Emmy and Lynn

エミーとリン

Just before sexual intercourse, bath and wash the genitals using the special soap. Don't forget to perform a mouth cleaning too to ensure a safe sexual intercourse.

SHOWER HEAD

Nowadays, there's a broad selection of deodorants and products designed to prepare for intercourse, removing all undesirable effects and posing no danger to fertility.

YOU REALLY REMEMBER SOMETHING FROM TWO YEARS AGO?

See?

Trust me!

BAH, WE'RE FINE WITHOUT THE GUIDE.

HUH?

I KNOW IT BY HEART!

YOU REALLY KNOW YOUR STUFF...

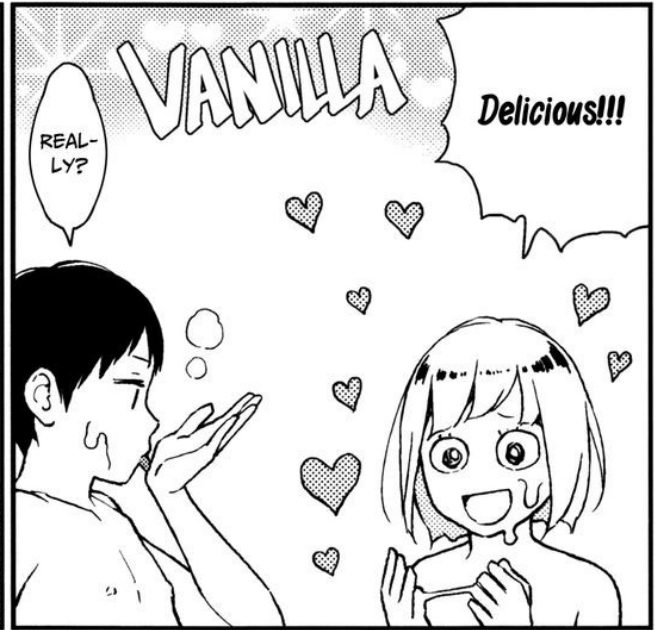

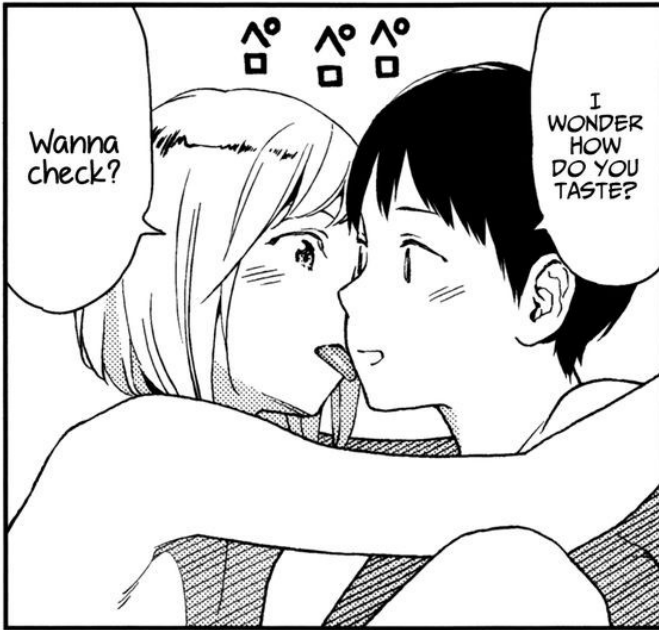

Right!

