On the surface, these are schools all over Japan where high-class ladies gather.

Boarding school "Private Ryuouran Academy"

But not a single soul knows what lies underneath...

支配の学園

Because it's a boarding school, it's completely sealed off from the outside world.

The boys of this school have no rights nor liberty.

~The world's biggest matriarchy~
Our shields exist so girls can torture us.
Our armor exists so girls can torture us.
Young men, are you prepared to get dominated by these girls?

Due to family circumstances, it was hard for me to enter high school.

But the board chairman of this academy invited me and waived all my tuition fees, so I decided to come here.

That hurts... What is this? You were supposed to show us around the dormitory...

You're our slaves now.

So you are the special boys...

...Eh? Who...?

The day before entry.

Hey, what are you doing!?

Get these handcuffs off, please!

Shut up and get in the room!

Uwah

カチカチ

It seems all the female students come from high-class families here, but this is too much...

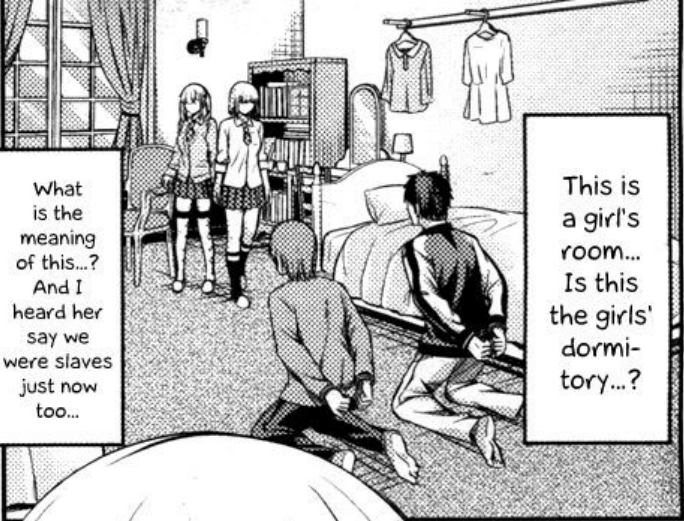

Ah, there they are.
♪
Kijima and Hasuda.

Uuh...

The guy I'm supposed to share a room with looks really pale, and these handcuffs are way too tight... There's something wrong going on here...

What is the meaning of this...? And I heard her say we were slaves just now too...

This is a girl's room... Is this the girls' dormitory...?

And this girl here is Shiroya Rumika.

Risa's the daughter of the head of the Kokudou group~

My name is Kokudou Risa.

It looks like you don't understand the situation you're in. Let's begin by introducing ourselves. They're your owners' names, so listen very well.

My human rights are revoked at the moment of management entry...ment...?

I didn't hear any of this before...!

W... what's with these terms...?

We came here to study...

Slave...? Owner...? What do you mean by that?

The detailed description is written right here; you would do well to read it.

Seems like you don't know about the terms yet.

There's no way low-class human scum such as you can attend classes in a school like this, is there?

The academy spent a lot of money to buy and transport you slaves here.

So from now on, you'll become obedient servants for us female students.

You'll be wearing chastity belts as well, of course.

Come on, this is your owner's smell, so you better remember it~

I'll make this one my slave.

He seems worthy of getting taught some manners.

Damn it all... So this is what it was all about...

The girls that attend it are destined to stand above others, after all.

The school does this in order to study the way to domesticate men.

Why...? Such a thing...

Why...? I'm in this mess because of my parents' debt...!

They lured us in with the tuition fee story... It was stupid of me to think I had a chance to enter a school like this.

Eek!

You guys sure talk, would you shut up already~?

Who do you think you're giving orders to?

Wait a minute... please stop this! This is just plain cruel...

I'll put that chastity belt on you nice and easy.

I'm gonna take your clothes off, so you better stay still.

