マズって本当に惨めね

こんな事されても  
まだガツチガチ...

"Even after all this, you're still hard... How pathetic. Being a masochist really is miserable."

"If you're such a filthy pervert, you can cum even through pain like this, right? Go on—cum."

イケ!

あははっ  
今年最初の  
無駄撃ちね♪

"Cum!!!" "Ahaha. Looks like those were the first wasted seeds of the year."

今年もマゾちゃんぽを  
徹底的に責め抜くから  
しっかり付いてきなさい

"I'll keep training you strictly this year too, so do your best."

Happy New Year
