

You know it wouldn't cost so much at the store if we didn't buy the premade stuff?

Blonde hair, blue eyes, and large breasts are super moe!!

Geez... And all you eat every day is sushi .....

Hey

I bought some food

A cultural exchange filled with sex can contribute to world peace and family happiness !!

SORRY

Is it because you don't want to eat it raw ...?

Leila !?

Man you foreigners...

At least put on some clothes before you eat !!

My step sister Leila and I have been living together for a week now.

The light blue eyes

And the blonde hair both mother and daughter had...

My dad ended up having a second marriage and the woman he married had a daughter

But what wasn't normal was ...

Listen  
Leila

You might be able to walk around naked in your own country just fine but... Japan is nothing like that.

Although we make sure to wear clothes when guys are over.

That they had a habit of walking around the house nude But the really strange part was

Well I'm not really interested but...

Wouldn't someone like you end up getting raped pretty easily?

What would you do if a thief broke in?

Well... It makes it even harder to point this out when she doesn't understand what I'm saying...

Anyway, I don't even know what country you're from Leila...!

Where you become their slave as you're forced to give birth to their kids...

These kinds of things can happen in Japan, you know?

They could even kidnap you and sell you to another country...

At this rate, some bad guys will end up taking advantage of you someday ...

This isn't good. She's just relaxing out in the open but ...

おっぱいGood

I'm squeezing your breasts now~?

Hey Leila-chan?

As an adult ...  
As her stepbrother ...

I need to teach her through experience why it's bad to lay around naked all the time!

If she can't understand through words then this is all I can do ...

I'll just have to teach her Japanese common sense...!!

These things are really soft...!!

I'd heard that a young girl's breasts ...

were supposed to be a bit hard but...

ぽんぽん

...Wait... What is this...!?

They're nothing like Japanese ones...

ぽんぽん

So this what foreigner's breasts are like ...?

She's laughing at me ...!?

Huh...  
Wait?  
Don't tell  
me this  
is...

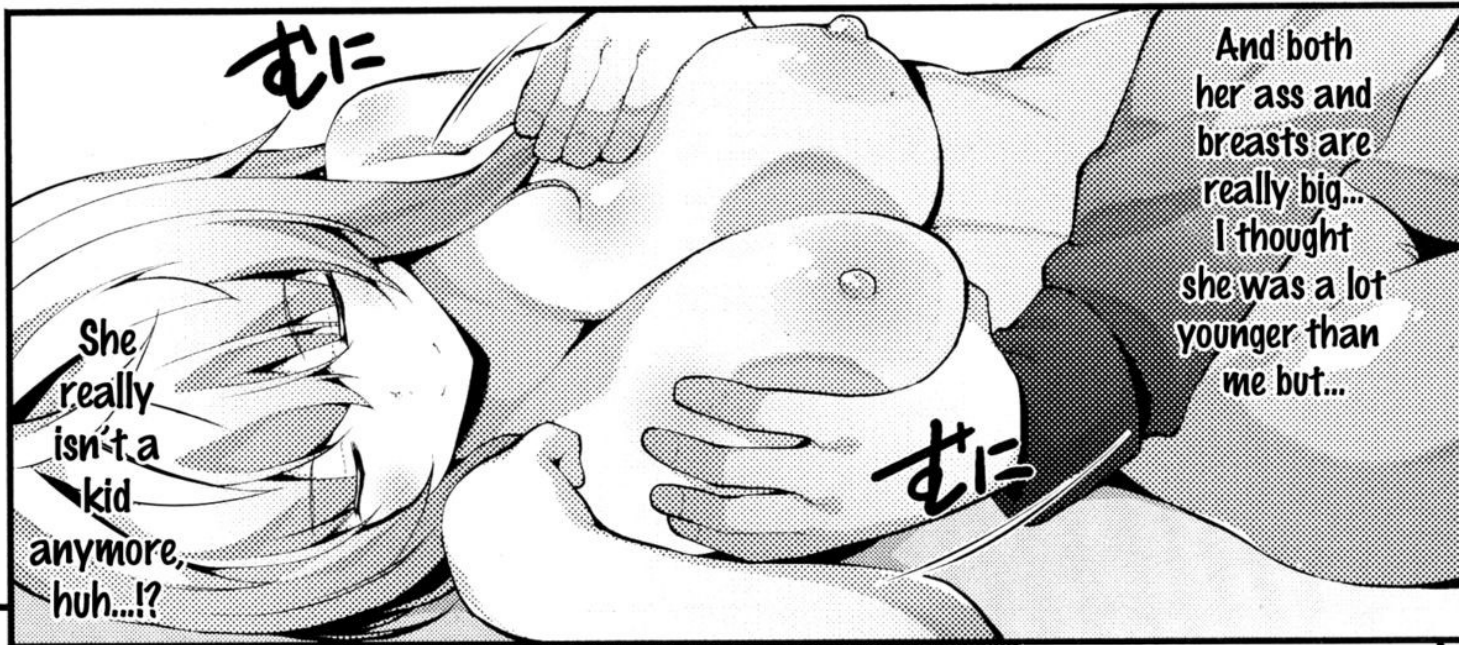

おに

Just what  
have you  
been teaching  
your  
daughter  
...?

She  
really  
isn't a  
kid  
anymore,  
huh...!?

And both  
her ass and  
breasts are  
really big...  
I thought  
she was a lot  
younger than  
me but...

おに

おに

No, I'm  
sure there's  
times when  
doing this  
for your  
sister is  
okay...

Uwaa  
Could it be  
I've really  
crossed the  
line now  
...?

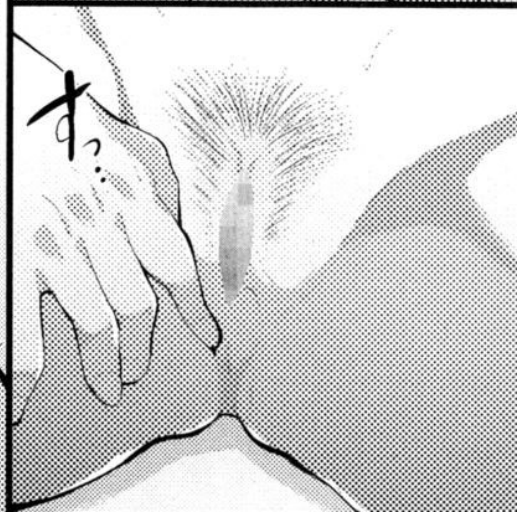

No, I'm  
sure there's  
times when  
doing this  
for your  
sister is  
okay.....

It seems she's starting to get turned on like a woman would .....

If you keep making innocent looking reactions like that ...

I can't hold back anymore ...!!

GLIDE

My filthy cock is actually inside her ...!!

I actually did it...

I'm inside .....!!

Inside the pussy... of my stepsister who doesn't even know any better ...

This feels... amazing for me too...

That expression... it looks like it feels really good for you, huh?

Your pussy is... squeezing down on me so tightly.

...Wait... That kind of defeats the purpose, doesn't it ...?

Don't worry, your step brother will be sure to let you feel even better with his cock.

Put on some clothes and head off to bed already.

If you've got it then ...

Then these kinds of things could happen, you know ...?

If you keep walking around naked .....
