...THE
SPECIFIC
METHODS
OF ERADI-
CATION
ARE LEFT
UP TO
EACH
INDIVIDUAL
GOD OF DESTRUC-
TION.

THESE WOMEN
ESSENTIALLY
ANNIHILATE
EACH OF SUCH
CULTURES
AND THEIR
PLANETS,
BUT...

...SUCH
IS THE
RESPONSI-
BILITY OF
"GODS OF
DESTRUC-
TION".

EXTERMI-
NATING
LIFE-
FORMS
WHICH
EXERT A
NEGATIVE
INFLUENCE
UPON THE
COSMOS...

Oh well,
it's fine if
I take care
of it like I
always do,
right?

H~
mmmm
...

Yes,
that will
be fine.

Ah!

...they're
researching
and trying
to observe
the truths
of our
universe,
...

Well,
you see...
They spread
pollutants and
contaminants
wherever
they go,
...

...and it's generally
feared they're
encroaching upon
our domain.
All these things have
been taken into
consideration...
or so it seems.

...they're
of a rather
miniscule
variety,
aren't
they.

The target
this time...
Its people are
almost identical
to us in
appearance,
but...

Wouldn't
it be
fine if we
just let
them
be?

Earth

The
inhabitants
call it...

This star
system's
third
planet...

There,
there it is.
That's the
planet.

ズ

Wouldn't it be better to just get one of the smaller girls to do it...?

Is there even a need for ME to be responsible for a world like this one?

Hmmm~...

ゴ

オ

オ

ク

Wasn't it because we were the closest~?

GOD OF DESTRUCTION: RISTY
SIZE: APPROXIMATELY 17KM

オ

...IN RISTY'S
CASE,
DUE TO HER
ORIGINAL SIZE
BEING FAR TOO
COLOSSAL,
EVEN IN THE
STATE WHEN
SHE SHRINKS
TO HER
UTMOST LIMIT
SHE'S STILL
17KM TALL.

GODS OF
DESTRUCTION
ARE ABLE TO
FREELY ALTER
THE SIZE OF
THEIR BODIES,
HOWEVER...

THE FAMILIARS LINKED WITH
EACH GOD OF DESTRUCTION
CAN REDUCE TO 1/1000 THEIR
MISTRESS'S SIZE.

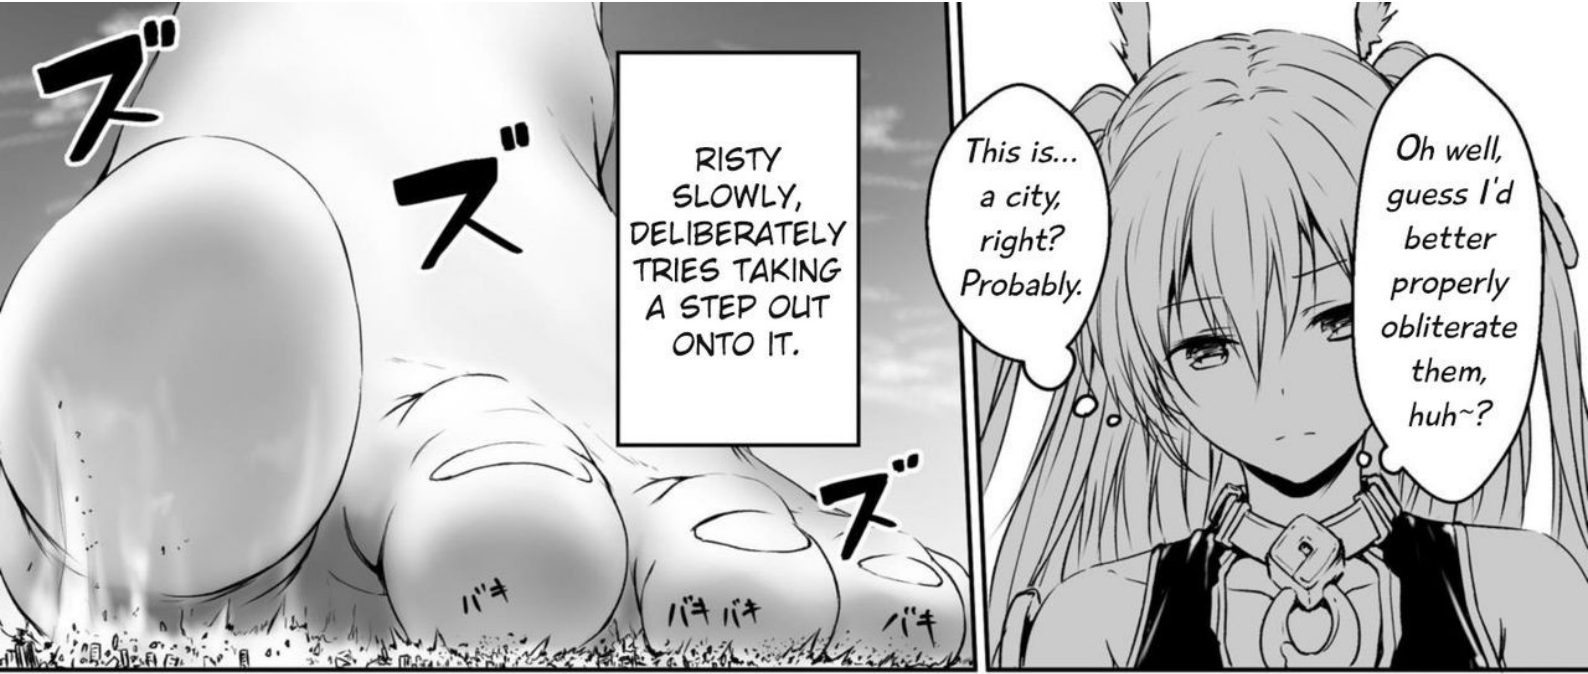

I'm the
perfect size
for this
though,
so it really
helps~

RISTY'S FAMILIAR: LUNARNA
SIZE: APPROXIMATELY 160M

They're
only at a level
where their
cities are a
vague tickling
under my feet,
huh...?

I only kind of
know they're
there because
I can feel
something
crackling
down there.

RISTY
SLOWLY,
DELIBERATELY
TRIES TAKING
A STEP OUT
ONTO IT.

This is...
a city,
right?
Probably.

