

いっ、す~~~~

OF THE
14 YEARS
OF MY
LIFE.

怒った顔も、かわいいね。
って言うと、さらに怒る。
んで余計にかわいくなる。
キリがない。それがJC。

...Minori?

So,
because
we know x
is $5y - 4$
here...

All we
need to
do is...

PROBABLY,
DEFINITELY,

TODAY IS
THE WORST
DAY...

イトコの子供中学生といい関係になつて
喧嘩したり仲直りしたりSEXしたい。
そんな平凡な貴方におくる18P。

What's
that?

Mm,
nothing.

Hibara-
kun.

I'd suggest
you pass them
on to yourself
for failing
a maths test
even though
I'm the math
teacher...

Well,
if you
have any
complai-
nts...

REASON
ONE
FOR WHY
THIS IS THE
WORST DAY
EVER:

Hey
now.

I'd appreciate
it if you
could at least
pretend to
care.

Eehh~

But today's
the one day
I really didn't
want to see
you...

おっ、おっ

This is seriously unbelievable...

Can a student and a teacher normally even be cousins? Is that even allowed?

I dunno, but it saves me from being unemployed~

Ah, you weren't supposed to substitute there~

Have Satoshi tutor you until you get a passing grade!

But you didn't have to tell Mom about it!

Ye... Yes!!

You know I can't go against my own aunt~

REASON TWO FOR WHY TODAY IS THE WORST DAY EVER:

だば!!

I can't take it anymore!!!!!!

I can't, and you know that...

Yuuki-sensei- Can't you somehow give an extra 30 points for your cute cousin~?

That doesn't sound very persuasive when you're showing off these cute panties to me, you know~

It just seems to me that you're asking for it~

Aahh~
Your pantyhose feels so smooth~
♡

Hey!
I said not today!

EVERY TIME HE JUST GIVES SOME STUPID EXCUSE AND STARTS DOING NAUGHTY STUFF TO ME!

BUT I'M NOT GONNA LOSE TODAY!

Hya!
No-Listen to me-
You idiot~!

I'll borrow your ribbon for a second, OK? ♡

Yes, yes, that's how you feel today, I see~
What are we gonna do with you~
♡

What?!

Why do you care?! I'm just an onahole to you, anyway!

I've never said something that terrible to you, have I?

H-Hold on! Where'd that come from?!

But I heard it!

Fuu

Eh- Why...

Fuu

What's wrong?! Did it hurt?!

Shut up! You stupid jerk!

Just cum already!

Ugh-3

333

333

H-How did you hear that...?!

I wouldn't mind just being your sex-friend...!

I love you, Sensei... Please go out with me!

Some girl confessed to you!

Today! Lunch break!

And "I'd never want a sex-friend"...

But what did you mean by "I already have a girl-friend"?!

What the heck's that supposed to mean?!

Getting confessed to by all those girls!

Must be nice to be you, Satoshi-kun! Being a young teacher and all!

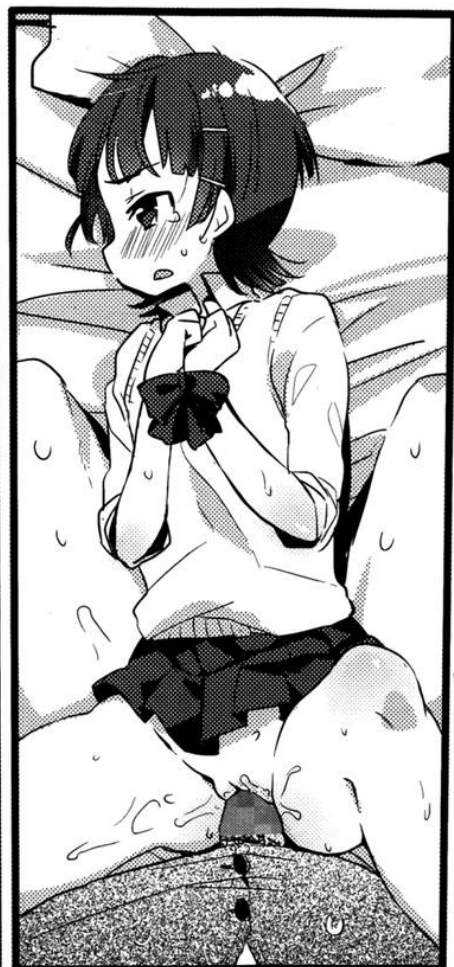

Oh wait,
nevermind!
You said
you'd never
want a sex-
friend and I'm
not one,
so why would
you tell me
anything?!

So you
got a
girlfriend,
did you?!
Well,
congratu-
lations!

You could
have told
me about
it,
though!

Hweh?

Eh...

Minori...
I thought
of you as
my girl-
friend,
though...

I wouldn't
dare lay a
finger on my
student and
cousin if I
wasn't in love
with her...

