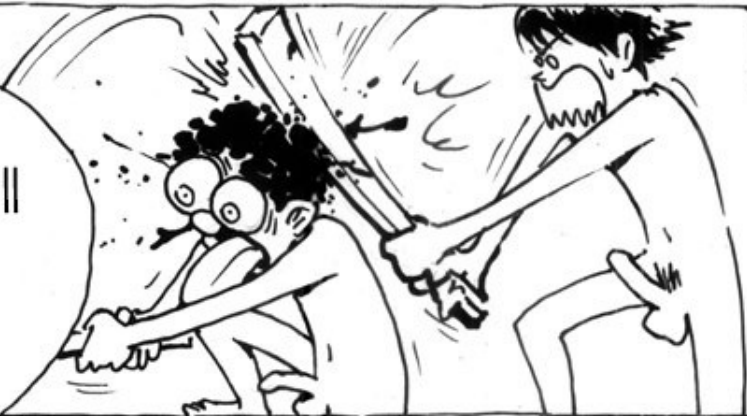

They're not brought up to recognize humans

So, when circumstances force them to become animals...

Yeah, they'll turn into animals

JLEB!
JLEB!
JLEB!
JLEB!
JLEB!
JLEB!
JLEB!

JLEB!
JLEB!

So, actually
it's humans'
fault that...

triggered this
situation that
made them act
like animals?

That means
it's your
fault, Bud!!

Because
of your
antics...

No, it's
your fault
miss!

You created
this device!

Enough! We can
argue about
that later...

The boys from
Class IXB are
coming!!

!?

Be careful, miss...

They're crazy!

Calm down!

Let me handle it...

GRRRRRR!

I've practiced jiu jitsu!

Is this the best thing to do...

Just leave them to me!

But, miss...

I think those boys are...

...

...the P.E. teacher

Mr. Yono!

How did he become like that!?

Hmm...

Ms. Febi...

I'VE had feelings for you since we first met!

Huh?

This is totally a nightmare!

