The company president has but one daughter. The young mistress Waka has blossomed and is now ready for marriage.
アアアアア
YURIZONO COMPANY
The whole nation's stock market is currently controlled by the Yurizono Company.
Hasebe...
Yes, young mistress?
Today's black tea certainly has quite the rich flavor to it.
However, this sweet young mistress holds a secret...
...a secret which could cause severe financial instability within the company
And that secret is...

THE SHELTERED LADY

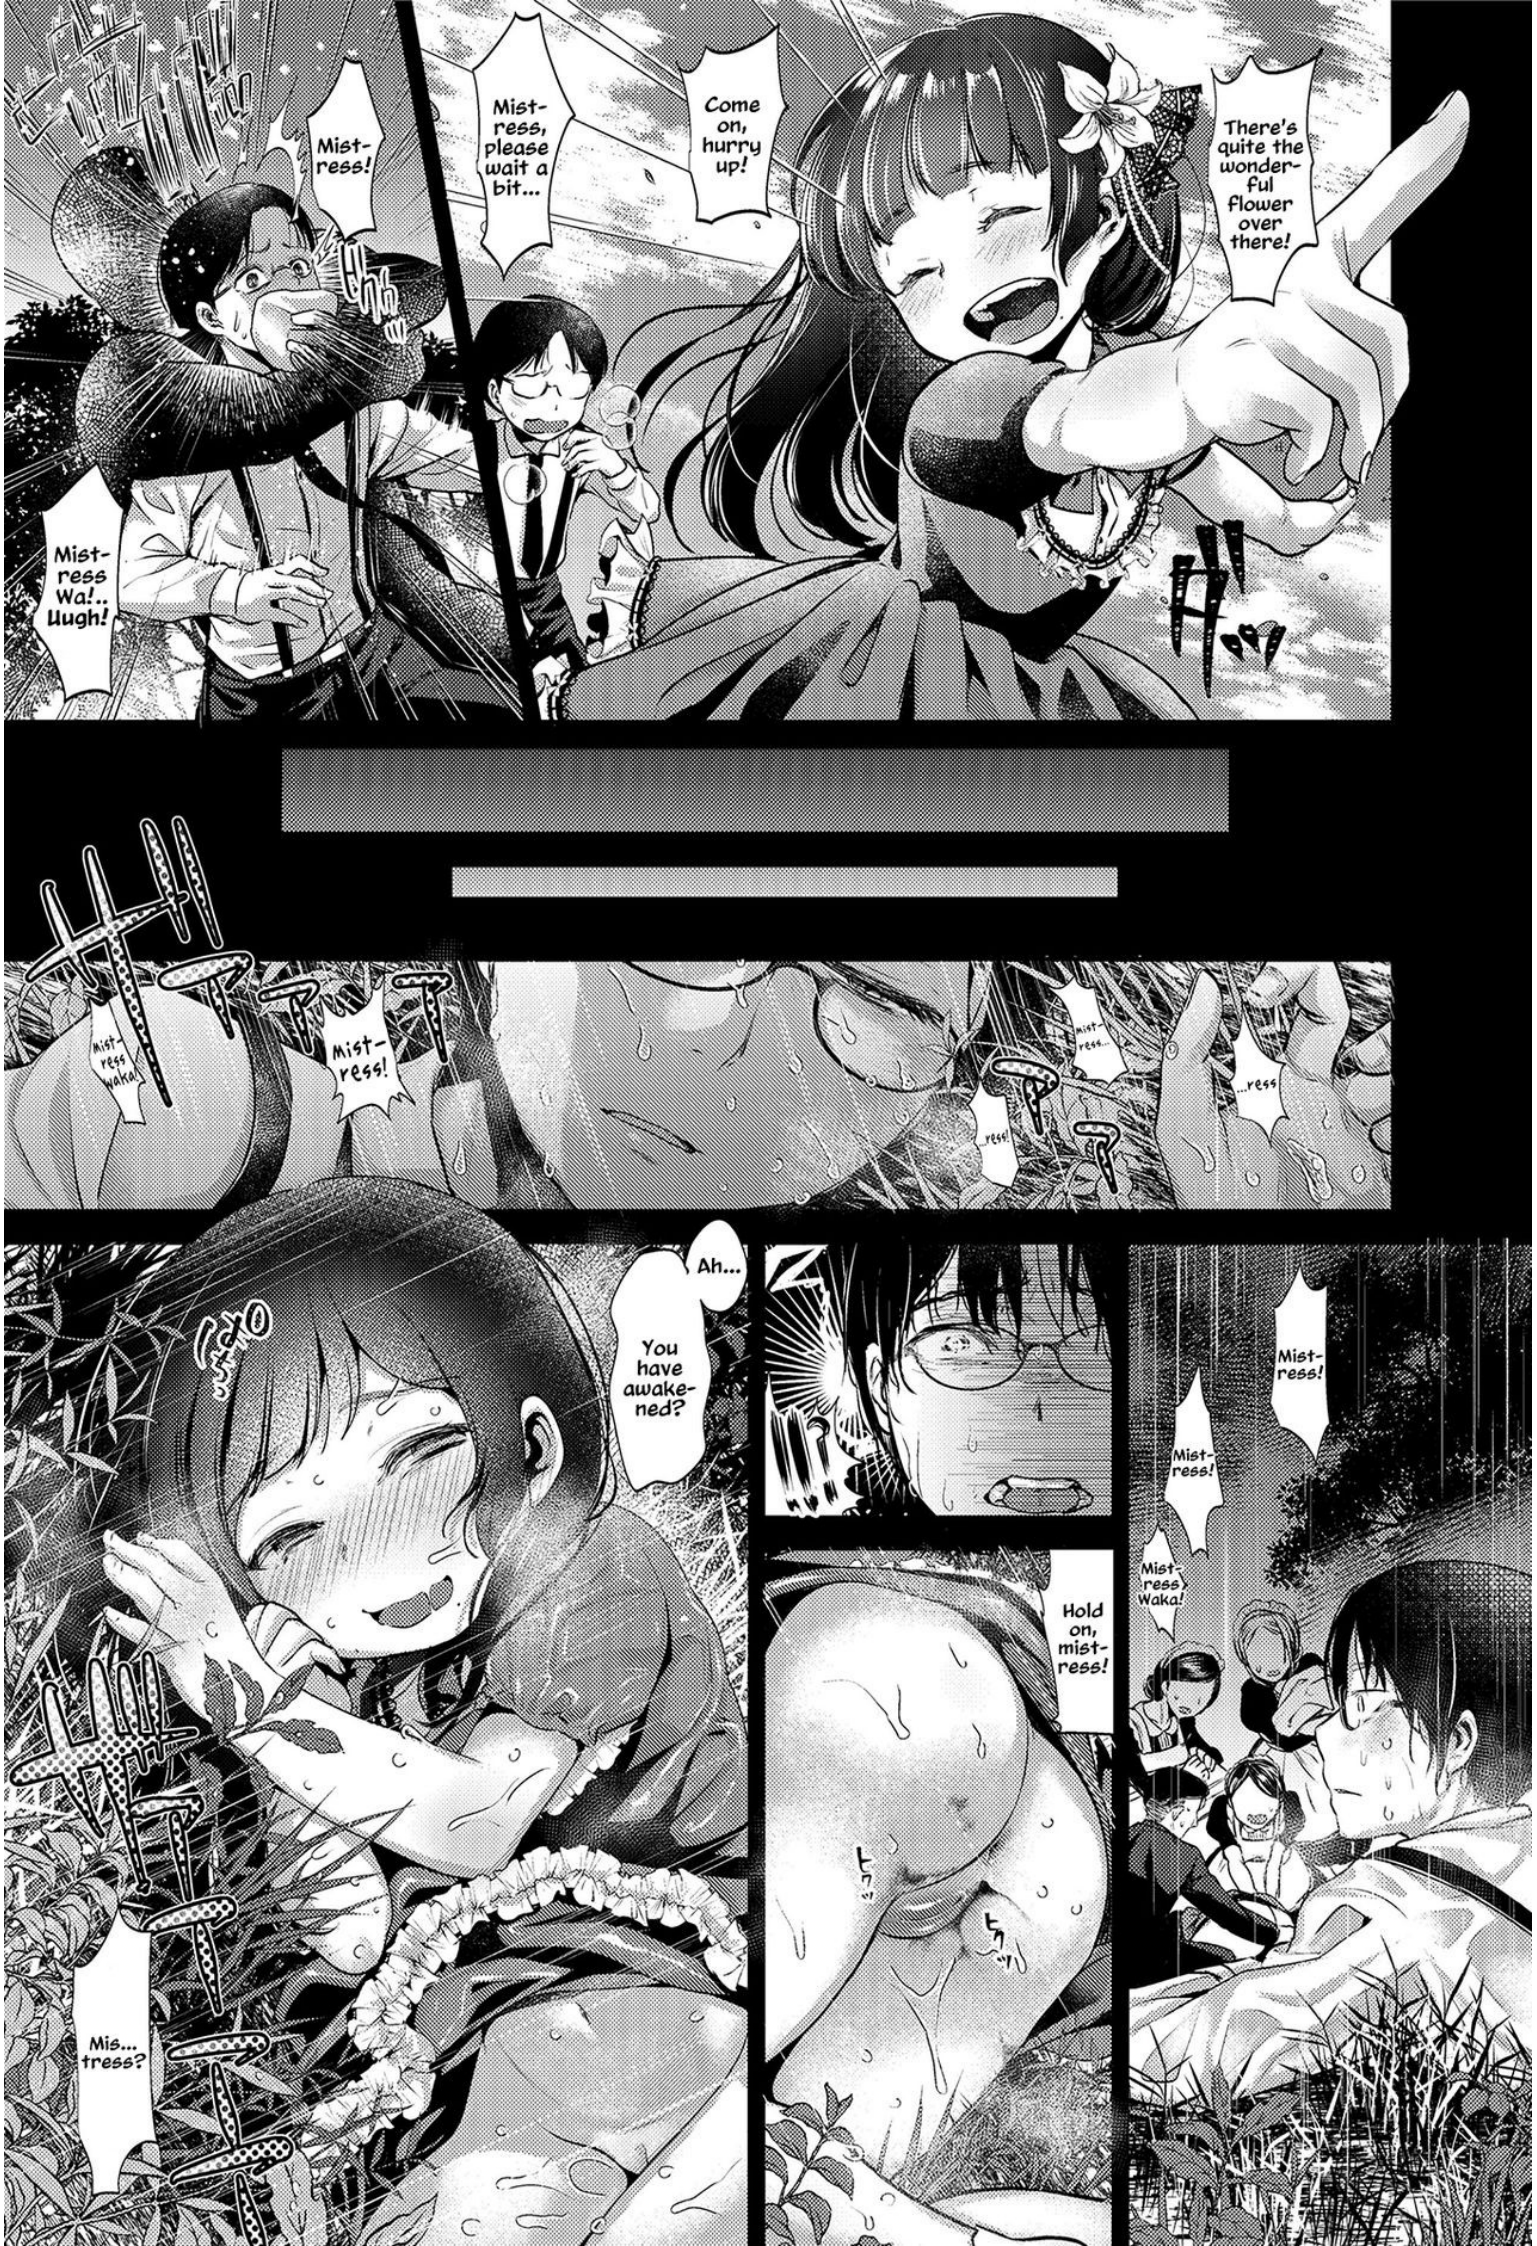
...is the greatest scandal of Yorizono company!
Mistress is liberally wild when it comes to sex.
YOU'LL BE EAGER TO SUFFOCATE IN THE HOLE BETWEEN HER HIPS RIGHT AWAY!
RENOWN MISTRESS DELIVERS HER DIGNIFIED FOOTJOB TO THE SEX-SLAVE!
How is it?
It seems your lewd rod has cum from me rubbing it with my nylon stockings.
Oh my...
Are you squirting now? ♥ How wonderful! ♥
Ufufu... I wonder, what hap-penes, if...

