Original Girls Love Comic

It was after the glaciers loosened their icy grip on the planet, when the world grew warm and lush with greenery.

An age before the dawn of history.

You'd just be deadweight anyway.

It's fine if you don't come.

I don't have to be like them.

...It's okay.

Even if you can't swim, you can ride the boat, right?

You're not going to the sea with everyone?

and I started to enjoy making gifts for her.

Each time she would arrive with a friend,

No, it's-

You're so good with your hands, Yuuri.

Thanks!

!

It's a small pouch this time? So cute!

...Huh?

Would you like to become my wife?

You're always giving me things.

Do you like me?

Don't tease a young girl like her!
My bad ♡ Sorry!

She compliments me on what I'm good at.

It's been several years since we first met.

I hadn't thought about it...

I'd love to be in a place where someone appreciates me.

Without any friends in this village, my happiest moments are the ones I spend with her.

If I said yes, would she take me away?

Next time we meet...

きりや

Smoke
Mountain

Kidaha left her hometown and became a wandering traveler, but the number of her comrades kept growing, so she finally settled down on the side of this mountain several years ago. The biggest reason she chose this location was due to the excellent hot springs.

The volcano is active, but appears to have settled down for the moment. The lower half of the mountain is surrounded by steam from the hot springs.

1

Hot springs.

A bath for beautiful skin. The rock pools were dug with much effort by the women. Sometimes they encounter monkeys.

This feels good.

If the world could be this kind

to me all the time...

-uri.

Yuuri!

It felt so good my mind just sort of drifted off...

fufu

...AH!

Getting sleepy?

DON'T
STAND
IN
THE
ENTRANCE!

YOU'RE IN
THE WAY!

Fana-
agh!

Looms.

Wow.

There's
so many
kinds of
thread...

So
pretty...

She's her
wife,
too?

!

sob sob

Oh, it's
Kidaha.

Why are
you so cold
to me,
Fana...

ty

I'm busy
right
now.

Don't
take it
personally.

...Hey,

Y-Yes.

Why?

Huh?

Ruud

Takes care of the children.

*Had a lot of problems living in her village, so when Kidaha asked her out, she was eager to go.

Mona

Hunter. Strong and laid back. Acts as an escort when someone needs to make a trip.

*Kidaha's face was just her type.

Katora

Hunter. A nice girl.

*Agreed to join because Kidaha said, "You'll get to eat a lot of delicious food."

Kotono

Butcher. Looks young, but she's older than Kidaha. Going out with someone else at the moment.

*Came along because Kidaha's face was her type, but now she thinks it was a decision she made on the spur of the moment.

Nanato

While traveling, Kidaha spotted her wandering around with no place to go, so she brought her along. It wasn't a kidnapping.

Really.

Mifuri

Makes clothes. A nervous young adult.

*Was so happy about being asked out she said yes right away.

Io

Makes medicine. Grew up in the same village as Kidaha, and her very first wife.

They've been together for a while, so they're really close.

Mead

Made by diluting honey with water.

It's sweet.

Many methods exist to tan leather.
Beating and scraping it is one way to soften the stiff dried hide.

29

So she
doesn't care
too much
about
appearance?

Oh, this
stain's not
coming
out.

Should
I cover
it with
embroidery,
or maybe a
patch...

It's natural
for clothes
to get worn
out during
work or play,
isn't it?

じー...

ズバッ

Your clothes
aren't good
enough.

...

Her words are
harsh,

but her stitching
is beautiful.

The attention she
put into these
clothes is obvious
at a glance.

Um... I'll do
what's left.
Please rest,
Fana.

Okay.
I'll let
you
take
care
of it.

What about me?

You're
always
so busy.

I have
a lot to do.
There's hemp
collection and
I have to
prepare the
summer
clothes...

Well,

I haven't
spent any
time with
you in
a while,
Fana.

Some-
thing
happen?

Is it
Yuuri?

there

There's
some-
thing
on your
mind.

ah

STOP
POKING
ME.

Hm?

I know. We're
all grateful
for what you
do, Fana.

...

And I've slept with her a couple times, too. What's the big deal?

It's too late. She's beyond help.

How long do you think I've known Kidaha for?

This is more than familiar to me.

You should join us too, Fana!

Oh, did you just finish?

Kotono... Don't you have any sense of delicacy?

giggle

That face suits you more.

I saw the real you

for a moment.

Fana?

I'll find suitable clothes for you soon.

Oh, and don't pull any more all-nighters.

U-
Um...

IT'S OKAY!
I'LL FIX YOUR CLOTHES. IT'S OKAY!

Just leave those idiots alone.

Never expected a scolding from her, frozen in shock.

WE'RE SORRY...

ずーん...

I came because I wanted to ask about you, Fana.

So please,

and why you're scowling all the time, even though your smile's...

so wonderful...

I want to know how you feel about me...

I'm being weird.

What am I saying...

And what kind

of face were you making earlier...

could you tell me yourself?

I want her to touch me.

Tell me...

My chest hurts.

I've never felt like this before.

I'm scared, but I want her to recognize me. She's all I can think about.

I hate it.

...I was born with this face, alright? I'm sorry!

As for what I think of you...

58

I can't believe

Fana's licking my body

mn...

mh...

ん
ん

ん
ん

Go to sleep.

