AME TO TOGE

雨と棘

I tickle it with the fingers in both my hands to hurriedly make it big.

I pick up dad's still limp penis and...

STOP!! STOP!!

Stoop!!

and with my mouth, I...

Hold on!

I dribble some spit on his penis...

And once it becomes stiff...

Ho-!

I am Shiratori Asuka's father.

Dad~!

Could Shiratori's guardian please step forward?

E-Excuse me...

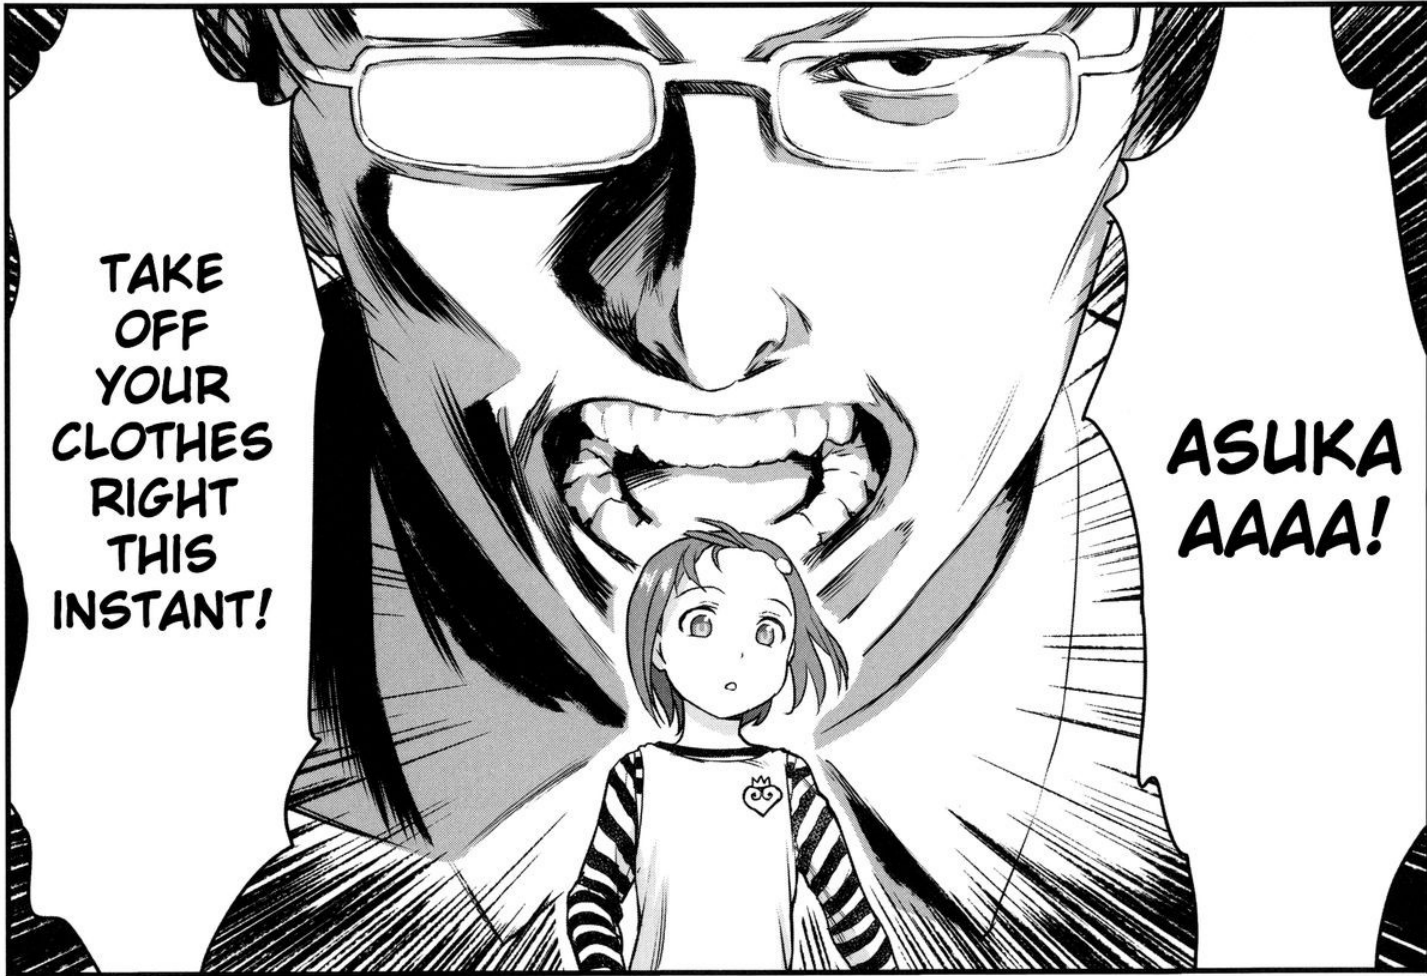

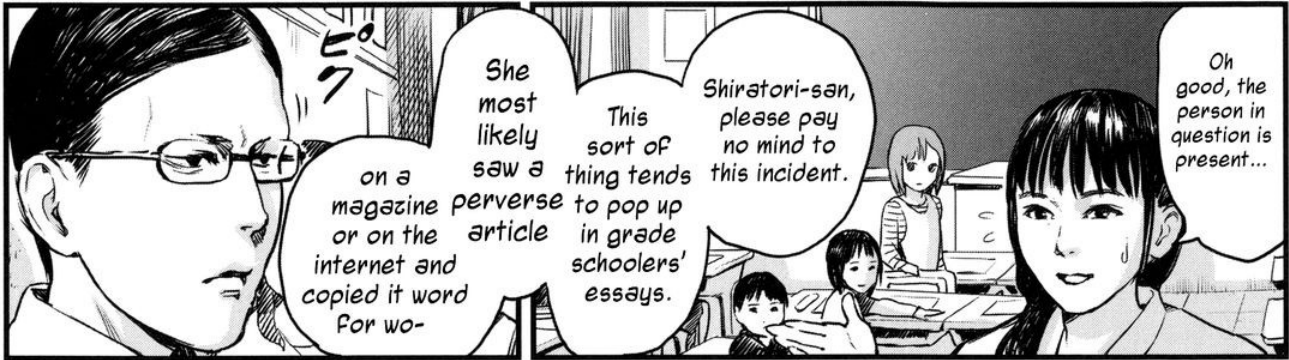

But stop reading and wait, okay...?

I-I'm extremely sorry...

Yes.

immediately
raise your hand
to the sky,
please!!!

Together
with a clear
reason as to
why and your
own personal
opinion on the
subject,

