If you stick the whole thing in, it'll feel too good!... yeah, just like that... like that... ah, so good...

I'm about to blow my second load already

If you want to feel good, why don't you move your hips and fuck yourself on his dick? How about that, you're getting off on this, aren't you? Fuck, it's like you're sucking me dry, keep going

Mmm... it's like you're sucking it out of me... ah, drink it all

If you want to feel good, use your tongue properly for me, Sayama-kun

Feels so good...

How was it? You're already completely addicted, aren't you? What if we stopped now?

Stopped? No... no, I want more!

that's all

By the way, you and that girl that you introduced to me before, have you had sex yet?

Yep. We broke up before doing it

Huh? No way. Aren't you being too reckless and careless?

● REC

Going to buy drinks stark naked like this...

Having my lower half to be exposed by the side of the road is so weird, it makes me feel crazy nervous

So annoying. It's not like I've never met a woman like that who only wants to have sex with me. it's just fucking until your lust is sated and that's all, I'd even be okay with a guy

Really? You would do it with a guy?

Yeah, haven't you heard? A guy getting oral from another guy feels amazing

Ah, really?

(Even though we hid when they came, it's still so dangerous, and my heart is still pounding like crazy)

(But I actually got a boner in this situation!)

Sayama, what's wrong? Have you turned it on silent mode? You weren't discovered, okay?

Well then I'll leave first

But... But... constantly vibrating like this up against my dick nonstop... it feels really good... it keeps going... mm... can we stop it now?

はあ、

Hah... this is really too...

Since it's silent, you shouldn't get discovered, but don't do this at work! You won't be able to focus

Ah~ Even in front of the customers, I won't be able to stop myself from cumming

I... often sit on this bench with my son to rest

We eat snacks we brought from home... I've never done something quite like this...

How is it, doing such erotic things in the garden where you take your son to play?

I love the shameful feeling of having my lower half bare and my cock exposed... I haven't felt it in a while... and you're still filming...!

This kind of first time experience is making my heart race, maybe this feeling will become a thing for exhibitionism later, I can't say for sure

It's just because I didn't want to be seen. Sorry though

Take out the beads that you just put in. Come to the counter

Ho ho, you came so much, did I make you this happy?

Haa

Uh, um...

Haa

Ok, take your pants off. Move your butt so it's facing the mirror.

Hm, what's wrong?

Wow, that's really sexy. Seems like your asshole really wants to be filled, twitching like that

Um.. aren't you going to fuck me?

Ah?

I'll just say, my wife went back to her hometown for a bit because she just had twins, and she took them with her

Today we're filming at my house, welcome to my humble abode~

Although I cleaned, it's still a bit of a mess

Using this opportunity where your wife isn't here to bring these men home, what if you get discovered, eh, Sayama?

Sex at home

While the wife and children don't know

Today is special, lately I haven't been able to satisfy myself with just jacking off. The feeling of lust... tonight should be very interesting
