Deep Ones

You'll become  
my servant,  
just like any  
other female.

Even though  
you were once  
a beautiful,  
high-class  
woman once...

You know,  
don't you?

What  
are you  
planning,  
Hydra!?

I like  
that.

Fufu...  
How  
strong  
of you.

Kh...  
I have  
nothing  
to say to  
you!

How do  
you feel,  
Lady  
Adel?

No!

No!

No...  
Let...  
Nhh!

Are they tight on your nipples? Here, I'll remove them...  
♥

Ah!

What!?  
Wha-

Nh...

Like this...!

Fufu

To be exposed like this...in this horrid way...

Does my special harness feel good, Lady Adel?

Oh?

Nh...  
Gh!

My...my breasts!?

Now that my special harness made your body into something so obscene, does it feel good for you?

what a good spray. You really are an impressive princess!

This is...

Nn!  
Ah!

Nn!  
Hh

Nn.

Nmm.

Stop it...

Hii!

Ah...

An amazing gift for me to suck on...

Such a large, lewd nipple right there...

Nmm...

Ahh!  
Ah!

No!

Hii!

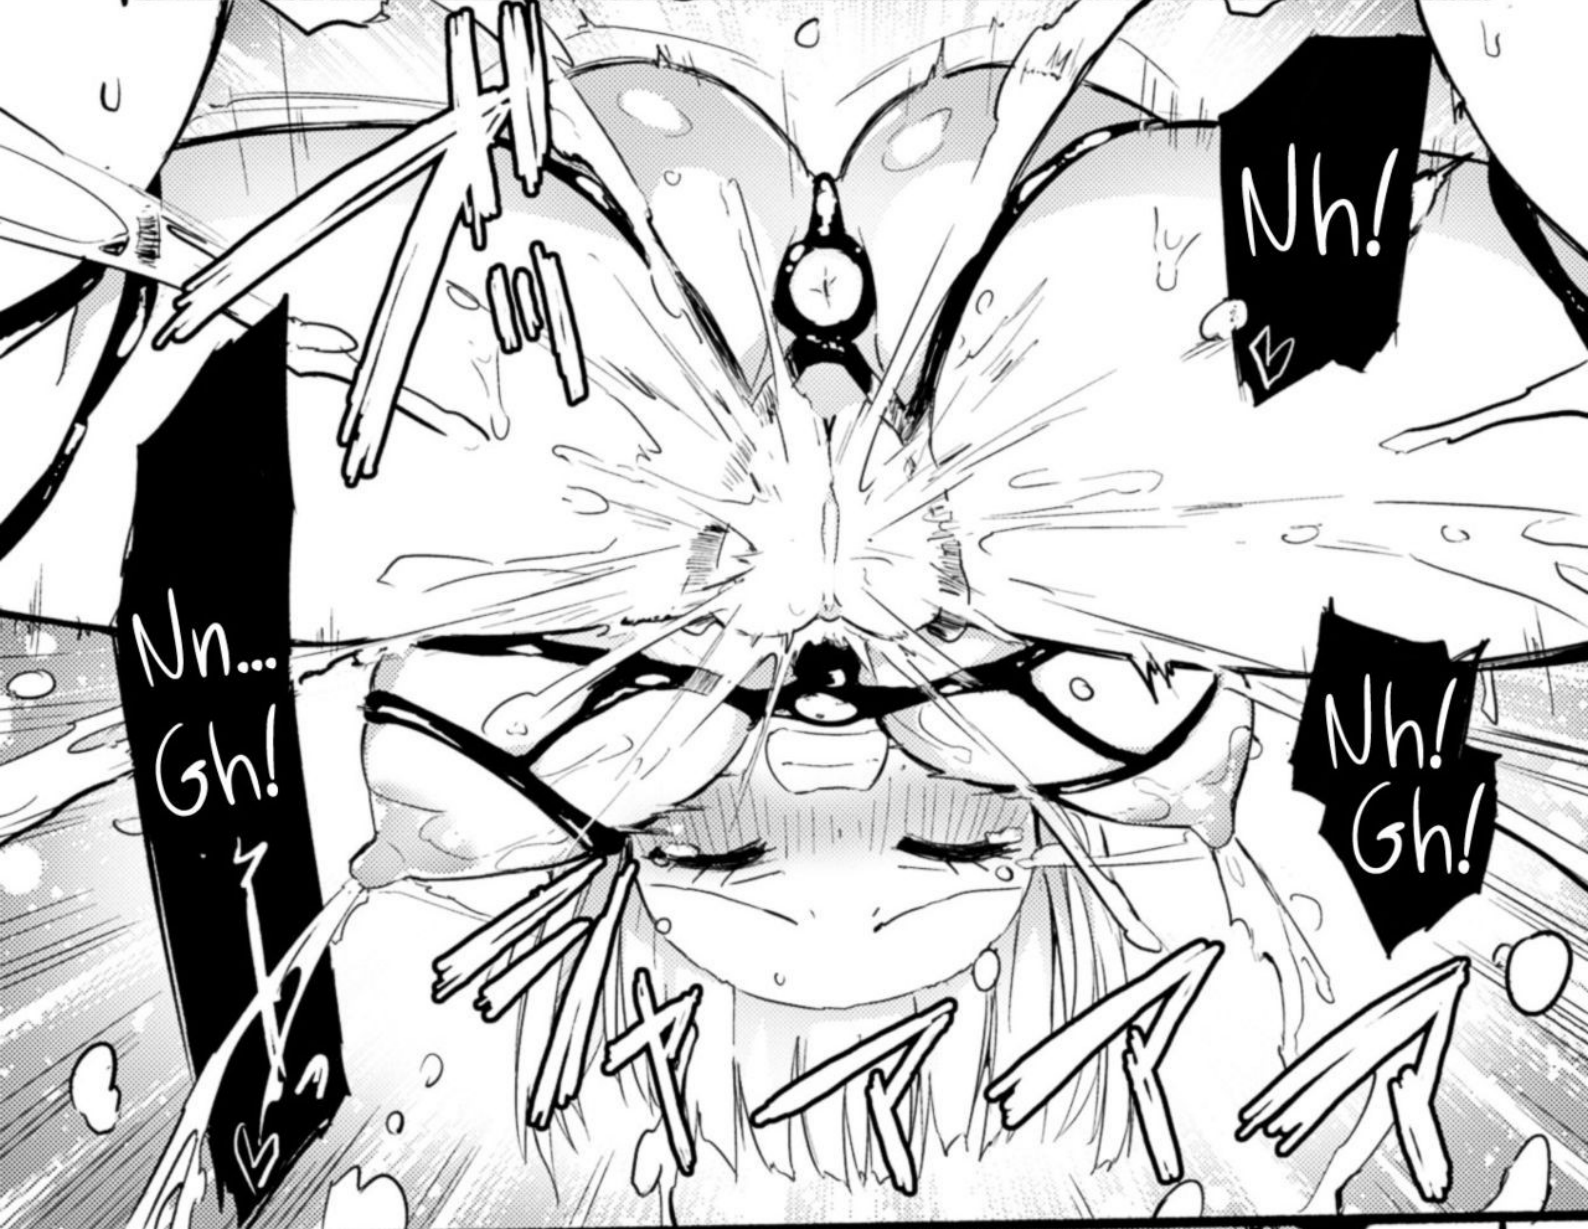

Ah!

My nipp

XOXO

No!  
My...

Nh!

Nn...  
Gh!

Nh!  
Gh!

Not there!  
Stop!

So...  
what happens  
if I tease  
your lower  
mouth too!

No...  
No more...

Hah  
Hah

Fufufu...  
I didn't think  
just playing  
with your  
nipples would  
be enough...  
♥

Wh...  
What is  
that?

They drink  
the lewd  
fluids of  
women,  
sucking  
them up  
until there's  
nothing  
left...