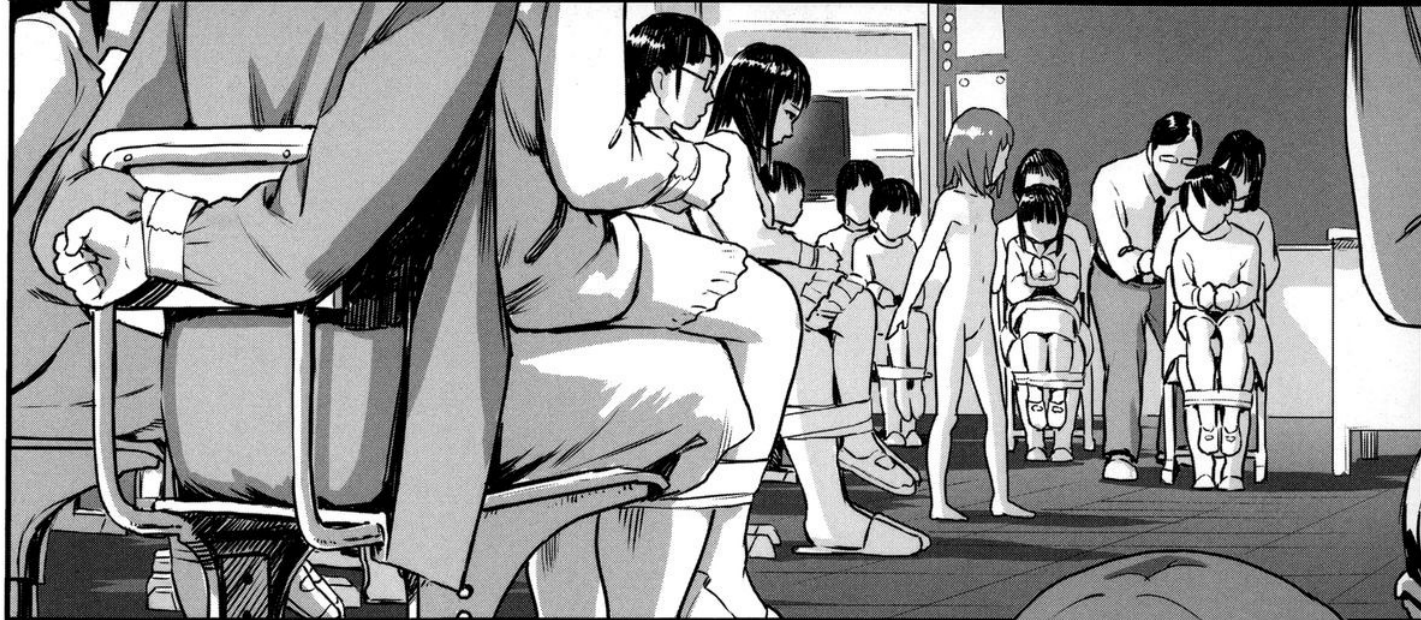

Those who
do not wish
to see our
father-
daughter
relationship,
raise your
hands!!

Okay!

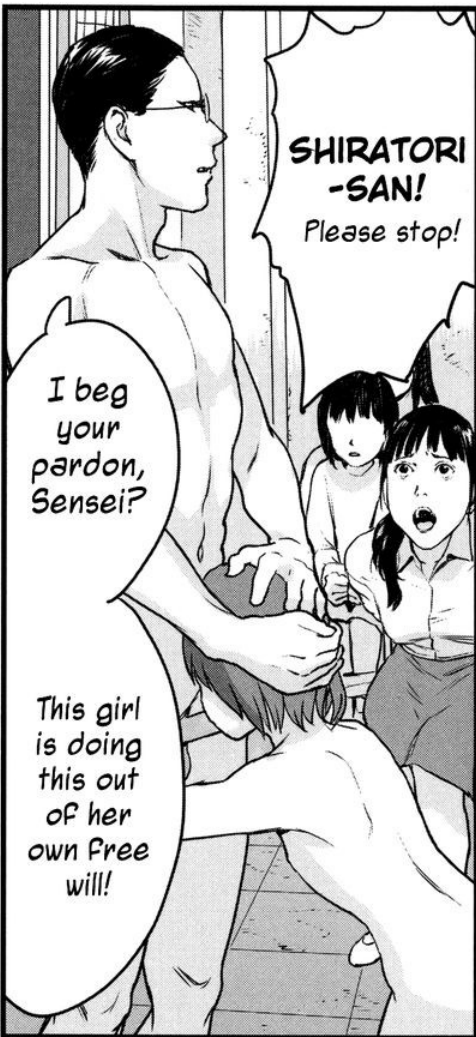

If you
want to
get naked,
then get
naked.

Asuka,
I am not
coercing
you.

Think for
yourself, as
you always
do!

I believe friendly licking another's genitals or having them licked

makes for wonderful skinship, but what do you think, Yui-chan?

Stop!

S-

Ah!

Th-

That's not true...

Oh?

Are you wet?

Noo~!

I'll make you even wetter, okay?

The Mom

No, you are wet.

Asuka-chan...

れろ
れろ

S-Stop!
Asuka-
chan!

So, as
you can no
doubt attest to,
she's become
quite skilled
at it.

She'll slide
her tongue on
anything and
everything...
Haha!

Asuka has
been a big
fan of the
act of
licking for
many years.

Yui-chan's
downstairs
is so pink and
it's twitching
so much!

No...!
Stop...!
That's
my...!

Yeah!

Asuka,
be sure
to peel
back the
skin to
give her
a good
lick.

Ah!

Yui-chan,
you're so
funny!

What the...
She went
psssh...!

Huh?!
Really?

Although
actually,
Asuka...

I've made
you squirt
many times
before.

That's
called
squirting.

It's proof
that you made
Yui-chan have
a very good
time.

Yes, but you
always end
up in a daze
so you never
notice.

Ah

Eek

Uh...
Uh...
Uh...

Dad!
I wanna go
psssh too!

Ooh!
Good idea!

ちゅん

Or maybe here...?

Hih!

Where are you most sensitive today, Asuka?

