

Do you have a bottomless cock or something, big brother?

We've been doing it non-stop regardless of place and time now that I'm finally able to get my cock inside my little sister.

We did it all night yesterday and you're still this big.

Our parents went to visit their hometown for three days, and during that time—

What's with you?

I've had her lick it all this time because I couldn't put it in, but...

Oh!
The suction is incredible.

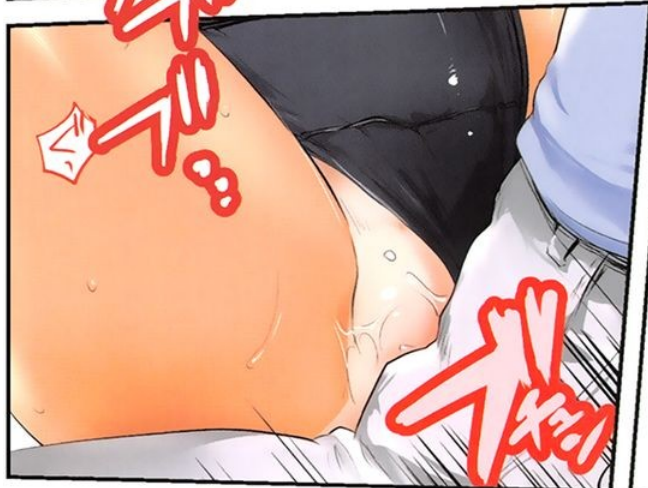

But do you want to put your rock hard cock inside?

It's so hard it's standing up straight...
♡

That little body of hers is filled to the brim with eroticism.

There might still be some of your semen inside my womb—

Her fellatio technique is way too good—

When I play with your nipples, your cum filled womb sucks on me.

You are way too sexy, Marika.

Cumming!

I'm cumming!

Aghh!

Go ahead.

Cum from my ejaculation!

Hah! ♡

It's-

It's coming inside! ♡

Cumming feels so good! ♡

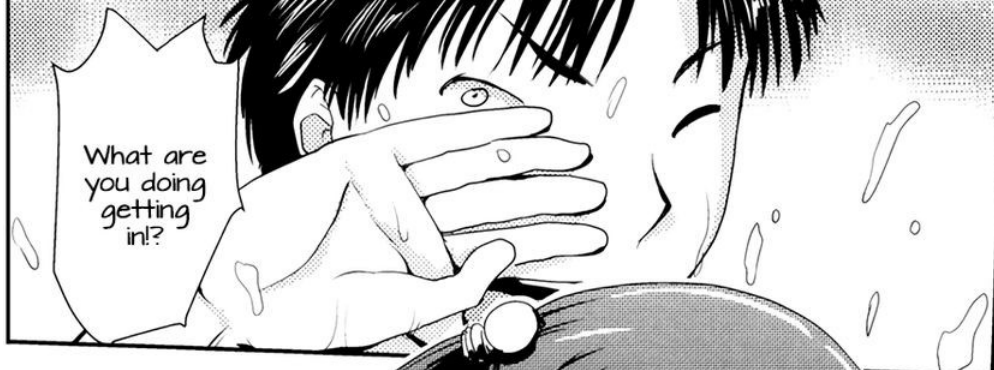

Mh- ♡

If we do that, I'm gonna get addicted to cum. ♡

Since we have the chance, why don't we keep your womb full of cum for these three days.

You were running out of semen, so I'll fill you back up.

What are you doing getting in!?

Plop

Well done!

No complaints here. ♪

You were preparing it for me, weren't you?

Now that I think about it, didn't you have plans to go to the pool with Tomo-chan today?

This pool is too small for you.

What are you talking about...

Actually, wait...

Amazing~

Even when she's sleeping it's so tight.

As one would expect of an elementary school pussy.

Ah.
You're getting big.

Even though we did it that much yesterday.

Ugh-

She has no stamina and falls asleep right away though.

But it's a first-class pussy-

When I woke up this morning I was all slimy.

You did it while I was asleep too, didn't you?

Haha...

She was
really looking
forward to
going to
the pool—

I wonder if
Marika-chan
is angry.

I ended up
coming...

...But...

I can
barely
wear a
swimsuit
in front of
boys at
school!

The pool is so
embarrassing!

Hm?