Oh well,
guess I'd
better
properly
obliterate
them,
huh~?

NATURALLY,
EACH AND
EVERY SINGLE
ONE OF HER
FOOTSTEPS....

THE SIZE
OF HER
SOLE IS
ABOUT
2.5KM.

...BECOMES
AN
UNSPEAK-
ABLE
CATASTROPHY
FOR THOSE
BELOW.

AND THE
NUMEROUS
OFFENSIVE
STRIKES
THEY
LAUNCH...

HER HEEL

AGAINST
THE OVER-
WHELMINGLY
TITANIC
WOMAN...

...ARE
LITTERLY
POWERLESS
TO FAZE HER.

...from the clusters of their tallest buildings?

I wonder if I can get a bit of stimulation ...

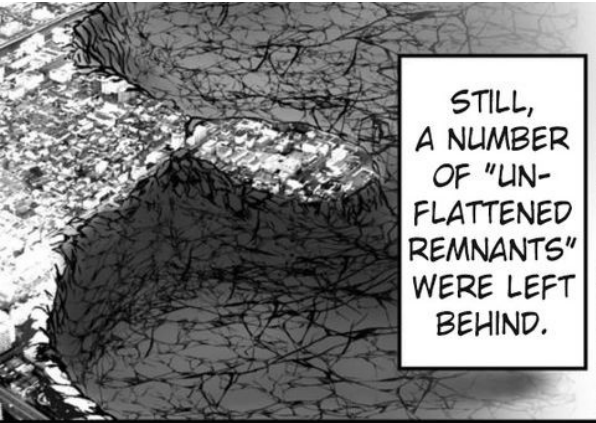

If there's this many of them crowded together, it feels passably decent...

Oh! I can actually feel them a little...

AND IN THIS MANNER

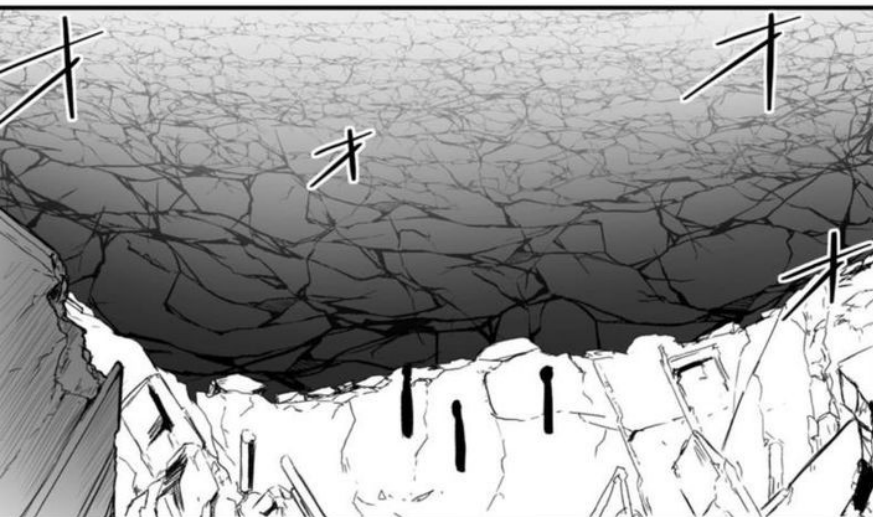

But not even as nice as a disposable massager ...

STILL,
A NUMBER
OF "UN-
FLATTENED
REMNANTS"
WERE LEFT
BEHIND.

...MAINLY
USING
HER FEET,
RISTY
CONTINUED
HER APOC-
ALYPSE.

