夏休み どこ行った?

Where did you go for
summer vacation?

初単行本秋頃発売予定! **みさおか** Misaoka

First volume planned for sale in the fall!

What's
this?
♥

I need
to enjoy
myself
as much
as I can,
right
?

Since I've
got to start
working next
week I decided
to take a
little vacation
by myself.

It
was
in the
middle
of that
steam
that
some-
thing
new
began.

He's so cute~
He seems to
have a shy side.
How
interesting.

Would
you like
to try
touching my
breasts
?

A-After
all I'm a
big kid
...

N-Not
really!

Huh
?

After all,
nobody will
see us here,
so feel free to
touch them.

I wonder
if I should
tease him
a little.

Don't
worry.
I won't
tell
anyone.

Ahh!

Since
nobody is
around, I'm
letting
you get a
good look.

But
...

That's right. Feel free to squeeze them more.

Wow ...

Well, how do they feel?

Umm ... They're really big ... and soft ...

Ufufu

Even though his fingers are so small, they leave a strange feeling when he touches me

If you want, you can suck on my breasts like you used to do for your mother.

Okay.

Yuuta-kun sit on my legs.

Huh? But ...

I was told that big kids don't drink from breasts anymore ...?

How are they compared to your mothers?

Hmm ...

They feel stiffer than Mom's ...

Hmm?

I see.

But for older boys, its fine to suck women's breasts who aren't your mom. ♡

You know, when you suck mine milk won't come out.

So your little sister took your mom's breasts away, huh?

I see ...

... Really?

Really! ♡

Nn ♡ Yes ♡

Ahh ♡ I'm actually getting my breasts sucked by a boy I don't even know ♡

Yuuta-kun, you're really good at sucking breasts, huh~? ♡

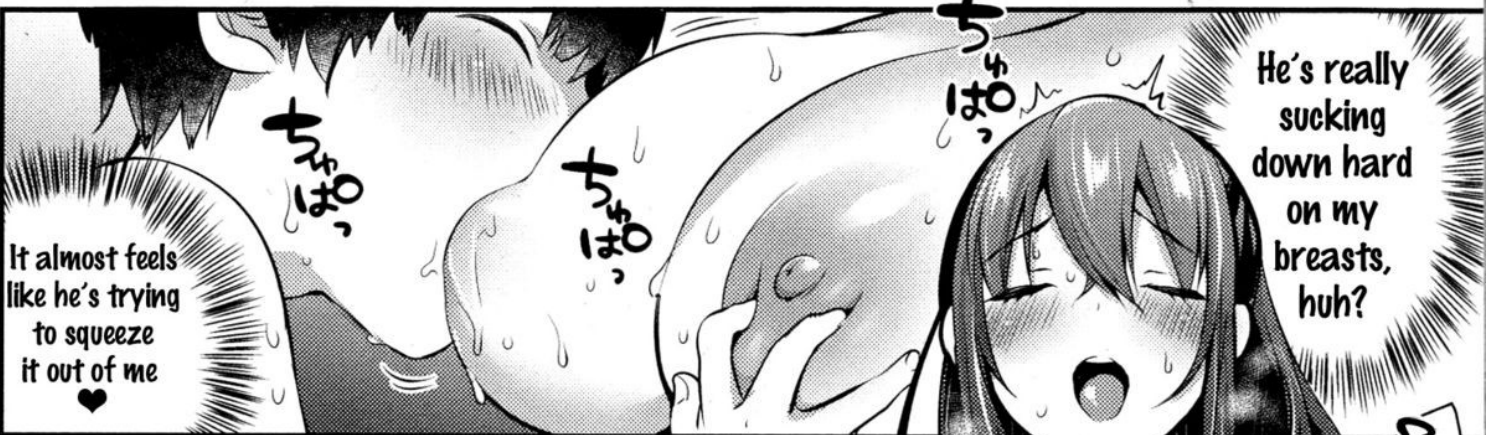

This immoral feeling is such a turn on ♡

Even though this boy's family and other guests are on the other side of this rock ...