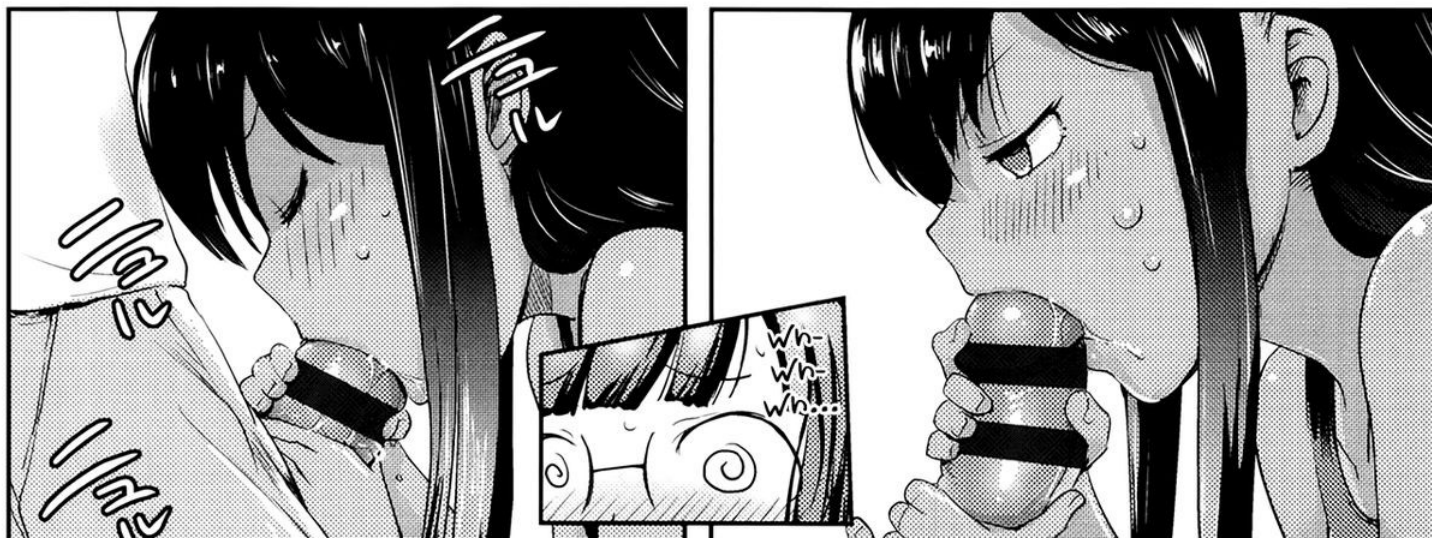

Ngh-

There are
boys I don't
know at a
public pool...

I hear
Marika-chan's
voice...

Over
here...?

She's
licking
a penis...

Marika-
chan...

Whoa!
Tomo-
chan?

My little
sister's
friend is
watching
her give me
a blowjob...

Oh no!

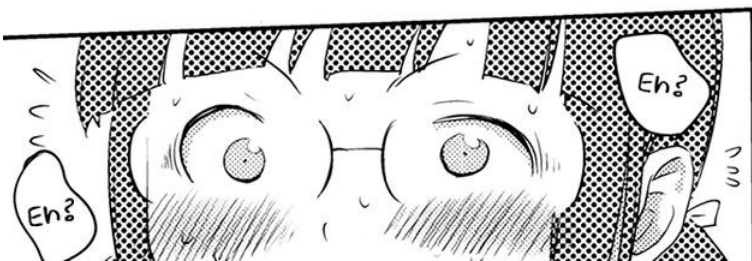

Eep-

His cock
is getting
thicker
and
harder!?

This is
super
exciting!

You seem to be more turned on than usual

I'm gonna have to fuck you in the park tonight to punish you for being an immodest girl who cums outside.

I wonder if you like exhibitionism

The feeling of this warm pee is going to make me cum too.

You just keep peeing, huh?

No.
Not in the park!

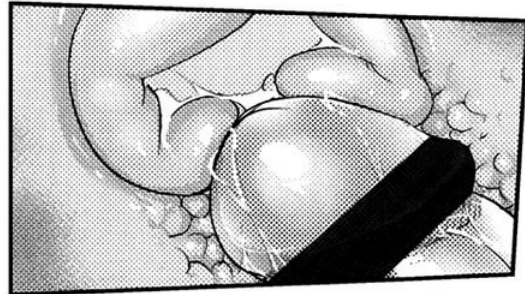

Since we're outside how about cumming while you pee, Marika!

Don't
poke my
woomb!
♡

Wait.
I'll stop
peeing,
so don't
cum.

If you
cum
now
I'll cum
for sure!

Oh no, it's
coming!

Come
on, get
pregnant
with my
baby.

あゝあゝあゝ

Noo.

I'm gonna get pregnant with big brother's baby!

Tight-

That's good!

Tighten up more.

No- I'm already cumming!

So stop!

Big brother's semen keeps gushing into my womb.

Staring at Tomo-chan's kiddie panties made me feel like I was having a threesome with elementary school girls and I couldn't stop...