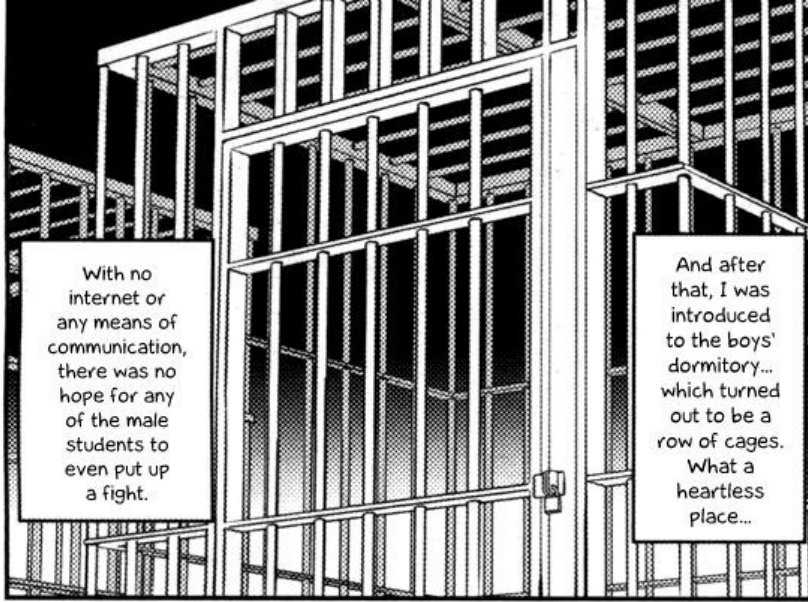

Uuh...

You saw what was written in the consent letter, didn't you? If you fail to humor your owner, you're gonna get punished.

I'll be taking this guy, then... I'll have to reform that cheeky attitude of his.

With no internet or any means of communication, there was no hope for any of the male students to even put up a fight.

And after that, I was introduced to the boys' dormitory... which turned out to be a row of cages. What a heartless place...

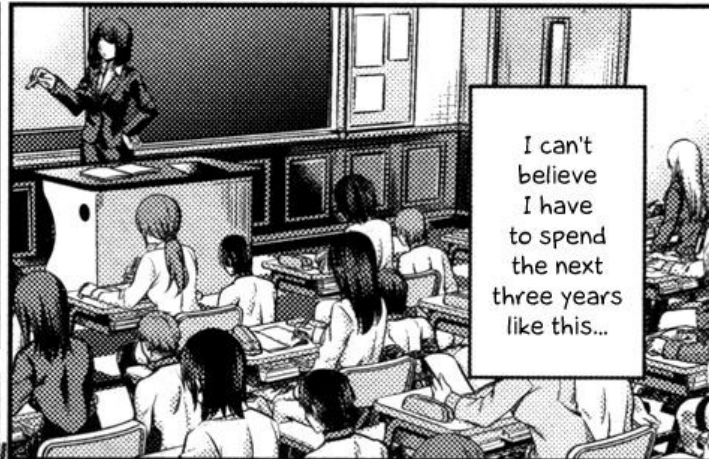

She even shaves me herself. I'm not allowed to cum, of course.

It's been two weeks since she put the chastity belt on me.

Alright, everyone, you're free to do as you please now.

Shall we finish today's lesson here?

I can't believe I have to spend the next three years like this...

!!10000!!

!!10000!!

Mina-sama!

Akari-sama, would you please allow me to cum... !?

Let me cum!

Isuzu-sama, let me cum... ♡

P-please, let me cum!!

I... I don't mind if you punish me!

I'll punish you if you keep this up, you hear?

Geez, why are you begging in a place like this? Didn't I let you cum two days ago?

Ru... Rumika-sama... Please!

You must throw your shame and pride away and submit to the girls.

There's only one way to live peacefully in this school.

But that can't be helped.

The guy who arrived with me two weeks ago turned into a complete masochist.

It's only been two weeks and it's already so hard...

Getting banned from cumming for three years... Isn't this just plain impossible?

I'll have to punish you if you keep begging. Did you forget the rules or something?