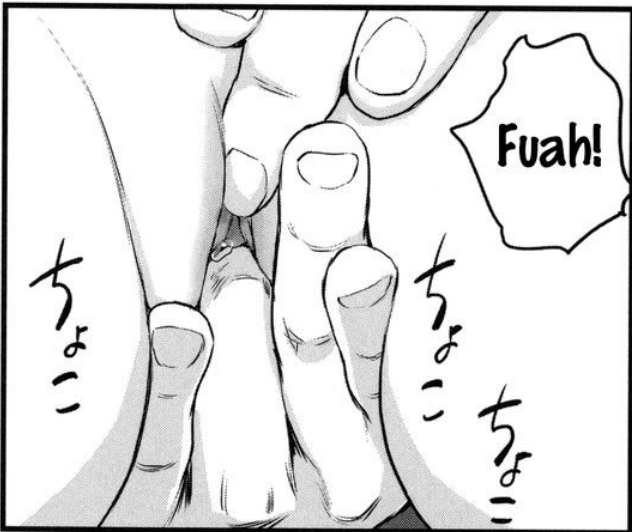

today, Asuka?

ちゅ

Is it here?

ちゅ

Fuah!

ちゅ

ちゅ

ちゅ

Oh, is it...

here?!

ちゅ

Your body responded by stiffening up!

Yes...! There...!

ちゅ

ちゅ

ちゅ

Sensei,
sorry for
getting it
on you!

Yes. It flew as
far as your
teacher.

You squirted
quite vigorously
again, today.

Hah...
Hah...
Really...?

You
just came
and you're
already
begging
for it?

It's
wonderful
to see you
so peppy.

Ehe
he...

As an apology,
I'll let you see
me
get penetrated.
Okay?

Daaaad!

く
ぱ

Hurry!

I'm not sure I can comply with that request in the face of how much my daughter yearns for it.

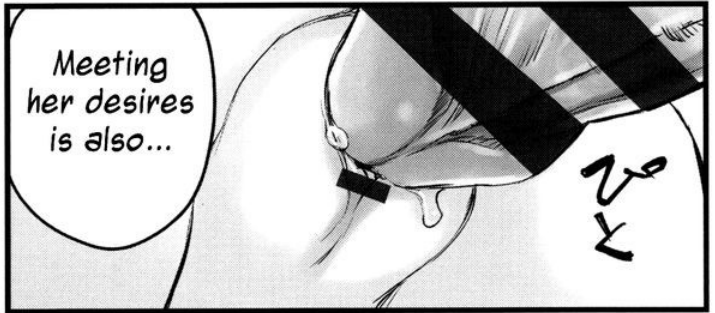

Shiratori-san, please don't go that far...

Don't!

...

Meeting her desires is also...

IT... IT WENT IN!!

my duty as her parent!

I wanna Forever...

When I realize that.. I feel swarwth bubbling up deep inside me...

And I wanna...

Hah

Hah

Let's give your Friends and their mothers a better look as well.

Ooh, I apologize For giving the teacher the house seat.

It's mad-ness.

This is wrong.

Rino-chan and her mom are as elegant as advertised, aren't they?

Ah

It's Sae-chan and her mother.

Could I ask you to get along with my Asuka?

Hah Hah

Kana-chan you little rascal.

I hope you'll accompany Asuka to the pool again one of these days.

It's been too long Mari-chan and mom.

And who might you be? Good day.

Hah

Doesn't anyone have an opinion they'd like to share?!

But out-numbered as we may be!!

People like us may well be in the minority!

However, this is a school!!

An educational institution where young children go to learn!

But if you, in the majority,

project your values onto us as if they're the normal ones,

then we, from our standpoint as the minority...

will do as you do, and convey our own values onto you!!

Open your shut eyes!

So we can build a society where we can coexist!

You, who are trapped by the narrow set of values you learned!

We won't
turn a deaf
ear to
dissenting
opinions!

We should
talk it through
sincerely
right now.

I apologize for

I hope one day, we'll be able to live in a society where we can all get along.

That is also a way of living.

They all... might think it's all for the best.

I want you to teach me...