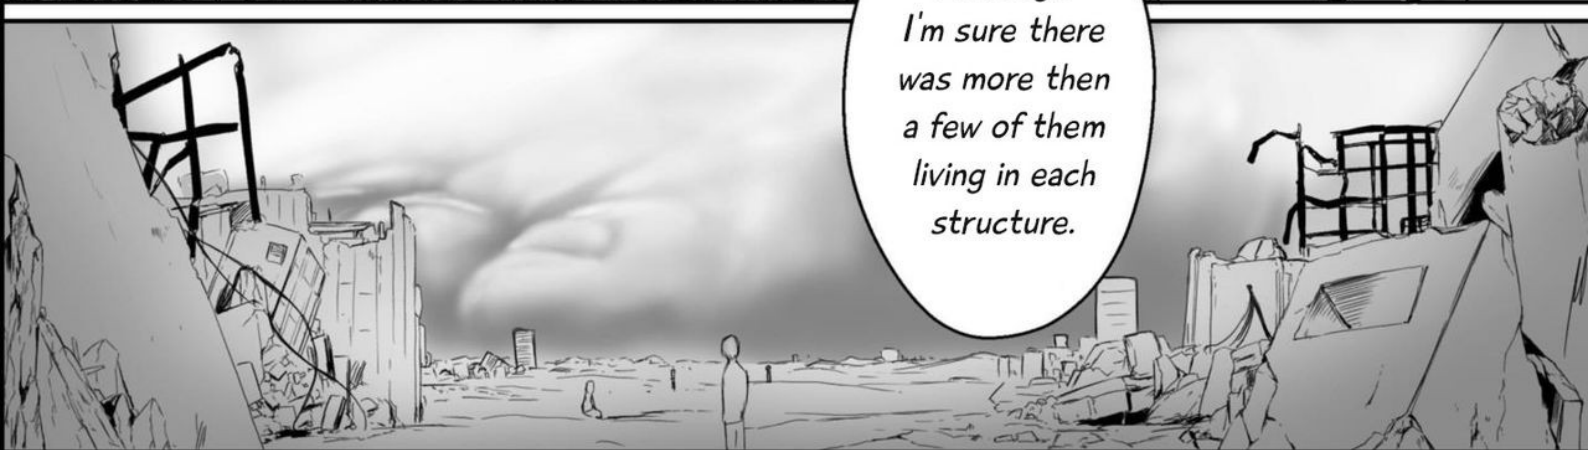

HOWEVER,
THERE
BEFORE THE
PEOPLE WHO
HAD JUST
BARELY
MANAGED
TO SURVIVE,
APPEARED

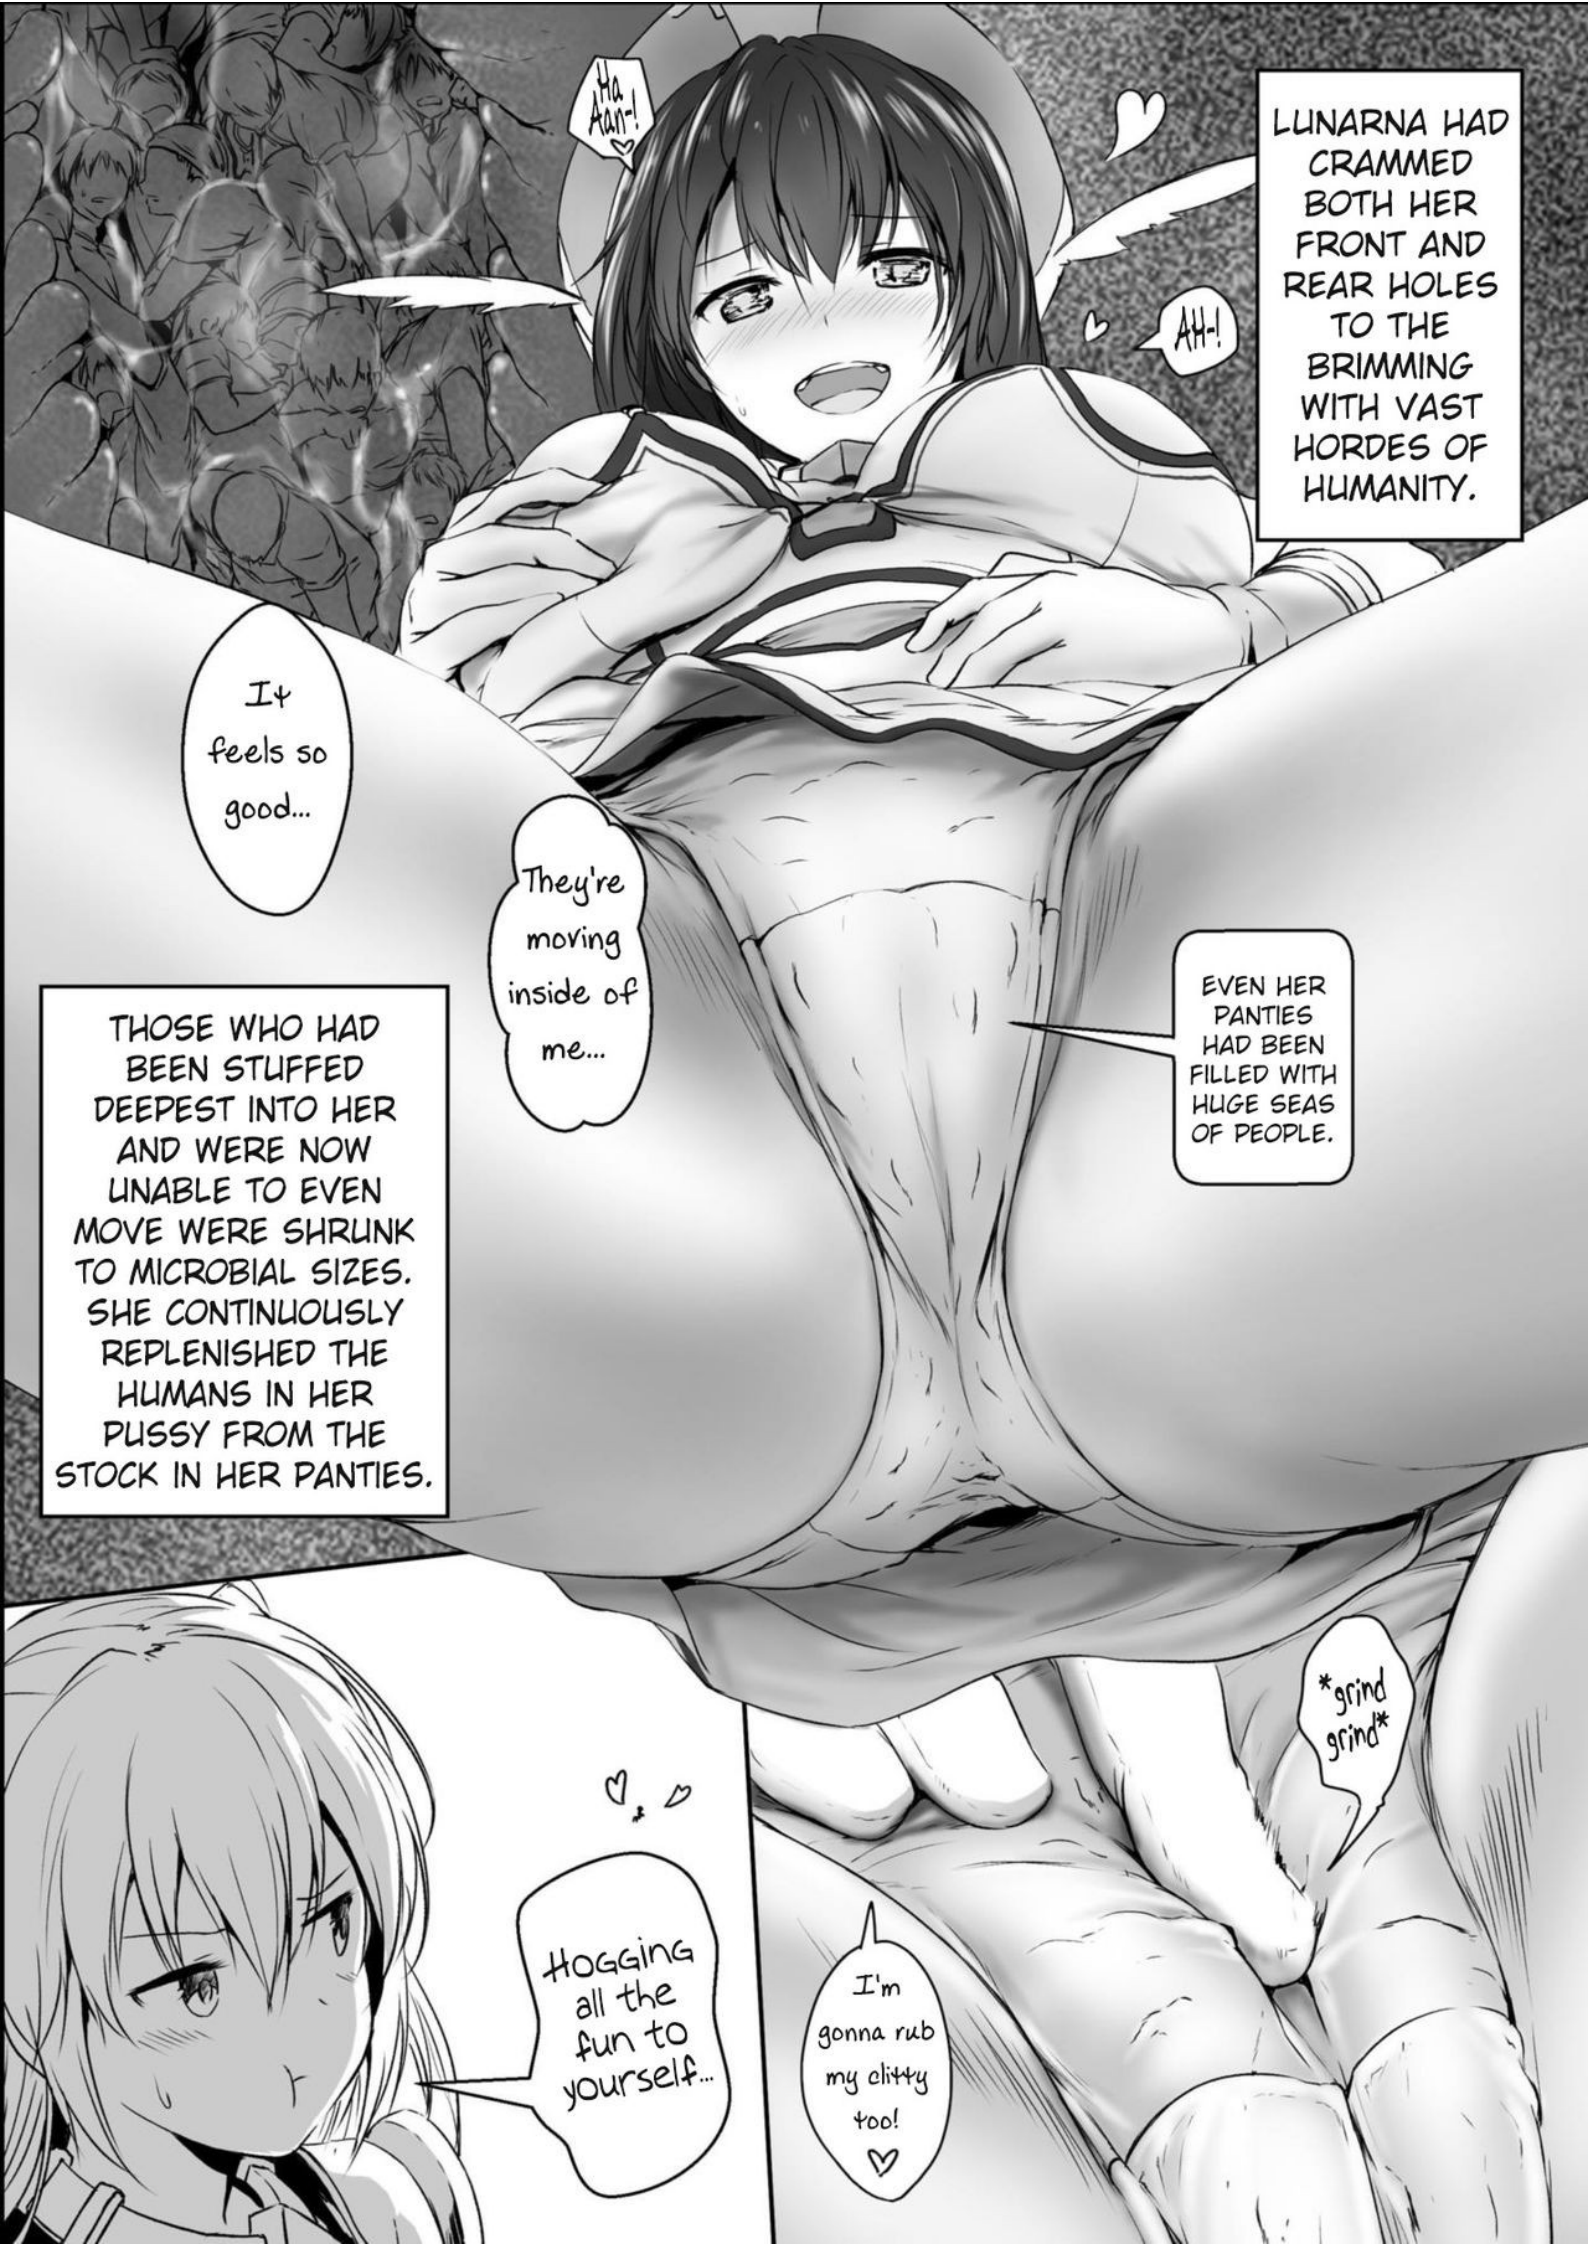

The nerve
of them,
building these
in such great
numbers.

Although
I'm sure there
was more than
a few of them
living in each
structure.

There's
actually
QUITE a large
amount of
them in the big
buildings~!

LUNARNA HAD
CRAMMED
BOTH HER
FRONT AND
REAR HOLES
TO THE
BRIMMING
WITH VAST
HORDES OF
HUMANITY.

AH-!

Ha
Aah-!

It
feels so
good...

They're
moving
inside of
me...

THOSE WHO HAD
BEEN STUFFED
DEEPEST INTO HER
AND WERE NOW
UNABLE TO EVEN
MOVE WERE SHRUNK
TO MICROBIAL SIZES.
SHE CONTINUOUSLY
REPLENISHED THE
HUMANS IN HER
PUSSY FROM THE
STOCK IN HER PANTIES.

EVEN HER
PANTIES
HAD BEEN
FILLED WITH
HUGE SEAS
OF PEOPLE.

*grind
grind*

Hogging
all the
fun to
yourself...

I'm
gonna rub
my clitty
too!

I know.
If they're all
too tiny on
their own...

