WITH  
A YOUNG

FINE!!  
NO NEED  
TO BE  
LEWD

I JUST

I  
WONDER  
...IF  
SHE'LL  
LET ME  
DO LEWD  
THINGS TO  
HER  
...?

I  
LONG  
TO  
MEET

## Afterword

Nice to meet you and good day,  
I'm Kojiki Ohji.

It's been half a year since my last work.  
I somehow managed to deliver on Koneko a second time.  
Thank god.  
If the first one didn't sell, that might have been the end of it.  
I have to thank everyone who purchased it.  
Honestly, thank you.

Now then,  
The story this time is different than what I've announced.  
I had planned on drawing the second meeting just like that,  
but the clothing I planned out for Koneko just looked s~o bad  
I couldn't get the motivation to start, so I just scrapped it.  
Now I've learned that I can't just draw clothing on a whim.  
I suppose we can call this the "third meeting".  
I've made the hair tone darker than last time,  
but that's still temporary.

About the "Staying over date" part for next time (if there is one),  
I don't really have anything planned out yet but,  
if all goes well, I'll release it this Fall.  
I kept changing the lines so many times during the writing.  
And I kept thinking... about how to make Koneko sound cute  
I'll do my best to make sure that the next one is as fun for  
the people who enjoyed this one.

And so, thank you for staying until the end.

A Certain Day in May 2016 Kojiki Ohji

Ehehe

I  
know  
~♥

I wonder  
why people  
get mad  
when we  
do lewd  
things?

When  
it feels  
this  
good

You  
really  
love  
lewd  
things,  
Koneko  
-chan

There's  
no way  
anyone  
could  
hate it

Hey,  
for our  
next date,  
will you be  
happy if  
I come  
over?

Yeah,  
I'm really~  
looking  
forward  
to it!!  
Totally!!
