Ahaha!

There's no way they'll find out!

C'mon, cut me some slack!

Is it really okay to skip class like that...?

Eeh...?

I'd ruin this smashing suntan I got at the beach...

What?! You have no Fashion sense! I'd prefer to go out naked rather than wearing that!

They're not that embar-rassing, I kinda like them...

I mean... Don't you think our new swim-suits really suck?

I'd look like a Freaking zebra!

If I went to the pool like that,

Besides, we're forbid-den to use sun lotions at the pool, right?

Ahahaha!

Ehehe!

I don't wanna get into the same water as those disgusting Filthy boys ever again!!

Wahoy!

And last but not least,

Yay! ♥

See ya, and have fun in your swimming class!

Alright, I'm gonna turn in the medical report! ♥

You haven't even been in a single swimming class this summer!

@ Afterword @

Hello, I'm Guglielmo.
Glad to see so many new faces!!
I finally managed to release the
exhibitionism/humiliation story
I wanted to draw a year ago.
I wanted to take my time with
the stuff before she got naked,
so one book won't be enough.
I'm going to draw the sequel
eventually. All sorts of incidents
and accidents will happen on
the way back from the pool
to the classroom...

I want to draw something
where really horrible stuff
happens eventually.
See you again sometime.

Plainclothes:
I drew them,
but they didn't
appear in the
story.
