NIDOU SAKURA

A college sophomore. He used to go to school from his parents' house, but feeling limited by commute time led him to room sharing. Hansuke took his virginity with a blowjob. Hates being called by his given name.

The story so far

After getting kicked out, Akiya became roommates with Nidou Sakura out of loneliness. With Hansuke paying the rent and Nidou taking care of the housework, they share the burdens of domestic living. Hansuke kept his gay beastman-loving side of himself a secret, but Nidou found out about it immediately. Fortunately for Hansuke, Nidou did not shun him and even showed signs of accepting him to some extent. Hansuke then took the opportunity to take Nidou's virginity with a blowjob, and their life together has begun to show a more open aspect.

Current summary

Hansuke has been urged by his company to use up his excess vacation days, so he made plans to travel with Nidou. Nidou's school also happens to be on break, and the two of them begin their trip in Hansuke's car. Hansuke thought Nidou was just accompanying him. They live under the same roof, there's no reason not to invite him. Hansuke has fallen in love with Nidou, but that isn't particularly what he had in mind. He simply has too many vacation days.
