■ Afterword ■

Hello, nice to meet you.

And for the returning readers, I'm grateful as always.

This seems to be my 12th original book.

How did you like it?

I had been thinking about building a pee harem with all the girls I had drawn for a while now, and I was finally able to make that dream come true.

■ Middle Schooler Harem + Pee Bathing.

Once I started drawing, I found it even more enjoyable than I had thought.

I wouldn't mind being covered in the hot pee of seven middle school girls either.

Oh and also, I picked only students from Okazaki's class.

■ As for the next event, I have applied for the Comitia a week after Summer Comiket. I think it's going to be a bit shorter this time.

Also, I think I'm going to be allowed to draw for Comic Koh again. Please look forward to it.

Now then, let us meet again in the next book.

-Tuttsu

I wonder, is this, instead of being an "it was all a dream"-ending, an "it was all a wet dream"-ending... (lol)

Do you
want
me to...
Hydrate
you?
♡