RISTY SUCKED
UP COUNTLESS
HUNDREDS OF
SKYSCRAPERS,
AND
COUNTLESS
THOUSANDS
OF OTHER
BUILDINGS...

...ALL
CONTAINING
COUNTLESS TENS
OF THOUSANDS
OF HUMANS,
AND ASSEMBLED
THEM INTO ONE,
MASSIVE SUPER-
STRUCTURE.

Something
like this
will do,
I suppose.

I can't even
imagine how
miserable what's
about to happen is
going to make the
humans living
inside.

Here we go...

EVEN WITH THE COATING RISTY HAD APPLIED FROM HERSELF TO THE GARGANTUAN COLUMN MADE FROM THE CITY'S BUILDINGS, BITS OF IT WERE STILL BEING SLOWLY SHAVED OFF.

Haa ah...

sigh

Mm mnn-!

SOME PARTS CRUMBLIED AND PLUMMETED, OTHER PARTS STUCK TO HER WOMANHOOD.

OTHER PARTS OF THE CITY GATHERED IN HER FINGER WHORLS OR UNDER HER NAILS.

ズ"ッ

ズ"ッ

ズ"ッ

I wonder what the humans inside there are feeling right now.

Being treated as just some part of my masturbation toy... Uh-uh, even lower than that...

I'm almost...

Ahn!

ズ"ッ

Mm-!

Haa...

Haa...

THE HUMANS INSIDE BRIEFLY CAME TO REALISE...

ドガン

ドガン

I guess that actually did feel a bit pleasant...

...JUST EXACTLY ...

...HOW INFINITESIMAL THEIR EXISTENCES WERE---

Risty-sam~
aaaaa~

I wonder,
did I
enlarge
myself a
bit just
now?

RISTY: 170KM

****THEIR ORIGINAL SIZE IS SO MIND-BOGGLINGLY STUPENDOUS THAT SHE DOESN'T PERCEIVE THIS AS MUCH OF ANY CHANGE AT ALL.**

And we only
just grew a
smidgeon**
bigger
anyway.

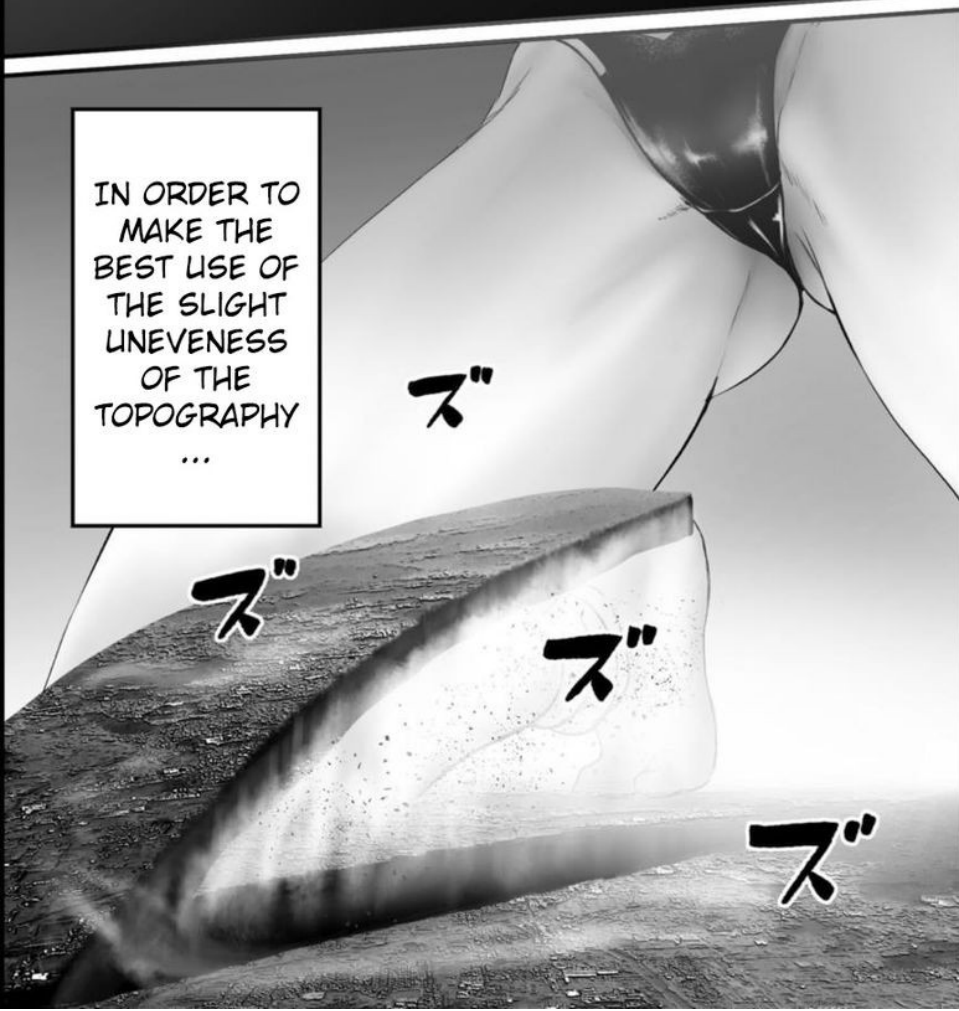

When
I've shrunk us
THIS miniscule,
it just happens,
you know?