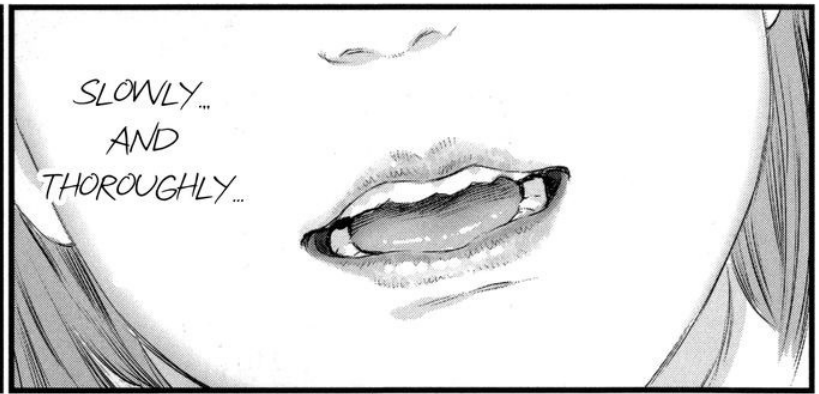

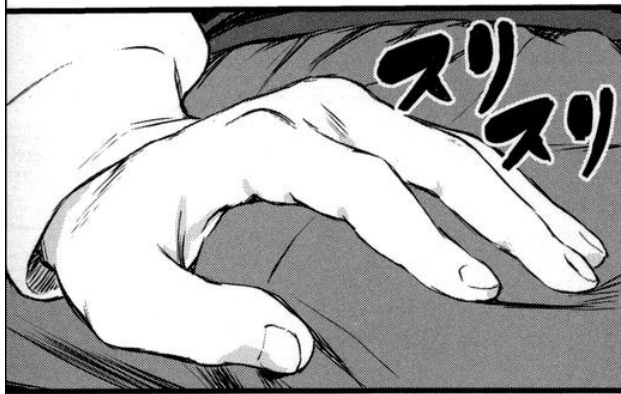

Sensei...

About men...
About men and women...

Help me understand...

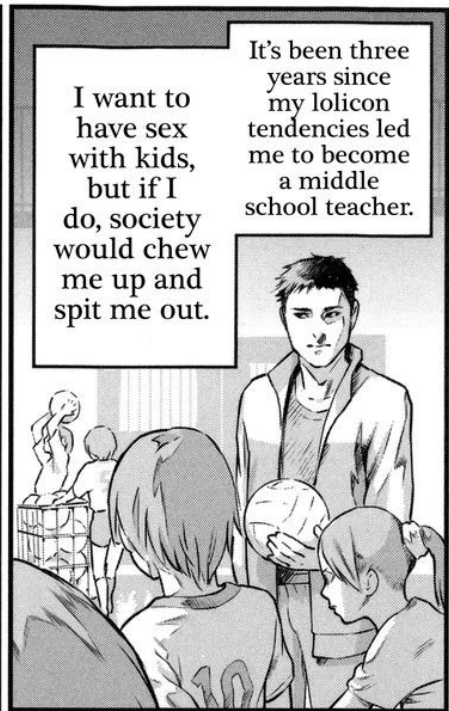

Or reality!?
am I day-dreaming!?

I-is this...

I've been at odds with myself, anguishing over this matter the entire time. However...

I want to have sex with kids, but if I do, society would chew me up and spit me out.

It's been three years since my lolicon tendencies led me to become a middle school teacher.

After the clock strikes twenty...

In this situation, then...

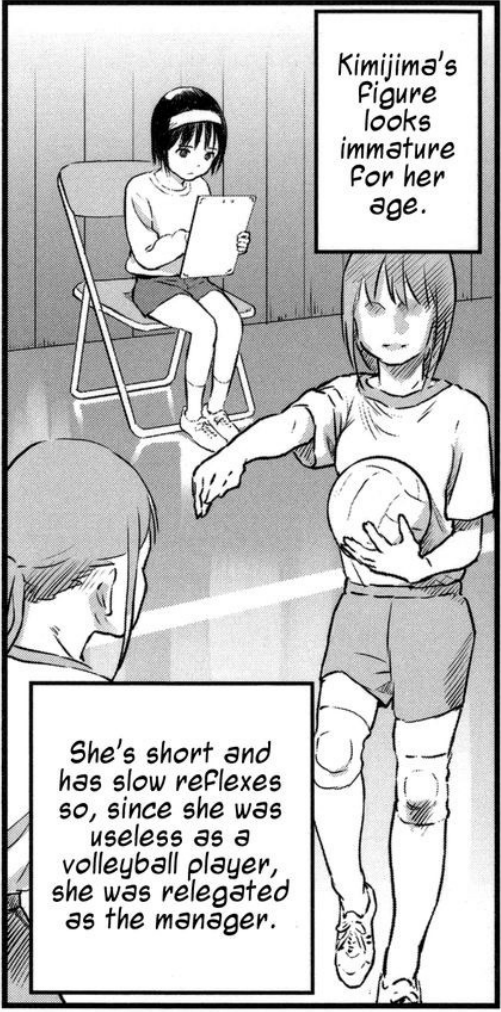

alone with a little girl in the equipment storage room of the school gymnasium...