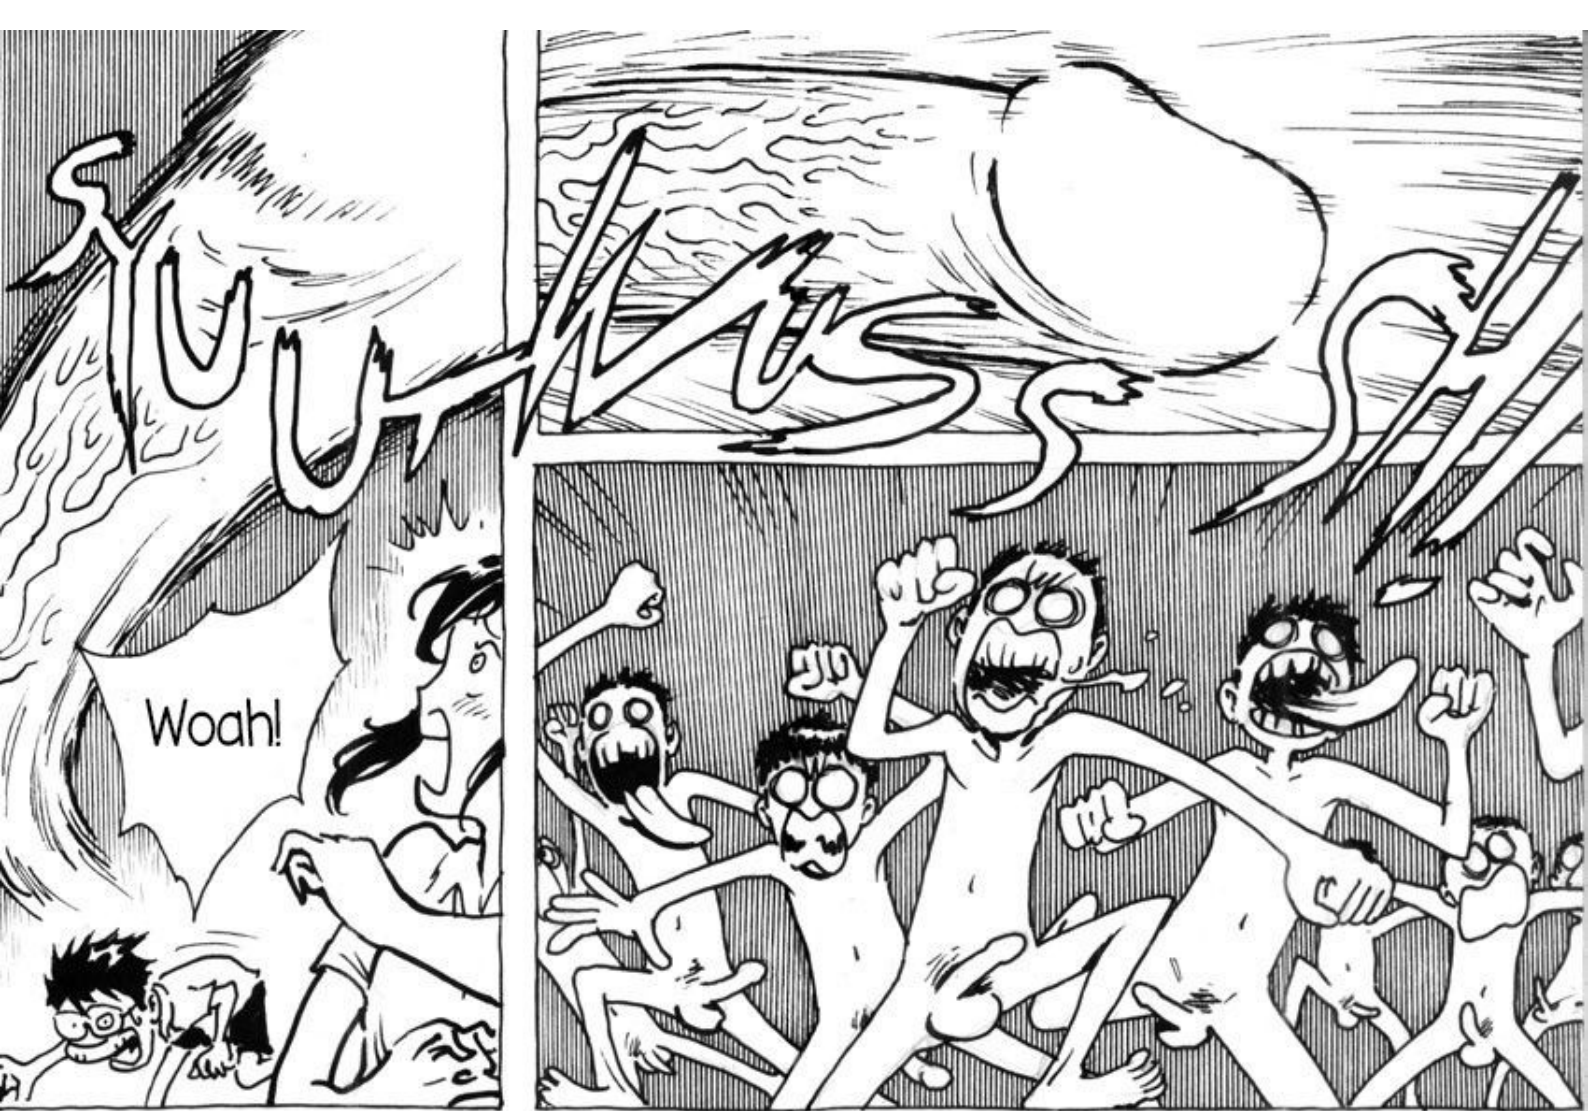

I EVEN
KEEP PIC-
TURES OF YOU
INSIDE MY
WORK DESK,
MS. FEBI!

COME
ON,
MISS...

AREN'T
WE BOTH
SINGLE!

Sorry! Mr.
Yono, you're
not my type...

Woah!

But...

Look at that!

Hahaha! Those boys that were chasing us are all dead!

Mr. Yono's penis is also swinging toward...

