Foreword

Blessed with not only physical and academic prowess, I was also quite the looker. Every girl in school wanted me. But I had a dark secret. I'm a huge masochist. One day, my little sister caught me putting things up my butt and once she discovered my weak point, I lost all dignity as a human. I was treated like an animal day in day out. 'I just need to endure this at home to protect my secret' is what I thought I'd do, but...I can't do this! There are two queens...?

Who's a bad boy? Boys and girls.

Little Sister

Yasumura Kaede

Due to her spoiled upbringing, she turned out to be quite the selfish girl. That's why she doesn't have many friends. Also a crybaby that can't take a hit. Loves dogs and wants to keep one home. (But Papa and Shinobu can't stand them so she can't.)

Yasumura Shinobu

His parents do things at their own pace. And due to Kaede's carefree nature, he ended up being a quite diligent and serious person. But in turn, he's quite haughty outside home. (He dealt with a trauma all the way until he entered high school that made his inner masochist awaken. It's a touchy topic for him after getting stepped on time after time).

Brother

Girlfriend?

Kamijo Yukari

Has a calm demeanor, and can easily win people over. But it seems everyone that knows about the situation at her household go out of their way to avoid her. By watching her parent's work relationship, and seeing a strong man like her father turned into a wreck every single night gradually started making her excited. She hates people that break promises to her big brother to the point of wishing them death.

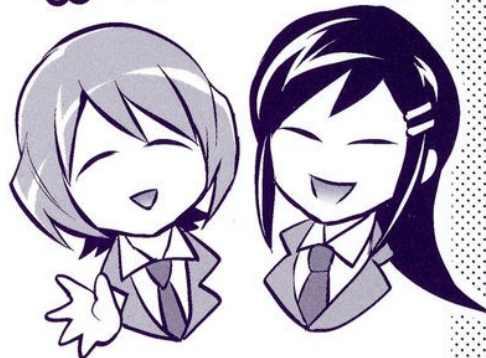

(Left) Tomita Yuuko

Kaede's best friend. She's a big sister that takes care of her little brother, she looks up to her older brother and sister. She has very ladylike tastes, so she likes cute things.

(Right) Matsudo Eri

Kaede's other best friend. A trendy girl. She picked up some bizarre hobbies thanks to her childhood friend, the exact details about it are uncertain, but she's definitely not a freak.

✿ Friends ✿

Senpai

Izu Kayoko

I wanted to use her, but I didn't have an erotic scene ready for her at the time, and the story would have gotten too tangled, so I gave up and used her just in one page.

She belonged to the karate club before graduating. Shinobu's first love (Not her type at all). A really caring delinquent. Passionate guys turn her on. She intended to keep an eye from time to time on the club after graduating, but...?