This is...

...Sensei?

Kimijima's Figure looks immature for her age.

She's short and has slow reflexes so, since she was useless as a volleyball player, she was relegated as the manager.

Do I... really have to be completely naked...

Technically, you could have taken off only the bottoms, but I wanted to see all of you Kimijima.

Of course, I'll get naked too.

a 13 year old's body.....

This is what you wanted to learn about, men and women.

Try touching it.

Ah...

My penis has taken an impressive shape, hasn't it?

It's going to go back and forth inside you.

This is where my penis will enter and exit.

Do you know...

in what place my finger is touching you?

It's in very good condition.

ゴッ
ゴッ
ゴッ

Oh, it seems you have.

ゴッ

Have you ever stuck a finger inside here?

This is your first time taking a penis, right? Then today's a special day.

Lift up your hips a little more.

おめえ

If you don't answer, I'll shove it right inside you, got it?

Huh...?

Sensei... Something that huge... will never...

You want to learn about men and women, don't you?
Oh, right! First, I have a few questions for you, Kimijima.

y-yes, I do...!

Do you?

Do you masturbate when you're alone?

Th... That's a bit...

How do you do it?

H-How...? With my fingers...

What do you think about when you do it?

Huh...? T-That's...

Well? Go on, tell me!

Ah... Afu....

If you don't tell me, then I'll...! I'll-!

Unfortunately, you answered too late.

I think about you when I... move my fingers...

I...

You're so cute, Kimijima.

The tip is already snugly stuck inside!

AAH!!

アッ

I might be able to cram the whole thing inside you now!

Kh... It's so tight all the way through!

アッ

Kimijima, your pussy...

アッ

I'm going to start moving.

It's... inside me... Sensei's...

Ah!

Ahn...

The sensation of your walls rubbing my penis is... intoxicating!

Kimijima, your pussy... feels really... good!

はっ はっ

Can I... understand men and women... now...?

Oh, sorry. Was I prod- ding the back too much?

Hm?

がほっ

Ouch...!

We really should be doing it in the missionary position since it's your first time.

You're a child after all, your pussy is still shallow.

I'm going to massage the folds in your entrance again and again!

And the part about thinking of me while masturbating!?

The boys in my club don't get along with the girls very well and I wanted some advice.

What about the whole teach me about men and women bit?

But you were rubbing my penis!

Then why did you suddenly hug me?

Huh!?

I mean you're an okay guy, but...

It seemed like that was what you were hoping I'd say... So I did.

I thought you might've been hurt after I bumped into you...

I didn't, I tripped... My reflexes just suck.

Ah, no. Actually, nevermind...

Tomorrow, I'll stay until everyone goes away again, okay!?

But...

After that, I think I've fallen a little in lo-...

Today, you greet your ninth birthday with a sound mind and body... virginal.

Makamura Nie, only daughter of Makamura Emi.

Don't be worried. Tonight's special.

Mom, this is a classroom, right? What's going on?

Very good reaction...

Now... Let us see how this place fares.

Third, the nose, with which to smell the world.

Fourth, the mouth, with which to consume and taste the world.

Humans possess nine holes with which to interact with the outside world.

First, the eyes, with which to see the world.

Listen well.

However, the anus is not a hole solely meant for excretion!

The seventh is your anus.

Huh?

Sixth, the hole you are currently using to accept me inside you, the vagina.

And the seventh!