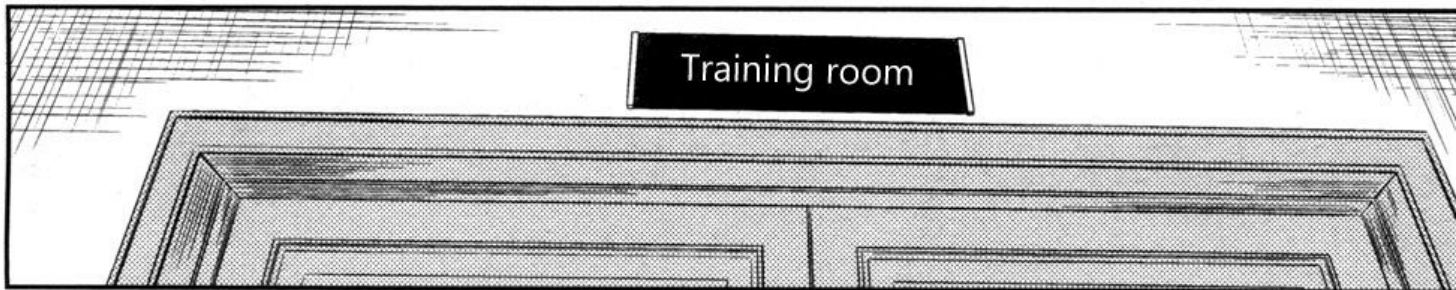

No way... Why only me...?

There's no way I can let you do that now, can I?

What... You want to cum as well?

Umm... Risa-sama, I'd like to cum too...

I told you before, didn't I? I don't have the slightest intention of letting you cum for the next three years.

This is something only us girls are allowed to do.

Inside this room, you can do as you please, for as long as you please...

This site has extra-territorial rights...

Seems like there are a lot of students here today.

When you hit a man's weakest spot...

it hurts enough to make you shriek like that, huh?

The pain makes the urge to cum fade away a little bit, doesn't it?

You gotta be kidding me!

What? Did you think we were done with just one shot?

I can't bear it this many times.

This is punishment for even thinking you could want to cum, you worthless slave.

The punishment will stop when I feel like stopping.

Here, the other side of your balls gets some too.

You were begging me to let you cum, so this is what you get, do you understand?

I don't care how much you hate it, I won't let it slide.

Ugh... Stop, it hurts...

They got all swollen and red, huh?

How was it?
Did you repent a little bit?

It was already tight as it is, but having an erection inside the chastity belt is just...

Looks like you haven't learned anything.
What's all this precum for?

Uuh... If she rubs me like that...

Uwah... Your balls got pretty hot.

Were you hoping to cum from the punishment...? Don't get carried away.

I won't ever let you.

The epididymis is the place that hurts the most, so I'll squash just that.

Banging your hips like that is pointless; there's no escape.

2011

We'll use this next, okay?

How about I let you get a bigger taste of pain?

I can't quite feel loyalty from you just yet.

Your eyes look like they're begging me to forgive you.

You are prohibited from cumming for the next three years. Until your chastity belt is taken off... I'll keep training you.

What kind of reactions will you have from here on out?

It'll be impossible to last three years if she does this kind of thing to me...

One week later, day 21 of the ejaculation prohibition.

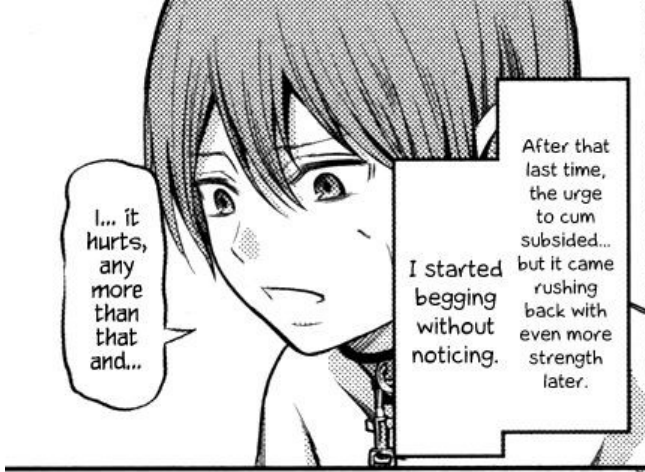

The only thing I want to do is cum... Why is this happening...?

please allow me to cum...