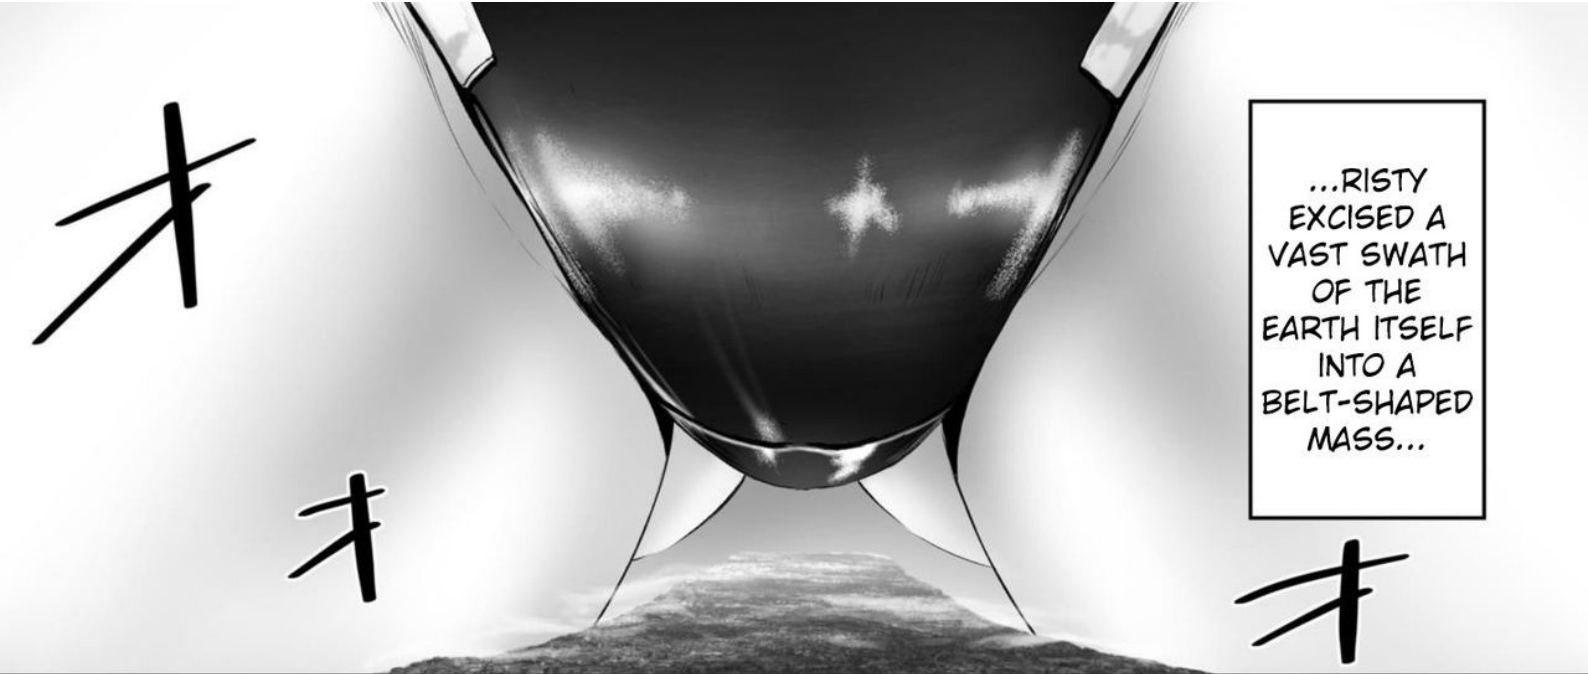

The humans
I'd finally
been able to
stuff
myself with
were all
mushed to
paste-!

Please
don't just
GROW all
of a
sudden like
th-aaat-!

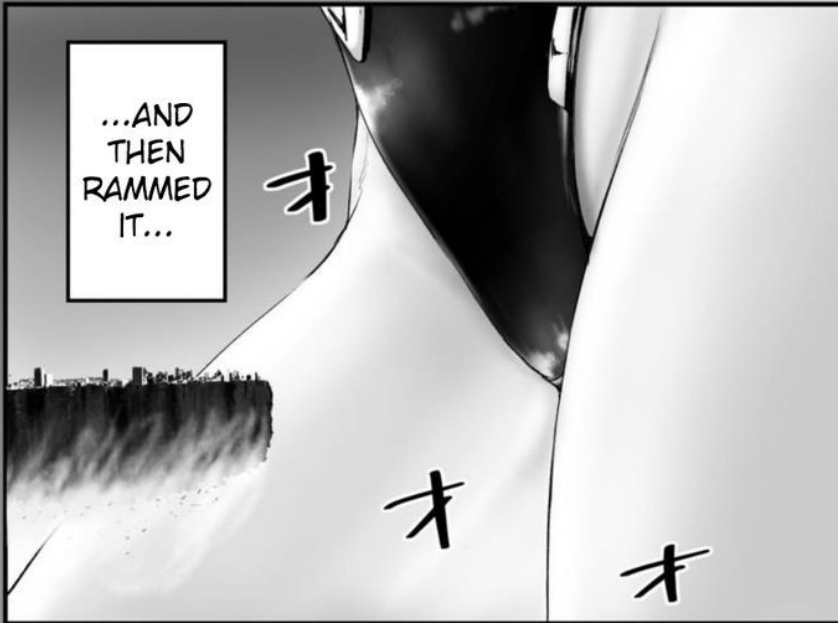

Sorry,
sorry.

LUNARNA:
1,600M

...RISTY
EXCISED A
VAST SWATH
OF THE
EARTH ITSELF
INTO A
BELT-SHAPED
MASS...

...AND
THEN
RAMMED
IT...

...INTO
HER
OWN
PUSSY.

This
might be
REALLY
good!

It's
rubbing
right
against
my clit!
♡

It's
pounding
me so
much~

Hahn~!
♡

In that case, I'll take what I'VE got over HERE...

Looks real intense over there~

...and enjoy myself however I like, shall I?

...I wonder if the males on this planet...

