Ah...
Uwaaah!
Hi?

The second she put it in, my cum came gushing forth and overflowed like a dam had burst.

I'm cumming so much it feels like it's gonna dislocate my hips!

Her womb is sucking me into her deepest parts. It's like it's kissing me.

Every time she pulls away, her pussy coils around me like it doesn't want to let go.

I'M GOBBLING UP YOUR PENIS, YUU-KUN.

Her tentacles are also tangling around me and stroking me to the rhythm of our hip movements...

I love
you...
I love
you....

Thank you very much for buying this book.

This is the version of *An Elder Sister* that isn't for kids.

There are two themes this time:

- 1) Chiyo supporting(?) Yuu-kun while he studies, and
- 2) Starting out with a similar atmosphere to the serialization, and then smoothly transitioning into a porn manga.

The great thing about this series is now it blurs the line between all ages and 18+.

I want to experiment some more next time.

Next is the winter Comiket. Please keep supporting Chiyo-nee and Yuu-kun.