R... Risa-sama,

I... it hurts, any more than that and...

I started begging without noticing. After that last time, the urge to cum subsided... but it came rushing back with even more strength later.

You do know I'm never letting you cum, don't you?

... Still begging?

It hasn't even been one week since the last time I punished you.

Was wanting to cum but not being able to get an erection painful?

But it looks like you're finally showing some loyalty. You're kneeling down and everything.

Your balls are looking rather heavy too... You must have a lot of semen saved up in here.

This is today's punishment. You get it, don't you?

T... that place again... I'll get punished again.

And you know what's gonna happen, right? Let's go to that room again.

How about relaxing your butt a little more?

Huh?

N... no, there's no way such a thick thing can...

I'll ravish your ass with this strap-on.

If you're that against it, I'll just have to force myself in...

You can't say no, remember?

And I won't take it easy just because it's your first time, so you better prepare.

Huh...

I'll just jam it in all at once! No mercy!

I might put even bigger things in from here on out.

You can moan harder, pant as much as you want.

It looks like it pained you to hear I won't let you cum, but...

I won't ever let you cum.

I've said this before, but don't even think you can cum while I'm training you.

No one around here cares, so don't worry.

No milking or dry orgasms either.

I'll piston you with everything I've got, so gasp more!

C'mon!

I'm getting satisfied just like everyone else...

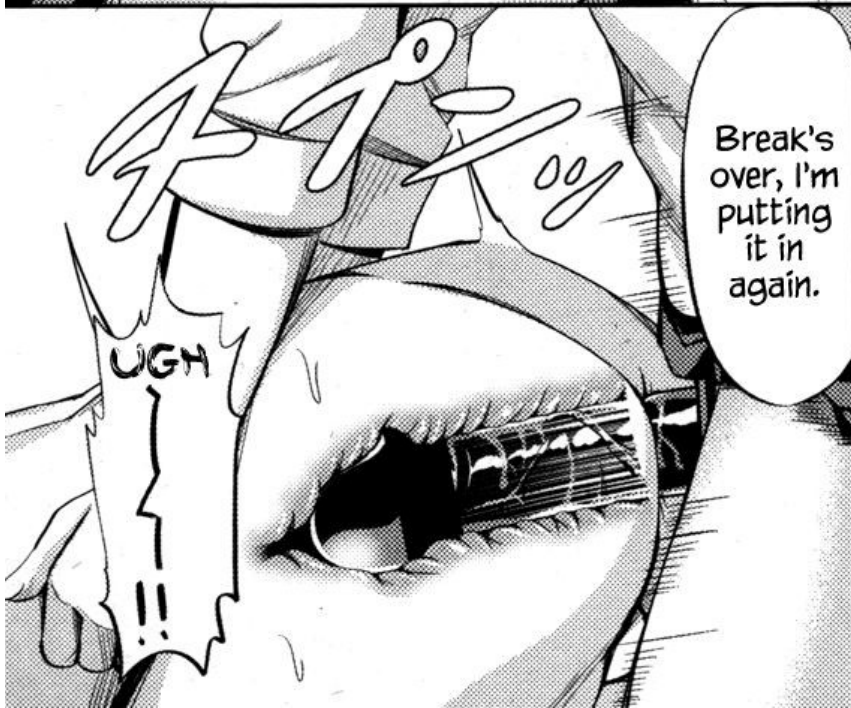

MG

Show me more of that miserable side of yours.

If you get rammed like this, it's only natural to moan, don't you think?

If she shoves it in at that speed, it might... make me cum...

Fufufu

UGH

Break's over, I'm putting it in again.

It hurts when I stop right before, doesn't it?

It's easy to tell when you're about to cum.

If you look like you're about to cum again, I'm pulling out, you hear me?

I can't take this anymore...! Please stop...

Please pound me more! Ravish my butt.

If you don't say "Please pound me harder," I'll squash these even harder.

You don't want me to torture your balls anymore, do you?

Alright then, I'll ravish you a whole lot more.

Squeeze

Would you rather have me punish these instead?

You're doing it again...

until you completely fall, that is.

We'll use all the time we have after school