...I put your lewd rod in my vagina!
NGH
(I can't Mistress! I can't continue like this!)
I want you... to have a taste of my... meat garden♥
Nearly every day she carries out sexual intercourse in this manner.

After my parents passed away, the Yurizono Family took me under their wing and prepared me to become their servant.
This middle-aged man my uncle; he is a butler here.
You and I are the only male servants remaining...
The mistress is such a burden...
This is the third one that's left now...
How many people does that make it now...
退職届
*Letter of Resignation
When I first arrived at the mansion, and I couldn't even tell left from right...
The blame lies with me for making the young mistress so lewd in the first place.
Hey!
Are you the new servant?
Ah... I'm sorry, young mistress! I'll return to my post right away...
Are... you crying?..
If you come with me...
If you wouldn't mind, I could show you to my favorite place in the mansion.
...your pain and sadness both...
.....will be gently washed away by the beautiful landscape...



There's quite the wonderful flower over there!
Come on, hurry up!
Mistress, please wait a bit...
Mistress!
Mistress wa!.. Uugh!
Mistress Waka!
Mistress!
...ress
Ah...
You have awakened?
Mis...tress?
Hold on, mistress!
Mistress!
Mistress!
Mistress Waka!

Mist-ress!
Mistre...
Have no worries, I am fine...
What's more impor-tant now...
...today I learned something magni-ficent.
If you put gentleman's wee-wee into this hole...
And then make... ♥ rubby-rubby like this... ♥
My mind goes blank and it feels so good...
Mis... tress?..
...it would feel really pleasing, like a jolt of electricity was running through my body...
Aah... More... I want to do it more...
You there, you also... have a wee-wee?
Hurry, come here and put it in...
I was not able to do any-thing to stop that scum.
I repayed her kindness by letting the worst possible thing happen to her...

After that incident I have dedicated my all to protecting the mistress.
We have to bribe them large sums of money for them to keep quiet.
It is but a matter of time before outsiders find out about the young mistress' affairs...
The company will doubtlessly see great financial losses in the event this comes to light.
It will no doubt affect the young lady's future as well...
For the sake of the Yurizono Company, no matter how greedy the servants get, we absolutely must reform the young mistress!
But, what should we?..
I do have a plan prepared.

Old man! Old man!
What the hell is this thing?!
I can't pleasure myself in the morning like this!
Good morning, mistress.
Because the young mistress was sleeping so soundly yesternight I was able to install it with ease.
I... never asked for explanation!
Take it off me immediately!
Unfortunately, that is impossible, mistress.
The key will be required for that.

The young mistress will absolutely need to reform into a pure soul!
!!?
We averted our eyes for all this time, but now that the young mistress has reached adulthood...
For your near future husband's sake...
For quite some time, I have witnessed the young mistress' considerably lacking sense of virtue.
And so, because of what old man said...
Because I am not allowed to have sex...
I feel like a bottle without water...
At this rate I will definitely go crazy...
I can't reach climax with stimulation this weak!...
Before it gets to that...
In order to get this awful device off... I will have no choice but to find the key.
Ah, Hasebe...
He might know where the key is located...

Hasebe!
...Mistress?
A bat has flown into my room... would you please make it go away?
Haha!
That was easy...
It has been said that Hesebe is impotent, but he is a man after all, so thanks to my technique...
Young mistress! Stop fooling!..
Give in and cough up the information on where the key is located!
So this is Hesebe's lewd rod... The skin is wrapped up like a meat pie...
I have never seen a lewd rod that looks like this before
There is so much skin, I can not even see his tip...
Well, whatever...
Never before has my vagina been overflowing with excitement nectar like this...
Hurry!.. Take this lewd rod and stir my insides up!..

Young mistress. I beg your forgive-ness.
I am impotent. Please give up.
Why won't you get erect!
Why?..
Haa... Haa...
One day you will be head of the Yurizono Compa-ny...
You must get married and have heirs. The responsibility of ensuring the company's prosperity and good reputation lies with you, my lady.
To that end, you must develop self-control and endure it!..
...Mar-ried? Heir?
You don't even know how I feel...
Then...
I will tell you!
I...
Ever since I first laid eyes...
...on you, I've...

You merely stood aside, gazing at me with those apathetic eyes of yours...
No matter who I did it with...
Is it because you felt guilty?
I don't care about what happened back then...
S... so... th... this is... an order... won't you... please...
Fall in love... with me...
Mi...
Mistress Waka?..
The key...

Such a manly lewd rod...
Were you... hiding the key deep under your?..
I thought hiding it in my crotch would be perfect as I am impo-tent...
...but I can't lie to myself anymore.
Mistress Waka...
Ever since that time, I've also...
...longed for you.

I hate being so indecent but I'm... still sensit...
Fufu... I shall be savoring you...
To the very... last drop...

Mistress Waka... will you really let me?..
I beg you, Hasebe...

Oh dear, are you all out of energy?
We've only done it 18 times though...

Old man?..
Mistress... Congratulations to you on having your wish granted...
Old man... You knew... of my wish?
This feeble old man could see it all coming...
And now...
The young mistress doesn't seem to be satisfied yet, so I will take the liberty of...

...GHHA?!
Ooh... incredible!
My red-headed gladiator has snuggly entered your black colosseum, mistress!

W... what... What is this?!
But his dick is going...
His dick is going somewhere I've never inserted anything before!
My stom... His penis is digging and scraping its way into my stomach...
It feels soooo goooood!!!
I can't even think anymore...

Young mist-ress...

Congratulations, mistress Waka!
Long live the Yurizono Company!
Hey, man, your nephew's quite lucky, yeah?
Come on, saying that now?..
...has Hasebe even thought about getting married prior to this, heh?
Long ago... I got the impulse to touch a budding flower. The time for that flower to bloom has come.
I deeply regreted doing so...
Only admiring the flower would have been enough.
So from now on...
Eeh?.. What're you talking about with your flowers?
Are you still mad because because I skipped out on the gardening yesterday?