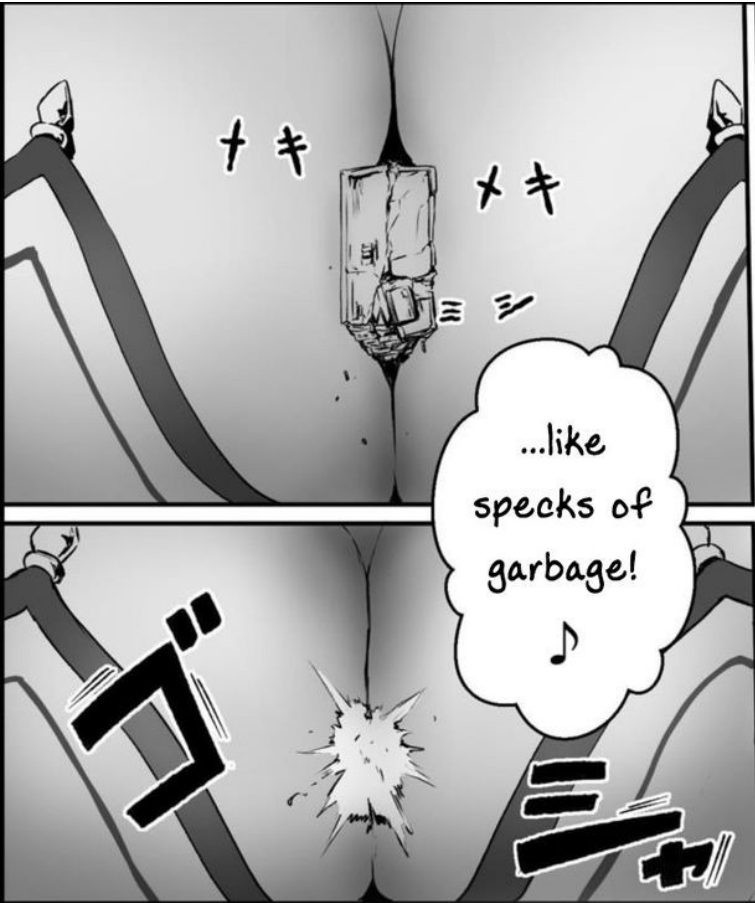

...would get aroused when they see my panties and things like that?