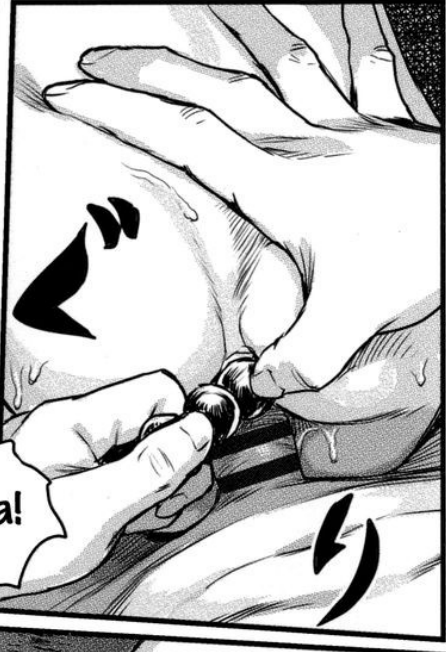

Fifth, the nipples, to provide milk.

Ah!

Ha!

Don't what? Your front hole won't stop squeezing, you know?

Ah

Nie-chan, I'm very proud of you.

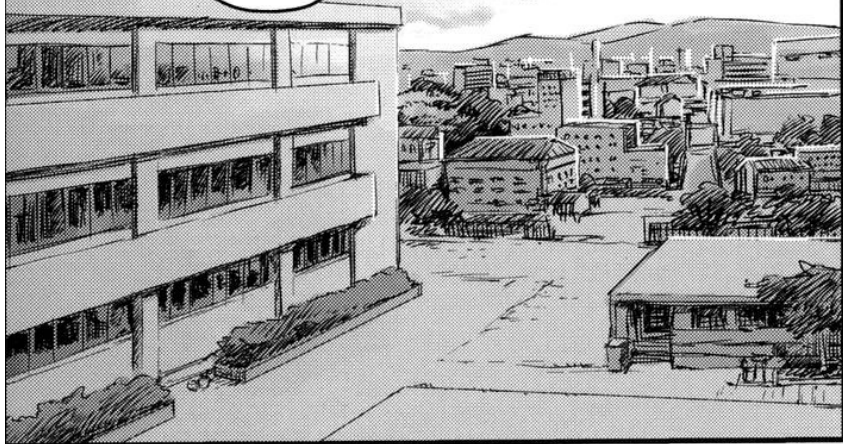

Uuh! Very good.

You've certainly overcome the ninth step...

When I turned nine, I had the same thing done to me.

You know, this wasn't anything abnormal.

Oh, my.

M-Mom!

And afterwards, whenever I had the time, I would come back here...

Even after I met and later married dad.

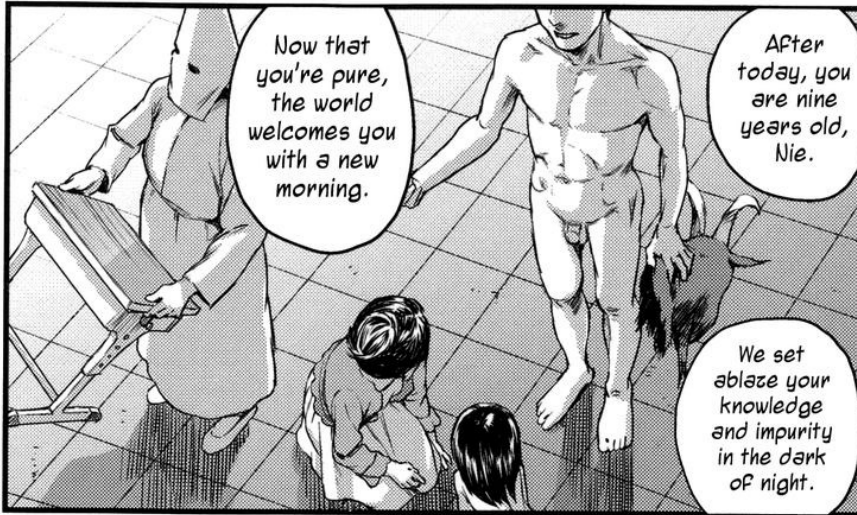

Right, Sensei?

After all, I wasn't able to have children with him.

Wait... Does that mean...

Now that you're pure, the world welcomes you with a new morning.

After today, you are nine years old, Nie.

We set ablaze your knowledge and impurity in the dark of night.

Shh.

Ah!
So Sensei's my-

Can we expect you again tonight?

and, like tonight, perform this ritual to cast away all their impurities.

But over the course of their daily lives, people become impure again.

Again and again.

That's why they must wait for the night,
