Be a good girl and tell us where your hideout is!

Heh, you little bitches You may have captured me but do I look worried? Go ahead girls,

SFX: Aggressive Glaring

Whaaat? W-Wait girls! Let's calm down and think about this for a second! Let's say I was a hero, wouldn't there be a more humane way of resolving this?

Fufufu are you ready?

I wasn't prepared to do this but...

Well, I guess there's no other way...

SFX: Clanking, metal sounds

It's obvious you've got nothing! (LOL)

Hmph, looks like you girls are stuck!

SFX: Evil Laughter

SFX: Phew!

So there's nothing we can do?

But then what do we do? As it stands she's not going to talk is she?

shouldn't hear
any
complaints
about being in
agony either
right?

Still, she looks kind of pitiful doesn't she?

Oh really? Well in that case I guess you don't mind if we up the intensity?

Fufun! You were talking so proud earlier and now all you're talking about is how much agony * you're in, aren't you?

Hehehehe I-If you t-think so t-then take your hands off of mehehehe!

about
this!

Th-Th-That w-was n-nothing!

Which reminds me, didn't she act a little weird when I touched her foot?

Your feet wouldn't happen to be your weak spot by any chance...

Oh-ho, your attitude seemed to have changed all of a sudden, but it's a little late for that I think.

H-Hey! Are you mocking me!?

Waha hahaha! She's just pitiful isn't she?

I think I hear her voice shaking a little.

Pupu! She's so obviously trembling!

SFX: Shaking with laughter

W-Weak spot? What are you talking about, I don't have a weak spot!

It's a waste of time. Th-That was just me struggling!

SFX: Heart pounding

W-What did you say!?

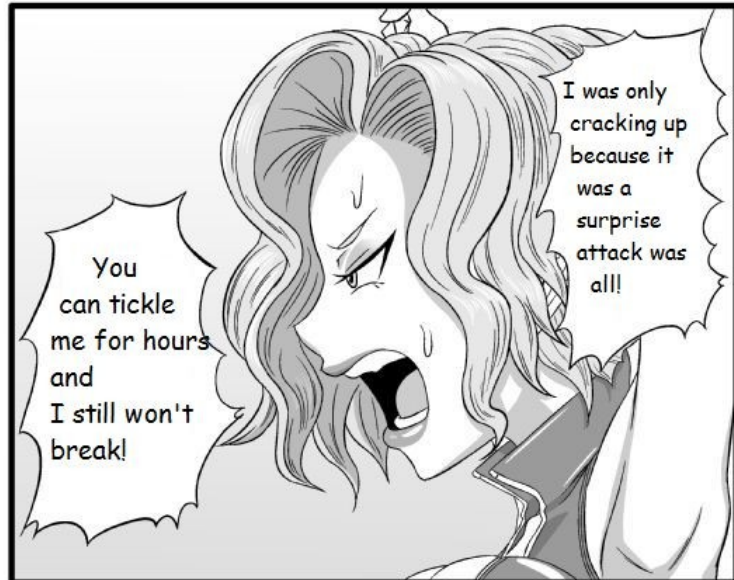

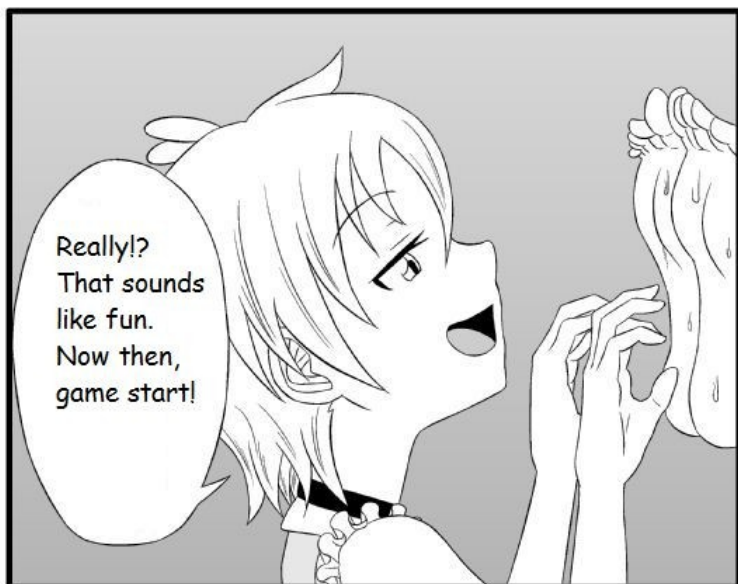

She's not gonna survive ten seconds!

She looks
worn out
and I think
she was
trying to
say

SFX: Quivering in fear

Afterword:

Right now, this group, Kusugu/Tick [creators of Tickle Torture Endurance Book ~ Evil Woman Leader Volume] would like to thank you for purchasing this doujinshi.

This time our concept was a proud but foolish and incompetent older woman at the mercy of young, immature girls who could do whatever they liked with her or something like that.

More or less we knew Tikku3 were going to be heroes and allies of justice, but invariably they were going to become straight up bullies.

We wanted the ending to be long-term captivity insinuated by the woman's hair getting longer and more unkempt. In the middle this idea was hard to realize, until finally we were able to put it in satisfactorily in the end.

Next time we plan to depict Lady's life in captivity and I think the work will dwarf everything we've done so far.

People will be picky, but que sera sera. Noentheless, thank you so much for purchasing and reading our story.
