E-Even if you say that ...

I'm not saying all of it!

Just about 90% will do. ♡

Now then, let's see it

I don't have... that kind of money.

B... But ...

Come on, take it out already, nii-chan!

Huh?!

Yuu-kun.

Uwo

Now that I'm here everything will be fine!

Hey, what are you doing over there !?

Huh !?

Ah ...

Huh ...?

I'm glad she came here to save me but ...

I can tell the reason she did is that she wants to be sexually assaulted.

My childhood friend is a masochist.
Zero no Momo

Could you just forgive Yuu-kun!?

In exchange... I'll let you do whatever you want with me.

This time the protagonist is a wimp who hides behind girls...!!

After all

She's a perverted masochist ...

Fine then, as you wish I'll be sure to punish you.

No I'm not.

I wonder how long that will last once I take this off?!

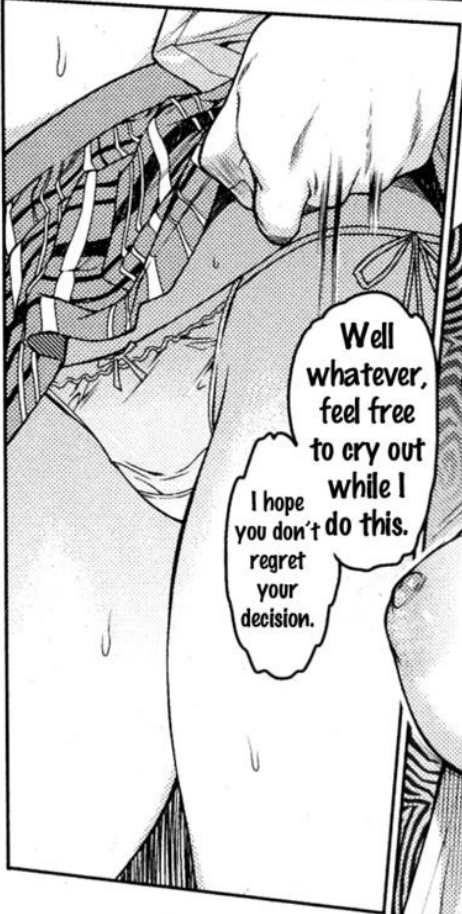

Oh ...

What's with that cocky attitude of yours ...?

Is this really the only amount of punishment you had planned?! ♡

Well whatever, feel free to cry out while I do this. I hope you don't regret your decision.

Ihiii ♡

Wait ... You're not even wearing a bra ... This is just too convenient ...

Ahhh Yuu-kun is watching meeeee ♡

Even though he wants to help me he can't. It's such a turn on.

I think I'm gonna cum. ♡

Ahiii ♡

What's he going to do if she really did cry out for help...?

Anyway, it's not like I can leave in this situation.

Haaa I want to go home.