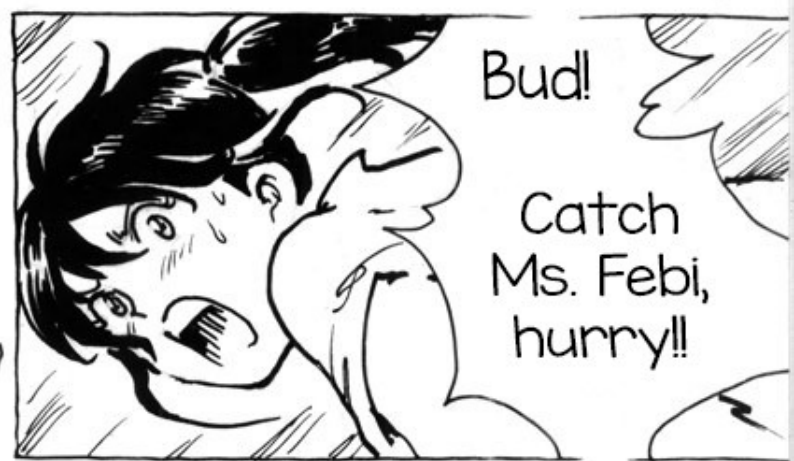

Sir!

Not over there...

Desi...

What are you doing, Budi!?