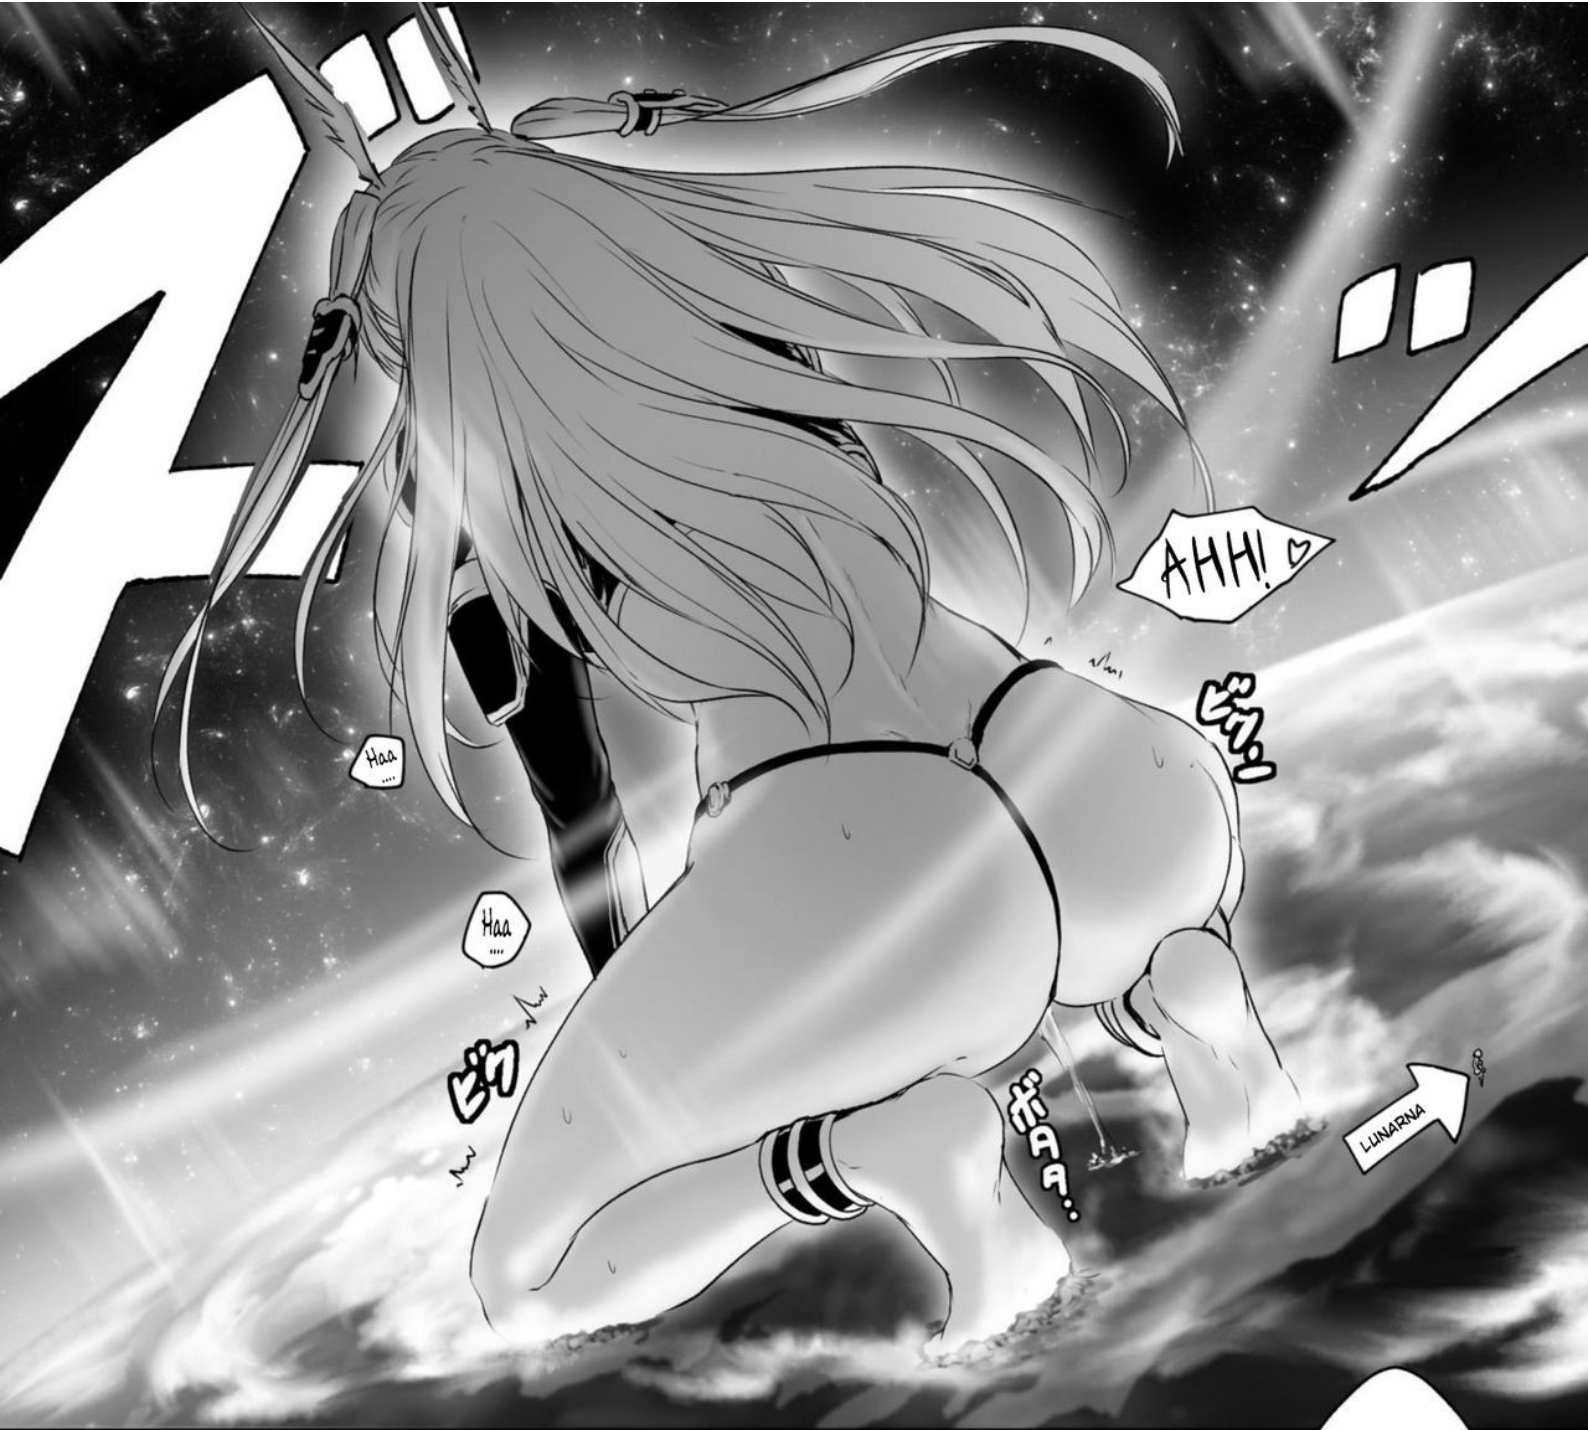

Cause I'm gonna crush everything!

Guess there's no use in thinking about that kinda stuff.

Come to think of it...

Oh well.

...it seems
that the
habitation factor
of this planet's
humans tends to-
wards wide-scale
diffusion.

I've been
surveying
since we
arrived here,
and...

Seems like
it'd be a good
idea to annihilate
their entire solar
system along
with them.

LUNARNA: 17KM

Risty-
samaaaa~

I've
got
it~

With them
being *THIS*
miniscule they
might as well not
be able to mount
any resistance
whatsoever~

IN
REALITY

RISTY'S FOOT
↓

Although,
as for ME,
looks like I can
still have lots and
lots of fun at
THIS size~

THE SCALE
OF HER FEET
WAS SUCH
THAT ONE
COULD
FULLY
ENGULF THE
ENTIRE AREA
BETWEEN
THE TOKYO
AND
NAGOYA-LINE
STATIONS.

HAD
GROWN
FAR TOO
MONO-
LITHIC.

...I have to
wonder what I
must look like
to the humans
below.

It's about time I finish this up.

Well, that's enough of this.

It's up in my crotch! ♡

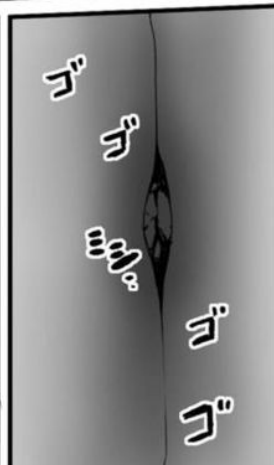

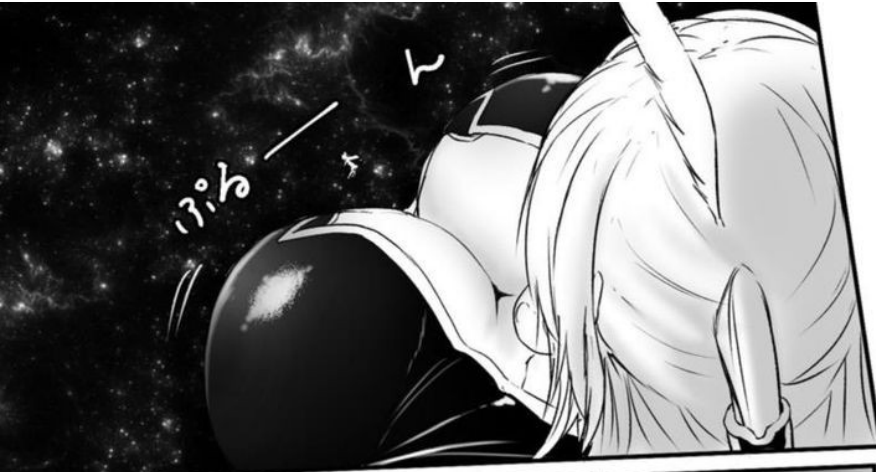

Oh no! ♡

You blew us up huge in one go, huh~?

Dopsie!

RISTY:
17,000,000KM

LUNARNA:
160,000KM

Let's put
on the
finishing
touch!

I grew
us way
way too
big,
huh?!

THE SOLAR
SYSTEM IS
SOMEWHERE
AROUND THIS
AREA

Woah,
TEENY!!

RISTY:
APPROXIMATELY
45-BILLION KM

Ahaha!

Our work
here is
done.

Being
stuck at such a
cramped size for
awhile really
tightens you up,
just like I
thought...

Sigh

Phew!

When we
get home
let's brew
some
tea.

There
are hundreds

Growing all
the way back up
to our original
sizes from here
is a bad idea,
you know?

あとがき

こんにちわ。はちみつです。

紆余曲折あって巨大モノになりました。

という神様系のキャラだと、
あまり物理法則を考慮しなくてもいいので
話はつくりやすいですね。

本文をグレースケール仕様にしたのですが
非常に手間がかかってしまいました_(:3」∠)_
デジタルの強みが出せる部分なので
もうちょっと効率化できるように考えます。

地球の人類は駆除対象になりました