Um, that's my wife you're-

Ah...

う
す"

Kyah!

You didn't have to get up.

But her voice was so cute!

H-How would I know that?

Tell us where it feels good,

where you're most sensitive.

If you don't know, we'll end it here.

No...

Keep going... Please!

What?

No!

On my
lips...

ha...

mnn...

ん
ん

ん
ん
ん

ん
ん
ん

mnnnn

ん
ん

ん
ん

ん
ん
ん

I couldn't
see any
effort in
your outfit.

It's a shame
to wear
clothes you
don't like.

ん

I'm
glad...

She's
such a
workaholic.

Fana's been
obsessed
with your
outfit this
whole time!

You
thought
she didn't
like you?

Kidaha!

Um,
you said

I wasn't
suited
for
making
clothes...

Eek!
I'm
sorry!

I DON'T
LIKE GIRLS
WHO CRY!

Scary-

I'm sure
they'll be the
clothes that
suit you
best.

My
own
outfit!

Please

let me
make
it!

But
I...

I may not be as
good as you,
Fana...

Go for
it.

Hm...

Fana

Migrating from place to place with her family, Fana lived a strict life, until one day she met the girl who started her own village. To the fourteen-year-old Fana, she was quite mature, and more impressive than any of her previous suitors.

Thanks to her, Fana was able to build the workshop of her dreams, and now she is putting her all into her work for her friends.

Fana still has a lot of respect for her first love, someone who helped her become who she is now. It may look as if she's rough with her, but she's not... probably.

4

I love
you.

I'm almost done.

Fana!

What do you think?

I wet it and curled it!

Oh, this?

it is wavy

What did you do with your hair?

that's
what I
did.

Yes,
and

DIDN'T I
TELL YOU
TO MAKE
THEM THE
WAY YOU
WANT?

DON'T
TRY TO
IMITATE
ME!

EVEN
YOUR
CLOTHES
LOOK LIKE
MINE!

So I
thought

I never experienced
this before! It was
so much fun.

Using only the
cloth and thread
I wanted.

Picking out my
favorite colors,
my favorite
shapes.

just like
you,
Fana.

I want
to make
everyone's
clothes like
this too.

For each
of them,
person by
person,

but it's what I wanted. Isn't that fine?

It might be naive,

I wanted to get closer to you, even if it's just on the outside.

So I started with looks.

But...

Foolish.

かー...

THAT WASN'T PRAISE AT ALL!

You're praising me? I'm glad!

Huh?

It wasn't?

OF COURSE NOT-

It's better than before.

fuah...

It's a little scary.

ahh!

ah!

She's not like Kidaha.

She's swallowing me up.

ah...

haa

haa

But... I'm fine.

Since it's Fana.

ahhh~

~

ah

~

きゅん

ふっ

きゅん

Feels so good... Yuuri!

mhn...

haa

mhn

soft

warm

like I'm melting

driving me wild

our nectar's mixing together

ah... ah!

ah!

ah~

ah...

ah

haa

Yuuri. I'm-

no!

haa

Kidaha's important to me.

Fana might become someone irreplaceable to me.

That's how I felt then.

Two
years
later.

and set
up our
home next
to the
workshop.

Fana
and I
left
Kidaha

I don't
mind,
you
know?

And
haven't
you gotten
some more
new wives?

We
needed
to draw a
line, emo-
tionally.

IT'S NOT
ABOUT THE
NUMBERS!

I'm fine
with how
we were
before-

Joiners
and Leavers.
Haven't you
been busy?

Can I
cry?

You knew
they were
getting
along from
the start,
didn't you?

Stop
peeking
at us,
Kotono.

hahaha!

And go
away!

Yuuri
must have
it hard. She
may not
look like it,
but Fana's a
real beast
in bed!

WHY DON'T YOU
HELP US WITH
SKINNING NEXT
TIME, HUH?

...Anyway,

Aren't you scared?

...

Since you're always going on trips and visiting places.

Not being able to walk or run anymore...

You're fine, then.

I'm bored!

I want to cuddle with a girl soon.

Are you still scared, Yuuri?

I'm not.

If something happened, I'm sure everyone would help me.

Kidaha and
Fana are
there for
me, too.

I'm sure
everyone
would help.

If I was
drowning,

...No.

I'm

not
scared
anymore.

The End.

■Afterword

Thank you for reading.

This is a continuation to the "Earth Girls" that was released back in 2013, but the story is completely separate, so there's no worry about reading this by itself.

It's been three years since the release of the last book, so I wrote this pretty much as a new work in order to be as accommodating to new readers as possible. Chronologically it's set about two years after the previous story. It's the same stage, so the same characters appear.

The world is how I imagined it to be if we turned the clock some N-teen thousand years back. Try not to be too critical about the details.

I had my doubts back when I was drawing the original, so I was surprised by how well-received it was. It made me think, "you're all so accepting." It was supposed to be a one-off story, but for some reason I was in the mood to draw a yuri harem set in the great wilds, so I drew a sequel.

The method for making mead is simple, but making it at home in modern-day Japan would be a violation of the Liquor Tax Act. Too bad. I haven't tried any of the commercially available brands yet, so I'll be looking into that.

The "Earth Girls" book published in 2013 has been sold out. It is still available digitally. Those interested can find it on MelonbooksDL or DLsite.com.