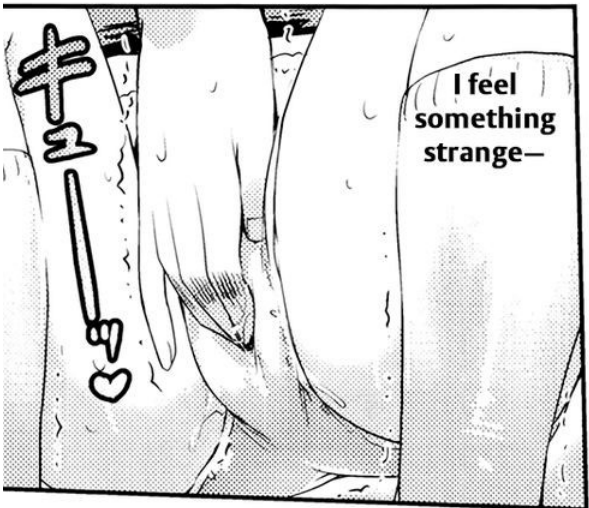

She'll be okay, right?

Maybe I was a little too rough.

Even though they're siblings... When semen and ovum combine, you can get pregnant you know...?

There's so much dripping out. Is that semen inside?

I feel something strange—

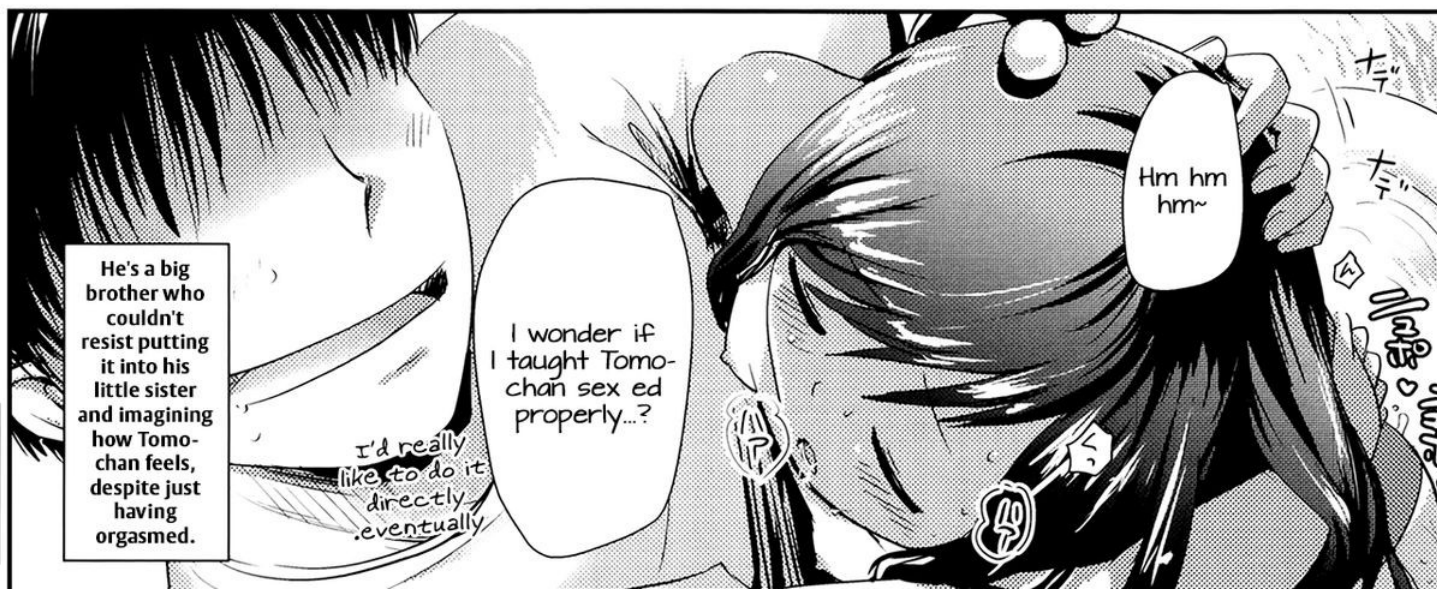

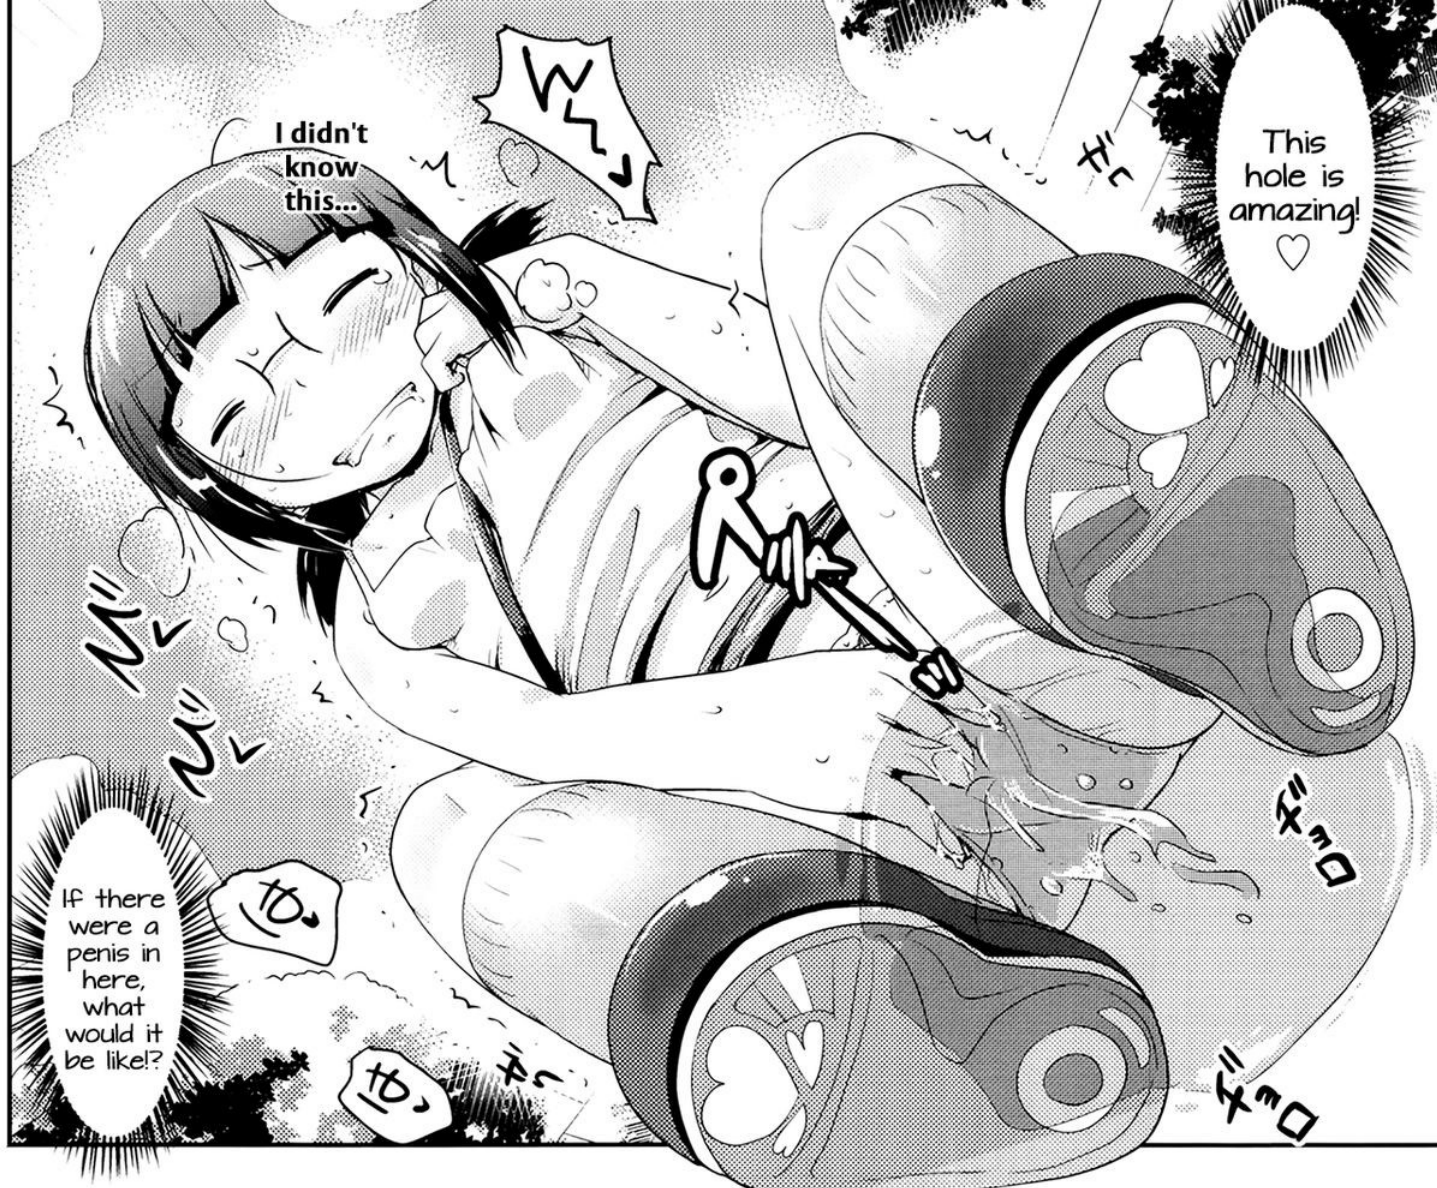

Tremble

Onii-san's semen here—