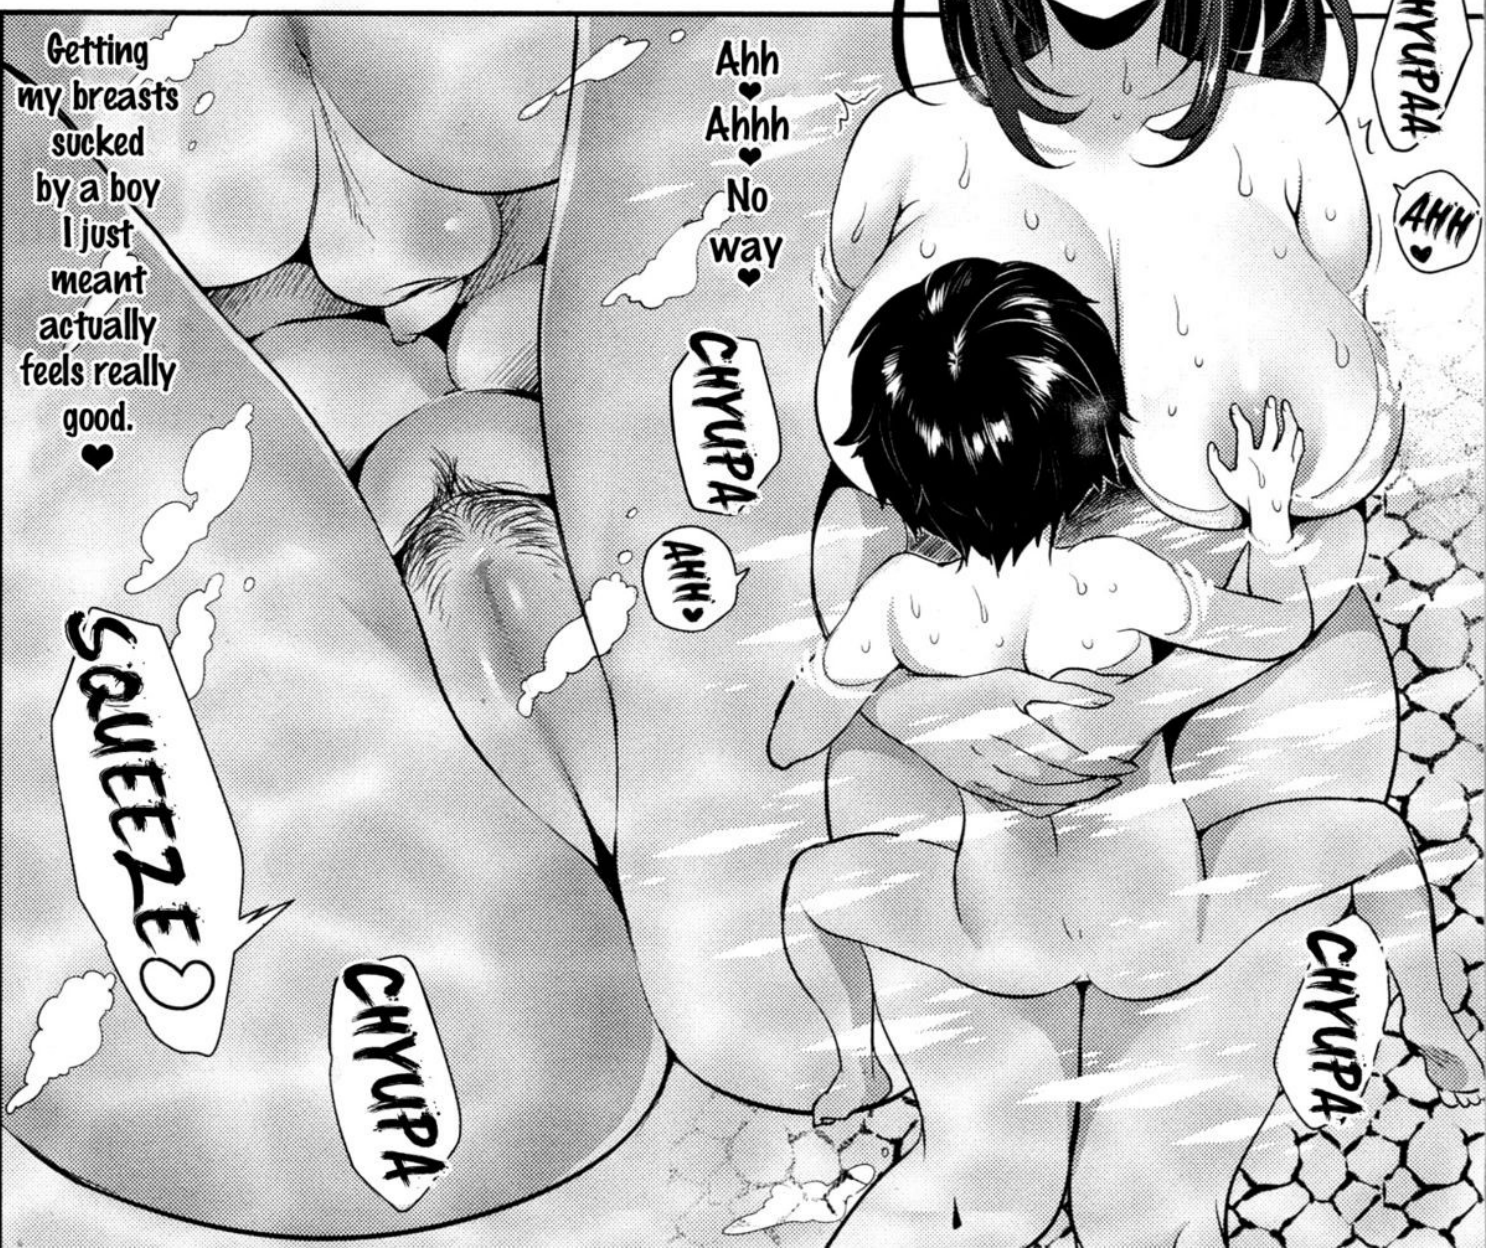

CHYUU

Now then, let's head to the futon.

How nice of you to come alone, Yuuta-kun.

You're making me so happy! ♡

Ufufu...
Such a
little
liar.

ズッ...

I said
I was
going to
go play a
game ...

So, how
did you
get here
?

Since
you went
that far
...

Ahh

It must
mean you
really wanted
me to lick
you down
here, right
?

I wonder
if we can
get it
standing
straight.