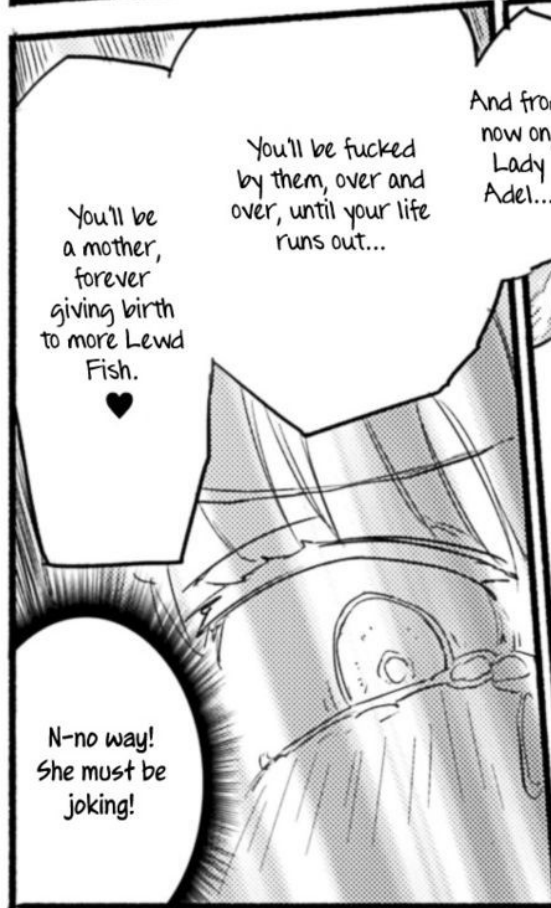

Ngh!

Do you see  
them?  
Writhing below  
you, the shape  
of the deep  
ones...

!?

And use them  
to make eggs,  
giving birth to  
the next  
generation of  
deep ones from  
inside the body.  
You could call  
them "Lewd  
Fish".

You'll be  
a mother,  
forever  
giving birth  
to more Lewd  
Fish.  
♥

You'll be fucked  
by them, over and  
over, until your life  
runs out...

And from  
now on,  
Lady  
Adel...

N-no way!  
She must be  
joking!

Ah...

Hah...

