Yoshikawa-san and  
Sugawara-kun  
Vol 2

## Preface

This story happens in a pool!

Not exactly, I also danced a scene before, Where they are changing clothes. Boys and girls are changed using a Towel in the same classroom...

It's a paradise!

...However I could not draw the scene exactly with what I had in mind, even if I drew every scene where they are undressing in detail, even though I was compelled to.

I finished this work of some Karma but the first edition Was full of mistakes! That's why we got some bodies here and there In the second edition

You feel like you've redissed "Yoshikawa—sun And Sugawaru—kun 'this time after bunto time. It is very important to the unnamed child who is Yoshikawa—sun and Suguwara—kun with the idea of dis—history.

(Suguwura—kun's sister does not appear this time in the history. My sincere apologies!)

Without more to add, to read and I sleeve! Lusto ~

すと〜

Today's class  
Plays  
by the pool.

...  
but

Now it's time for the  
erection inspection!

Will all  
the boys gather  
in front of the  
blackboard  
please.

There  
is no  
remedy

As soon as  
you finish here,  
proceed to the  
pool! Okay?

Now?

At Last!

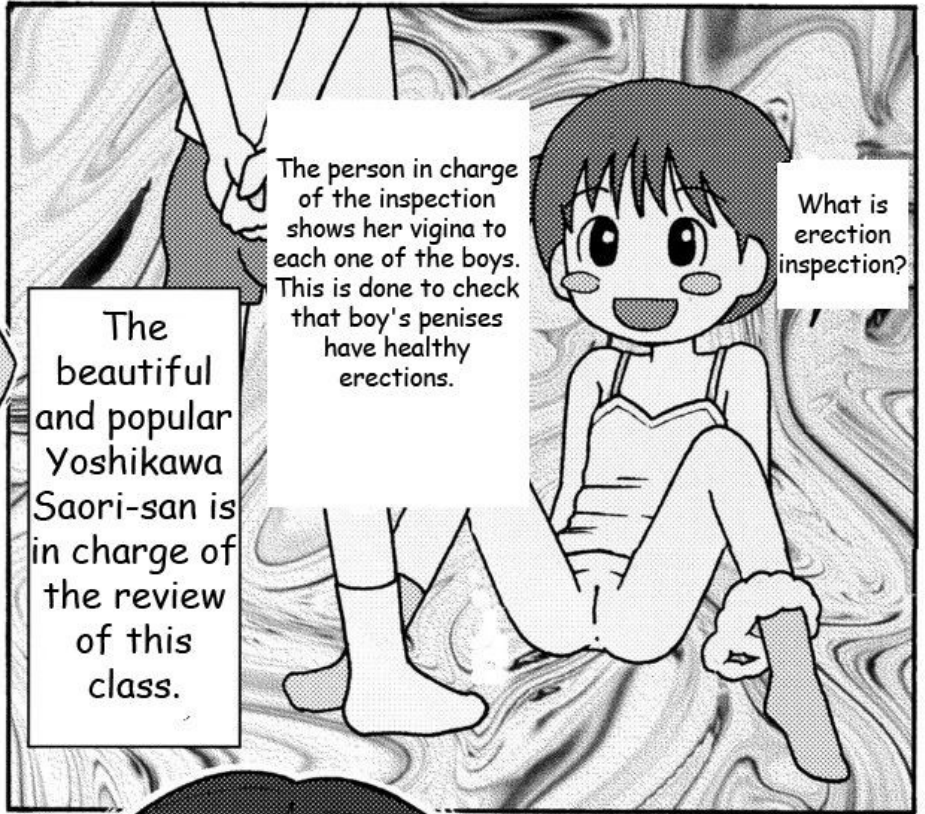

Be quick!

In that case I'll be first!

↑ Kawamura-kun

The person in charge of the inspection shows her vagina to each one of the boys. This is done to check that boy's penises have healthy erections.

Sugawara
