

PERSENGGAMAAN KAKAK & ADIK

I have a pretty
and sexy big sis.

Sis,
let's
play!

What??

Sometimes I couldn't
believe that she's my
own sister.

The same
as yes-
terday.

But that's not important!
The thing is, I'm in love with her...

Whoooo!?

You're already
prepared, sis?

My sis is really
arousing!

Even dad used
to say so...

Yeah!

If it's just for
my lovely little
brother...

Her body filled and
wrapped with such soft,
smooth skin

with an olive-
colored complexion!

...big sis is
always
ready!

I love you,
sis...

She smells
nice...

The warmth
from her body...
they're out of
this world!

Make me
feel happy,
sis...

Thank God I was born
her younger brother.

I admire her the
most, forever
and ever.

AAH!♡

AH!

YAA...

Big sis
too...

come make
big sis happy!

Even though I've
been with her since
I was born, I can
never understand...

Come
on!

It's so
wet down
here...

...why I kept on
wanting to...

put my privates

into every hole
on her body.

The human side of us is
attached to a certain
animalistic moment.

Even mom and dad, I believe
they too were relatives
and had brother-sister
relations like this.

After all the comforting
things we've done,

I braved myself to
ask big sis...

"All humankind are
actually one big family,

why would it be wrong doing
something like this?"

"As long as we continue
to love each other..."

"...it will never be
wrong", she replied.

"You will always be my little brother,
and I will always be your sister."

Thank God...