Ah...  
So good...  
♥

Look!  
Like  
this!  
♥

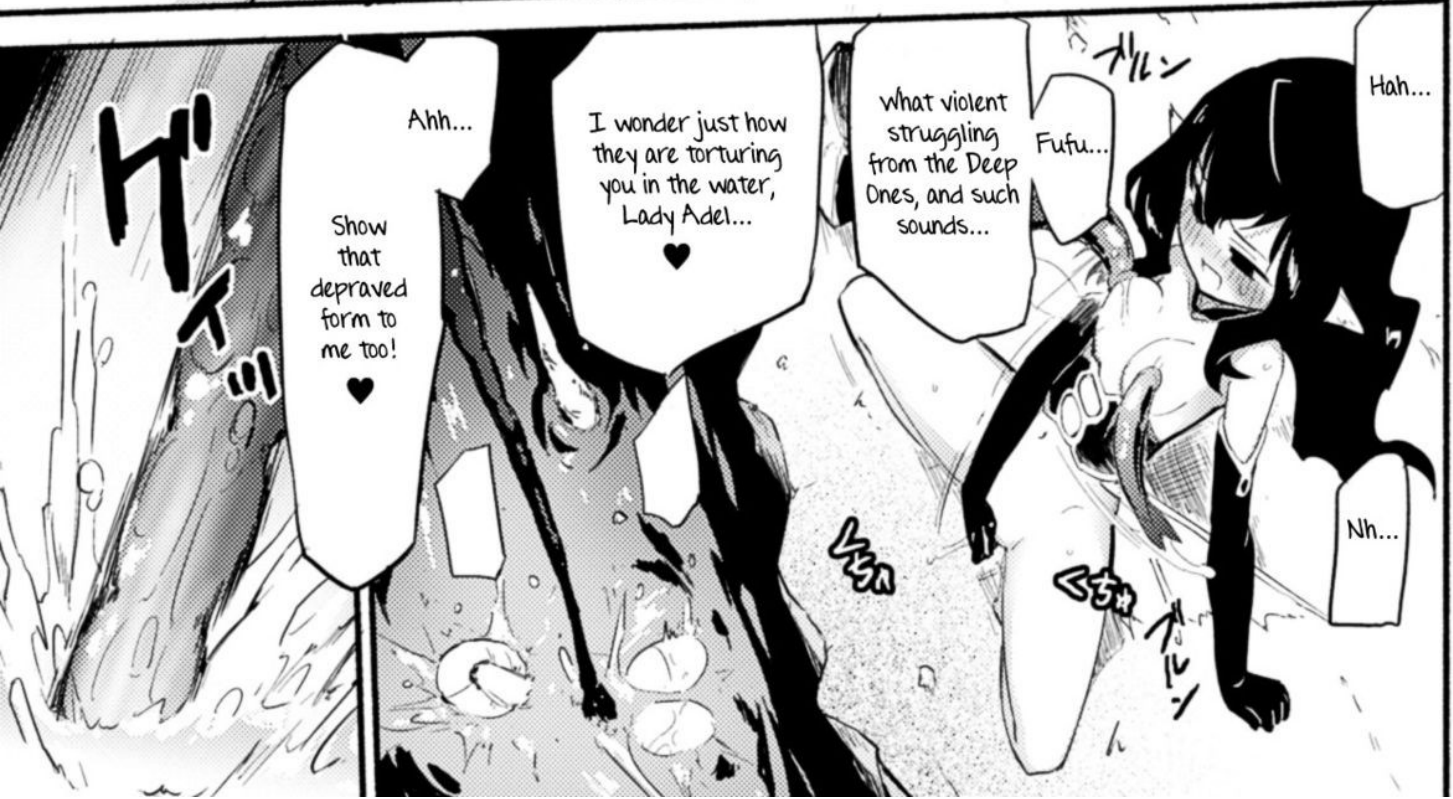

Ah!  
It... It's too much!

If they're so rough, I'll...

I can't hold out! They're making me cum!

No...  
Ah...

Ahh...  
Show that depraved form to me too!

I wonder just how they are torturing you in the water, Lady Adel...  
♥

What violent struggling from the Deep Ones, and such sounds...

Fufu...  
Hah...  
Nah...

What a filthy thing you've become, Lady Adel...

You and the Lewd Fish are indulging in each other's bodies...

No!

So now, cum for me. ♡

St...

Sto...

Nh!

Nh!

Nh...

Nhh!

Mh!

Ngh!

Fill yourself with plenty of their eggs!

Now, princess... If you become a mother, they will like it very much too...

what a wonderful climax that was! I see the princess likes the Deep Ones very much...

Are those eggs!? Are they really... are they really going to put their eggs in me!?

Those... Those fish with the bumpy stomach...

Please, stop it! Don't! Noooo!

Stop... Stop!

Nh...

Gh...

Gh!

I... I'll break! I can't take this much!

So... So much...

Ghh!

Nh...

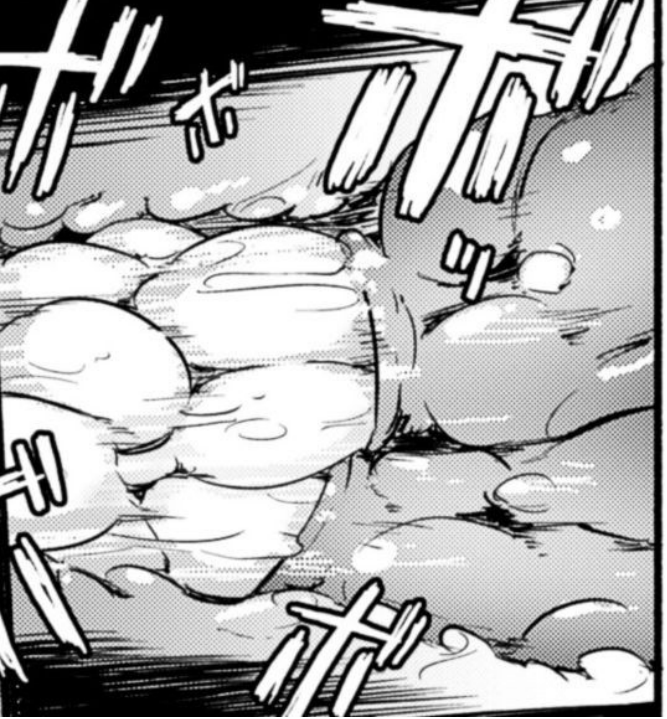

Ahh!

I-I'll breeeak!  
I'll break!  
I'll break!

Ah!

Nhah!  
Gah...

Ah...

No...

Lady Adel...

I'll release your breasts to sample your milk...

Such a huge stomach...  
Such huge breasts...  
You've become a beautiful woman. ♡

As your filthy body convulses in the pleasure of bearing their children!

Now, I'll remove the seal on your crotch...  
So I can see...

Nh...  
GAH!

Ah...

Ah!

Now then,  
time to go.  
We shouldn't  
keep the next  
group of  
Lewd Fish  
waiting...  
♥

Does the  
birth  
feel  
good?  
Mother  
Number  
One Ninety-  
Two...

Fufufu...  
A wonderful  
amount of  
spawn.