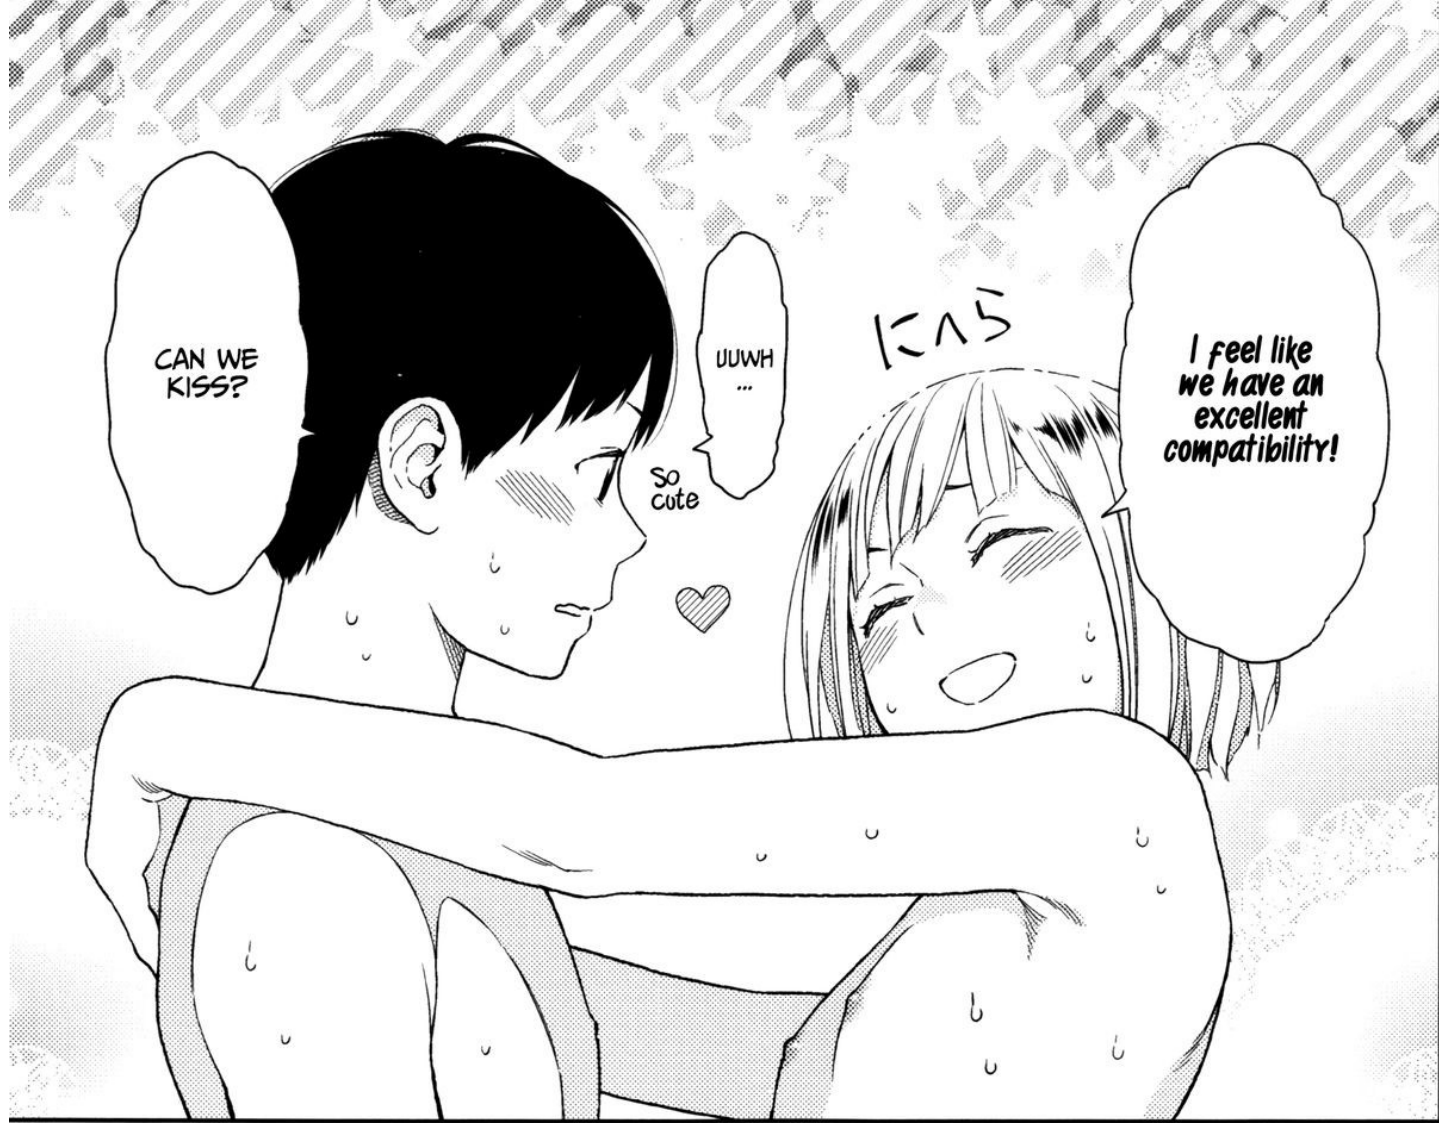

Once the preparatives are finished take your clothes off (your body). Stick your patch, be careful not to attach the patch onto the wrong gender subject. It takes at least 5 minutes on average to start effect. Until then, don't kiss or lick each other.

CAN WE KISS?

UJWH ...

So cute

I feel like we have an excellent compatibility!
