This experiment must succeed no matter what! Are you ready!?
You can start any-time!
I hope it works!

The Feel-chan experiment is a huge success! I have never seen a happier mouse!
Are you kidding me !?
UAH!
Heusken-kun! You always find a reason to punch me... It's fasci-nating ...
I didn't mean to trick you. It was just a little surprise ...
Your stupidity is even more surpri-sing.
You keep inventing useless crap all the time.
Science
New facts about the disappearance of women!!
Obviously, you know that human females have been extinct for 300 years ...

In the year of 20XX...
Because of a mutation of the X chromosome, girls stopped being born in the whole world.
Since all the remaining females died out, we've been living in the male-only world.
In the past, human species had two sexes, just like other living beings.
Humanity didn't have the current medical technology and used sex to reproduce.
However...
W-wait! Let's calm down for a second! Okay!?
If you still don't understand it, I'll have to beat some sense into you.

Here, drink some juice... Let's talk about it like scientists! Okay? Okay?
It can't be helped...
That barbarian is a disgrace for scientists...

What's this weird taste...? Is it expired...? Wait, what?
My body feels weak... Is it... because of the drink...?
Finally, a human experiment! Is my "Drink to weaken Heusken-kun" working?

After my body comes back to normal, you're a dead man!
For the time being, I'll show you how it feels to be weak and make you regret your daily violence.
Cough...
It's hard to breathe and my chest feels weird too ...
Huh? The changes are more obvious than I expected.
His physique becomes smaller and rounder and he has prominent breasts.
He looks just like a female ...
Wait! A female !?

T-that's impossible! Heusken-kun, you're a girl!?
I'm a man ... What the fuck is this!? C-can you fix it?
I don't know how.
You're the one who made that drug, right!? Can't you do something !?
What are you doing!? Please don't touch me!
Let's check whether you're a genuine female or not!!
Wait a second! Stop!

Hey! What the hell are you doing!? Give me back my pants! I can't stand here like this!
Heusken-kun! We are doing this research to help the humanity! And I need the data to return your body to normal!
ぎゅ～
F-fine... But it's embarrassing, so please hurry up.
You don't have male genitals after all... It's a bit different from what I saw in the reference books, but I think that this is the female genitals ...
I'll start the examination.
Ugh! Are you going to touch me!?
It's for you and the whole world.
プルプル
Uuh ...

It's softer than I thought ...
Touching it feels weird ...
Mm ... H-how is it?
Ooh! Is that the love juice!?
Love juice?
It's a bodily fluid women secret when they're excited ...
Hehe, are you excited ?
Impossible ... I'm feeling the sexual excitement ...
Anyway, since you're a girl, I can do a few special things!
I wonder how will people react to my new invention!

Will you stop it!?
ピタッ
Were you planning to hit me again !?
No... Uh... I didn't... I was just...
He likes me so much that he can't even look me in the eye.
Uh ... Uuh ...
Ehehehe! This machine will make him fall in love with me! Now I can do whatever I want.
Uh ... I was ...
To be honest about violent people like you ...
もじ
もじ
I hate them!
I'm sorry! Please don't hate me!

Uah !?
Uh ...!?
What the fuck!? Hakase, you bastard! I'll kill you!
I will never forgive you... So... Huh? There's a weird feeling... In my crotch ...
SHAKE
SHAKE
Don't get angry. You'll have to forgive me because I'll make you feel good.
Max output!
NO!! UAH!

How is it? Does Feel-chan's power feel good?
AH!
UAH!
Is this the female orgasm!? Why is my body begging for semen!?
No, I can't stand up.
I'll... never forgive you. You're dead...
Saa!

You still don't know your place?
Huh!? Forget I said that! It was a joke! Stop!
AAAAH!!

This is a human rights violation! It's a crime! Hey, are you listening !?
This much should be good enough ...
Don't worry, I won't make you cum again. Unless you beg for it, hehe.
I'll never do that! Dumb-ass!
POWER

30 minutes later
You're so cruel! This is not fair ...
Make me cum ... I'm sorry ...
I'll never hit or insult you again! I'll do anything you want! Hakase, please ...
How about using your mouth to make me cum ?
Huh!? Ah... Uh... F... Fine ...
Then you'll have to spend some more time like that ...
Huh!? Why did you take that ugly thing out? I can't touch that ...
His cock is hard... My body is turning him on after all ...

It got even bigger... Since I'm a woman now, it's okay to do this...
MM!
NGH!
For some reason, it makes me feel weird too...
じゅぶ...
Ehehe!
Now I know why people in the past enjoyed this feeling of conquest so much.
Hey! I'm about to cum! Push it deeper inside!
OH!
MM MM!

Hey! What are you doing !?
Obviously, it's a mating experiment.
Now I'll make you feel good ...
Expe-riment...? Is this a joke...? You can't do that ...
If you don't want an experiment, we can mate for real, hehe.
STOP!
Huh!? What!? I don't want to do that! Let me go!
NO!
It might hurt a little.

GHA!
Please take it out!! It hurts!
Hakase's cock is going in! He's raping me! Is he planning to mate with me!?
UHII-UGH...
It hurts! It hurts!
I think that fucking you will be satisfying.
Sorry, I can't stop now.
Perhaps ...
The female instinct has woken up inside you.
The repro-ductive instinct ...

AH!
You can't fight your instincts.
I don't care about mating! I don't want to repro-duce!
MM!
And ...
ズチュッズッ
AAH!
But I'm not happy !!
AH!
You look so happy, hehe.

Males and females wanting each other is the law of nature!
AUH!

Then tell me ...
Why are you moaning and why is your pussy dripping wet?

Hakase ... I'm scared ...

My body is driven by instincts ...
I'm scared that I might lose myself ...
UAH!
Don't worry ... Just give in to your body and accept my semen ...
Semen ...? You're ... Joking, right?
HUH!?
haa!
You'll give birth to a healthy baby!
I don't want a baby! Please stop! Take it out!

CUMMING!
AHYA!♡
AHYA!
I feel my womb happily sucking in Hakase's semen...
I don't know if it's because of my instincts... And I... don't care...
Are you exhausted already? We're just getting started, hehe.

Hakase !? Hang in there!
You're the one who told me to give in to my body!
げえ
You ... Did it 10 times already ...
Ehehehe...
But my body still wants more ...