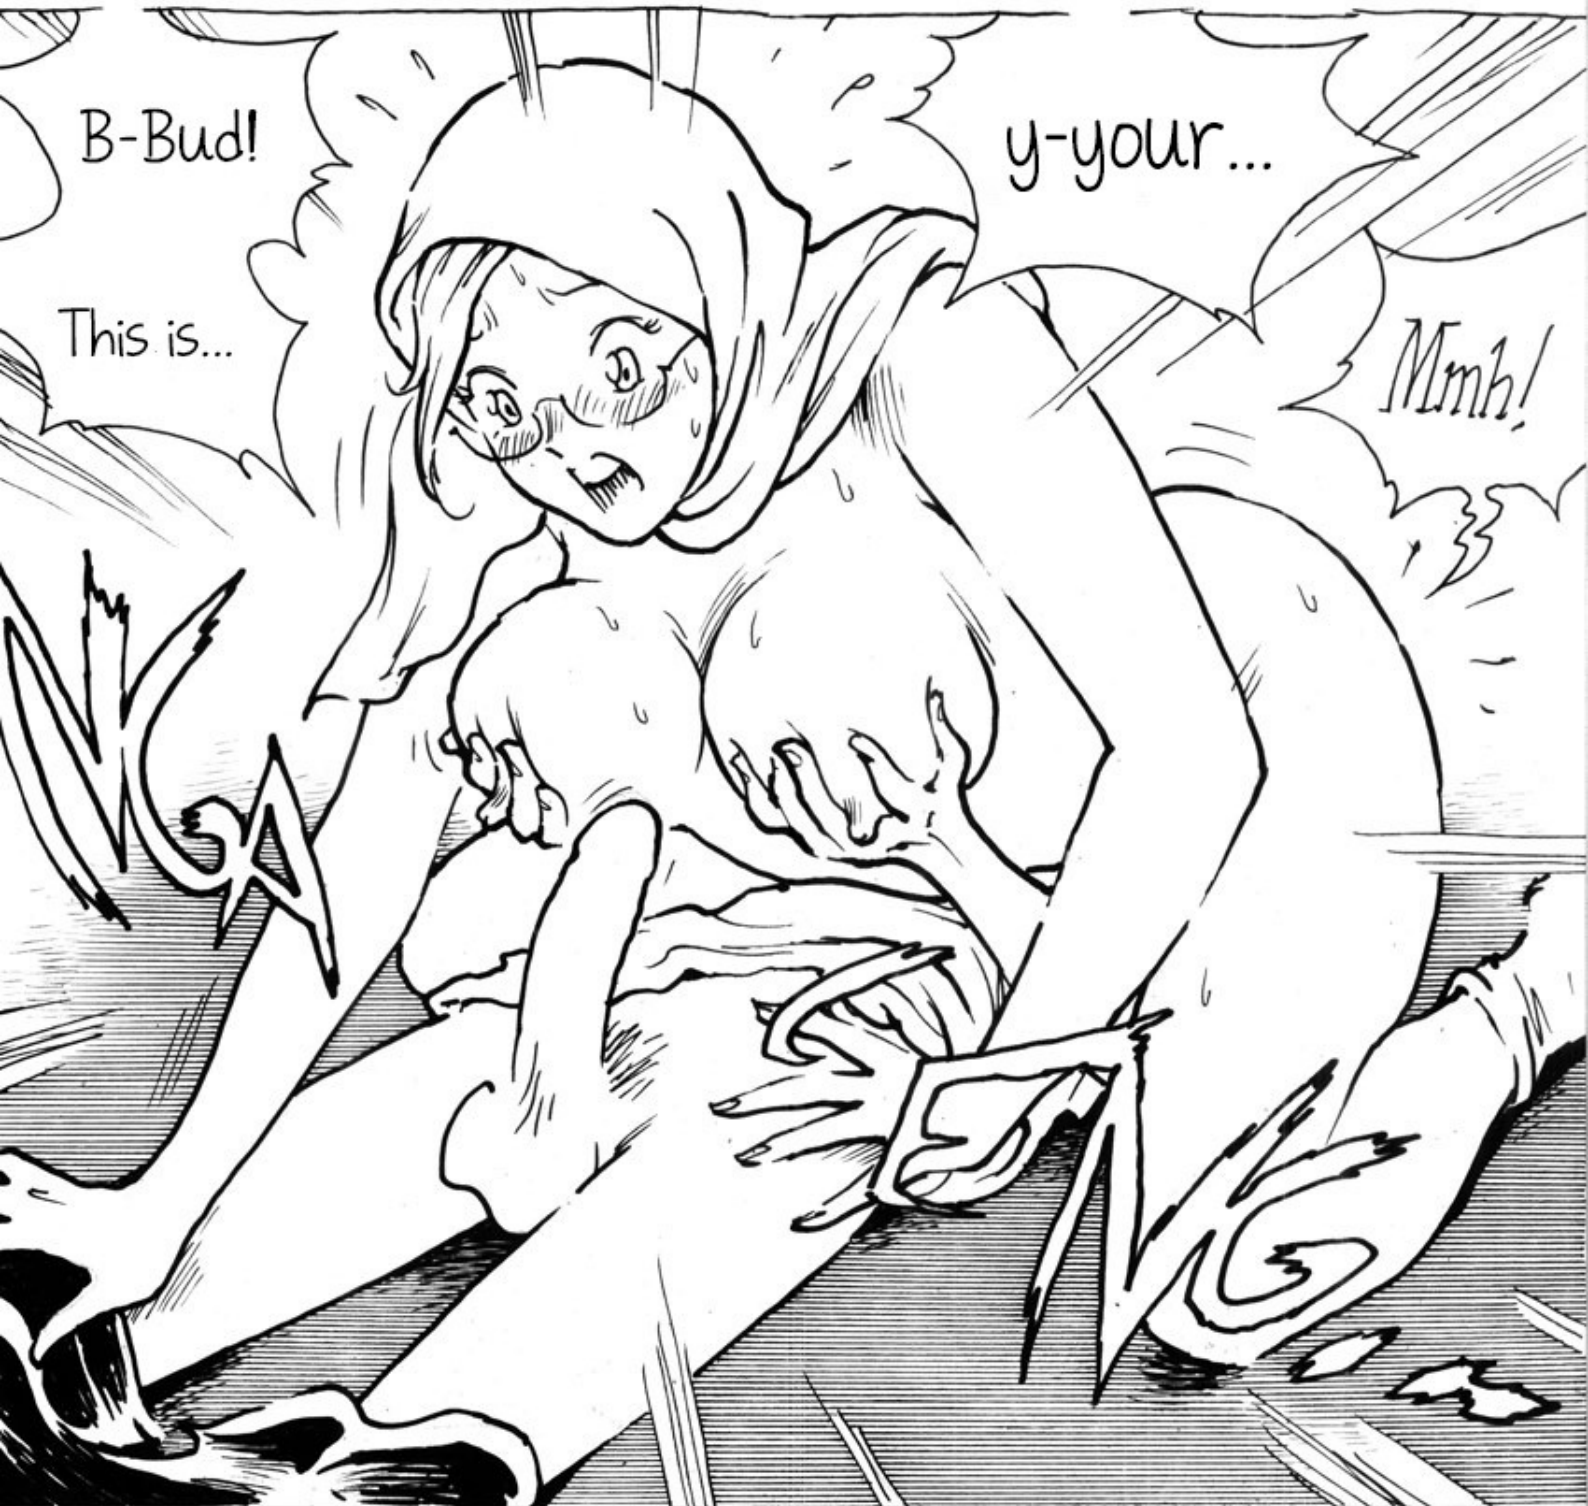

B-Bud!