Satoshi-
kun...

So you...
like me?

I'm sorry...

What, so you think sex = going out?! No!

So I was sure we were already basically going out...

I mean, you let me do all this stuff...

What the heck...

I'm glad I was your girlfriend...

...But...

Chu

Ah-

Wha-

Wait-

No, there's no stopping me now!

It feels like you're much bigger than usual!

No-I mean-

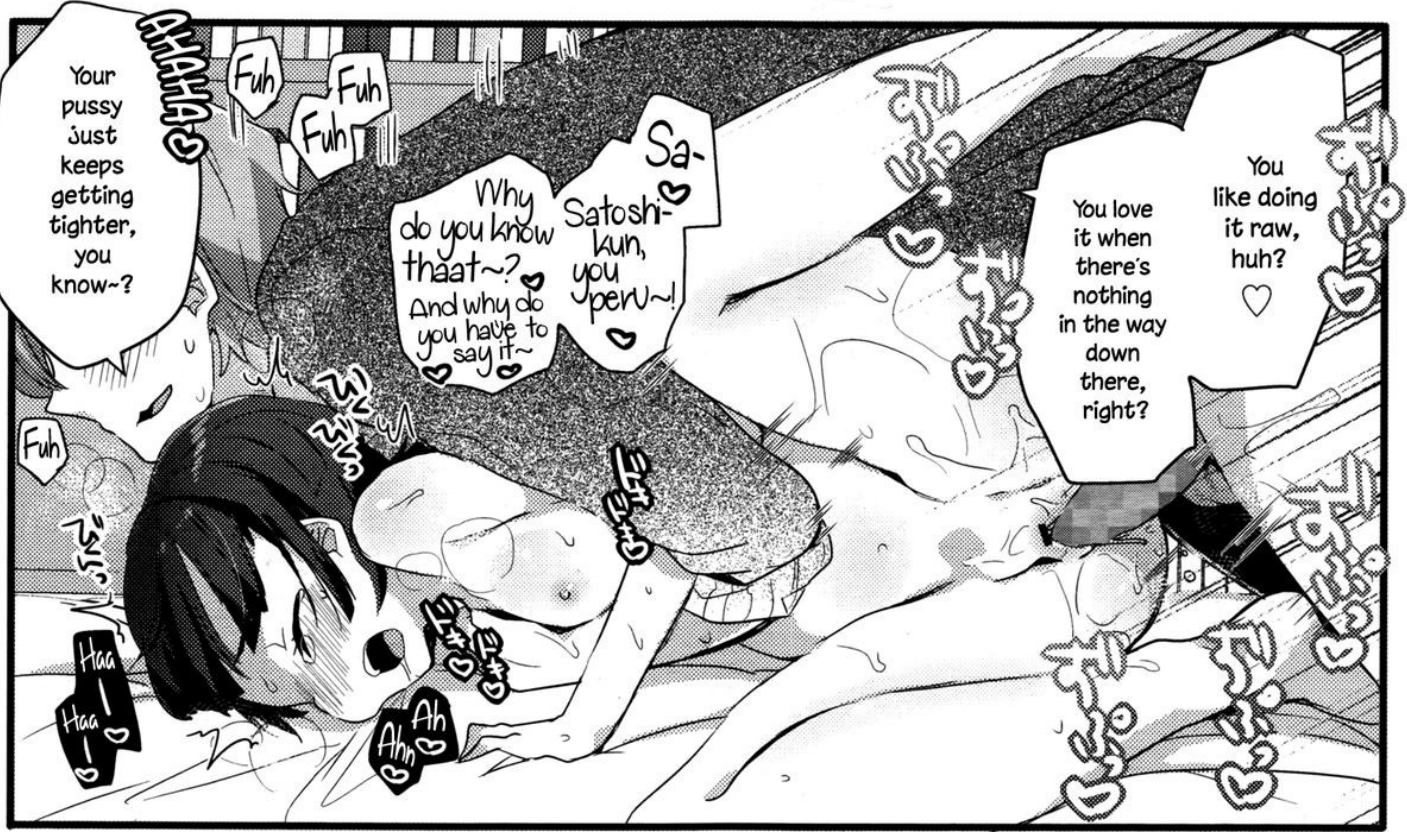

Ahhhh! That's it...!

K!!

No!
Not yet!

Eehh~?!

I mean,
from my
point of view,
I was no one
special to you
until just
now,
right?

Ehh~?

So,
Minori-
san...

Do you
think you
could give
me a
reply?

You
know,
to the
"marry me"
thing.

Mm...

So I want
to enjoy
being your
girlfriend for
as long as
I can~
♡

You're
kidding!
I really
should've
told you
how I
feel
sooner...

Besides,
I haven't
had my
first
period yet,
(so) I
couldn't
get
pregnant
even if I
wanted
to
